Oh, the best laid plans of mice and men... and newsletter editors! I had every intention of getting this issue out on time, before the end of May, and even set the deadline early to give myself plenty of time to work on it, as I knew May would be a busy month for me. Alas, although I thought I was being perfectly realistic and sensible, it seems that I still managed to seriously underestimate just how much of a time sink it is to raise a litter of pups. Well, I can't think of any time better spent — I enjoy every minute of it! — but I do apologize for the lateness of this issue.

Thank you to those of you who submitted such beautiful and touching ads honoring your dearly departed for this Memorial issue. How bitter-sweet it is to remember them with both smiles and tears and know they live on in the treasured memories of everyone who knew and loved them.

The 2010 CWA racing season is underway with exciting and competitive meets in every region. There are a TON of new registrations listed in this issue and it looks like we have had some very exciting youngsters debuting this year. Looks like the competition at the National in August will be HOT HOT HOT!

Speaking of the National, this issue includes updated information about our 2010 CWA National, to be hosted by Racing For Fun in beautiful British Columbia in just two short months. Be there or be square!

The next issue's special feature will be **upcoming stars** — great opportunity to introduce all your promising youngsters! Please get your ads and other submissions to me by **July 31**.

Happy summer everyone!

Rooms need to be reserved by **July 28th** to get that rate. Mention it is for the Whippet Club block when making your reservations. This is an older hotel and NOT fancy –and not a lot of area to walk dogs but the hotel is clean and very dog friendly. 10 minutes from the race site.

ADDITIONAL ACCOMMODATION:

Super 8 Langley – a newer hotel with great green area for dog walking, 26574 Gloucester Way, Langley, BC 1-877-690-7666. Additional charge per dog. 15-20 minutes from the race site.

Comfort Inn Abbotsford - additional charge per dog. 2073 Clearbrook Road, Abbotsford, 604-859-6211. 15 minutes from the race site

RV Parking - limited number of spots available at members' private property – dry camping, no hookups or sewer/water available. Contact LMWA@shaw.ca

EagleWind RV Park - 26920 – 52nd Avenue, Aldergrove (20 minutes from track), 604-856-6674, www.eaglewindrv.com

Club members will be happy to have weekend houseguests – let us know if you would like to stay with one of our members rather than stay at a hotel.

TRAVEL OPTIONS:

The closest airport is Abbotsford Airport, which is serviced by WestJet. Vancouver Airport is approximately 1 hour from the race site. Seattle, Washington is approximately a 2-hour drive. Allow plenty of time for border crossing, as it is very busy in the summer. We suggest the Lynden/Aldergrove or Sumas/Abbotsford border crossings to avoid the busiest crossings closer to Vancouver.

ALAMO AREA WHIPPET CLUB - MCKINNEY, TEXAS

December 19/20, 2009

Saturday

On December 19-20, 2009, Alamo Area Whippet Club joined forces with local LGRA club Gazehounds in Texas to offer racing for all Sighthound breeds. Running CWA and LGRA meets concurrently, AAWC and GIT both benefited from shared labor and expenses at the same time we were able to meet new people and make new friends. Ultimately, we think the collaboration was successful and will look forward to coordinating efforts again in the future.

Myers Park and Event Center may be our new racing home for a while, and this sunny weekend was no exception. Making good use of the "back forty," our two groups enjoyed spacious parking, nearby port-a-lets (a new experience for AAWC Racers!) and a hot lunch. We picked up many useful tips from the long-time running GIT members including insider catering news about the local "Chicken Express." The chicken fingers were GREAT! Yet, the amenities were not the ultimate source of excitement for the weekend. The racers were.

On Saturday, AAWC enjoyed an entry of 10 hounds, four of whom joined us from far out of state. We were happy to welcome Rob and Karen Hutchinson, Simone and Dickens as well as Dean Wegner Fanta and Pibb. AAWC "regulars," Scott Hurlbert and Dana Jensen Moran, joined us, too.

Nearly sweeping the meet undefeated, B-grade Simone found especially swift feet this day, winning her heats Programs 1-3. She facing five A-grade hounds going into the meet but her determination was strong and her performance unmatched. By day end, she'd earned 24 meet points and 3 NARX points as well as a bump up into A-grade status.

Also putting in respect-earning speed on Saturday was C-graded Dickens who finished second in the meet with 21 meet points and one NARX point. Following behind with heads held high were Dina who earned a sizeable 3 ARX points while Sullivan and Sealey, housemates, split the remaining ARX point in a tie for fourth place.

Pibb earned a first place in conformation competition under judge Scott Hurlbert. Lining up at the placards behind Pibb were (in order) Sullivan, Dickens and Fanta. Thank you, Scott, for doing such a nice job with the entered hounds.

Sunday

Sunday came bright and early as we gathered to perform a quick inspection and get the show on the road. Hoping to see our out of town guests in traveling clothes before late afternoon, we concentrated especially hard on efficiency and promptness. We knew they have a very long drive. Additional AAWC Members Shannon Talley and Ingrid Mollenkompf came out to help and to run their Whippet Validus. The day began well with swift work, good breakfast sweets and Starbucks coffee.

An entry of 10 again, the hounds began well and performed consistently all day. Texas Whippet Sullivan challenged Simone for the top seat in the meet, splitting victory by winning Programs 1 and 2 but losing to Simone in Programs 3 and 4. By the awards ceremony, these two deserving Whippets shared first place and the NARX points for the day. Sullivan also picked up 3 ARX points and some pretty big hugs from his human mom. Dickens and Pibb made nice showings as well, holding third and fourth place.

ALAMO AREA WHIPPET CLUB - MCKINNEY, TEXAS

December 19/20, 2009

As fourth place racer, Pibb earned a single ARX point but went on to steal the whole show winning a second day in a row the conformation competition. Judge Alice Mirestes of Arkansas selected as her top hounds the following Whippets in order: Pibb, Sealey, Sullivan and Dickens. Thank you to Alice for a job well done.

Alamo Area Whippet Club continues to encourage other Whippet owners to join us in CWA racing and will continue our efforts to make CWA a fun, affordable and enjoyable sport. We still have a ways to go, and our greatest need is available workers. Between the AAWC "regulars," we often have enough Whippets to make minimum requirements, but equally often we are shorthanded on boxers and catchers. A problem we imagine many clubs face, we are not deterred. If other, more experienced clubs can offer any insights or marketing tactics, we are open to hearing them. For now, let us emphasis our great pleasure in being a part of CWA and in putting on events. We believe in what we are doing and look forward to doing it each and every time.

RACING FOR FUN - ABBOTSFORD, BC

APRIL 3/4, 2010

Saturday

Thirty dogs and one puppy raced in the pouring rain. The wind was blowing very hard and coming from every angle. Luckily after it hailed through lunch, the weather brightened for our last program and the match. It was a nice surprise to make 30 dogs for our first weekend out, if only the weather was a little more favorable. The meet entry was a big success due to the large number of first time entered dogs. There were seven FTEs, who ran very well despite the weather conditions and the very busy races. Today was the straight racing debut for the Fireworks "Blond Bombs" aka Marshall, Daltrey, Milo and Fred who took the field by storm. The brothers were keeping each other on their toes and made for some very tight finishes going shoulder to shoulder with each other for many of the races .

Half way through the meet we had a slight delay in order to out maneuver some very pushy Rugby players. One has to love the prospect of a double booked field; thankfully we had our booking confirmation in hand. After much debate they sensibly left to play on another field. If the wind couldn't blow us off the field, they certainly weren't going to.

The potluck was terrific with many wonderful entries and not so lovely weather I think the ground almost turned white with hail at one point. The winner of the dessert category was Janet Stritychuk with a great chocolate cheesecake. The winner of the main course category was Nancy Szabo with a hot potato soup.

Once the clouds parted and our plates were empty we finished off the last program of racing. After another set of fast and furious racing we ended the day with a new Meet Winner and First time Entered Marshall with BOS going Lacy. Congratulations to the ARX point winners, 5 for Marshall, 3 for Milo, and 1 for Zuri. The NARX points were won by Marshall 5, Milo 3, and Lacy 1.

Last but not least was our match, which was judged by Jeanette Dorsey. Congratulations go to Tara for 1st, Kiwi 2nd, Smoke 3rd, and Marshall 4th.

APRIL 3/4, 2010

Sunday

The weather was very agreeable, sunny and warm with a slight wind compared with the day before. We had a few less dogs today due to Easter dinners and such so we ended up with twenty-two dogs entered for the meet.

It was another big race off for the top set of points between the "Blond Bombs" (Marshall, Daltrey, and Fred) were all running well with Zuri hot on their heels, making life interesting for the line judges. The brothers were battling every race, switching 1st and 2nd place after every program. It has become rather challenging to pick up a dog when they are all the same color at the end.

Half way through the meet we broke for a much needed lunch break and were greeted with another great assortment of food. The potluck competition was heating up with an excellent showing and fabulous entries. Winner in the dessert category was Linda Johnston with a Rhubarb crisp. Winner in the main course category was Randy Greenwood with a Mexican Pasta Ole. After we all had our fill we picked ourselves back up and finished the meet.

The meet win came down to the final race. At the end of the 3rd program we had Daltrey sitting in 1st place with 19 points and Marshall sitting in 2nd at 17 points. With the two boys trading wins all day it was hard to say if Daltrey could keep the lead or if Marshall could steal it back. All the dogs were getting clean fast breaks so it was neck and neck to the end with Marshall winning the last race by a head. With that win Marshall won the meet, but he tied with his brother Daltrey at 25 points so they had to share the 3 ARX and 3 NARX points each. Congratulations to Marshall for winning High Score in Meet with BOS going to Lacy.

Our match was judged by Jennifer Hughes. Congratulations to Cruz for winning 1st place, Donald 2nd, Tiercel 3rd and Kiwi 4th.

Saturday Match line-up: judge Jennifer Hughes with #1 Cruz, #2 Donald, #3 Tiercel, #4 Kiwi

Thank you to the box operators Steve, Randy and Marco and also to the lure operator Peter (where's your hat?) who survived two days of the elements stuck in a wheelchair. Foul judging Beth and to Penny Wilmot, neither of these people were running dogs and their assistance was very much appreciated. A special thank you to the line judges Jennifer H., Linda B, Ellen, Janet S, Beth and Nancy; two days in the blowing wind, doing a great job! Also, big thanks to all of you that showed up bright and early to help with setup and to those that helped take the track down so quickly, it certainly lightens the load for some tired workers. Thank you all for coming out and lending a hand where you can — we can't do it without you.

RACING FOR FUN - ABBOTSFORD, BC

May 1/2, 2010

Saturday

We had a 22 dog race on a cold and misty day. The wind was blowing down the length of the field, which made it easier for the dogs but not so nice for the line judges. It was a nice surprise to see we had a meet that started with 2 high point races. With that, we had some very fast close races, where the winner came down to who got the break at the box.

The rain and wind did ease off around lunchtime, which made the break all that much better with the great assortment of food, a great effort by all. The Best of Potluck winner was Emily's Orange cupcakes with Chocolate icing.

Once the food was gone and the board reset we got back up to finish the last program. Marshall finished the day strong and took the last race of the day, finishing with a perfect score.

Marshall picked up 4 ARX and 4 NARX points with brother Daltrey coming in second and picking up 2 ARX and 2 NARX. It was another strong meet for the Brown Bothers finishing the day in the top four spots.

The weather did warm a little for the show, which was judged by Darien Adley. First place was Milo (who picked up his first DPC point), second was Marshall, third was Zelda and fourth was Bode.

Twenty three dogs braved the bitter cold and wind for another day of racing. So much for moving the race meet to May in hopes of better weather. We lost one canopy to a gust of wind, which actually ripped the nailed down awning off the ground and crumpled it into a pile of twisted metal. Luckily that happened as we were packing up and the lure operator was not sitting under it at the time. For the next meet I think we all need to work harder on our sun dances.

Today was Daltrey's turn for the big prize, he seems to really come out strong on the second day of racing, getting some of his best breaks at the boxes. Daltrey was able to hold off his brothers for all but the last race, which made him our new meet winner. With the win Daltrey picked up 4 ARX and 4 NARX points. In second place was brother Marshall who picked up 2 ARX and 2 NARX points and now needs only one more to point finish his ARX title.

Once again, we had a terrific spread of food for our lunch. With lots of things to pick from and only so much room on one's plate, it was very hard to decide. Our resident "Dip queen" Margaret Gaull won Best of Potluck with another excellent dip.

Carole Adley judged our show, with our winners taking the weather in stride to strut their stuff in the bitter wind. Carole's winner was Smoke, second was Kiwi, third was Zelda, fourth was Donald.

chair the whole day. And last but not least, the line judges who were trying to keep warm and doing an awesome job, special thanks to Linda B, Jenn H, Ellen, Nancy and Karen. Also a big thank you to anyone who helped take down or put up the field or re-string the line, every bit helps to make the meet go so smoothly.

Saturday

Ft. Mott State Park is very popular with the dog folks around here, and it is easy to see why, because even on a weekend that was unseasonably warm, like our MAWRA meet weekend, there is always a nice breeze off of Delaware Bay and plenty of shade. We are doing our best to keep CWA racing going in this area, and even some of the smaller WRA clubs are struggling to make entry, so we were actually quite pleased to have a number of good dogs and a lot of willing workers turn out so that we could have an enjoyable weekend. While nobody got to take a program off, we had enough people to run our meet and we had what most longtime participants agreed was some of the closest and best racing at all levels we had seen in this area for a number of years. If you did not come, you really missed seeing some great competition, both in the racing and the match shows.

Saturday, we had 18 adult and 1 puppy starter. There were several returning ARX point favorites, including Kohl, Latch, Raffles, and Trick--all of whom have taken ARX points at past MAWRA meets, and two "wild cards" in our FTE's Tattoo and Augie Dog. Augie delighted owners Leila, Kristen, and Karen by running lights out to finish 2nd in the meet and take the top set of ARX points. The bottom ARX point was in contention until the very last program, where Voges proved a spoiler in the co-feature, blocking out dogs who would have taken the point had they won, while Kohl put up a good enough finish in the final High Point to capture the bottom ARX point. Our other FTE for the day, Tattoo, delighted owner Linda Solano with a clean program, a solid B score, and winning the DPC leg in the match, judged by conformation Whippet handler/owner/breeder Helen Dalton. The rest of the match placements went to Augie, perennial CWA Match Queen Maura, and Trick, rounding out a strong day for the George Evans entry of Ripley and Trick.

Saturday Match line-up: judge Helen Dalton with
#1 Tattoo, #2 Augie, #3 Maura, #4 Trick

The NARX points were very much up for grabs all day, with close finishes between Faye-Faye, Paige, and Augie, who took turns beating each other, but in the end, it was Faye-Faye on top, winning the meet and three nationals for delighted owner Steve Damron. High Score Puppy was the 9 month old "Bomber"--Surrey Hill's U Sunk My Battleship!

After the meet, we started some dogs and proofed a few others.

Sunday

Sunday, Bomber moved up to adult in order to assure a 20 dog meet and the higher sets of points, and we had exceptional racing again with a few additions from the day before. Cruz, a multi-point winner from our October meets came in to play, and we had an FTE in Scarlet, a field champion whippet from VA. It was another day of clean racing. On this day, perennial contender Paige improved her performance from the day before and ended up taking the bottom 2 national points to advance another rung on the all-time CWA ranking ladder, while Faye-Faye repeated her meet win of the day before. Augie finished 3rd in the meet but was again right in the thick of things in every high point, and took 4 ARX. The bottom 2 ARX points were again hotly contested into the fourth program. On this day, Cruz and Latch ended up tied and split the points to pick up one each. Carl Morgan did his very first judging assignment for our match. He selected for his winner the ably-presented Vendome (thank you, Diane Motzkus!), followed by puppy/FTE Bomber (DPC leg), Latch, and Tattoo. As always our substitute handlers help us to get most of our finishers into the match at MAWRA events, which is great for our judges and great for our level of competition. We had NO scratches on Sunday!

Saturday Match line-up: judge Carl Morgan with #1 Vendome, #2 Bomber, #3 Latch, #4 Tattoo

There were several dogs in this area we have box-broken which were not able to attend for various reasons, but we hope to get them in July. We definitely need a little more participation from outside the area to get to that magic number of 30, but in the meantime, we had a great weekend--it was a lot of fun and the racing was close and very competitive.

Thanks to lure operators Steve Damron and Kristen Fredericks, Box Operators Linda Solano and Carl Morgan, and members such as Diane Motzkus who came both days with no entry--that is the hallmark of a dedicated member, trophy chair Terri DeLuca, and as always our own members and guests who work every program in whatever capacity they can.

We also had 6 MAWRA Match Racers on Saturday and 2 Match Racers on Sunday. Good practice and conditioning was had by all and I think it was a good thing to add to our overall programme.

Respectfully submitted,

Karen Lee

ALAMO AREA WHIPPET CLUB - MCKINNEY, TEXAS

May 15/16, 2010

Saturday

On Friday when the Race Secretary called up to Myer's Event Center to see about delivering our race-boxes to the field for the next day's meet, the event coordinator said, "We have to change your club name.." Curious about his unexpected dislike for our name, the RS asked, "Why, Mark? What's wrong with Alamo Area?" In a calm tone that somehow flirts with the private thought "isn't it obvious" at the same time it keeps with a great patience that only folks raised in the rural parts of America can master, Mark answers, "Because every time I see your name on the calendar we have rain. Nobody else has rain, but you have it every time." Mark is right. AAWC has endured rains on the Myers field prior to and during our last 4 out of 4 events there. Yet, we won't be deterred, and we are so pleased that on this occasion we were able to hold the meet despite the opinions of the weather gods.

A number of our competitors completed in AKC conformation shows in the morning both Saturday and Sunday so the race meets each day offered a late start time. Saturday did not begin until nearly 3:00p but to our benefit, this meant cooling heat in the mid-80s falling eventually into the 70s by the time we conducted the conformation match. Still a bit warm at the outset, we were glad to have no rain but plenty of overcast skies. In the end, the uncooperative rains that kept us off the field Friday had actually become quite friendly to us in that they softened the track ground and kept the sun off our backs for most of the day Saturday.

Starting the meet Saturday were 10 adult Whippets, one of whom was an FTE from the Kansas area. Most others were Texas natives, and all were ready for some strong competition. Leading the high point races for the first two programs were Validus and Sullivan, two males that have been head-to-head in the past so that the meet workers anticipated a tight performance from both boys. In the first program Validus first crossed the line, but in the second, Sullivan had closed the gap between them to a first place tie. It was easy to concentrate on these two as their runs surely were attention-grabbing, but in the meantime, we would have a dark-horse winner find her way to the lead position in both programs 3 and 4 and ultimately to the top for the meet itself. Drawing the six-box both times, Sealey poured on speed to outdo the top boys for two straight programs, coming first before their second and third place finishes. Especially exciting, the low-profile girl swept in from behind and ran away with 3 ARX/NARX points for the day. Validus and Sullivan split the remaining points for .5 ARX/NARX points each. Deserving recognition, too, was Daryl, the FTE, who placed fifth for the day and establishing himself among the B-grade runners. Everyone put in hard runs and consistent efforts such that the meet was quite successful despite the rough beginnings.

Saturday Match line-up: judge Dana Walsh with #1 Sullivan, #2 Daryl, #3 Sealey, #4 Leo

ALAMO AREA WHIPPET CLUB - MCKINNEY, TEXAS

May 15/16, 2010

Sunday

In our conformation match Saturday, Judge Dana Walsh enjoyed an entry of eight hounds, four bitches, four dogs. After examining each entry carefully, she selected her favorites in this order: 1) Sullivan 2) Daryl 3) Sealey and 4) Leo. All the dogs showed wonderfully and soundly. We enjoyed a injury-free day of good racing and good showing.

On Sunday, we enjoyed a larger entry of dogs rising mostly from newly established Whippets who had practiced and trained the day before. We began with 14 adults, and we were so pleased to welcome David Duncan's Whippets Shinju and Tatsu as well as Glenda Konopka's Jack.

A slightly earlier start, we admitted we were missing the rain of the earlier days. Sunday was bright skies and strong humidity as we experienced weather in the upper 80s with only intermittent cloud cover. Sauna comes to mind when looking for the right words to describe the conditions. Not a sport for the faint-hearted, we were not disappointed by the coeurs d'or demonstrated by each of our racers. The first program ran smoothly and efficiently. As the day before, Sully, Validus and Sealey led the order in the High Point race. Jack and Tatsu also put in nice first-time runs down the official track, finishing their first program in second and third place respectively.

Come the second program, Sealey suggested she wanted a repeat from the day before, finishing first before Sullivan and Dina. Yet, it would not be so. Both Sullivan and Validus came on strong and proved up the standings in both the last two programs and the meet as a whole. Sullivan led the day earning 3 ARX/NARX points with Validus taking the remaining 1 ARX/NARX point. Sealey earned a respectable third as these three strong dogs shared an equitable weekend of racing. Our FTE Jack did a fine job as well, finishing fourth behind these more seasoned runners. Congratulations to all.

In conformation Sunday, our judge Margaret Worth of Bija Kennels examined a very nice collection of six hounds. After performing a thorough and efficient review of the individual dogs, she chose her top four in the following order: 1) Sealey 2) Sullivan 3) Jack, and 4) Leo. Congratulations to all the winners and all the competitors who performed above expectation and came away in good health.

Finally, AAWC wishes to thank everyone who attended the trial either to compete, to practice, or to watch, because each of you was also put to work. We are in such heavy need of officials to preside over the event, and we simply cannot put on good meets without you. Thank you to Scott Hurlbert, Sami Hirko, Caroline Hirko, Shannon Talley, Ingrid Mollenkompf, David and Renee Duncan, Susan Jensen, Olivia Moran, Dana Walsh, Glen Konopka, Margaret Worth, Abby Worth and Glenda Konopka. Your contributions are invaluable. Thank you.

Saturday

The week before, the rain was supposed to stop. The forecasters said, clear and warm into hot with no precipitation. Did this happen? No. Come Wednesday before the race meet, the grounds are soaked, with standing water at the finish line, the puppy line and in the conformation ring. Alas, the race meet had to be cancelled and emails were sent out to everyone. Fred Luehrs called and was very disappointed. Off-handed, Ule James said: "wouldn't it be a lark if the Arthurs allowed us to have it at their place?" Fred: "I'll call!" The Arthur's were very happy to have CURace hold their race meet at Arthur's Acres. Thank you to all that helped make this happen on such short notice. Thank you Mary Beth Arthur for obtaining two good conformation judges for CURace.

The day was clear, and dry. Looked like it was going to warm up to about 85 degrees F. Unlike the fields in Rochester IL, the soil beneath the grass here in Milwaukee, WI was starting to crack from dryness.

Measuring went on without a hitch. Doug set up cones for handlers to walk out there dogs between. Some of the agility dogs wanted to weave. Fred thought they should be farther apart. The revised rules require that dogs verify that they are not lame. Fred Luehrs (wickets) Ule James (teeth) and Janet Siehndel (butts – lucky her) were the measuring committee along with Doug Arthur (timer). Jenn Smith figured she didn't need to worry about Devon measuring in and used food to stand him. He liked the food – so much so that he measured out the first time. Mary Beth measured Devon in easily on his second try.

We had twenty-four dogs at the start. Ule James was the box guy and foul judge. Connie Austin ran the lure. Dean Wegner was mid-track foul judge. Krista Siehndel was the finish foul judge. Lisa Ochoa coordinated the line judges as well as line judged herself. At the first race of the day, Connie was reminded that she was the lure operator: Doug Arthur asked: "who's running the lure?" Ule had all the dogs loaded and was teasing them. Connie, chatting with the line judges realized she was it and jumped up surprised that Ule was ready. Ule didn't even notice.

Competition was fierce for the ARX points. There were two first-time-entered dogs, Rafa and Tanner, as well as Jamie and Indie vying for the points. Both Rafa and Tanner were hot on the heels of Charlotte. During the third program Naughty, coming back from injuries in her youth, looked like she would maintain a close second to Charlotte during the meet. Much to everyone's chagrin, Naughty, after a superb break, out in front, had Charlotte steaming full bore up on the six-side, with a nasty grin through her muzzle, Naughty turned her head and bopped Charlotte. Twice.

Clearly, Naughty was not pleased being passed by Charlotte. Nothing escaped the ever vigilant foul judges, Dean Wegner and Krista Siehndel and Naughty was disqualified (at that distance, all Ule saw was whippet butts). Meanwhile, Rafa, in the two jacket, cruised up smoothly to second, by-passing Naughty's shenanigans. Craig Jefferds (Tanner's owner) took a great video of the incident and has

put it online (<http://blip.tv/file/3704194>). At the last program, the ARX point seekers were tense: Rafa, Tanner, and Jamie in the high point and Indie in the co-feature. Rafa smoked up to Charlotte with Tanner a close third, putting Jamie and Indie just out the points! Charlotte took the day undefeated (watch out – Rafa and Tanner are right behind). ARX points went to Rafa and Tanner. NARX points went to Charlotte and Rafa.

The conformation judge was by Marie Jackson. Marie had a very large entry: sixteen! She was very nice to let us handlers relax under the EZ-Ups while she inspected the hounds. Marie made cuts among the dogs, then the bitches. Her final selection was Pibb, Sawyer, Slate and Sly. Sawyer got the credit for the win. Conformation prizes were Premier martingale collars. Marie got a basket full of dog stuff as a judge's gift.

Saturday Match line-up: judge Marie Jackson with #1 Pibb, #2 Sawyer, #3 Slate, #4 Sly

EAT TIME NOW! The food was absolutely terrific! Lisa Ochoa and Pat Reynolds (now spouses) smoked a turkey – yummy. In addition, there were Siehndel beans, Austin cheesy potatoes and hamburger soup. Great salads: toss salad with grapes and strawberries, lentil salad, ricotta salad, mandarin orange salad (i.e. orange fluff). There were more deserts and additional salads too.

During dinner CURace gave out prizes. The entries for Saturday's meet required that entrants pay a small \$3 entry plus bring a wrapped gift at around \$10. If you did not bring a gift, you couldn't get one. The rules were: you can either pick a gift or take someone else's gift - steal. If you got your gift taken, you could take someone else's or pick from the wrapped pile. Not many people stole.

Connie, Ule and Debra Borton stayed at the La Quinta on Lover's Lane, near the race site. Unbeknownst to them it was High School graduation night. Graduating students rented several rooms and partied all night! The hotel staff (of one) was unable to get them quiet until 0200. Needless to say, we and many others filed complaints! Calling the manager on the Tuesday after, found out that the hotel will be changing their operating procedures regarding security. Usually, this hotel is great, although grassy areas to walk dogs are not as much as we like (is it ever?). We have stayed here several weekends without any trouble. Luckily, graduations only happen once a year!

Sunday

Measuring went well. The committee consisted of Peggy Berg (butts), Ule James (wicket) and Lisa Ochoa (teeth), Doug Arthur timed. The dogs (and handlers) walked very nicely down the widened walkway between the cones. Some of the people that came Saturday did not attend Sunday, so we were down to just twenty dogs.

The weather was the same as the day before only less wind (more bugs) and more heat (more sweat). Ule ran the box and was foul, Connie the lure, Dean was foul (again) and Lisa rallied line judges and the finish foul judge. After the first program we lost four old-timers (they love to run, but can't or shouldn't run all four programs). Regretfully, four more were scratched during the race meet. The ground was very hard and dry. I am sure the heat and ground pounded on some of the dogs. Rafa was on Charlottes heels all day. The last program, Rafa had a super break. Charlotte, stream train she is, just couldn't catch him at the finish. Much like Saturday, Rafa and Tanner got the ARX points (Jamie and Indie out of luck again!). Charlotte and Rafa got the NARX points. Even without a perfect score, Charlotte took first in the meet.

Conformation was judged by Ralph Jackson. He commented that all the dogs looked really nice and that it's a challenge to judge them. Out of the ten dogs, Ralph picked Sly, Winston, Tanner then Indie. Winston got credit for the win. Ralph got a big basket full of dog stuff as a judge's gift. Prizes were unwrapped and provided by donations and the host club. Handlers selected what they wanted as their dogs were called. Dogs were given awards by their grade placement: top A, top B, etc. Conformation winners got to pick first.

Sunday Match line-up: judge Ralph Jackson with #1 Sly, #2 Winston, #3 Tanner, #4 Indie

FOOD! The best part of a long day in the hot sun is eating! Lisa and Pat baked a turkey to perfection in Mary Beth's new oven! There were many delicious leftovers!

Good weekend.

He has but turned a corner,
He is not dead, this friend.
But in the path we mortals tread,
He's a few trifling steps ahead
And nearer to the end.
So that you two, once past the bend,
Shall meet again,
He loiters with a backward smile,
'Til you can overtake.

Hazelby of Wyndsor ARX ORC ROMX

1993 - 2007

Beautiful, charming, and talented, Hazelby was also an outstanding producer. She achieved ROMX status in two litters, and was only the second bitch ever to earn an ROMX on performance titles alone. Many of her descendants are multiple meet winners - including several national meet wins - and have also earned titles in obedience, flyball, tracking, oval track racing, and lure coursing. Her great-grandchildren are already showing that they will follow in these illustrious footsteps.

Most importantly, she was the beloved companion of Jean and Vince Balint for all the days of her life.

We remember...

It seems impossible to believe Carolyn and Greg have been gone over a year. They live on, in so many of our memories, in big things and little things that happen every day, in the Wistwind whippets who carry on their profound legacy and whose lifeblood flows through the veins of our beloved dogs, and in her handmade coats that will always keep our whippets toasty warm.

Congratulations to **BIF FC Cali N TNTs Spirit of the Wild of Nitro, LCX2, MC, FCh**, the inaugural winner of the Wistwind Memorial Trophy, awarded to the best performance dog at the AWC National Specialty in honor of Carolyn & Greg Mountan. Spirit is owned and loved by Deana McNamer, and was bred by Robin Horner, Donna Richards and Dora McDonald.
