The CWA and the *Line and Lure* take no responsibility for statements or claims made in advertisements that appear in this publication.

**W**e are in the thick of our racing season and heading into the summer, racing is HOT! This issue is packed full of meet reports from all over the country, and as expected, 2013 is shaping up to be a hugely competitive year with promising youngsters burning up the track all over the country and giving the top racers a real run for their money.

We are closing in on CWA's premier event of the year, with only eight short weeks until the National. Hosted by Racing For Fun in beautiful Abbotsford, BC, it is sure to be a world-class, indeed *international* event, with top-notch racing, competitive conformation matches with great judges and some of the top-ranked conformation AND racing dogs strutting their best stuff for the placements (and the most dramatic backdrop for win photos around!), GREAT food and the BEST camaraderie and sportsmanship around. **DO NOT** miss out on this one! More info about the National can be found in this issue, on the [CWA website](#), the [RFF website](#), and on the [CWA 2013 National Facebook page](#). Hope to see everyone there!

Our next issue will be our **UPCOMING STARS** issue, with our special ad theme featuring those hot new youngsters tearing up the track and match rings (and in some cases, both!). Of course, regular advertising is always welcome. Please get your ads and other submissions to me by **July 31st**.

I swear on the blood of my firstborn (sorry Kestrel!) that I will get the next issue turned around and in your inboxes before the National, and you can hold me to that! ☺

[RacingForFun@shaw.ca](mailto:RacingForFun@shaw.ca)**HOST HOTEL:**

Best Western Bakerview, 1821 Sumas Way, Abbotsford, <http://www.bestwesternbakerview.com> Rate is: \$99 for room with 2 Queens plus a microwave and fridge. Rooms need to be reserved by **July 22nd** to get that rate. Mention it is for the **RFF block** when making your reservations. This is an older hotel and NOT fancy –and not a lot of area to walk dogs but the hotel is clean and very dog friendly. 10 minutes from the race site. **Book early** – they will only hold 10 rooms until July 22<sup>nd</sup> as it is still summer vacation time.

**ADDITIONAL ACCOMMODATION:**

**Super 8 Langley** – a newer hotel with great green area for dog walking, 26574 Gloucester Way, Langley, BC 1-877-690-7666. 15-20 minutes from the race site.

**Abbotsford Ramada Plaza** – nice hotel, limited area to walk dogs, 5-10 minutes from race site, 36035 North Parallel Rd. Abbotsford BC [www.ramadaabbotsford.ca](http://www.ramadaabbotsford.ca)

**RV Parking** - limited number of spots available at members' private property – dry camping, no hookups available. Contact [LMWA@shaw.ca](mailto:LMWA@shaw.ca)

**EagleWind RV Park** - 26920 – 52<sup>nd</sup> Avenue, Aldergrove (20 minutes from race site), 604-856-6674, [www.eaglewindrv.com](http://www.eaglewindrv.com)

Club members will be happy to have weekend houseguests and have several RV's available – let us know if you would like to stay with one of our members rather than stay at a hotel.

**TRAVEL OPTIONS:**

The closest airport is Abbotsford Airport, which is serviced by WestJet. Vancouver Airport is approximately 1 hour from the race site. Seattle, Washington is approximately a 2-hour drive. Allow plenty of time for border crossing, as it is very busy in the summer. We suggest the Lynden/Aldergrove or Sumas/Abbotsford border crossings to avoid the busiest crossings closer to Vancouver.

# TULSA SIGHTHOUND ASSOCIATION

Vinita, OK

March 2/3, 2013

**T**he Tulsa Sighthound Association CWA race meet on March 2nd started out cold! So cold in fact that our start time was pushed back by a couple of hours in order to let the ground on the track to thaw! Thanks to a duck blind and a propane heater we were able to stay a little warmer! The weather never really warmed up too much but the running was HOT!

The meet started with an entry of 20 dogs. We had a nice number of FTEs and two races of B dogs. All of the people were wonderful and we managed to finish up in decent time.

Kazi took home first place honors in the meet and 4 NARX points, followed by Joey who also took home our first ever high combined trophy and 2 NARX points. Dodger took third picking up 4 ARX points followed by Serena going home with 2 more ARX points leaving her only needing one point to finish her ARX title.

Thanks to Kristal's giant garage, we able to move the conformation portion of the meet inside! The match was judged by Alice Mirestes. She placed the dogs Serena, Joey, Dodger, Aine.

Instead of a hot lunch, it was a hot supper. A big thank you to everyone who came out and helped run the race meet but a special shout out to the guys from the Vinita High School baseball team.

Sunday was much warmer and we started right on time. We started with 22 dogs including two races of C dogs and 2 races of B dogs.

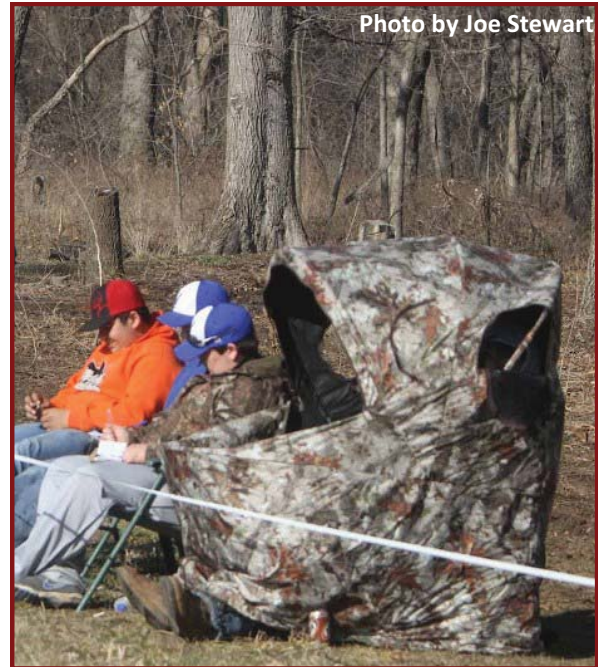

Photo by Joe Stewart

Kazi again stole the day running undefeated for the weekend and picking up 4 more NARX points. Joey was second place and High Combined. I believe that makes 9 High Combined awards for Joey! He took with that 2 NARX points. Serena picked up her final points in style by taking third place and 4 ARX points. Cooper ran his heart out and finished fourth, picking up his first 2 ARX points running in his first weekend out of the puppy class.

The match was judged by Terry Sayre and he saw it as Serena, Joey, Aine, Fly.

We are looking forward to our May meet and invite all of you to come for some good ol' Okie hospitality! Until then... Run Fast and Run Safe!

# LAGNIAPPE RACING CLUB

Bush, LA

March 30/31, 2013

**L**agniappe Racing Club's first meet of 2013 came with perfect Saturday weather, and lots of friendly faces.

Our meet was held at Maurice and Deborah's home with southern hospitality and excellent gumbo to fill hard working stomachs.

We welcomed 30 racers consisting of 3 A grade racers, 8 Bs, 10 Cs, 7 Ds and 2 FTEs. Maurice operated the lure as expertly as always, Zeke Talbert was our box operator and everyone pitched in for line judging, loading and line judging.

The Hearleys' Kazi won the race meet in a clean sweep for 5 NARX, the Bahms' River put in a tremendous effort for second place and 3 NARX points, with Pearl (Bahm) and Flynn (Odom) splitting the last NARX point.

Pearl picked up 5 ARX points for third place,

Allie (Williams) took the 3 ARX points and the last ARX point was split between FTE Chester (Bahm), Junkie (Bahm) and Preacher (Bahm). Our turtle award went to Trinket (Sowders).

Saturday's conformation match was judged by Kenneth Delavergne, a whippet owner and lover from Lafayette, LA. He had a full ring of 12 dogs to judge. He awarded Phoenix (Williams) first for his first DPC leg, Cora (Odom) second, Flynn (Odom) third, and Rose (Williams) fourth. Flynn earned the award for highest combined dog of the meet.

We would like to thank everyone for a very fun Saturday meet and pitching in to make it run so well. It was a true testament to the spirit of CWA and it always makes me proud to be a member of such a great group of people.

Saturday match line-up: Judge Kenneth Delevergne and #1 Phoenix, #2 Cora, #3 Flynn, #4 Rose

# LAGNIAPPE RACING CLUB

Bush, LA

March 30/31, 2013

Sunday's meet arrived with very heavy fog and we had to delay the start of the meet until it cleared enough to see the entire track.

We again welcomed 30 dogs with 2 A grade racers, 9 Bs, 11 Cs, 7 Ds and 1 FTE.

The temperatures were optimal for great running, and all our northerners were getting rather sunburned, but they were happy about it! No snow down here is all I can say!

The Hearleys' Kazi and Bahms' River really battled it out for the meet win. River even got by Kazi in the third program after tying in the second, but Kazi said no way and battled it out for the top 5 NARX points. River took home 3 NARX and Pearl (Bahm) took the last NARX point plus the top 5 ARX points. Little Pearl had an incredible weekend. Preacher (Bahm) took the 3 ARX points and Evangeline (Bahm) got the last ARX point. Everyone again ran well and safely.

The Hearley's Joey was our turtle award winner and got to ride all the way home with a rather large turtle pillow.

Sunday's conformation meet was judged by Gwen Post, AKC Hound judge. She was presented with 12 dogs and amid a very threatening thunder storm selected Preacher (Bahm) first, Phoenix (Williams) second, Teche (Talbert) third, and Rose (Williams) fourth.

Our meet was way too rapidly concluded due to severe lightening. People literally disappeared before we could even do prizes or pictures.

Again, I would like to thank everyone who came down to our meet. It was very enjoyable and I hope everyone made the long drive home happy. We look forward to our May 11-12 meet!

# GEORGIA RAG RACING

Hull, GA

April 6/7, 2013

**W**e had two great days of racing whippets in Hull GA in April. We were able to keep 20 whippets both days to keep the points at 4 and 2 and some new puppies got to show us their stuff.

Saturday we started with seven A racers and that is a first for us here. I remember when we only had one or two at the race meet and we had a large number of C dogs.

Most of the races were close and tight both days, but the dog that stood out this weekend was Bose, owned by Carl Morgan. Bose pulled through the pack both days to be the meet winner on Saturday and Sunday. Congrats to Carl and Bose on an awesome weekend, I am sure it made the drive home easier.

The ARX points went to the same dogs both days as well. Saturday first set went to Oen and the last set to Cato. On Sunday they switched it up, the high set went to Cato and the bottom set to Oen. Congrats to Oen's owner Mallory and Cato's owner Ellen.

Our puppy on Saturday was Puzzle and he ran all three programs without a hitch. On Sunday Grace and Willie ran the puppy races and Grace certainly looked impressive.

Conformation on Saturday was judged by Carol Cox. Her placements were Beau, Sage, Jackson and Bose.

Conformation on Saturday was judged by Shirley Rehberg. Her placements were Bea, Chance, Joey, Grace.

At GRR we give a best combined award each day for the dog that placed in Conformation and ran 4 programs. On Saturday it went to Beau and the Bowman-Mealeys and on Sunday it went to Bea and Chris Durance-Watkins.

Thank you to everyone who supports our club and helps, even if you are not running a dog, as everyone knows we cannot do these events without your help.

### April 6/7, 2013

It was great to start out the year with a 30 adult starters (four FTEs—all littermates!) and one puppy. It was a great day of racing, and wonderful to have so many people and dogs come out so early in the season.

The day started out with a light rain shower, but the weather improved greatly as the day progressed ending with sunshine and a warm day.

Photo by Sheri Bakes

It is always exciting to see how the young FTE dogs will do in their first official meet, and they did not disappoint, each winning his or her first race easily. Unfortunately when London won his race he had some bad luck at the finish, and had to be scratched. The rest of the day ran smoothly, with the young, new dogs really challenging the experienced racers.

Max rose to the occasion in the high point race winning all his heats, and ending the day as the meet winner, taking home the top set of ARX and NARX points. Fred and Daltrey battled it out for the second spot with little Abby giving them a good run for it.

Regal spectator—photo by Sheri Bakes

The race for the bottom two sets of ARX point was once again very tight with Abby, Hokum, Bode, and Sam all in the running come the final program. Abby had a great final race, finishing 3rd in the high point, to take home the middle set of 3 ARX points. The bottom point ended up being split between Hokum and Bode, who are now both very close to finishing their titles.

We decided to try something different with the potluck this year, and we now have a new voting system (yes we are a bit enthusiastic when it comes to our food). We have a bag of clothes pegs, and everyone gets to choose a favorite dish by placing a peg on

Chef Randy vying for the potluck award.

the plate/bowl/container of their favorite homemade dish. It was a big hit and everyone had fun trying to decide on a winner. Saturday's winner was Nancy's cream of potato soup.

Saturday's match judge was Beth Levine. She had a nice entry of eleven dogs to judge, with her winner being Lovey followed by Max, Logan, and Tristan.

Unfortunately we weren't so lucky with the weather on the second day. It was very cold, wet and downright ugly all day. However we

soldiered on and got through the day as best we could. With the weather being so bad, we decided to run through all four programs and do the match before we had lunch because we were all afraid if we sat down we would never get back up and out in the rain.

We started off the day with 20 adult starters and one puppy braving the cold and rain. Max topped off the previous day's great performance with another clean sweep winning all four programs to take home the top set of 4 ARX and 4 NARX points. Very impressive running for a young dog, going to

fun watching Max and all his siblings race this year.

Photo by Sheri Bakes

Sunday's race for ARX point was another fun one to watch with Olive, Bode and Mia (FTE) all taking turns finishing second in the high point race, and all three ending up in the high point race in the final program. So the race for the second set of points came down to the final race of the day. Little Olive had one of her best races to date and finished second in the high point race to take home 2 ARX points and split the bottom set of 2 NARX points with uncle Daltrey.

Margaret Gaull judged the match under

very soggy conditions, but kept her good cheer and chose Max as her winner, followed by Tristan, Logan and Seven.

Those of us that made it to the end of the day enjoyed a soggy but yummy lunch. Going back-to-back potluck wins was Nancy with her hearty stew that was just what we all needed after such a cold, miserable and wet day.

Big thank you to everyone who came out and supported the meet with your entries, food and helping hands. It was great to see so many new dogs and owners out enjoying a weekend of whippet racing.

Oct 19, 2001 - Feb 13, 2013

It was so easy to live with you.  
So very easy to love you.  
And so very hard to let you go.

and the winner of many hearts.**

Buster had a wagging tail and loving look for any two or four legged creature he met.

On the track or in the field was another matter... the dark side of our sweet boy would come forth. All too often we were heard to exclaim "Get back!! His muzzle is off!!" and the unenviable task of trying to remove Buster from the lure without getting bitten would begin.

As odd as it may seem, we will miss his barking head shoved between our legs as we tried to walk him to the boxes, a trait inherited from his sire, Zappa.

Most of all, though, we will miss his hugs. He would come to where we were sitting, stretch himself up, putting a paw on each shoulder, and looking deeply into our eyes he would bestow the most gentlest of whippet kisses.

Bred, owned, loved, and sorely missed by

# HEARTLAND COURSING ASSOCIATION

Lawrence, KS

April 20/21, 2013

**H**earthland Coursing Association held it's inaugural race meet on April 20th with 22 great dogs.

The park had several events going on that weekend and stated they were using our standard field, our alternate field, our "other field," and finally allowed us to use "this other field" they had.... the problem was they were going to burn off the field... but in plenty of time to allow the grass to grow back... well it snowed... and it snowed... and it, yep, snowed again... so two weeks before the event they burned the field and then it snowed and rained... the good thing was the footing was soft on Saturday and dried up by the time we finished on Sunday.

The weather was great for the hounds, even though a few owners may have expected it to warmer, but by the end of the weekend everyone was happy with the weather and the field. We learned quite a number of things and hope to implement them in September.

On Saturday, first place was Dillon, owned by Andrea Hall, picking up 4 ARX and 4 NARX points. Second was Joey, owned by Jan Liscombe and Libby Rice, picking up 2 NARX points. Third was Goldie, owned by Connie Austin and Ule James. Fourth was Fling, owned by D. Borton, earning 2 ARX points. Goldie was high combined.

Saturday's conformation was judged by Vickie Smith, Heartland Whippets, who awarded first to Serena, owned by Libby Rice, second to Goldie, owned by Connie Austin and Ule James, third to Ellie owned

by Libby Rice and Ann Gentry, and fourth to Aine, owned by Kristal Couch.

Sunday's results were nearly a mirror image of the previous day, with Andrea Hall's Dillon winning the meet again, earning 4 NARX and 4 ARX. Goldie and Joey switched placements, with Goldie finishing second for 2 NARX, and Joey finishing third. Following up again in 4th place for the bottom set of 2 ARX points was Fling. Once again, Goldie was our High Combined winner.

Kathy Rasmussen, Harmony Whippets, had the conformation judging honors, and awarded first to Goldie, followed by Ellie, Serena, and Fly.

### May 11/12, 2013

**S**aturday started off cool and cloudy, but as the day went on it got warm and muggy so by lunchtime the pools were put out to cool off the dogs, and the shade canopies were up.

We had a great turnout with 30 adult whippets and 1 puppy to start the day. It was shaping up to be a very tough day of racing with lots of A and B grade racers. There was also a good mix of seasoned and relatively new dogs in the hunt for those ARX and NARX points.

The racing did not disappoint, with the reports from the line judges confirming that today's racing was some of the tightest we have had to date with many of the races coming down to the line. It was a great day of racing with all the dogs really pushing each other to the finish.

The big match up of the weekend was between Marshall and Max, who up until this point had not raced against each other before. These two boys really battled it out, trading wins in the second and third programs, leaving them tied in meet points coming into the last program.

Photo by Sheri Bakes

So coming into the final, in the semi high point race we had Abby, Jimmy and Bode all looking for ARX points, but with Merlin in there as a spoiler.

Abby proved herself up to the challenge, winning the race and assuring herself of at least the bottom point, if not more, depending on how well Hokum did in the high point (if he finished last they would split the bottom two sets of points).

In the high point, we had Marshall and Max duking it out for the meet win, with Marshall prevailing, and Zuri giving his all to finish second ahead of Max, who had to settle for second in the meet.

Hokum also had a great run, finishing fourth, earning the middle set of points and finishing his ARX title. Big congrats to his owner Mary Downing on her first race champion!

Not to be out done by the racing was the stellar selection of potluck donations. It was

Saturday match line-up: Judge Jill Rizk and #1 Jack, #2, Tristan, #3 Max, #4 Portia

a very tight three-way race between two salads and a dessert with Beth Levine's

chocolate lasagna just edging out the competition for the win.

Saturday's match judge was Jill Rizk, who had a nice sized entry of 12 dogs to choose from, with her match winner going to Jack followed by Tristan, Max and Portia, with the DPC credit going to Portia.

Day two of racing was warm but wet, with light showers coming and going all day. We had a much smaller meet, with many people

unable to come back for the second day of racing, so we started the day with 20 adult racers.

It was another tough day of racing with the "M" boys battling it out for the top spots, with Marshall just edging out Max to win all four programs. Not to be outdone, brothers Daltrey and Fred were right up there with them to keep things interesting all day.

We didn't have a tight race for ARX points today, with Max and Bode both working the board to perfection all day. So coming into

to final program all they had to do was finish the final program to earn their ARX and DPCX titles.

Even though the final outcome wasn't a nail-biter like the day before, it was very exciting to be able to award three new race champions on the weekend. This should set up for more exciting racing for our next race meet.

We had a small but tasty potluck today with the potluck award going to the hard working BBQ chef Randy.

Sunday's match judge was Gale Lyttle, she

had seven nice entries to choose from, with first place going to new ARX Bode (who was surely having a spectacular day for his proud owner Jill Rizk!), followed by Donald, Portia (for another DPC credit), and Max.

Big thank you to all those who came out and supported the meet. Thank you to all the tireless workers who do such a great job with all the various tasks that are involved in pulling off a race meet. We can't do it without you!

**W**hat could possibly make a weekend forecasted for temps in the 70s spent with a great group of people even better? Why of course a CWA race meet held at Couch Ranch in Vinita, OK! The Couchs have been working on the track and it showed... A big redneck shout out to Kristal and Danny for the track maintenance!

Saturday's meet had 21 starters with a nice distribution through the grades. With every grade represented except FTEs. At the end of the day Kazi came out as top dog in the race meet and Joey was awarded the High Combined award. He was second in the meet and won the match! Truly a dual purpose hound! Congrats Jan and Libby! Kazi came away with 4 NARX points and Joey 2 NARX points.

The hotly contested race for the ARX points was between Dodger and Gooley! These 2 have battled before and it usually comes down to the last race of the day. Dodger came into the weekend with 8.5 points and Gooley with 10. Saturday saw Dodger showing he was in it to win it, finishing in front of Gooley by one point after the final race. Dodger finished Saturday with 12.5 points and Gooley with 12...Sunday was gonna be fun!

If you are attending a race meet at Couch Ranch, you really need to be prepared for anything... Well, this weekend was no different! I wonder how many other race meets have a 90 pound tortoise as a mascot? The Turtle award went to Grace and she got her picture taken with Tonka!

Joey was our match winner followed by Cooper, Gooley and Dodger. We're pretty proud that 3 of the top 4 in the race meet also placed in the match (and you'll be hearing Cooper's name in the not so distant future I am sure). The mission of CWA is alive and well and the breeders and owners of those dogs should be congratulated! We even managed to get Danny Couch in the conformation ring handling Mitzi while Kristal was "stacking" up a ringer on the table!

Sunday morning started off a little cooler but the dogs were running hot! We had 18 starters and again the day belonged to Kazi. Kazi ran undefeated for the weekend picking up three more NARX points on Sunday. Second place went to Serena who was taking up the role of her brother Joey, while Joey took the day off. Congrats to Kazi, who also retired our perpetual trophy with his Sunday win.

If the pattern continued between Gooley and Dodger, one of them was going to end the weekend as a new ARX... Sunday belonged to Gooley! She was awarded the 3 ARX points finishing her title! Big congrats to Matt Kinch! Dodger picked up 1 more ARX points, leaving him needing a point and half to finish up his title.

Our match winner was Serena, keeping it all in the family! Big congrats to Libby Rice for breeding litter mate High Combined winners for the weekend! Second in the match was Cooper, followed by his sire Jacob. In fourth place was Dodger.

Our next race meet is in October and it's one you can't miss! It will be the 1st Annual Red Neck Racing! If you loved the rosettes in May, in October you'll be amazed! We'll be offering a legends race, as well as a wheel barrel race, sack race, and a 3-legged race... for the humans of course! C'mon down (or up) for what promises to be a race meet of epic proportions!

**W**e were blessed with cool weather for our May meet but at the sacrifice of the weather. We had to delay our start until almost 11:00 a.m. due to torrential rains. This did limit us to a three program meet for the day.

We welcomed Angie Brown and Robin Bass from Tennessee and their crew of whippets, as well as our returning friends from Ohio and Texas. Maurice Bahm was our lure operator and Zeke Talbert was the box operator. Both did stellar jobs as usual.

Everyone pitched in for the team effort CWA needs to make a meet run well, and which also makes it so much fun. Deborah had delicious southern fried chicken and potato salad to fill our hungry stomachs.

Saturday's meet consisted of 30 dogs and 1 puppy. We had 3 As, 8 Bs, 13 Cs and 6 Ds. Despite one small mechanical problem that required a re-run of one race, everything went very smoothly. The Bahms' River ran away with the meet win and 5 NARX, Alley was second for 3 NARX and 5 ARX points, and the total surprise of the day was Pais-

ley, taking third for 1 NARX and 3 ARX points. Fifi was our fourth place dog for 1 ARX. Congratulations to Annique for Paisley's first points! Alley and Fifi are closing in on their ARX titles.

Shockey was our Turtle Award. The coveted box monster was Paisley. The high combined award went to Phoenix. Our puppy winner was Tangle who finally figured out that she has to come out the front of the box to chase the lure. We did have one DQ, Teche, who with practice should run as clean as he usually does.

The conformation match consisted of 10 dogs for our judge, Deborah Boyd, AKC Sporting Group judge. She had a nice variety of dogs to judge and I think enjoyed herself. She placed Phoenix first, Church Lady second, Who Dat third, and Tangle fourth.

May 18/19, 2013

**T**he MAWRA Spring meet was held at Ft. Mott State Park in Pennsville, NJ. We had a great turnout with more than 40 dogs each day. Several veterans were held in reserve to practice with the younger dogs after the meet. If it had not been for the all the girls in season, we might have been able to get 50 dogs. It is a scary, but exciting prospect for future events.

Our weekend started on Friday when Karen Lee was able to convince the park to let us set up the field early. They've never let us set up on Friday before, so it was a blessing knowing how many dogs were coming in!

Karen and her son, Eric, who just returned home for the summer from his second year of college, measured the track, set up the field and dropped the boxes after the park closed on Friday night. THANK YOU KAREN AND ERIC!!

We started Saturday morning with 42 dogs and 2 puppies. We had 5 FTE's, including 9 month old Loon who was moved to adult after Donna Miner's adult entry Weasel came in season just a couple of days before the meet.

From the first race of the day, it was obvious that Lucy was going to be the dog to beat. With a split high point and a hotly contested B race, the FTEs would have to work their way up the board to face her and the other experienced dogs in the 3rd program.

Rachel and Bose, who were both less than a month out of season, would drop from the high point and three FTEs would battle it out for the points in the third and fourth pro-

grams. No one could catch Lucy, who had perfect meet and earned 6 NARX points. Beau showed great form and was second all

day finishing with 4 NARX points. FTE Loon would finish the day third in the meet earning 6ARX/2NARX points. Rounding out the ARX points would be two more FTEs, Chase

and Moon, with 4 and 2 points, respectively. Our puppy meet winner was GRRace followed by Robbie.

The match was judged by local all-breed handler and 2nd generation poodle breeder, Rebecca Clas-Kirzner. She placed Twee, Lucy, Tattoo and Robbie.

After the meet we practiced and proofed around 10-12 dogs for running at future events.

We started Sunday morning with 43 adults and 3 puppies including 3 more FTEs. One of the FTEs was Lucy's brother Jack who was coming in from NOTRA with a competitive B grade.

We started the day with 8 A dogs and another split high point. Brothers Benjamin and Jack in the B race would throw the board a curveball with a tie for 1st place after a thrilling shoulder to shoulder finish.

The third program would bring together the eventual point winners of the day. Lucy was still the dog to beat with Loon and Beau right behind her in the first two programs. Jack would take second place and Loon would overtake Beau in a photo finish in the third program, leaving the points up to the final race.

Jack wasn't going to let his sister have another undefeated day and took the final high point with Lucy second, Beau third and Loon fourth.

At the end of the day Lucy was the meet winner with another 6 NARX points. FTW Jack was second with 6 ARX/4 NARX points. Loon was third for 2 NARX points. Not to be outdone by his brother Moon, Drusy picked up the bottom 2 ARX points. The puppy meet was won by Robbie.

The match was judged by local whippet breeder Charlene Stone (AgStone whippets). She placed Lucy, Beau, Dolly and Au-

gie. It was an amazing day for breeder Carl Morgan and owners Brian and Fran McHugh. It is so rare to have the meet winner also be the match winner. Congratulations to everyone on Lucy's fine weekend!

Our turtle award winner both days was Ronni. She was already a veteran when Hillary Frank started racing and she decided to retire her after our meets just shy of her TRP. We've promised her she can still practice a little and she can cheer on her grandchildren from the front seat of the motorhome this fall!

We couldn't have put on this meet without the help of all of our club members and participants. Special thanks to box operators Carl Morgan and Anthony Solano and thanks to Terri Deluca who brought the generator for our potluck lunches and was our trophy chairperson for the event. It takes a tremendous effort to line judge, foul judge, make sure hospitality and the event is in order. Everyone pitched in and did a fantas-

tic job. We couldn't do it without you!

**C**onnie and Ule were having four rooms and a hallway re-floored. It was to take two days, Monday and Tuesday, before the race meet. We only have five rooms in the house so that meant squishing all the furniture in the other two rooms.

Monday, Tuesday, Wednesday and Thursday before the meet rolled by before the floors were done, oh my! Connie and Ule were exhausted from putting back all the furniture. Luckily Pat and Lisa, on puppy watch alert awaiting a whelping still came over and helped with the finishing touches for the meet on Friday.

This was our first LGRA/CWA meet weekend and it went ok. The first day there were Afghan, Basenji, Borzoi and Cirneci. Thirty one whippets participated on Saturday. Unfortunately, the rain started pretty quickly and continued till before conformation. Participants voted to hold only three programs.

Kazi came out on top followed by River and both received NARX points. Tala was third and received one NARX point. The ARX points went to Travis, Cash and Fifi. Travis finished his ARX. Ursula made her debut and ran two programs and then took a break.

On to conformation where Linda Beisswenger found Benjamin, Travis, Josie and Fanta to her liking. The top combined whippet (racing and conformation - calculated by adding placement in conformation and finish in the race meet with the lowest score winning) was awarded to Benjamin.

The awards ceremony was held while people were eating delicious turkey, ham and assorted salads. The wrapped prizes resulted in frequent stealing of one prize for another. The prizes with alcohol seemed to be quite popular. Everyone did make it out of the yard although it was quite muddy.

Saturday match line-up: Judge Linda Beisswenger and #1 Benjamin, #2, Travis, #3 Josie, #4 Fanta

# CU-RACING Springfield, IL May 25/26, 2013

Sunday match line-up: Judge Connie Brunkow and #1 Fifi, #2, Ursula, #3 Preacher, #4 Jackson

Sunday morning, after listening to thunder all night, I jumped out of bed to see what the forecast was on the computer. Weather.com said 6 am thunderstorms, and then 7am, 8am, 9am, 10am said 0% chance of rain. Maybe we could get done by 10 am??? Doubtful.

Everyone parked up by the driveway as the back area was a muddy swamp. We were reduced to cirneci and borzoi in LGRA and 23 whippets. Things went along swimmingly until 10:45 am when it started to rain AGAIN. It began pouring with lightning and thunder so there was a ½ hour rain delay. Then racing started up again.

The new field tile made the track much better than it had been in past years when it rained. The participants voted for three programs as the forecast was unsure. It ended up with Kazi and River repeating their first and second place finishes and received the NARX points. Ursula and Fifi received the ARX points, with Fifi very close to finishing

her ARX.

Connie Brunkow graciously agreed to judge after a flowery request by Ule and she found Fifi, Ursula, Preacher and Jackson to her liking. This led to a tie between Fifi and Ursula for the high combined for the day. Pot luck was again delicious.

Race practice was held after the meet for some new racers who all did very well. Lisa arrived home with Connie B about the time when her bitch began whelping so she did hold off the big event till Lisa got home.

Although the weather was terrible, the people were great. Didn't think the weather could be much worse until Monday at 2 pm rolled around. Half an hour earlier I told Ule the sky didn't look good and we should bring in the four easy ups. He went out and said they were still damp, so left them out.

Then I looked out the back window... the rain was going sideways, the trees looked

like they were going to snap. The easy ups were flying away, some in a funnel cloud type pattern. A neighbor saw a small funnel cloud on the start line.

We have no basement so Connie went under the bed and Ule to the front porch to watch. The winds were 65 mph and the zoo and park about a mile away had probably about 20 huge trees uprooted, but they say there was not a tornado. We included some photos of the modern art sculptures that resulted from the easy ups dancing in the sky.
