It seems impossible to believe another year has come and gone, into the CWA history books. What an incredible year it was, showing what we race and racing what we show!

I would be remiss in not thanking the dedicated race secretaries who take the time to write up meet reports and submit photos, and the fantastic photographers who are so generous with their work. I cannot continue putting out such a vibrant magazine without help from those of you at the meets who are so generous in submitting your material. I know we're all very busy, but I'm disappointed to note that this issue features three meets without any write-up. I really hope this isn't a trend and we'll be back on track with complete meet reports in 2012. A BIG THANK YOU to those of you who do submit your reports consistently and in a timely manner. Everyone loves reading them and *Line and Lure* would really suffer without them. I couldn't do it without you!

Our next issue will be our Annual issue, featuring the always popular **FREE ADS** for all the whippets lucky enough to land a spot in the racing and conformation top 10s and **FREE PHOTOS** of all the honorable mention dogs (#11-20)! Yes, if your dog was fast and beautiful enough to finish in both racing and conformation standings, they get a free ad or photo for each! So check out the complete standings featured in this issue and if your dog is included, I hope you'll participate. After all, you've got nothing to lose! You get free bragging rights for your beautiful and speedy whippets, and help make an important contribution to the documented history of CWA—it is just a win/win for everyone. Our last few years' Annuals have featured nearly all of these accomplished dogs; let's shoot for 100% this year! Of course, regular advertising is always welcome. The deadline for ads and other submissions will be February 15th.

On a sad note, I'm sure everyone in the CWA family joins me in expressing our very deepest sympathy to Wendy Strickland on the loss of her beloved husband, Ray, who passed away just before Christmas. Wendy, we all share your sorrow.

Hug your loved ones, human and canine. Life is precious and short, and we should all take time to slow down and appreciate the things that really count—not just on the special holidays, but every day. Best wishes to you all in 2012.

# “TATTOO”

## Ch Shamasan Here Be Dragons

(Ch Marial's Wistwind Cinderfela ARX, DPCX, SRA, NA, NAJ x Ch Shamasan Good Day Sunshine, JC)

"Gus" would like to congratulate his daughter "Tattoo" on finishing her AKC Bench Championship under the capable hands of Phoebe Booth (handler above).

Tattoo was whelped September 14, 2008. Her breeders are Jill Davies & Martie Boyer from Connecticut. Her owner is Linda Solano from Baltimore, Maryland.

Tattoo is a Grade B racer and has won three CWA Conformation Matches. She also received her AKC therapy dog certification this year.

**T**he NCWFA should feel very proud of the CWA meets they hosted this past weekend. Both meets ran smoothly and efficiently and were finished in a timely manner.

On Saturday we had a nice entry of 29 Whippets. (I thought we had 30 but I had counted wrong.) We were also able to qualify some dogs for our Sunday event.

Winning the meet was the Mighty Bolt. However, he was challenged in every race by one of our Canadian entries, Daltrey. This little red flyer is proudly owned by Barb Barclay and her husband Howard. We thank them for making the long trip to support our meet.

Taking the third spot was one of the evil sisters, Miss Bennett. Running extremely well was Frank Herald's youngster, Arrow. This fast little guy is proving to be quite a contender on both the track and the coursing field.

Two more Canadian entries, Pete and Donald finished in 5th and 6th place. Jane and Bessie both ran well and had the 7th and 8th placements. Our friends Kate and Hugh were thrilled when their pretty bitch Cleo took 9th place. She also won in the conformation ring. Finishing out the top ten was our always consistent running TJ.

Top puppy for the meet was Guin's friendly and charming little Folly. She runs with great enthusiasm and desire and will make a wonderful adult racer.

Our conformation match was judged by Barb Barclay. She did a very nice job of judging and her final line up was Cleo, Julia, TJ, and Lily. Congratulations to all the happy and proud owners.

We had a wonderful turn out of NCWFA members. Because of this we were able to get the meet finished at a reasonable time. My sincere thanks to our wonderful members for their help

and support. Before I close my report I must mention how much our Mexican Buffet was enjoyed. When I went to clean the table most of the bowls were completely empty. My thanks to all who provided this delicious food.

I was pleased that everyone was able to leave early so they could get some rest before doing it all again on Sunday. In spite of 30 plus mile an hour winds on Saturday and rain on Sunday we still considered the weather perfect. Compared to our last two meets, it really was perfect. Both dogs and people appreciated the cool temperature.

Sunday's meet started early so again we finished at a reasonable time. The racing was exciting and fun to watch. Bolt won the meet but

was again challenged by the smoking hot Canadian racer, Daltrey. BOS and third place went to Miss Bennett. She actually tied for third with Bonnie's little red spitfire Cassidy. Miss B. and Cassidy split the points each getting three. I'm pleased to say those points finished Miss B's race title.

Frank Herald's young dog, Arrow, ran beautifully and well deserved his fifth place finish. Donald, Jane, Cleo, Pete and Ripple all ran strongly and finished in the top ten. Miss Folly Borstel showed that she is ready to run with the "Big Boys," and was again our top puppy.

We decided to complete the meet before having our lunch break (and am I glad we did). What a magnificent spread of delicious food. I do not think I have ever seen food so beautifully presented at a race meet pot-luck. It was a sight to behold. My sincere thanks to all who contributed to this great feast. By the way, in spite of Kellee not being there, she did provide all the wonderful cold-cuts.

After lunch we had our conformation match which was judged by club member, Marianne

Lu. Her final beautiful line-up was TJ, Cassidy, Cleo, and Folly. Thank you Marrienne for a job well done.

Before I end my report I must thank some very special people who helped make this a most successful weekend.

Thank you Brad for bringing the equipment, setting up, taking down, box operating and lure-operating on Sunday when Todd had to leave.

Thank you Todd for setting up, taking down and running the lure, it was appreciated.

Many thanks to dear friends, Mary Jean and Ed Odron... Mary Jean did a perfect job as head finish line judge for both events (She had a great crew too). Ed, who had an injured back, still helped out both days on the finish line (and other places too but don't tell Mary Jean).

To Guin for saying "yes," every time I needed help, and also setting up the match for me.

Others whose help was invaluable were, Marrienne, Robert, LaDonna, Justine, Cheryl, Sandy and Jen. My gratitude also goes to Donna, Burt, Linda and Janet. Personal friends who came out to assist were Jan Ferry, lure-operator and finish line, Sue Oace, scorekeeper and records, Monica, Audra, and Megan, who helped everyone run their dogs and were busy all day. I am beholden to you all.

Others who I would like to thank are Barbara, Howard, Katie and Hugh who came from Canada to support our meet. Your participation was greatly appreciated. We sincerely hope you will come back again.

Our next race meet will be next June. Keep those dogs in shape so they can all come out and chase those bunnies.

# GEORGIA RAG RACING

## Hull, GA

### September 24/25, 2011

**T**he weather could not have been better for this racing weekend in Georgia, not too hot and not too cool, just a perfect fall day on the farm.

We started 23 adult racers today, three of whom were FTEs. Most of the races were tight with Beau, Bacon and Bomber (the three B's) challenging each other for the number one spot. FTE Kasey Kahne managed to work her

way up to the high point race in the last two programs and showed the boys that girls can run tough too.

Our meet winner for the day was the unstoppable Beau earning himself another four NARX

points. Bacon and Bomber shared the two NARX points and tied for second/third in the meet. Jackson who is very close to finishing his ARX title filled the four spot and earned the four ARX points. Our FTE Kasey Kahne moved right into fifth place and earned her first two ARX points.

Thank you to Donna Richards of TNT whippets for judging our match today. Ten dogs were shown to Donna and she did make us work for those placements!! In the end her placements went to 1. Lindsey 2. Tailor 3. Bacon 4. Logan.

We ended the meet with awards, congratulations all around and of course food. While we were running the dogs, Dave was preparing the smoked pork butts. He smoked them the night before and pulled the meat. What a treat to have fresh smoked pulled pork with a variety of homemade sauces and all the fixings.

Saturday match line-up: judge Donna Richards with #1 Lindsey #2 Tailor, #3 Bacon, #4 Logan

Sunday match line-up: judge Janet Shwalbe with #1 Tailor #2 Lindsey, #3 Rye, #4 Bacon

On Sunday, another great day of sunny skies and warm weather makes for great racing on the farm. We started our meet with 21 adult starters and one FTE.

Photo: Ken Latimer

The competition remained tough with Beau, Bomber and Bacon dueling it out and today Jackson decided that he wanted to be in the mix too.

After four programs of fast and tough racing our meet winner was decided. Beau once again took top honors and gained another four NARX points. Bomber got himself another two NARX points by placing second in the meet. Jackson once again took the top set of ARX points and finished his title! For the record Jackson is the

first hometown dog to finish his title. Big congrats to Jackson! Good things run in the family because housemate Lindsey earned her first two ARX points!

Conformation was judged by Janet Shwalbe of Vschwalbe Dachsunds. A big thank you to Janet for judging and here was her line up for the day. 1. Tailor 2. Lindsey 3. Rye 4. Bacon.

We finished with awards and brags and served leftovers from yesterday.

Once again we need to thank Chris and Dave and his family for the use of the farm and adjoining property. We could not do this without their generosity.

For those of you who have not been down her to race we hope to see you for some southern hospitality.

# RACING FOR FUN

## Abbotsford, BC

### October 1/2, 2011

**O**n Saturday, the weather was perfect: not too hot and not too cold with the rain starting just as we were leaving the field. So nice to have such great fall weather and a good turn out of 30 starters.

The racing was very tight with Marshall, Merlin and Daltrey battling it out for top spots.

The race for the ARX points were once again very close with Portia taking the top set of five

points. Pete and Seven split the bottom set of ARX points each taking two points. Big congrats go to Pete who finished his ARX title.

We all enjoyed some lovely food for lunch with Karen Greenwood winning the potluck award with her chocolate balls.

There was a good size turn out for the match with 13 dogs shown to our judge Gale Lyttle. Her match winner was Logan followed by Lovey,

Seven, and Sienna.

We were all looking forward to the next day of racing with more dry weather in the forecast.

Sunday ended up being a much cooler day with a good mix of sun and cloud (no rain yay). Lots of very tough racing with meet points hard to come by.

All the youngsters were running very well, with Portia taking the top set of ARX points to end the day only one point away from finishing her title! Seven also had another good day, picking up the middle set of ARX points.

But our big surprise of the weekend was Ripple, who finished her ARX title at nearly eight years of age by splitting the bottom point with Bode. I know everyone on the finish line was doing a big happy dance for her. I think it was the highlight

# RACING FOR FUN

## Abbotsford, BC

### October 1/2, 2011

everyone's weekend if not the entire racing season, when we sat down at lunch and saw that Ripple, who has been sitting on 14.5 points for very a long time now, was in good position to possibly split the bottom point, IF she won her last race, and IF the dogs finished in a specific order in the last semi... and then watching it unfold exactly like that. It was one of the most thrilling things one could ever see at a race meet.

We enjoyed another good lunch with today's potluck winner going to Janet and her lemon squares. The race for the year-end potluck award was on, with a three-way tie heading into our final meet of the year.

We had another great turn out for the match with 14 dogs shown to our judge Linda Johnston. Her match winner was Lovey followed by Logan, Seven and Bode.

We want to give a big thank you to all those who came out and supported the meet with their entries and helped make it run so smoothly. Racing is truly a team sport and I could not ask for a better team to do it with. So thank you to all the helpers who worked the finish line, the field and the boxes.

### October 22/23, 2011

**O**n Saturday, we had a mixed bag of weather with heavy rain showers at times that turned to mixed sun and clouds, which was pretty good weather for this time of year.

It was a good turn out of entries with 32 adult starters; it was great to see all 32 racers finish all four programs. Racing was once again very tight throughout the programs with very few meet points separating the placements. Marshall,

Merlin and Daltrey battled it out for the top spots with Marshall taking the meet win to finish his SRA, followed by Merlin and Daltrey who finished half a point apart. It was another good battle for ARX points with Milo taking the top set of five points. It was a tight race for the bottom sets with Seven and FTE racer Cobalt spiting two ARX points each.

There was also a great battle in the food department with lots of people bringing their best in

hopes of winning the food prize. To say we had an amazing spread of food is an understatement! It felt like it was an iron chef bake/cook off. With yummy main dishes of stew, chowder and meatballs along with cookies, cheesecakes and Jell-O squares. It was very hard for everyone to choose a favorite so we picked one main and one dessert. The winner of the main dish was Karen Greenwood's Hawaiian meatballs and the dessert winner was Beth Levine's mandarin orange cake.

Saturday's match judge was Barb Barclay whose match winner was Seven followed by Kai, Logan and Cleo-C.

For Sunday's meet, we couldn't have asked for better weather to end the race year. It was very sunny and warm: the perfect fall day for racing. We had another big meet with 34 dogs starting. Brothers Marshal and Daltrey continued the tradition of trading wins in each program and

looked poised to once again tie for the meet win. But much to our surprise, Merlin and Tina both had good runs and spoiled Daltrey's bid for the meet win or tie. Marshall ended up taking the meet with Daltrey finishing second and becoming a new NARX4. Merlin picked up one more NARX point and is now only two points away from finishing the NARX title.

It was once again very close racing with the ARX points up for grabs between a number of dogs. The top set of five points went to Milo, the middle set of three points went to Portia, which finished both dogs' ARX titles. Big congrats go to Milo and Portia! The bottom ARX point was split between Seven and Bode.

photos from RFF's meets online!

It should be very interesting to see who will be picking up points next year with so many dogs now finished. This year we have had seven local dogs finish their ARX titles, which may be the most RFF has ever finished in one year.

Today's match judge was Jill Rizk, whose match winner was Kai followed by Sonny, Seven and Tanzy.

I would like to say a big thank you to all those who helped out at this meet and all of the meets this year. Thank you to all those who come from near and far to help support our club

with their entries. Also like to thank all the fabulous cooks out there who work so hard and bring such wonderful food for lunch. Big congrats to Beth Levine on winning this year's over-all potluck award.

Thank you to our lure operator (Peter), box operator (Randy), all of the line judges (too many to list and would hate to miss someone). Thank you all for your hard work and dedication to coming out to every meet and working so hard all year long.

It has been a very exciting year of racing with hopes of more of the same to come in 2012.

## Maybach Cabriolet Gem, SRA, AX, AXJ

Marial Shamasan Cinder, ARX X Loughren Dover, ARX, FCHX

**Gem** is three double Qs from her AKC Master Agility Championship, or MACH.

We hope to finish it by the end of 2011 but the number of trials are dwindling.

She'd have her MACH already if I were half as athletic as she is.

My agility instructor, a Border Collie aficionado, often comments on her athleticism and how tuned into me she is when she runs a course.

She's truly a once in a lifetime bitch.

Hopefully, she'll produce some offspring very close to her working and racing ability when she is bred, perhaps in 2012. Inquiries invited.

Bred by Larry Harrop of BC, Canada

Owned by Gail Wegner, Windflight Whippets - [whippets@milwpc.com](mailto:whippets@milwpc.com)

# Windflight's One Sweet Dream, OA, AXJ, DPCX, TRP

DC Summit Autumn Gabardine Martin, CD X Ch. Wegner's Lunar Energy, JC, ROMX qualified

**Fanta** is pointed in the show ring, and began a second career in agility this year.

Her first trial was at the AWC National in April 2011 and since then she has finished several agility titles.

We hope to add more points to her bench Championship tally in 2012 but it's hard to pass up an agility trial for a dog show!
