As this issue goes to press, the countdown to the 2011 CWA National stands at just under three weeks! This National is shaping up to be one of the best yet, with strong competition converging on Milwaukee from all over North America. The racing and conformation matches are going to be HOT HOT HOT! Arthurs Acres will certainly be THE place to be over Labor Day weekend!

Before you know it, the **August 25** deadline will have come and gone, so don't let it catch you sleeping! The entire premium list is included in this issue, as are links to the CWA website, which has important information about trophy donations and the online benefits for the Whippet Health Foundation, WRAP and Sharon Couzin in her fight with ovarian cancer. Times are tough, but please check out these worthy causes and donate whatever you can.

Appropriately enough, the next issue of *Line and Lure* will be our annual National issue, with results, photos, critiques and other special features from this premier event. The special ad theme will be National brags, but regular advertising is always welcome. The deadlines for ads and other submissions will be **September 30th**.

To everyone who is lucky enough to be Milwaukee-bound, I wish you safe travels, good racing and showing, fun times and the camaraderie and sportsmanship we've all grown to love most about CWA. Those of us who can't make the trip this year are positively green with envy and will be sitting home with bated breath waiting for news.

GEORGIA RAG RACING

Hull, Georgia

June 4/5, 2011

We hope we provided a WARM welcome for our Midwestern guests, Mary Beth, Peggy, Connie and Mary H. With temps expected to reach 95 plus degrees we think we did not disappoint.

We started the race weekend with 18 Adult starters and one puppy on Saturday. We started roll call this weekend at 7:00 in hopes of beating the heat. We had 3 A dogs, handfuls of B

dogs, a few C, one D and one FTE Logan. Our puppy for the day was Lady Jane.

While Beau and Ziggy were taking turns winning on the race track we were trying to stay cool on the sidelines and keep things moving. Thank you to Dave and the Swamp Cooler! What would we have done without it? The Swamp Cooler was set up next to the race secretary's tent and participants chairs and provided us with constant cool air during the day. Thanks to everyone's hard work we beat the heat and finished racing by noon.

Beau was victorious in the race meet earning 2 NARX, Ziggy was second earning 2 NARX, Rye was third earning 3 ARX, Ryder (ARX) fourth, Jackson fifth in the meet earning 1 ARX. Our top and only puppy for the day was Lady Jane who put in 3 excellent races. Our turtle winner for the day was Daphne.

Our conformation judge for the day was Deana McNamer DVM. I believe she found the judging to be challenging and fun. Ultimately her final lineup was 1. Jackson 2. Kurt 3. Ryder and 4. Tailor.

The afternoon finished with trophies, lunch and some box training.

Thank you to everyone for keeping things moving so we could beat the heat and keep everyone dogs and owners safe. Thank you again to Dave and his family for the use of his land, for watering the end of the track and for the swamp cooler.

With temps again expected to reach above 95 on Sunday we started the day with a 7:00 a.m. roll call.

Today we inspected 21 adult starters and 1 puppy. We began the racing with 5 A dogs, a handful of B and C dogs and 2 FTEs Amos and Luther. We had one puppy for the day: Bea.

The swamp cooler was once again up and running to keep us all cool and the races moved along without a hitch.

Sunday's race certainly was Minnie D's, at 6 years old she obviously still has what it takes. Minnie D won the meet and earned 4 NARX, second was Beau earning 2 NARX, third Ziggy(ARX), fourth Ryder(ARX), fifth Jackson earning 3 ARX and Rye earning 3 ARX. Jackson and Rye tied and shared both sets of ARX points. Our top running puppy today was Bea who put in 3 excellent runs her first time on the track. Our turtle award today went to FTE Amos.

Sunday's conformation judge was Linda Johnson. Linda made her decisions quickly and first place went to Bea, second to Jackie, third to Luther and fourth to Wink.

We finished the day with trophies and lunch and said goodbye to our Midwestern friends. I think everyone had a great weekend and we hope to see more of you racing at One Day Farm in Georgia.

NORTHERN CALIFORNIA WHIPPET FANCIERS ASSOCIATION

Suisun, California

June 4/5, 2011

Weather! It seems as though NCWFA is cursed with bad weather, whether it be hot and dry or cold and rainy. Usually when our friends from Canada come down for our meets, we have 100 degree plus temperatures. But not this time, it was cold and rainy. Who would think it would be 55 degrees at the beginning of June in California?

Despite the terrible weather we still had 30 whippets on Saturday and 23 on Sunday. The Mighty Bolt of WyndSOR took first place both days, Saturday Frank's little guy, Arrow, showed that size doesn't matter by taking second place and earning his first ARX points. Bolt's brother Zuri was 3rd Saturday and 2nd Sunday. Miss Bennett and Miss Jane rounded out the top 5 on Saturday. Cassidy, a new comer owned by Bonnie Charon took 3rd Sunday behind Zuri with Lucy and Linda Stewart's Kylie. We have only one puppy both days but Follie gave it her all and had a great time doing what whippets do best: run.

On Saturday our match was judged by Martha Fielder, who gave first to TJ, second to Wilson, third to Kylie, and fourth to Hallie.

Saturday match line-up: judge Martha Fielder with #1 TJ, #2 Wilson, #3 Kylie, #4 Hallie

Our Sunday match judge, Tina Graham awarded first to Wilson, second to TJ, third to Hallie, and fourth to Ellie.

Sunday match line-up: judge Tina Graham with #1 Wilson, #2 TJ, #3 Hallie, #4 Ellie

ROCK N ROLL WHIPPET ASSOCIATION

June 11/12, 2011

This years RNRWA June meet went very well with our sister club (LARK'S) LGRA meet. We had a very small meet and I would like to thank everyone for coming out of state in these very rough times. We were pleased to welcome a first timer to our meet and I hope she becomes a regular. It should have been a memorable day for her since her dogs took all the ARX points Saturday!

Ziggy won the meet with 3 NARX points but Minnie D, Rafa and Takota tried to stop him! When the smoke cleared Takota (FTE) ended up second in the meet with 1 NARX and 3 ARX points, and the bottom ARX point went to Parravani/Bernier's Cooper, also an FTE. Takota is owned by them also: way to go.

Our match consisted of almost everyone who started in the meet, all put in front of the very lovely judge Karen Lee. Karen thanks for coming all this way to judge for us! Karen's placements went to Brim, Gracie (Carolyn and Greg were here too!), Sly and Minnie D.

Saturday match line-up: judge Karen Lee and #1 Brim, #2 Gracie, #3 Sly, #4 Minnie D

Sunday came with another new starter to challenge Ziggy but there was no stopping him. He went undefeated for meet winner and 3 NARX points. Lizzie (FTE) was second to earn 3 ARX and 1 NARX point. Bomber tried but finished third. The bottom ARX point was split between Bacon and Maki.

The most fun was had when Ule James tried to load a few of Karen Lee's dogs into the box. He got the job done after a good 5 minutes (wishing I had the video camera going). They lost muzzles, race blankets in the melee but he got the job DONE! As Ule came up the track he was bleeding and his shirt was torn. He looked like lost the battle but he did win the war!

Our judge Sunday was our very own Judy Lowther. Once again, the ring had almost everyone who finished the meet. She worked them hard for her decision and her placements went to Bacon, Brim, Sly and the puppy Jane!

Sunday match line-up: judge Judy Lowther and #1 Bacon, #2 Brim, #3 Sly, #4 Jane

I hope fun was had by all!! I want to thank everyone for your support of RnRWA; without you we could not have had a meet. See you all next year!

All the photos in the report we taken by Ule James! Thanks Ule!

GOPHER STATE WHIPPET RACING GROUP

Cokato, Minnesota

July 2/3, 2011

Gopher State Whippet Racing Group held its annual Firecracker Races this year and the “fireworks” came before the meet. On Friday afternoon a major storm moved through the area and right over the location of the meet at Mary Huff’s home. After the storm passed Mary had trees down on her property and no power. Fortunately the trees did not affect the track or her house and the meet was able to go on. Some of the out-of-towners were caught driving in the storm and I know there were some tense moments for them as they

didn’t know how bad it would get. As it had been in the 90s and 103 in the days before the storm, it was a blessing the weather cooled off a bit and the humidity was tolerable.

The storm Friday night took out the electricity and we did not have any until Sunday afternoon. When you live in the country and have a well for your water source that means no running water, no Toilets!! Thank god for Mary's travel trailer which was used as a porta potty for the weekend.

On Saturday we had 20 adults and two puppies – Debra Borton’s Fling and Jennifer Smith’s Strip. The puppy races were competitive with Fling winning two of the heats to come out on top. Both puppies ran well and their owners were happy with their performances.

Puppy racers: littermates Fling and Strip.

Ziggy, owned by Connie Austin and Ule James was the meet winner on Saturday running undefeated in all four heats, picking up the 4 NARX points. Brazen, owned by Doug and Mary Beth Arthur, was second in the meet and earned the second set of points. Stryker as an FTE and owned by Deb Duffert took the top set of ARX points in a close race with Robin Exsted’s Da’vi who took the second set of points. There were several dogs in competition for ARX points and it was exciting watching the final races to see who came out on top.

Saturday top ARX point winner Stryker in #6 and Pibb.

Janelle Johnson was our confirmation judge and she had a nice group of 12 to choose from. After putting the entrants through their paces she selected Barrett, GG, Midori and Brazen as the top four.

Saturday match line-up: judge Janelle Johnson and #1 Barrett, #2 GG, #3 Midori, #4 Brazen

On Sunday we had 3 puppies and 20 adults running. Fling was top puppy winning all three heats with Strip and Krista Siehendel's Gentry also competing. The puppies all ran well and will soon be ready to compete with the "big kids."

Mary Huff's Minnie D was the meet winner with Ziggy coming in second. As on Saturday there were several dogs in competition for the ARX points and after some good races the points were split between Gail Wegner's Pibb and Da'vi.

Michael Duininck was our judge on Sunday and as a first time judge I knew he was a little worried about judging, but he did a great job and told me he really enjoyed the experience. His top four were Midori, Pibb, Barrett and GG.

Sunday match line-up: judge Michael Duininck and #1 Midori, #2 Pibb, #3 Barrett, #4 GG

Sunday was a good day for titles as Pibb earned his ARX and Midori, owned by Irene Mullauer earned her DPC, TRP and AKC Award of Versatility. Congratulations to them and their owners for all their hard work and good performances.

I want to thank everyone for all the help in putting on the meet. Mary Huff was our lure operator both days and our box operators were Fran Hearley and Ule James. Everyone was very helpful in taking on the duties of line judging and catching and taking dogs down to the boxes. We had no injuries and that is the main measure of success of a meet – in my opinion.

We here in the Mid-Atlantic have been enduring a summer of extraordinary hot and dry weather, leaving many of our fields sun-scorched and hard as cement. Although we received a little gift in the form of more seasonable heat and humidity instead of the superheated sauna-like days we had been enduring (and were shortly to endure again), the field condition was still not what we normally have at Ft. Mott.

Still, an entry of 32 Adults and 1 puppy showed up on Saturday morning to try out the super hard and fast track.

We began our day on a solemn note, with a minute of silent reflection and prayer for recently-departed longtime MAWRA member and officer, Brigitte Greenberg. She will be missed by many in the region, and numbered some of our club members among her close friends and co-owners.

Following that, Kristen gave a seminar on taping feet for supporting toes and protecting pads. We got a somewhat late start on Saturday to allow for people to get their dogs prepared to run on the field conditions which were bound to be hard on pads.

Our guest from the Midwest, Ziggy, was undefeated in the High Points and won the meet. Second in the meet was our top member-owned dog, Beau.

As with our last meet, the ARX point picture was surely to be found between the Licketysplits and the Mariner Ice Creams, although this time, only one Ice Cream was in the field.

Bacon decided he was tired of spotting his half-brother Bomber a lead out of the box and decided to put on his strongest performance to date—finishing 3rd in the meet for 1 NARX, and taking the top set of 5 ARX.

The second set of ARX points went to Matt and Bheki's Rye, and then two more Licketysplits—Tailor and Ace, split the bottom point.

We had a lot of FTE's on Saturday, and a few of them weren't quite ready to make the transition to adult competition as we had one DQ and several scratches of dogs who looked likely to benefit from a little more practice, but three of our FTE's did very well—Brando, Boddy, and Tang all ran straight and ended the day as Grade C racers.

And we can't forget our puppy, Aria—very promising despite racing with no competition, and our turtle queen—Scarlett! Boo-Boo and Scarlett certainly kept that one very much in doubt until the last program.

Lunch on Saturday was a real treat. Shelton Carter sent up genuine Tidewater VA smoked pork barbecue, which the carnivores among us enjoyed with slaw, sauce, and buns. Also present was a banana pudding, made by yours truly, and some sort of awesome brownie made by Fran. Much delighted munching ensued.

The match was judged by Melanie Merrion, who found her winner in Bacon, followed by Tang, Moe, and Tailor. Bacon became a DPC with this award—an excellent day for Bacon!

Saturday match line-up: judge Melanie Merrion and #1 Bacon, #2 Tang, #3 Moe, #4 Tailor

I had a misadventure on the way home from the field that night. My rear tire blew out and my van had to be taken home on the back of a flatbed tow truck. So, without a usable van the next day, I borrowed my husband's truck and Kristen and I had to compress two vans of dogs into one van, so between that and people who were unable to return, we did not make it to a 30 dog meet on Sunday.

As with the day before, Ziggy won the meet and Beau placed second. Bomber decided that he was done losing to Bacon and finished 3rd in the meet, but of course, there were no NARX points to be had, but it was still a strong day for Bomber. Bomber and Bacon have a rivalry now! Bacon finished his ARX and DPCX by tying Matt and Bheki's Ace for the ARX points, with both boys getting 3 ARX. Though not technically an FTE, Rene had benefited from a little extra practice after getting scratched the first day to end the day with a fine score, even making the High Point race!

Puppy Aria ran well again and then proofed with another dog, so the younger generation is looking good. And Scarlett was once again our Turtle Prize winner. Her owner is very serious about the turtle award. We are going to have to make sure to provide more variety if Scarlett continues her reign as our Turtle Queen. Like our old Turtle King Nastar, Scarlett has a great break and tries her hardest! If the race was 20 yards she'd win it every time!

Linda Solano judged our match and found her winner in Preston. I know Brigitte would have been very proud to see this homebred Greenwood Whippet at the front of the lineup! Second went to Tailor, Third to Bacon, and Fourth to Tang.

Sunday match line-up: judge Linda Solano and #1 Preston, #2 Tailor, #3 Bacon, #4 Tang

Match racing was held each day. Dilana, Levi, Charlie, and Marcel had a wonderful time participating in the match races. Dilana was the overall winner.

And now for the thank-you's! Our lure operators—Steve Damron and Kristen Fredericks. Box Operators Linda Solano and Ule James, Meet photographers Ule James and Marc Stumbo, all of our line judges and foul judges, Trophy chair Terri DeLuca. Special thanks to Linda Solano and Diana Itter for coming out to help judge when they had no dogs entered. Big thanks to Lauri Austin and Marc Stumbo for stopping at Dunkin Donuts for breakfast goods, and to Terri and Alena as well. We were not shy of donuts.

Hope to see many of you at the fall meet. At least it won't be hot!

RACING FOR FUN

Abbotsford, British Columbia

July 23/24, 2011

Summer finally made an appearance and it could not have come at a better time. We had a great turn out and made our first 30 dog meet of the year. With five FTE starters it looked like we were in for some very exciting racing and we weren't disappointed. There was very close racing throughout the programs, with a big battle for the bottom two sets of ARX points.

FTE racers Portia and Mojo were giving the seasoned dogs Merlin, Milo and Pete a good battle for the points. Only three meet points separated them in the battle of ARX points.

Marshall and Daltrey were also battling hard for the meet win, with Fred and Zuri right on their tails. Only half a point separated first and second with Marshall narrowly taking the meet win and top set of 5 NARX points, followed by Daltrey in second picking up 3 NARX points. Zuri was also running very well and took the top set of 5 ARX points finishing his ARX title. Merlin picked up the middle set of 3 ARX points and now only needs 4 more points to finish. Milo and Pete split the bottom ARX point.

Once again we had a great turnout for the potluck, with bratwurst on the BBQ and lots of great salads and deserts to choose from. The winner of the Pot Luck was Beth Levine's Tiger Squares which everyone agrees is the best desert ever!

Saturday's match judge was Lorna Leinbach who had a very large class of nine boys, from which she had a very hard time making a cut, and five very nice girls to choose from. Her match winner was Kai, followed by Logan, Jonah and Marshall.

RACING FOR FUN

July 23/24, 2011

With 31 dogs running, 10 sprinters and a couple practice runs in between programs we had around 40 dogs racing, and it was great to have so many people and dogs come support the meet.

The sun was out again on Sunday for another good day of racing; the field was looking good thanks the weeks of rain before hand. We were a little more prepared this time for the warm weather, thanks to Randy and Karen who brought a water cooler and ice to share with everyone. Funny how the dogs always have water but the human forget theirs...

We started the day with 31 adult racers and one puppy. Once again the battle was on between the Fireworks brothers for the meet win and the race for ARX points. Unfortunately Merlin came up sore after the first race so was scratched. This just made the ARX point race even more interesting.

Sunday's meet winner was Marshall, picking up 5 NARX points. He seems to think that running in the

sun is more his thing rather than in the cold and rain. Daltrey picked up the middle set of 3 NARX points followed closely by Fred who took the bottom NARX point.

The ARX points all came down to the final race, Milo had a great final run in the high point coming in third to tie in meet points with his sister Tina. They split the top sets of ARX points 4 each. With the 4 points Tina finished her ARX title and raced her tenth race to finish her TRP title. Pete finished half a point behind them and picked up the bottom ARX point.

Portia, Seven and Mojo finished strong and just outside of points. These girls will be battling each other for the rest of their careers. Congrats to all the racers who came out this weekend and raced hard and clean both days.

Lunch was great once again, with hamburgers as the main dish along with more great salads and deserts. Today winner was the mystery ingredient applesauce made by Beth, who had us guessing all lunch.

Sunday match line-up: judge Emily Szabo and #1 Kai, #2 Smoke, #3 Seven, #4 Lexy

Sunday's match judge was Emily Szabo. She had four boys and six girls to choose from. After much thought and deliberation she picked her winners. Her match winner was Kai followed by Smoke, Seven and Lexy.

Thank you to everyone who pitched in and made the meet run so smoothly. You guys were great! Thanks for all you hard work, every bit counts. From the Randy the box operator, Peter the lure operator, and Steve for bringing back the lure, to all the line judges: Nancy, Linda, Karen, Janet, Jessica, Beth, and Ellen. I can't forget to mention all those who helped load or catch dogs no matter how easy or hard they were to handle. We are also grateful to those who were running sprinter dogs who lent a hand line judging, foul judging and much more. Job well done to both dogs and their owners.

with Audrey taking BOS Puppy.

RED HOT

(CH Shamasan Hound Hill Cherokee, ARX, DPCX, PR-2, RN x CanCH Serendipity Skylark, FCH, DPC, TRPX, PR-2, SR, OTR)

SERENDIPITY MARK THE LARK

Seven made her CWA debut at the July 2011 RFF meet in BC, running a grade B score and winning her first Top 10 ribbon in her very first meet.

As beautiful as she is speedy, she placed third in the conformation match to two top-ranked champions for her first DPC credit in her very first match.

Seven is owned and loved by Beth Levine (Serendipity).

SERENDIPITY MALARKEY AT WHIMSY

Hokum was AKC pointed from the puppy class at his very first show. In his first appearance in the show ring in Canada, he was Reserve Winners Dog at the Lower Mainland Whippet Association specialty in July 2011.

He will make his CWA racing debut in August 2011.

Hokum is owned and loved by Mary Downing (Whimsy).

SERENDIPITY ON A LARK

Jonah set our expectations high when he won Best Puppy honors at the 2010 CWA annual match at the tender age of three months.

In his CWA debut at the July 2011 RFF meets, following in his mother's footsteps, he raced four clean hard programs and went on to place third in the match to two top-ranked champions for his first DPC credit in his first match.

Jonah is owned and loved by Beth Levine (Serendipity).

On the East Coast, watch for **Serendipity Lark Echo**, who made his CWA debut at the June 2011 RRWA meets in Ohio, finishing in the top 10 despite scratching after the 3rd program. **Echo** is owned and loved by Carol and Steve Weber.

The future is bright for these fiery young redheads!!!
