## From the Editor

**T**he summer has inevitably raced (pun intended!) by and suddenly the days are rapidly growing shorter, the nights are rapidly getting colder, and according to the calendar, it really is September already and still the July issue is not quite done! We had such a late start to summer here in the PNW, but once the rain stopped we've had a long stretch of sunny days that looks to continue into the indefinite future, so I guess I could be forgiven for thinking we're still in the middle of summer rather than rapidly progressing into autumn. Yeah, that's my excuse and I'm sticking to it! ☺

This issue is chock full of race reports to get you caught up on the CWA action. Thank you so much to the race secretaries for submitting their write-ups, and especially to the wonderful photographers who are always so generous in sharing their beautiful work. Also included is all the info you need to know about the upcoming National to be hosted by MAWRA in Williamsburg, VA.

The next issue of *Line and Lure* will be our annual National issue, with results, photos, critiques and other special features from this premier event. The special ad theme will be National brags, but regular advertising is always welcome. The deadline for ads and other submissions will be **October 31st**.

Note: generally the National issue runs in September, but because the National is a bit later this year, and because this July issue is running late, I'm going to push back the schedule for the remaining two issues of 2012. The National issue will be pushed back to October and the Versatility issue which usually runs in November will be the December issue instead.

For those of you heading to Williamsburg, safe travels and clean running!

☺ Beth Levine  
Editor, *Line and Lure*

# ALAMO AREA WHIPPET CLUB

McKinney, TX

May 5/6, 2012

**A**lamo Area Whippet Club has been unable to host CWA Racing in Texas for over a year. Whether in need of more workers, dogs or rain, we have struggled to bring our desires to fruition. This weekend put an end to a long drought, then, in more than one sense.

Our pre-entries for Saturday's meet totaled 18 and, expecting to have help from LGRA workers, we thought we were all set to begin a "routine" meet by the scheduled start time. Come inspection hour, however, we discovered ourselves short ten entries and had to drop back to form a substitute strategy. Thank goodness, "Whippet Delivery" was available in the way of club member Susan Jensen who graciously drove on demand to the field with two more Whippets to close the gap and save the meet. She was as speedy as any Domino's delivery boy eager for a tip, but just the same, we got off to a late start.

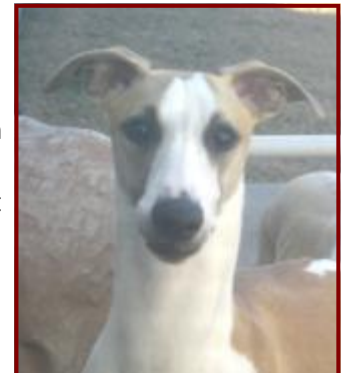

Morning temperatures were tolerable around 80-82 degrees, and a constant wind kept any truly threatening discomfort on the move. Our first two races of program 1 were filled with FTEs, and the uncertainty of these newcomers' performances made for an exciting set of runs.

Early on, the dogs began sorting themselves into appropriate speed grades and gave everyone the pleasurable show with unanimous intensity. Because the experienced A dogs present had not been able to run for over a year, we had no High Point Race in the first Program, but our B speedsters still ran like the A racers they are.

Our second program followed nearly a dozen LGRA races, and by 11:30a, the heat of the day was beginning to insist on our acknowledgment. Dropping to just two races, though, we were able to finish by 12:15p to rest in the shade and reflect on the emerging head-to-head between Gooley and Sullivan, the lead dogs after two programs.

An incredible phenomenon – though scientifically predictable I guess – happened while we were running the early races of the day. Although the ground on the field was in fair condition at inspection, the drying heat and pounding feet between 8:00a and 1:00p encouraged the small cracks in the clay-dirt to expand, to widen and to pose unsafe conditions. The Whippet entrants voted at this point to run only three programs because of rising heat and footing concerns. Eager to conclude before temperatures reached a full 96 degrees, we headed to the boxes for the last time.

The high point race was filled to the brim with an even number of FTEs and experienced dogs. They left the boxes in a burst, and pulling to the front again were Sullivan and Gooley. The LGRA folks serving as line judges anxiously awaited the on-coming pack of flying feet and panting tongues. Down the painted line of the finish, the dogs drove hard and stretched strong. In the end, Sullivan was able to find just the inches he needed to finish with Gooley at his flank. All enjoyed the performances not only by the ARX point winners, but all the hounds new and old to the sport.

Saturday meet winner Sullivan

In conformation, AAWC was pleased to have long-time Sighthound enthusiast and lure coursing supporter Michael Ferris judge the dogs. His fresh set of eyes found FTE Aine most favorable on this day, commenting that her shoulders were "well set with no waste". Also placing under his eye were Sealey, Sullivan and Gooley.

Better prepared to face the heat and the change in entries, AAWC started early on Sunday with temperatures already in the mid-80s. No official FTEs, now, the first program began with four races with the B grade racers making a full box. Some C and D racers found themselves in the second program high point, making owners excited and anxious both. The scenario reminded everyone how the change in second program award points really does work to balance out the grades and sort the dogs appropriately.

During the second program high point, two LGRA dogs escaped their x-pens and immediately sought to join the fun, which, of course, is no fun at all. Good fortune was on our side as this very dangerous situation resulted in no injuries and no harm. The outcome – both desired and regretted – was that the high point Whippets had to rest and wait to re-run the race.

After 40 minutes of LGRA runs, the Whippets again took to the boxes. The rest seemed to be exactly what Gooley needed as she broke excellently from the three box beside Sullivan and tore down the track. Again, helping LGRA line judges were thrilled by the exciting finish that found Sullivan unable to take the lead from an inspired Gooley. Four solid contenders followed a fraction behind, crossing the paint in order of Aine, Validus, Jacob and Liam.

As the day before, 1:00p temperatures were reaching the mid-90s, though this day the cloud cover did more to insulate than isolate the sun shining down. Humidity was high and the ground separation had continued to open up beyond yesterday's spread. AAWC members Jessica and Matt spent a good bit of time pouring mulch from bags and breaking sod with shovels and shoes alike.

Concerns for safety reaching its height for the weekend, whippet entrants again voted to run just three programs this day. As we began the

third program, Gooley and Sullivan were tied for first place with the next nearing hound, Aine, a full 5.5 points behind. These two knew it was a second day of head-to-head. As the boxes opened, Gooley again found fast feet but Sullivan would not be left behind. The pack strode strong down the track and away from the box crew to indiscernible positions. Picking up judges' sheets, it was clear that Gooley held her place with panache while allowing Sullivan fair opportunity for work well done. Aine kept her place as well, following shortly behind in third for both the race and the day. Pleasure was had by all that saw, and now hopefully by those that did not as well.

Sunday meet winner Gooley

For conformation the second day, judging duties were presided by well-respected and long-serving IG breeder Jack Downing (Whirlwind). Finding some difficulty narrowing a field of "really nice dogs, each and every one," this day Jack ultimately found weekend newcomer Jacob most favorable, followed by Aine, Sullivan and Liam.

Congratulations to all the winners, on the track and in the ring alike. AAWC is very happy to have been able to host a meet after such a long and unwanted hiatus. We hope to see familiar and new faces again in the fall as we plan our future events.

### May 12/13, 2012

**W**e had beautiful weather and a great turn out of racers for Mothers Day weekend. With 31 adults starters and two puppies coming out to race on Satur-

day. The weather was very warm which was a nice change from the cold rainy weather we had been having. We were lucky to have a nice breeze coming down the track which helped keep us from getting too hot.

The racing was once again very tight with Marshall, Daltrey, Merlin and Zuri each trading high point wins, which meant the meet win came down to the final high point race. Marshall won the final program giving him the meet win and 5 NARX points, followed by Daltrey and Zuri who tied for second giving them 2 NARX points each.

The race for ARX points was also very tough; with so many finished dogs now racing it really makes it hard on those looking for points. Winning key races made the difference in getting

into the ARX point picture today. Hokum was able to do just that, and finished the day in the 7th spot, earning the top set of 5 ARX for his first points. The middle set of 3 ARX points was won by Becca, who also had a very good day, picking up key meet points when she needed to.

Many dogs were in contention for the bottom ARX point coming into the final program. With most dogs in the high point and semi race being finished ARXs, points were now looking to come from one of the lower races. With a win in the final program and some strong racing throughout the day, Logan earned himself and owner Ellen Kerfers their first ARX point as well.

We also had two very nice puppies, Tristan and Peter, running today. Both ran and boxed very well and looked like old pros coming down the track.

Today's match judge was Lorna Leinbach, who had a nice sized entry of 13 whippets to choose from. Her match winner was Lovey, followed by

Saturday match line-up: Judge Lorna Leinbach with #1 Lovey, #2 Hokum, #3 Seven, #4 Tristan

Hokum, Seven and Tristan.

Last but not least... lunch! Can't forget to mention all the wonderful food. So many things to choose from: loved all the fruit salads, appetizers, BBQ hot dogs with fried onions, and desserts. Today's potluck winner was Margaret Gaul's bean salad (look, we can pick a non dessert winner!).

Day two was another great day for racing. The weather was a degree or two warmer than the day before but otherwise it was pretty much the same. We had another great turn out for Mothers Day with 30 dogs and 2 puppies to start the day.

Today was the show down between the half brothers Marshall and Merlin. With Marshall winning the first program and Merlin winning

the second and third, we were either going to have a new meet winner or a tie for the meet win. It all came down to the last race, and who got their preferred side and who got the break at the box.

It was a close one with Marshall just beating out Merlin and finishing the day tied for the meet win and splitting 4 NARX points each. With the 4 points Merlin finished his NARX title. Following them was Zuri in third place, picking up the bottom set of 1 NARX point.

The ARX point picture was also an interesting one, with Jake and Bode looking to be in the hunt for the top set of points. Jake started off the day in a much better position for points than the day before where he started in the high point race. He continued to pick up points throughout the day and worked the board to his advantage, ending up in the high point race in the final program where he only needed to fin-

ish the race to pick up the top set of 5 ARX points. In only 3 meets Jake is well on his way to finishing his race title needing only 5 more points to finish.

Bode was not quite so lucky in his races as he drew a very tough semi race in the final program with two very fast finished dogs, Daltrey and Lacy, spoiling his chances of grabbing the top set of ARX points. He did however finish tenth in the meet to pick up the middle set of 3 ARX points.

The bottom 1 ARX point winner was Becca, who had another great day of racing and was our high score Mother's Day racer. It is not very often that you have parent (Becca) and child (Jake) take ARX points the same day.

We had another great day of puppy races with Peter and Olive racing three very well matched races, with Peter taking the first race and Olive winning the last two.

Potluck was another fabulous spread of food, with many wonderfully refreshing summer dishes to choose from. With hot dogs and pulled pork on the BBQ and apple sauce, salads and desserts to choose from, no one went hungry.

Today's potluck winner was Violet with her very yummy chicken salad.

Today's match judge was Jennifer Hughes, who had nice sized entry of 11 whippets to choose from. Her match winner was Lovey followed by Seven, Logan and Smoke.

A big thank you to all those who came out and supported the meet, we can't do it without you. Thank you to all those hard workers who pitch in with the finish line, box, lure machine, set up, take down, loading, catching and any other job that needed to be done.

Since finishing both her ARX and DPCX in the Spring, **Seven** has only upped her game, consistently running A scores and finishing in the top 5 in big competitive meets. She is also a consistent placer in the matches, and is sitting comfortably in the Conformation Top 10 for the second year in a row.

With her ARX safely under her belt, **Seven** began her lure coursing career in the spring, and in just a small handful of trials already has 65 points and all required placements towards her ASFA Field Championship. She also made her show debut this summer, earning a RWB her first and only weekend out.

At only two years old, her future is very bright indeed!

Dramatically captured above in this perfect photo by Dean Williams, these well-matched brothers are really coming into their own in 2012!

**Hokum** has earned 9 ARX points in 2012. He is pointed in the show ring in the US and Canada, with a 5 point WD at the Lower Mainland Whippet Association Specialty in July, and a 4 point RWD at the Western Washington Whippet Association Specialty in August. Hokum is always exquisitely presented by his proud owner Mary Downing (Whimsy).

**Jonah** is pictured at right going WD for 3 points in his first and only show at the Lower Mainland Whippet Association Show 'n Go in July. He already has 3 ARX points and is improving with every meet. He is also a major-pointed Best in Field winner in AKC lure coursing and has points and a placement towards his ASFA Field Championship as well.

May 12/13, 2012

**O**ur first meet dawned with the worry of high temperatures and humidity but we were blessed with rain and clouds all weekend giving us unusually cool temperatures both days.

We had a 20 dog meet both days and welcomed a few new comers to CWA racing.

Top set of NARX and ARX went to River and bottom set of ARX went to Flynn on Saturday and Sunday. Flynn and Walker split the bottom set of NARX points. River completed his ARX!! The FTE Paisley really got the hang of racing and we are looking forward to having her and her mom joining us for more meets.

Conformation on Saturday was judged by

Barbara Langlois, AKC judge, with results 1. Paisley, 2. Flynn, 3. Cora, 4. Preacher.

Sunday's conformation was judged by Brant Lee Broom of Gris Gris Italian Greyhounds with results 1. Cora, 2. Flynn, 3. Butt Patch, 4. Preacher

We had great fun and nice trophies both days and a nice lunch of BBQ brisket by Deborah and Maurice.

I would like to thank everyone for their support of our first meet and all our friends for coming out and helping us! Thank you to Maurice and Deborah for hosting the event on their lovely property.

# C-U Racing Rochester, IL May 26/27, 2012

It was destined to be very hot on Memorial Day weekend. The past few years it had been pouring rain on Memorial Day weekend in Rochester. We decided to start early on both days to try and avoid some of the heat.

On Saturday when we went to run the lure, I made the ultimate error of not checking for extra loops, yikes, a tangled mess, on Ule's new line and new lure machine. So we cut out half the string and were ready to go. It worked fine the rest of the day.

Photo by Ule James

Another little problem was when a white bag in one of the small poop buckets along the track attracted the attention of one of the running whippets (now who was the blonde one who put a white plastic bag in the bucket, hmmm).

Ule and Fran switched off and on doing box work program to program (Ule odd and Fran even) both days. That way the box guy got breaks and Ule could take some pictures!

There were a number of new dogs running

Photo by Ule James

so it was fun to watch. There were FOUR FTE's – Max, Cash, Jackson and Goldie and they all ran clean!!

Lizzie and Kazi fought it out in the high point and Lizzie won out followed by Kazi, River and Joey. Lizzie and Kazi got the NARX points and Lizzie got the top set of ARX points and finished her title and Goldie got the second set.

In conformation Cash (first time out at a CWA meet!) caught the judge's eye followed by Shasta, Joey and Fling.

It was very hot and we held the wrapped packages prize extravaganza in the air-conditioned house!. Very little stealing went on as people seemed to pick things that they really wanted. The food was yummy with some great turkey and side dishes for everyone.

On Sunday Jenn was happy to start even earlier but we had a few things that slowed us up so we probably started at about the same time on Sunday as we did on Saturday.

Kazi, River and Lizzie were working hard for the top honors but Kazi pulled it out by  $\frac{1}{2}$  point over River who won with a  $1 \frac{1}{2}$  point lead over Lizzie.

NARX points went to Kazi and River and ARX

Photo by Ule James

points went to Goldie and Indie. Indie got those very desirable last points and got her ARX!!

Photo by Ule James

There was a small breeze but the heat was pretty intense. The conformation finish was Max (first weekend out!), Joey, Indie and Shasta. Again we dined on Lisa Ochoa's turkey and side dishes. Mmmmmm....Very delicious.

# GEORGIA RAG RACING

Hull, GA

June 2/3, 2012

**T**hank you to the Georgia weather Gods for the beautiful summer weekend! Some sun, some heat and a small breeze to keep this from smoking, no swamp cooler was needed this weekend.

Saturday we ran 22 dogs and 2 puppies. Our NARX points for the weekend went to Beau (Bowman-Mealey) and Joey (Liscombe) who was being handled this weekend by Mary Huff.

ARX points went to Dude (Feldheim) who is very close to finishing his title and to Garcia (Strebritz) handled by Kristen Fredericks and is also very close to finishing his title.

Our puppy runs were littermates Koi and Oen and today Koi was the best puppy running!!

Conformation judge was Kristen Fredericks

who placed the following dogs. 1. Bea, 2. Tailor (new DPCX!) 3. Joey and 4. Andrew

Sunday we ran 21 dogs and 1 puppy. NARX points were a repeat of yesterday with Beau and Joey taking the points. Our ARX points were also a repeat of yesterday and finished both dogs Dude and Garcia - new ARX titles to both.

Conformation was judged by Mary Hawemann who placed 1. Joey, 2. Bomber, 3. Spree and 4. Rye.

Thank you again to the Watkins family for the generous use of their property and to Chris and Dave for their hospitality. We enjoyed a great BBQ at their home Saturday night.

# ROCK-N-ROLL WHIPPET ASSOCIATION

Oberlin, OH

June 9/10, 2012

**T**he weekend started off with some outstanding weather and some great racing. We had a nice turn out of 26 adults on Saturday and 30 adults on Sunday.

Saturday, Kazi started with his winning ways but he had to work hard because Tala held on to win the second program. But Kazi found himself to win the last two programs, earning 4 NARX points. Tala was right on his heels, winning 2 NARX and 4 ARX points. Then the new racer Bose held on to third in the last three high point races but her brother Benjamin tied her on the last race to pick up 2 ARX points.

The coveted turtle award was hot and heavy too, but our usual winner Phoebe was ousted by Joey. The rest of the racing went very well, and with all the unfinished dogs, the ARX points stayed at the top!

For the match we had a first timer, Joe Shoemaker, judging. He did a fine job, placing Churchill first, Spree second, Benjamin third and Tala fourth!

As always, we ran LGRA in conjunction with our CWA meet. It was very nice to see everyone helping out, and it works so well; line judges and foul judges were in abundance, which makes it easy on me. It is also great for those who don't usually get a chance to see the other sighthounds run and to appreciate their form and beauty.

Then the fun started... I brought 12 pounds of walleye and 10 pounds of salmon to grill, and with a nice selection of sides, everyone who stayed went home nice and full. Since everyone had a good time I will do this

again next year. So if you were unable to come this year, put this on your calendar for next year.

Another day rises with beautiful weather and some outstanding racing! Kazi (5 NARX points) continued his winning ways, going undefeated on this day. That left the rest to battle for the remaining points. We had some dogs entered that were not here Saturday. Takota and Tala fought hard for the number two spot, and Tala (5 ARX and 3 NARX points) won out over Takota (3 ARX and 1 NARX points). Bose (1 ARX point) held off FTEs Gadget and Beamer for the bottom ARX point.

The turtle award was again a very heated competition. Yesterday's winner, Joey, had enough and gave up after the third program, but he had fun and was worn out! So that left Joel and Phoebe head to head for that coveted prize. Well Phoebe won out, keeping her as one of our own perennial winners. After all she is a great courser and she loves to run!

Sunday's match judge, Karen Mlynar, did an excellent job. She put up Spree first, Mango second, Payton third, and Churchill fourth.

That ended a very nice and comfortable weekend of racing. For those of you who came, thank you for your support. I hope to see all of you next year. We will be grilling fish on Saturday after the meet, so come and join us in a little racing and a lot of fun and food!

**A**fter a week of temperatures over 100 degrees and high humidity to match, it felt like someone had finally turned on the air conditioning when we gathered on the first day of our race meet. With temperatures below 70 in the morning, there were even a few folks with coats! Not a single complaint, though!

We had 21 dogs on Saturday: five A dogs, seven B dogs, four C dogs, four D dogs and one FTE. It was a family fight for the top set of NARX points with Kazi getting the top set of 4 and his sister Lizzie the bottom set of 2 NARX points. Lizzie also got the top set of 4

Photo by Gail Wieberdink

ARX points which finished her ARX. It was a hot contest for the second set of ARX points and we ended up with a three-way tie between Fling, Jackson and Mango!

Billy Bud ran well for an FTE ending up in the High C range. It was also a hot contest for the turtle, but two of the top contenders dropped out midway through the race and the honor went to Shasta.

The show was judged by Steve Hockstein, a local whippet breeder, and he put up Jamie, Mango, Shasta and Joey L in that order.

Photo by Gail Wieberdink

We had 21 dogs again on Sunday: five A dogs, eight B dogs, five C dogs, and three D dogs. Ties seemed to be the weekend theme. We ended up with a tie for #1 between sister Lizzie and brother Kazi. And we also ended up with another tie between Jackson and Mango for the ARX points!

Lisa Ochoa was our judge on Sunday and put up Jackson, Joey L, Mango and Jamie.

The track was fast and so were the dogs. Beautiful weather, friends from all over and lots of food and prizes! Wish we could do it every weekend.

Fort Mott, NJ

July 14/15, 2012

**W**e've had a pretty rough July in terms of many days of historic high heat combined with very little rain, and I was worried leading up to the weekend if we would have a lot of heat-related problems. In fact, I was prepared to cancel the meets entirely if the weather forecast was for dangerous heat, but we ended up with just July hot weather and the blessing of a mostly overcast day on Saturday.

The track was rock hard and blistering fast. Pad damage did take a toll on some of our Sunday participants, but overall, we had a safe and enjoyable weekend of intensely competitive racing and showing.

Photo by Marc Stumbo

Meet winner Kazi—undefeated both days and a new SRA.

We also welcomed a number of new participants—Felicia (Lizzie), Marek (Daisy and Chase), Patrice and her husband (with Isabelle), Marti and Jill (Reba and Mac), Ron and his wife who are expecting their first child soon (Randy and Cambridge), and Donna with Weasel (Donna is certainly not new to racing but is new to CWA racing).

With 40+ dog meets each day, there was a lot of racing to get through. Everyone pitched in and got the hang of things quite quickly. It was great to see the new people

Photo by Marc Stumbo

We had a lot of new people. So it was incumbent upon our experienced people to demonstrate the correct ways of doing things at a race meet. Here, Leila demonstrates her boxing technique. Probably guys will want to do it somewhat differently.

doing so much to help out and learn the system.

Kazi won the meets both days. Joey, Beau, and Rachel shuffled and reshuffled themselves in the high points and each ended up taking NARX points at least one day.

The ARX point picture was pretty wild because the racing was so close and there

Photo by Marc Stumbo

Walking a dog to the box is very important. A lot of dogs expend too much energy fighting their owners all the way to the box. Here, Leila demonstrates that if you simply keep your race Whippet aloft like a balloon, it will be able to float down to the box in airborne comfort. This technique takes years to master. I know our novice attendees were impressed.

Brian and his match racer Charlie perform a series of dance moves we like to call the "Paddock Polka". That's some fancy footwork guys! Dancing With the Stars, take note!

were potential spoilers in the co- and semi-features. On Saturday, we had a very rare three-way tie, with Tattoo, Spree, and Lucy all splitting the three sets of points to each garner 4....all getting the finish they needed in three different fourth program races!

Sunday, Tattoo took the top set to finish her ARX for a delighted Linda Solano. She needed just one but took 6 to finish! Breeder Phoebe Booth was there to proudly see Tattoo finish and also to see her homebred special Reba take the middle set of points (4).

The bottom set was sneakily won by Deb Hanna's Rene, who saved his best stuff for the last two races and shot up the board to take the 2 ARX.

Match racing was won by Charlie on Sat-

urday and Dilana on Sunday. We had two puppies each day. Twee was HS Pup on Saturday then moved up to Adult racing on Sunday. Weasel came in on Sunday and was very impressive winning all three puppy races over Daisy.

The Saturday match was judged by Barb Hearley, who found her winning lineup in Tang, Joey, Spree, and Reba.

Photo by Marc Stumbo

It was a very hot day on Sunday, but our crew kept things moving—Linda Solano leads Lauri, Leila, Phoebe, and Chuck down the track. None of us were QUITE a grim as we look here!

Sunday, we had an aspiring new Whippet judge, Dr. Kammi Kai Hefner. She attended the ringside mentoring at the AWC National this year and I asked her to come and judge to further her development and study of the

breed. She found her winning lineup in Ringo, Bomber, Spree, and Tang.

Thanks to both these judges for their thorough evaluation of the entry, and congrats to Terri and Alena, and to Annie Andrews, on your match wins!

The hallmark of being a successful meet secretary is the ability to multitask. Here I am, reheating barbecue pork in between running the lure in the second program. Got to stay busy!

Special thanks to Kristen for running the lure, Carl and Linda Solano for the box operating, all the box bitches and box bubbas who helped take the dogs down to the boxes, our crack crew of line judges (whose job was not easy at times), our official meet photographer, Marc Stumbo, and to Pat for helping with the board and collecting the money so we can afford to put on these fun events! Thanks to our trophy chair, Terri, for making it to the meet with the prizes despite van trouble at home, and to Annie for picking up additional prizes in case Terri

couldn't make it. And special thanks to all who provided delicious food for the Saturday potluck, which was so generous that we extended it to Sunday as there was plenty of food left.

Every time we do one of these July Ft. Mott meets, the heat is potentially a problem. I have thought about asking the club about dropping July from our schedule now that we have the Dendron field and can do a February and a November meet, but as these are often among our larger entries every year, I cannot justify asking the club to consider it. Ft. Mott, for all that it is boring and you cannot camp on the field overnight, still provides a safe, shady venue for summer racing with hoses for the kiddie pool and plenty of services and hotels within a 25 minute radius. So, see everyone back next July, I hope!

### July 21/22, 2012

**S**aturday started out cool and overcast with some light scattered showers but by the afternoon the sun had started to come out a little more often and it became almost warm and slightly muggy. We had some lovely out of town visitors from California (Kim, Ric and Niko) so it was nice to be able to show them that the sun does come out up here in the great white north. They were a bit skeptical after having survived a very heavy rainfall the day before. We were very lucky that we had the weather we did as on the Monday after the meet we once again had another down pour of rain.

We started the day with 30 adult racers, which was a very nice surprise as we were missing at least 10 of our regular racers this weekend. It was looking to be another exciting day of racing with a tough battle for ARX points. We were all very interested to see where our two FTE racers, Jimmy and Olive, would fit into the point race.

Both FTE racers ran very well for their first time out, both drawing some very hard races with seasoned and very competitive fished ARX dogs. Bode worked the board very well and set himself up nicely to take home the top set of 5 ARX points by only

needing to cross the finish line in the final program high point race.

Olive and Jimmy were battling it out in the semi race with Pete really making them work for it, and ultimately spoiling their chances for the top set of ARX points by winning the race. Finishing one point back from Bode, Jimmy finished eighth in the meet and picked up 3 ARX points, and one point back from him was Olive, who finished 10th in the meet and picked up the bottom set of 1 ARX point. Both youngsters looked to be improving with every race so it should make for lots more exciting racing to come.

The race for the meet win was also a tight one with only one point separating first and second place. Merlin had a great break in the final program, breaking miles ahead of the pack and sailing across the line for his first meet win and 5 NARX points. Finishing the day one point back was Marshall, who had a terrible break in the final program and was stuck in traffic behind Portia, Seven and Fred, who were battling hard across the line making it really tough on the poor line judges.

We had another great spread of food for

lunch so much so that no decision could be made for the winner of the potluck with the prize for the best dish being retired for the rest of the season. With so many amazing things being brought out to share it was way to hard not to pick them all. After eating our fill of all the lovely food it became very hard to get back up and finish the last program of races. Luckily we only had four more races to go to finish the meet. Things were going very smoothly throughout the day, which resulted in us wrapping up the meet in record time.

Saturday's match judge was Linda Johnston who had a very nice entry of 11 whippets to choose from. Her match winner was Niko followed by Kiwi, Seven and Bode. After the match we handed out prizes, packed the trucks and headed for home to get ready for another day of racing.

Day two of racing was much colder, with lots of cloud cover and a rather cold wind coming up the valley but thankfully no rain.

We had another great turn out of racers, with many coming back for their second day of racing. We lost a couple racers to a local oval race but gained some new entries from those who could only make out on Sunday.

It was great to have another 30 dog meet and it was even nicer to see all 30 make all four programs! Very proud of our group for constantly supporting such large numbers in our race meets, and best of all we have fun while doing it. I think the bawdy humor and joking around was at an all time high today, but that being said we also really got down to business and once again wrapped things up in record time.

Today's meet winner was Marshall, who ran all four programs undefeated, taking home

the top set of 5 NARX points. In second place was Merlin, earning the middle set of 3 NARX points, and only half a point back from him in third place was Fred who received the bottom set of 1 NARX point.

The meet points were very close today with many dogs either finishing the day tied or only being separated by one or less points. There was also very tight battle for BOS in meet both days between Portia and Seven with only half a point separating the two; these two girls were also really making those in the hunt for ARX points work for it.

The ARX points race is always fun to figure out. With twelve finished dogs racing today, many of whom consistently finish in the top half of the meet, we are beginning to get close to having dogs miss points due to the top fifty percent rule. Luckily we did not have this problem today as we had no scratches and everyone finished high enough up.

The top set of 5 ARX points were won by Jimmy, who continued to improve his racing form in every program. He will be one to watch in the future; once he gets those legs organized he should be able to really challenge for the top spots. The really close race for points was for the middle and bottom set.

With finished dogs blocking meet points in race two (Donald) and three (Milo and Tiercel) of the final program it all came down to who could place behind the two finished ARXs (Seven and Tina) in the semi race. Jonah had a great final race, placing third in the semi to finish ninth in the meet and re-

ceive his first 3 ARX points. The bottom set of 1 ARX point was won by Cobalt, who placed thirteenth in the meet.

The match judge today was Jeanette Dorsey, who had a nice sized entry of 11 whippets to choose from. Her winner was Logan followed by Tristan, Seven and Niko.

Big thank yous to everyone who helped out today and made for another very quick and very smooth running race meet. With everyone pitching in and helping load and catch dogs it really helps to keep things moving along. So to everyone who worked hard at all the various tasks that need to be done, give your selves a big pat on the back. You are all so much fun to work with and do such a great job.
