## From the Editor

**T**he 2012 CWA season is well underway and the racing is HOT from coast to coast! This issue is jam packed with meet reports and results from the Spring meets. It looks to be another competitive and exciting year for showing what we race and racing what we show.

I swore up and down and all around that I'd have this issue done by the first week of June... But then I heard so many of my CWA friends were going to the NCWFA meets and, once again, I succumbed to peer pressure (Barb Barclay is the meanest arm-twister of them all!), and made the long drive down the coast to join the party. As always when I travel to attend CWA events, I had a wonderful time; thank you NCWFA for your generous hospitality and superb racing!

It takes me *at least* a full week of dedicated work to put together each issue. I don't mean a full week working on it here and there, I mean a full 40 hour week. Since I already have a full time job, club activities, and my own dogs to care for and compete with, it can be a challenge to find 40 spare hours to dedicate to *Line and Lure*! I always feel guilty I can't turn the issues around faster, but I truly do the best I can and I genuinely appreciate everyone's good-natured patience and understanding!

The next issue will be our **Upcoming Stars** issue. There are lots of hot youngsters hitting the track and the match rings this year, so don't be shy, tell us all about them! Of course, regular advertising is always welcome. Please get your ads and other submissions to me by **July 31st**.

# GEORGIA RAG RACING

## Hull, Georgia

### February 11/12, 2012

**W**ell folks you never know what the weather will be like in February in Georgia. After a nice warm spell last week we were lucky enough to barely reach 20 degrees with a blustery wind all weekend for the race meet. I do not think the dogs minded but the people were not impressed. We were all thankful for the Starbuck's coffee that Chris Horne brought and the hot tea and coffee from Lisa Saunders along with the area heater to keep our feet and legs warm.

The meet was small both days, with 15 adults both Saturday and Sunday and one puppy.

The out of towners were rewarded for putting up with the cold weather with a meet win. Beau earned three NARX points, with one NARX point going to Ziggy. Sunday was a repeat with Beau and Ziggy again earning three and one NARX point respectively. Our top set of ARX points on Saturday went to Lindsey and the single to Elsa. On Sunday the top set went to Flynn and the single to Lindsey.

Our top puppy and only puppy both days was Goldie and she came out of the box and ran like a pro both days.

Conformation on Saturday was judged by Katherine Odom and this was how she saw it. 1. Jackson 2. Beau 3. Bea 4. Rye.

Conformation on Sunday was judged by Bill Collingwood and this was how he saw it. 1. Tailor 2. Rye 3. Jackson 4. Ryder

Trophies were awarded both days and we concluded Saturday evening with a warm dinner at the Outback in Commerce Georgia.

A big thanks to the Watkins family for the use of the property because we could not do this without them.

# MID-ATLANTIC WHIPPET RACING ASSOCIATION

Dendron, VA

February 25/26, 2012

It wasn't QUITE March, but MAWRA's February meet went in like a lion and out like a lamb. Kristen and Shelton woke up on Friday morning to 85 degree weather, went out quickly to the field and set up all that they could in anticipation of a major storm system with high winds due to blow in later that day. Such was the severity of the expected weather that the savvy port-a-pot guy put it at the edge of the woods and tied it to the trees, lest it blow over during the night which would make for a less than optimal port-a-pot experience.

We were pleased to welcome entries from Massachusetts, Illinois, and Minnesota to our meet, along with those from our club region. Our club can now regularly come up with around 30 dogs

from our region alone, and if we get outside support, a 40 dog meet is definitely within our sights at many of our events, so keep us in mind if you are looking for substantial points! [/plug]

While the heavy rains that greeted most of our travelers did slack off and move out over the course of Friday evening, many of us had a choppy ferry ride over from Williamsburg to the field, and we all donned our scarves and hats and coats for what promised to be a chilly and blustery Saturday. The wind introduced a few challenges, especially with regard to keeping the lure from being blown around. The dogs ran into a strong crosswind and there was a little more swinging around as a result of the dogs reacting to side-to-side motion of the lure, but other-

wise, we had a really fine day of racing.

Four match racers, two puppy racers, and 34 adult entries were on the board at the start of the meet. At the end of the day, we had only two scratches, and one DQ. The DQed dog was given practice opportunities the next day as well as one of the scratched dogs, who just appeared to be a little unfocused. One of the match racers was also busted back to practice runs, and these three dogs all made great improvements Sunday and I expect to see at least two of them racing in competition later this year without incident.

Saturday was a special day for two of the dogs in particular...both of whom had come back from injuries. Ripley had a truly horrifying reaction to a venomous bite last year and had to go through a series of skin grafts. Ripley is already an ARX approaching veteran status, and for him, it was a great victory to be able to race well and

February 25/26, 2012

put up a Grade C score each day. The other dog coming back from injury was Cruz. Cruz has needed 1.5 ARX points, but we were beginning to fear with all the fast young prospects that will be entering adult competition this year that he may have missed his chance. He was going to need to race the meet of his life to finish...

Puppy racing was dominated by Lucy, the first of Carl Morgan's litter of Paige x Bonzer puppies to debut in competition. Lucy broke well and ran straight and true, defeating Spree by several lengths in each race. Spree's break and focus improved with each race and on the last race, she showed encouraging speed, but it was all Lucy on Saturday. While she still looks and acts very much the puppy off the track, Lucy's focus and determination racing are mature well beyond her barely 10 months of age.

Saturday's meet was won by the Hearley's Kazi, who ran undefeated on the day, for 5 NARX. Ule James' Ziggy worked the board like a maestro and managed to nip in for second and 3 NARX points with a strong performance in the fourth program.

Last November, we saw a new MAWRA star on the rise, with Rachel, owned by Ken and Lori Stebritz, blistering her way to a Grade A finish and 6 ARX points. No fluke, that, as she raced even better with a few more months of maturity under her belt—and finished 3rd in the meet for 5 ARX and 1 NARX. But the even bigger news was the aforementioned Cruz—who ran the first A score he has put up in almost two years, and

finished his ARX with 3 ARX points! You could have heard Terri's war whoop on the other side of the James River.

The final ARX point went to a new racer, Rene, who in only his second meet won his first ARX point. Rene has been doing a lot of good lure coursing since turning a year old and this young son of Butters and Joplin looks promising in racing as well.

Our turtle prize, a beautiful necklace donated by Leila Anichini, was won by the delighted Erin McNeil and her dog, Scarlett. Scarlett really did not much care for racing in that headwind and at times, it looked like it was about to blow her back down the track towards the boxes, but she

crossed the finish line every time!

Lunch was a delicious choice of Brunswick stew (a local favorite) or vegetable chili with sides. It was the perfect choice for a cold and blustery day.

Our match was judged by Yvette Ferguson—who intends to go for her judging license in Whippets. It was a difficult day for evaluation as the weather was cold and still quite windy, making topline high for some of the 17 entrants. You never saw such a curvaceous entry! She found her lineup in Spree, Rene, Tang, and Lucy. What a great day for Lucy! Puppy winner and then to place over so many lovely dogs in the match! Brian and Fran should be having a lot of fun with her.

After the meet, we had some more practice and then convened at the Surry, VA Italian joint, one of only two restaurants in the area. Surry has a population of just 200 people, so our group alone (20?) had the town and the restaurant bursting at the seams to accommodate us. Service was slow but pleasant and cheap bottles of Fat Bastard Merlot kept everyone's windburned faces glowing at the tables.

The next day was MUCH nicer and warmed throughout the day. The puppy races were the best I can recall ever seeing at a MAWRA event.

Overnight, Spree stewed about her defeats, and came in with fire in her eye and the determination not to be left at the box. So, we saw three excellent box breaks and incredible side-by-side clean racing straight down the middle of the track by two very determined girls who both wanted to win. Spree barely edged Lucy three times to be high score puppy on Sunday... promising a lot of exciting racing to come for both.

Thirty five adult starters returned for Sunday. Without the crosswind, little Rachel wasn't being blown around quite so much and she showed she had something to say to the big brindle boys....giving Kazi and Beau close races and finally beating Kazi in the final High Point. Rachel tied Beau a couple of times, too. So, while Kazi once again won the meet, Rachel was 2nd for 3 NARX, and 5 ARX to finish her ARX title

# MID-ATLANTIC WHIPPET RACING ASSOCIATION

Dendron, VA

February 25/26, 2012

in three meets. That's a rare achievement in CWA, not just because it is hard to win top points three times in a row, but also because it is hard to find meets which offer 5 or more ARX points for that finish three times in a row, and we are all delighted (and the ARX point hopefuls below her on the board are REALLY delighted) by her speedy finish. Lori and Ken have had some tough times and everyone celebrated their success. Our MAWRA club top racer, Beau, nipped in for the final 1 NARX finishing 3rd in the meet.

The LaQuest home cooking continued with the next set of ARX points—Rachel's kennelmate Garcia ran MUCH stronger on Sunday and earned the 3 ARX. Garcia is up to 11 points now and hopefully will finish his title sometime in 2012. The final ARX point was very much in doubt until the fourth program. There were three dogs tied which would split the 1 ARX if

the dogs who were already ARX played spoiler in the co-feature... Brando, Rene, and Monkey. Everything depended on the outcome of that race... Bacon, Cruz, and Ace were ARX dogs already, but if Tang or Aria could pull into a third or a second, they would end up in the ARX point picture. Aria and Tang had both raced exceptionally well all day, but they had a tough job ahead.

Bacon and Ace slammed the door on 1st and 2nd, but it was TANG, edging out her kennelmate Cruz (a finish that nobody expected) for 3rd. It would not surprise me if Tang and Cruise discussed the situation on the way to the box and Cruz agreed to give way to his kennelmate with the promise of some future payoff. Dream on, Cruz. You'd do better to suck up to Monkey, who now hates you for dashing the .33 ARX cup

from her lips.

Sunday's lunch was the popular deli sandwich bar. Kristen brings the best Pumpernickle Rye you will find outside of New York.

Matt Bowman became very ill overnight at the hotel, and was assisted throughout the day by Ule and Steve Damron. With a few more hours, he began to feel better and was able to make the drive home safely. It may have been food poisoning or it may have been a stomach flu bug going around... as our judge for the day e-mailed Kristen to tell her he had also woken up too ill with a bad stomach flu to come and judge. So, we were forced to look to our attendees for a

# MID-ATLANTIC WHIPPET RACING ASSOCIATION

Dendron, VA

February 25/26, 2012

replacement. Who better than the President of CWA to rescue us from our dilemma? Ule James stepped up to the plate and did an excellent job, finding his winning lineup in Tang, Spree, Brando, and Peacock. Thanks, Ule, we really appreciate you coming through so that none of our newer people had to give up showing their own dogs.

Despite experienced line judges, we had a lot of ties, some of which I believe could only have been resolved by a camera at the finish line. A three-way tie for first is quite unusual, but we had one. I believe this is only the second three way tie for first in the history of our club. In any event, that just shows how well-matched many of our dogs are at this time.

Over the last few months, we have been discussing as members things we can do to make our meets more efficient and better-organized, both during the event and leading up to and following it, and I feel the results of those discussions really paid off.

Photo by Marc Stumbo

Although all of our attendees worked very hard and were fantastic all weekend, special recognition goes to Kristen and Shelton for all their work on the field and organizing lunches, and Kristen for lure operation and Shelton for the box. Alena Tune, co-secretary, did a great job with the board both days. Terri Deluca continues to bring a fine array of trophies, and our Treasurer, Pat, was able to field test her new accounting system and the collection of fees went the best it ever has from a standpoint of keeping track of the expenses and income. Ule and Mark photographed the meet and I think people will enjoy the photos and want to have some of them for souvenirs of the weekend.

Match racing (won both days by Steve Damron's brindle speedster, Dilana) continues to be a good place for dogs to gain experience, be evaluated under racing conditions, or get needed conditioning if they can't be entered in CWA.

Thanks again to everyone—I had fun and am very proud of MAWRA's members and guests for helping to pull off such a fantastic weekend of racing and showing, and BIG thanks to Lori and Ken for the use of "LaQuest Whippet Heaven"!

# GEORGIA RAG RACING

Hull, Georgia

March 31/April 1, 2012

**S**pring in Georgia is the best time of the year, everything is green, the flowers are starting to bloom and the humidity is low. I cannot think of a better time of the year to be racing whippets on the farm.

We started the weekend racing on Saturday March 31 at One Day Farms with 21 adult racers. Two of our racers were FTEs: Dude and Andrew. We also had six grade A racers entered today, the most we have had to date at the farm. We welcomed a few midwesterners for the weekend: Ule James and Ziggy, Barb Hearley and Kazi, Jennifer Hart-Abraham with Noelle and Josie, and Jan Liscombe with Joey. I knew we were going to have an exciting day of racing and great competition before the weekend even started.

All of our high point races for the day were fairly predictable, with Kazi first, Beau second, Ziggy third, and Jackson, Joey, Ryder or Dude (FTE) filling in the last fourth – sixth place. We had a lot of unpointed dogs this weekend so the co-feature was an exciting place to be for many of the dogs. Both of the FTEs, Dude and Andrew, proved to be focused and determined racers; Dude quickly moved into the high point and co-feature races and Andrew was right up there with the B dogs.

At the end of four programs, our meet winner was Kazi (Hearley) for four NARX points and second in the meet went to Beau (Bowman-Mealey) who earned two NARX points.

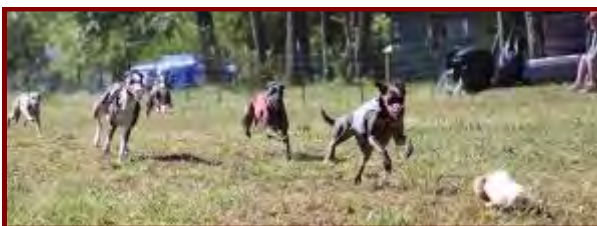

A big congrats to Ellen and Dude who got the four ARX points his first race meet (I think they are both hooked!) and to our resident Georgia

girl Lindsey for taking the two ARX points. I know she is very close to finishing her ARX title. Our turtle prize today went to Logan (Johnson) and let me tell everyone we have some awfully fun turtle prizes and baskets donated to the club so bring out your “turtles” for some fun.

I have eaten some of the best Mexican food in Georgia but Chris knew of a small hole in the wall taco restaurant nearby where we got our lunch and I do not think I have had tacos that good. Pork simmered in pineapple and spices and slightly hot chicken meat, corn tortillas, homemade chips and salsa and fixins for the tacos was amazing! I think this may be our new all the time lunch menu, it was a hit with everybody!

We hosted a raffle today to help with the cost of our boxes and I want to thank Pam Cunningham, Glenda Durance, Cris Horne, Barb Hearley, Chris Durance Watkins and everyone else who donated items to the raffle, I am sorry if I missed

anyone. I think everyone won what they wanted, I heard Sampson loves his cozy cave bed made by Glenda Durance and we made some money for the boxes.

Saturday's conformation was judged by Sara Lenahan. Her final four line up was 1. Tailor 2. Andrew (FTE) 3. Jackson 4. Joey.

We finished the day with CWA awards for title earners last year and awards and ribbons for the day. Big thank you to everyone who donated a prize, we had some great prizes this weekend.

Sunday turned out to be another beautiful day for racing in Georgia. We started with 20 adult racers and one puppy.

Saturday's FTE "Dude" started as an A dog today and once again proved himself to be an outstanding racer and took another four ARX points, a total of eight ARX points this weekend. Good boy Dude, I know Ellen was proud.

The top three A dogs to watch were Kazi, Beau and Ziggy and today they all took turns getting to the bunny first, but in the end Kazi was once again our meet winner earning four NARX points and second in the meet was Beau earning two NARX points. Lindsey again took the two ARX points and is very close to her ARX title.

Puppy Oen (Ballard) ran three flawless programs by himself and came out of the boxes without a hitch. Good boy Oen!

Our turtle award today went to Noelle (Hart-Abraham). Remember, the dogs do not have to be fast to run, they just have to have fun and we really do have some great turtle prizes!

Sunday's conformation Judge was Mallory Ballard of Arborlea whippets. The line up as she saw it was 1. Lindsey 2. Monkey 3. Tailor 4. Beau

We finished up with left over tacos from yesterday and awards. We said goodbye and safe travels to our mid western friends and we hope to see everyone in June for the next race meet.

Once again thank you to Dave's family for the use of the farm and property, we could not hold these events without their generosity.

- Mary Hawemann, GRR Race Secretary

## Turning On The Sun

A cold and stormy spring has been  
Our legacy this year  
Inclinate from west to east  
From Baltimore to here

My baby puppy raised in rain  
Is content to play inside  
My younger girl's insane to run  
Even if The Weather Channel lied

But my old grey veteran is sad  
Summer has not begun  
My sweet old man just simply wants  
Me to turn on the Sun

Another cloudy day has dawned  
He goes out in the run  
But the dark brown eyes that see my soul  
Say "Mom, turn on the Sun"

For you, my man, I'd do anything  
To make your life a happy one  
But I have no way to tell you  
I cannot turn on the Sun

It's summer now, the sky is blue  
The younger whippets frolic and run  
Nike reclines upon his chaise lounge  
And his eyes thank me for the Sun

Owned, loved and profoundly missed by Jennifer Scholz Hughes

### April 7/8, 2012

**T**he weather for our first RFF race meet of the year couldn't have been any better, the sun was shining and there was not a cloud in the sky, which was a big change from our practice a week ago, when we had mixed snow flurries and hail!

We had a great turn out with 31 adult starters, all of which finished all four programs. The racing was very tight throughout the grades with few points separating the placements. Marshall and Daltrey once again traded wins in the high point with Merlin and Zuri making them really work for it. Marshall squeaked out the win by only half a point over Daltrey.

The race for ARX points was also a close one, with it all coming down to the final program. Cobalt had a great day of racing with his new owner Clinton, picking up the top set of five ARX points. Seven also had a good day picking up the middle set of three ARX points and finishing her TRP and DPC title. The bottom set of one ARX point was split between Stella and Audrey for their first point. We also had Merlin and Sonny both finishing their TRP titles today.

With the weather being so nice we decided to have BBQ hot dogs for lunch, along with the wonderful assortment of appetizers and desserts. Saturday's potluck winner was Karen

Greenwood's apple strudel.

Saturday's conformation judge was Mary Downing, who had a nice sized entry of 14 dogs to judge. Her match winner was Cobalt followed by Sonny, Kiwi and Logan.

After the match was over we handed out the awards and prizes then packed up the equipment and headed home to get ready for day two events.

Day two was much cooler with overcast skies and a strong head wind coming down the track.

We had 31 adult starters and 1 puppy come out to chase the Easter bunny. Today Marshall decided he liked day two racing and came out strong winning all four programs to win the meet. Following him were Zuri, Merlin and Daltrey who were having a very tight race for second place, with all three finishing half a point apart from each other. Zuri came out on top picking up the middle set of three NARX points followed by Merlin who picked up the bottom

NARX point, and is now only one point away from finishing his NARX title.

Okay I know I am sounding a bit like a broken record here but once again the ARX point race were really tight with many dogs in contention up to the final program. Today's top ARX point winner was FTE Jake, who had a great day of racing in his first official race meet. So nice to see new owners and dogs take home top ARX points both days.

Taking home the middle set of three ARX points to finish her ARX and DPCX title was Seven; BIG congrats to Beth Levine on her new race cham-

pion. The bottom ARX point was once again split, this time between Bode and Mojo. We also had three dogs finish their TRP titles today: Lucy, Mojo, and Portia.

We had a great lunch break between programs three and four, thanks to all the chefs who helped with the BBQing and getting all the fixings out and ready to go. Once again there was a fabulous assortment of food, so much so we decided to award two prizes for best dish. The winners were Violet with her Spanakopita and Leanne with her cream cheese rolls.

Today's conformation judge was Beth Levine, who had a nice entry of ten dogs to choose

from. Today's match winner was Lovey followed by Mojo, Tristan, and Murphy. After the show it was time to hand out all the prizes, which were Easter themed, with lots of treats for both owners and dogs.

Last but not least I would like to say a BIG thank you to all who came out and supported the meet with your entries and helped with all the various tasks that made the weekend so successful. Thank you to our lure operator, box operator, line judges and all those who helped load and catch dogs. It was great to see so many people come out to the first meet of the year, looking forward to our next meet in May.

*"My mother had a slender, small body, but a large heart - a heart so large that everybody's joys found welcome in it, and hospitable accommodation. "* ~Mark Twain~

Mabel was loving mother to me and my sisters, a loving mother-in-law to Howard and a doting "grandma" to every whippet she met. Mom always had dogs but her introduction to whippets came from me and Howard with our gift to her of "Tiffany", Poseidon Trafalgar. Mom reciprocated that gift ten fold when a few years later she purchased for us the foundation of Fireworks, our much loved "Zoe" Ch. Ragtime Firestarter, FCh., CGN. Mom's constant companion these last few years was her beloved Chinese Crested, Chloe.

Mom was always happiest in the company of dogs and dog people. I know she was met by many happy dogs, cats, and family members who were waiting for her at the "Bridge" and I know her "daughter of the heart" Bonnie Goebel of Ragtime Whippets, was there with open arms.

Some of you would have known my mom or "The Mommy" as she was fondly referred to by many, as the Lower Mainland Whippet Association's original concession lady. She always loved to cook for a crowd. She made the best soup, muffins, Nanaimo bars, and jellied salads.

Mom was deeply loved and will be missed so very much. There were no services but the next time you are warmed on a cold day by a good bowl of soup.....think of her.

# PRETTY DARN QUICK WHIPPET CLUB

Bush, LA

April 7/8, 2012

**F**irst of all, thanks to the Bahms for hosting another Fun PDQ meet. I am excited for the new Lagniappe club's future success.

They were taking over all my work (if I was thinking, I could have given them this write up as homework :-). They had great folks come out to watch, judge and help with the meet. Sometimes, up here, it's a challenge to find judges, and it's even harder for me to find them in Louisiana because I am not from there, but thankfully, Deborah snatched up two great ones for me just like she and Catherine did the last time I was down there.

Then it's on to congratulate our FTE meet winner, River, Debmar Cane River. He was undefeated Sunday as well. I am sure great things are in store for him. He picked up the top set of NARX and ARX both days. The bottom set was up for grabs both days, and there was some close, exciting racing competing for them.

On Saturday, the bottom set went to Junkie, being chased by Flynn, Indie and Preacher. On Sunday the bottom set went to Indie (just one bitty point left for her ARX), chased closely by Flynn, Junkie and Preacher.

Saturday's conformation judge, Warren Benoit, is an AKC judge and breeder of Great Danes (Spotted Danes). Thank you to Deborah for inviting him. I think he enjoyed himself, and I was

relieved of the judge finding Duties. He found Cora, Preacher, Indie, and Junkie to his liking. That was Cora's second DPC leg.

After trophies, we had yummy gumbo; thank you again Deborah. Easier being secretary without worrying about those details.

Sunday's match was judged by Deb Mauterer DVM, of Ivywood English Cockers. She found Cora (DPC leg number 3), Smudge, Teche, and Shockey, in that order.

We ate po' boys and sat about in the lovely Louisiana weather, during which Catherine Odom started acting all crazy... something about a group one and her whippet, Albus... Congratulations Catherine. That was a great way to finish a weekend.

- Jenn Smith, PDQ Race Secretary

# MID-ATLANTIC WHIPPET RACING ASSOCIATION

Nottingham, PA

April 28/29, 2012

**T**he MAWRA members were pleased to welcome a large group of Whippet folks to our April Meets in Nottingham, PA. Our out-of-the-area guests were very complimentary of the beauty of the park, the surroundings, the charming local hotel, and our little towns of Nottingham and Oxford here on the far Southeast corner of world famous Pennsylvania Dutch Country. A few Amish buggies obligingly drove by while we were racing, to add to the local color.

As I looked at the list of pre-entries, I realized that while the top four or five places on the board were going to be pretty predictable, the ARX point picture was going to be very interesting indeed. Add to that the fact that we offer twin 175's at Nottingham and I knew that some dogs were going to earn their first ARX point or points this weekend, and in fact, that proved to be true for four of the five racers who ended up in the points.

The weatherman had been threatening us with a rainy Saturday for most of the week, but on Friday morning, the forecast shifted for chilly, overcast, but no rain until the evening. This proved to be accurate and although the weather was a bit nippy (made less so by Chuck and Jean's delicious lentil stew), the rain did hold off until we were all ready to pack up and leave for dinner.

32 Adult starters showed up to try their luck at the 175 yard distance. Kazi, Joey, and Beau were the top three finishers in that order. Delighted owner Jan Liscombe announced that Joey finished his NARX with the three points he earned that day. Below the three A dogs, there was a logjam of B and C dogs who had already earned their ARX's, including Bacon, Bomber, Cruz, and most of the Licketysplits.

The delighted winner of the top points was Linda Solano, with her Gus daughter, Tattoo. Linda

has worked very hard with her to put her into shape, and her work paid off as Tattoo ran her most competitive races yet. Having earned her bench championship last year, she can now look forward to going for the DPCX.

Rocketing out of the middle of the pack with an exceptionally strong fourth program race was Annie Andrews' Ringo. Ringo has been steadily improving and he seemed to love the distance and the track. We were all very happy for Ringo—her first ARX point winner! And finally, with a win in his fourth program race, Jill Hopfenbeck's Brando—a dog who has threatened for the bottom set in the past—finally broke through and snagged 1 ARX, with his final score of 10. Looking at the board, a lot of unfinished dogs held their fate in their paws in the fourth program (always fun for us board swamis to speculate on), and these three were the ones who made the most of their opportunity and rose to claim the points.

Amazingly, not ONE SINGLE DOG scratched! All 32 starters completed the meet.

The puppy races were hotly contested between littermates brought by Carl Morgan. Bose and Benjamin split the first two, then Bose won the "rubber match". Little 9 month old Twee broke

# MID-ATLANTIC WHIPPET RACING ASSOCIATION

Nottingham, PA

April 28/29, 2012

well and fought gamely, but did not have the speed to threaten the Bonzer/Paige puppies. Still, I was very happy with her effort.

Nothing like having a cheerful judge whose dog has had an excellent day—Jill Hopfenbeck judged the match and in a large entry including six supplementals, found her winning lineup in Spree, Ace, Bomber, and Joey.

When people are out in chilly air all day, they work up a good appetite—MAWRA satisfied everyone with a nice array of breakfast items and coffee for breakfast, an excellent potluck for lunch, and then those who wished to eat out all adjourned to La Sicilia, a local casual Italian joint, for big plates of pasta and calzones. Wine and beer were passed around and a good time was had by all.

The rain passed through on Saturday night while we all slept, and Sunday, we awoke to a COMPLETELY different day. Bright sunshine and robin's egg blue skies were on tap for us, along with warmer temperatures. We lost Bacon, Cruz, and Terri to a family engagement. Tailor and Bose were sore and could not run, but we still managed to get to 30 dogs with the addition of Moto, coming back from an injury. Moto ran well in his first two programs, then scratched. The top three were unchanged from the day before—Kazi, Joey, and Beau for the NARX points.

I scratched Augie, because he was being a PITA to walk to the box, and another dog was also scratched, so there were 27 finishers.

The board was very interesting after the third program. While Tattoo, having raced even better on Sunday and now firmly ensconced in the High Point, could NOT be denied the top set of ARX, and the other five dogs in the High Point were finished, the situation in the co- and semi-features was very far from clear. I looked at the co-feature and realized that all five dogs in that feature were not ARX'ed and further, that they had been racing extremely close to each other all weekend. I therefore requested six line judges for that race in the hopes that close finishes might be more easily resolved.

Didn't help! The finishes were still too close! Kohl and his son, Churchill, tied for first, giving each of them a score of 12. Elsa and Brando tied for third, and this kept Elsa in particular from joining the point picture. Prior to that, just turned one year old Crime Spree had her best race of the weekend to win the semi-feature and bag a 12 score as well. So, Spree, Kohl, and Churchill all won 1.33 ARX. Kohl had ARX points from three and a half years ago, but after some fairly serious injuries, he has not again been a point contender until today. Good job getting him back in shape and able to run sound again! And Churchill—what a promising young racer he has turned out to be! Big smile on the face of Pat Spinazzola.

Puppy racing was between Benjamin and Twee... and won by the faster and older Benjamin. I think Bose and Benjamin are ready to make their adult debuts soon. They are so easy to box and so quiet in the box that I was really wondering if Bonzer could be their daddy, until I heard Benjamin give tongue when the Amish buggies went by, and it was Bonzer's bloodcurdling, ear-splitting scream to be sure! No need for DNA.

# MID-ATLANTIC WHIPPET RACING ASSOCIATION

Nottingham, PA

April 28/29, 2012

We were pleased to welcome back as our match judge Cynthia Schmidt, a founding member of MAWRA who has been obliged to scale back her Whippet activities in recent years. Last time we had her judge, it was a miserable, cold, rainy day with a small entry, so I was very happy to see her get a ring full of support this time from all the grades. Cynthia found her winning lineup in Brando, Spree, Tattoo, and Ace. Ace was the recipient of two meet match DPC legs on the weekend! Cynthia was very complimentary of the quality and conditioning of her entry.

I cannot leave off our heated turtle competitions. MAWRA is known for having very slow but enthusiastic turtles... a tradition that started with Willow and Nastar and has continued to this day. We had quite a lot of depth at the bottom of the board, and the true turtle each day turned out to be Ronni, who broke well and tried very hard but at nine years old, she was not able to finish in front of another dog. Peaches was the mathematical turtle on Sunday by virtue of having run a zero score, but she did beat both Ronni and Josephine and therefore, she got a prize, but was not crowned the Supreme Turtle of the weekend. I believe Erin McNeil was actually dismayed that her usual contender, Scarlett, put up four points on Sunday, earning "most improved racer" award from the meet secretary. This will play havoc with future plans to win the turtle prizes. Slow down, Scarlett....you're breaking your mother's heart with your awesome box break and improving speed!

We used our new lure machine for the first time and it functioned flawlessly. It is great to have the confidence of two working machines now

for every meet. Reduced my stress level considerably.

Now for the usual thank-you's....lots of hard-working club members and guests to recognize: Lure Operator Steve Damron, Box Operators Anthony Solano and Carl Morgan, Hospitality Chair Melanie Merrion, Trophy Chair Terri DeLuca, and our Treasurer Pat Spinazzola, who made sure everyone paid up so we can continue to have money in our treasury! Thanks to all who contributed to the potluck luncheon, and to everyone who pitched in with the line and foul judging, boxing and catching. It's a team effort. Additional thanks to Carl Morgan for being the on-site RV parker and repairman for our RV'ing damsel in distress. Special thanks to Annie Andrews for cleaning out the club trailer because she just couldn't take the sight of my mess anymore. :)

See you guys in July at historic Ft. Mott State Park... we'll be back to running 200's there, so keep those doggies fit!
