**NEXT DEADLINE :**  
**December 31, 2013**

The CWA and the *Line and Lure* take no responsibility for statements or claims made in advertisements that appear in this publication.

Last year, I split the National issue into two parts—one part dedicated to the National, and the other to all the other meets scheduled to be included in that issue. That worked so well I decided to do it again this year, as this issue—targeted at around 100 photo-heavy pages—was approaching a perilously unwieldy size!

So, even though they all happened after the National, this first section includes all the OTHER meet reports through the first part of the fall racing season. Part two will be dedicated entirely to the National, with meet and match results, reports, critiques, and photos galore from our annual premiere event.

If you were UNLUCKY enough to miss this Lucky '13 National, hopefully the National section will be a nice consolation prize, at least! My sincere thanks to all the contributors for your generosity, especially Phoebe Booth for doing both an oral critique on the day of the match AND a retrospective written critique of her judging assignment!

Our next issue will be our **Versatility** issue, whose special ad theme is dedicated to the glory our versatile CWA whippets are achieving in other endeavors, including conformation, coursing, tracking, obedience, agility, flyball, dock diving, therapy work, and any other dog sport to which they set their sights! Whippets truly can (and do!) do it all! Of course regular advertising is always welcome too. The deadline will be **December 31st**.

Happy Holidays to all!

 Beth Levine

### August 31/September 1, 2013

**T**he weather forecast was grim. Temperatures would be in the high nineties with heat index over 100. Last race meet it was pouring rain, so this time it's hot hot hot. On Friday night Ule made chocolate chip cookies out of the oven for those who came by.

On Saturday we had 18 whippets to start and 10 LGRA dogs. We changed the start time to 8 am to try to avoid some of the predicted heat. We really appreciate folks coming back from the national and then coming to our meet — what troopers!

The first program resulted in the following results, Moto won the D race, Reba won the C race, Loon won the B race and the A race finish was Kazi, Lizzie, Rafa, Ziggy and Goldie. Unfortunately Bose had to be scratched due to a pad injury.

In the second program Benjamin won the first race, Ziggy won the second race, and the high point finish was Kazi, Lizzie, Rafa, Loon, Reba and Moto. In that race, the dogs had to do a U-turn as the line snapped and the lure stopped. The pictures below of the dogs trying to react to the lure stopping and disappearing behind them are very neat. Took a while for the dogs to do a U-turn and get back to the lure.

### August 31/September 1, 2013

The third program had Goldie winning the first race, and the high point finish was Kazi, Lizzie, Ziggy, Loon, Reba and Moto.

In the first race of Program 4, Benjamin, Moto, Fanta, Annie, Fling and Cash were greeted by an expanding bag as they raced down the field. The bag got bigger and bigger and finally stalled out like a hot air balloon. Then it looks like the bag is a whippet eating bag.

The fourth program saw Benjamin winning the first race, and the high point finish was Lizzie, Kazi, Ziggy, Goldie, Loon and Reba.

The final finish was Kazi, Lizzie, Ziggy, Goldie and Loon. Kazi got 3 NARX and Lizzie 1 NARX points. No ARX points were awarded due to the 50% rule. Kazi injured a pad so could not come back on Sunday.

For conformation, Mary George from Peoria, Illinois, found the following dogs to her liking: Cash, Reba, Benjamin and Fling.

This resulted in Cash being the High Combined whippet for the day (by adding the conformation points on to the race meet points and the high combined was awarded to the whippet with the highest points who had won a placement in conformation).

The LGRA meet consisted of basenjis and cirneci. The basenji finish was Ari, Tempest, Bisa, Gambit and Xander. For the cirneci it was Fidget, Biz-E, Calista, Kiki and Mouse. One of the Stewarts' basenjis finished its SGRC.

We retired to the air conditioning in the house and chicken, sweet corn and a variety

of pot luck dishes. The wrapped gifts were done on Saturday. The stylish muzzle was very popular and was stolen until it reached the maximum number of steals possible and ended up with Deb Borton. The beer was stolen a time or two. When Carl picked he picked a box with a lovely pink and lime green fish man purse. Next time you see him ask him to show you his new purse; he is very proud of it. Then everyone went to wherever they were staying with air conditioning.

On Sunday, we decided to start measuring at 7 am to avoid the heat. Unfortunately, the fog was so dense that we couldn't start until the fog cleared. For the first few races we used a flashlight at the box as just the first 10 or 20 yads were dim. The temperature was not bad with the overcast skies blocking the sun. We finished in time to just have the sun come out at 11:30 am. There were only 13 brave Whippets competing and 8 LGRA dogs.

For CWA, the Ginny won the D race, Fling won the C race, the Loon won the B race, and Lizzie won the A race. In the second program Benjamin won the first race and the hi-point finish was Lizzie, Ziggy, Goldie, Loon, Fling and Ginny. In the third program

Goldie won the first race and the high point was Lizzie, Rafa, Ziggy, Loon, Fling and Ginny. In the final program, Cash won the first race and the high point finish was Ziggy, Lizzie, Goldie, Benjamin, Loon and Fling. Unfortunately, once again, the 50% rule meant no ARX points were awarded. Lizzie won 3 NARX points and Ziggy won 1 NARX point.

In conformation, Pam Thornburg found Cash, Reba, Ziggy and Benjamin to her liking. This meant Ziggy was the high combined for the day. Three of the four dogs were the same as Saturday.

The LGRA meet consisted of basenjis, rhodesians and cirneci. The basenji finish was Ari and Bisa; the cirneci finish was Fidget, Biz-E, Kiki and Mouse; and the rhodesian finish was Sassy and Randa.

We retired inside to have ham and buns and some delightful leftovers. Unfortunately, there was an exploding watermelon; when cut into it was like a volcano spewing into the air.

Thanks so much to everyone who pitched in and helped with cooking, getting prizes, picture taking, line and foul judging, taking down dogs, etc. It moved pretty efficiently with the number of people on hand. There are definite advantages to having both LGRA and CWA as each group's people can help out the others. Thanks to all the participants who stuck out the heat and all the traveling. Special thanks to the terrific racing pictures taken by Joe Stewart.

**H**ad it not been for the rain on Saturday that held off until the conformation match, the weekend of racing in Georgia would have been 100% perfect.

This weekend an ARX was finished and 3 dogs got their first set of ARX points. We had a puppy run his first weekend of racing, gave out 2 beautiful ribbons and a chair for the best combined in meet and raffled off an extra large cozy bed.

We started Saturday with 20 adult dogs, one FTE, and one puppy. The meet winner on Saturday was Beau followed by Lucy who was second in the meet. Oen took the first set of ARX points to finish his ARX title and Chance got his first ever ARX points. [Ed. *Note: because of the 50% rule, the bottom set of points was not awarded.*] Puppy Blaze ran confidently in all three of his programs.

The rain held off until conformation but that did not stop anybody from showing their dogs to Judge Angela Bass. Her placements were Bea, Hunter, Jackson and Chroma.

Dogs who place in the match are eligible for

Best Combined in the meet for Saturday and Saturdays winner was Jackson. Congratulations to Jackson and his owner Chris Durance-Watkins and congratulations to all the dogs and their owners who earned points, titles and recognition in both the conformation ring and race track. Thank you Angela for judging.

Sunday we raced 20 adult dogs and one puppy. The meet winner and second in meet was an exact duplicate of Saturday's meet. Beau won the meet followed by Lucy, both taking home NARX Points.

Two dogs earned their first ARX points Sunday. Digger took the high set of points and Sunday only racer Andrew took the second set. Puppy Blaze ran all three of his programs without a hitch.

Big thanks to Elaine McMichael who drove up from Florida to judge for us. Her placements were Bea, BeBe, Andrew and Jackson. Sunday's best combined in meet was awarded to Andrew. Congratulations to Andrew and his owner Donna Bost, and to all

the dogs and their owners who earned points and placements today.

Once again Dave provided a great home cooked lunch for us, Thank you Dave. We gave out some awesome turtle prizes and raffled off an extra large cave bed on Sunday. Congrats to Dianna Itter, Blaze and Brodie who are the new owners of the cave bed.

We hope to see everyone at our next meet December 14-15, 2013 and maybe some new faces as well.

September 21/22, 2013

**O**n Saturday September 21st, the Weather God looked at the calendar of events and said, "Oh the NCWFA is having a race meet, what can I do to spoil it. Make it 110 degrees, or really cold and windy or perhaps RAIN." Well he decided on rain and the day was an absolute disaster.

So when the parking lot became so flooded that we could no longer get back to our cars, we decided that we would have to call the meet after 3 programs. It was apparent, by all the suddenly happy smiling faces, that the right decision had been made. I have never seen people leave so fast or so wet.

However, in spite of the terrible weather, we still had a really good meet. There were 21 dogs who competed with great enthusiasm (and no scratches). Those stoic little whippets just raced down the track and did not notice the torrential rain. All they wanted was to catch their bunny and kill it.

Our meet winner was the Mighty Bolt. Second place was Frank's pretty little Arrow. Best Opposite Sex and getting third place was Bolt's little sister, Miss Bennett. Handsome Niko won the top ARX place with his fourth in the meet. Congratulations to Kim

and Rick. Miss Jane ran strongly and pulled out the fifth spot. Finishing in a tie for 6th and sharing the second set of points were Rudy and Harley. Congratulations to Red and Barbara. Miss Darcy was eighth and also High Score Veteran. Rounding out the top ten were Missy in ninth place and First Time Entered, Sage, in tenth (Kellee was beaming with Sage's fine showing at her first race meet).

Saturday's match had to be judged the next day because the weather was atrocious. In first place was Sage. She showed beautifully for her owner, the still beaming, Kellee Livingston. Second went to the very handsome Niko, who is a delight to watch in the ring. Third place went to Hallee. This lovely bitch is like a good bottle of wine, she gets better with age. Bruce, another first time entered dog, took the fourth spot. He too is a very handsome boy. Judging our match was a former Whippet breeder, Cyndi Dell (we were all very impressed with her judging).

The people who salvaged the day were "THE NCWFA HEROS." They did an incredible job of setting up and running the meet in the most dreadful conditions. To each of you I give you my heartfelt thanks and gratitude. You all know who you are and I will name

you personally at the end of this report.

The Weather God decided that he had punished the members of the NCWFA enough and gave us a beautiful day to race our dogs. In fact the day was actually a "PERFECT TEN."

We had a wonderful entry of 23 local dogs which made me happy and very proud of our club. Several times in the past we have had to depend on our wonderful Canadian friends to help us get enough dogs for a decent size meet. Now we finally did on our own. Yeah!

Again the meet winner was Bolt. Running really well and finishing second and Best Opposite Sex was Bonnie's pretty little Cassidy (for her size this bitch is very fast). Third place went to another little contender, Arrow. Frank was very pleased his Arrow's fine racing this weekend. Fourth and fifth place went to the evil sisters, Jane and Miss Bennett. Top ARX points went to Arrow's fine running brother, Harley. Niko and Captain tied in the next positions so split the bottom set of points. I should mention that

Harley and Niko are getting close to finishing their race title. Veteran litter mates, Mr. Darcy and Miss Darcy rounded out the top ten. Forgive me if I make a little brag but five of the Darcys' off spring finished in the top ten.

Sunday's conformation match was judged by club member, Cheryl Boyer, who found four beautiful whippets for her winners. First place went to Charlotte Fielder's handsome Captain. In second place again, was the always consistent Niko. Third place was awarded to Jen's lovely boy, Nigel (and Jen did a great job showing him). The final placement went to the very pretty youngster Sage. We really did have some top quality Whippets competing in our meets this weekend. Thank you Cheryl for doing a really nice job of judging. By the way, I have to apologize to Kim and Rick for not awarding Niko his prize for being the TOP dual purpose dog for the weekend. This is the second time this beautiful dog has won this award.

Now it is time for me to thank "THE HEROS" who made our weekend so successful:

Brad, Ed, Russell, Rick, Jen, you did a great job of setting up and taking down the equip-

ment.

Todd, thank you for coming on Saturday with no dogs to help set up and run the paddock. You were great and really helped expedite our wet and miserable meet.

I must also mention that Ed did a fabulous job running the paddock on Sunday.

Russell came both days to help run the boxes and keep us all calm and smiling.

Others who helped keep us smiling were Mary Jean, who is a fabulous head finish line judge; Jen, who is a fabulous all round helper; Guin, Marrienne, and Charlotte who always appeared when you needed help; and Kim who did a super job running the practice dogs.

Another person who kept us smiling was David Kay who did a fantastic job doing the lure-retune on his ATV. That was a big plus in running a speedy meet.

Brad, you were great running the lure Saturday and the boxes Sunday. You are a great asset to our club.

My thanks to Diane Johnson who came out Sunday and did a super job running the lure

for us.

Others who deserve my thanks are Robert, (who I love but don't tell Marrienne), Val, Bonnie and Janet. They did everything that was asked of them.

By the way, if I have missed thanking anyone personally I do apologize (I am getting old and sometimes I forget things that I really should remember). My sincere thanks to everyone for the great food that was brought for our Sunday lunch. It was delicious and greatly enjoyed by all. Talking about enjoying something, reminds me to thank Rick for bringing the absolutely incredibly fabulous Senorita Bread. OMG, was it SOOO good. I am not willing to tell you how many I ate over the two days of racing.

Finally my thanks to Kellee our super race secretary who did her usual great job running the meet and keeping things going smoothly.

Again thank you Kellee, Brad and the rest of the wonderful hard working members for making this another successful CWA weekend.

# RACING FOR FUN

## Abbotsford, BC

### September 28/29, 2013

**T**he weatherman was not exaggerating with his rain warnings... it was wet, wet, wet with mixed showers, rain and torrential downpours all day long. With warnings for strong winds in the late afternoon and evening, we decided to run through all four programs and the match before having lunch. This turned out to be a great plan, as not 20 minutes after we were all headed down the road did the rain turn even heavier and the wind started to pick up.

We had a pretty small group of courageous/crazy people who braved the elements and came out in this lovely weather. Despite the small turn out and disgusting weather, things went pretty smoothly with everyone lending a hand loading and catching and all the other various tasks needing done.

We had some very interesting racing for ARX points, with Mia and Ashleigh both coming into the meet with 13 points. Since Ashleigh had earned all of her points in just her first two meets, the weekend of the National, we all thought we had a pretty good idea how things would go today.

Everything was playing out pretty much as expected, with both girls looking very good in their early races. Unfortunately, in

the third program, poor Ashleigh suffered what could only be called a “brain fart” just a few feet from the finish line, when she stopped and peeled off back towards the boxes, allowing the other three dogs in the race—Jonah, Donald and Murphy—to pass her at the line. As she saw them go past, she whipped around and finished the race.

It happened pretty fast, but we think she either slipped or maybe thought the race was over and was going to run back to dad at the boxes? All in all, a very strange outcome, but it left the race wide open for Jonah, who has been having some rough luck with working the board to his advantage but definitely benefitted from a lucky break this day!

So coming into the final program we had Mia winning the semi race to take home the top set of 4 ARX points to finish her title! Second to her was Donald who played spoiler for Chica, who was the ARX points brides-

maid. This left Jonah in the high point just needing to finish the race to take home the bottom set of 2 ARX points.

The battle for the meet win was once again between Max and Marshall, with Marshall winning the first race and Max taking the other three for the meet win.

Jennifer Hughes judged the very soggy match. She had five brave whippets and handlers to choose from, with her placements going to Murphy, Max, Seven and Chica.

After the match was over we all enjoyed some very yummy and warm chili made by Emily Szabo. One could say it was life saving... as a warm hot meal is just what the doctor ordered after a cold wet day on the field.

Sunday's weather report looked like we were in for another soggy day of racing so we shortened the track to 175 to avoid a mud bowl at the end. Thankfully the weather didn't turn out as bad as expected, with some showers in the morning but otherwise just cloudy all day, with even a brief glimpse of blue sky at one point.

Fearing impending bad weather, once again we ran through all four programs and the match before breaking for lunch. We had another small meet, with the forecast scaring off only the die-hard racers. A big thanks goes to Jenn Hughes, who jumped in her car and made the dash back to Aldergrove to "kidnap" Becca so we could make 20 dogs.

The race for the meet win once again saw Max and Marshall battle it out, with Marshall taking the second program high point and Max the other three high point races for the meet win. The race for the ARX points was between Olive and Jonah, who was looking to show he can take points even without a lucky break. We also had Audrey and Iris looking like they could sneak in for points, but they had the speedy Seven in their semi race to spoil their chances.

So in the final high point we had Olive and Jonah battling it out, with Olive finishing third to take home the top set of ARX points and finish her title! It is always a great weekend when you can hand out multiple ARX titles. Jonah did more than just finish the race to earn his points, this time coming in fifth to take home the bottom set of 2 ARX points.

We had a rather cold and windy match, with our brave judge Barb Barclay taking a turn judging some rather chilly whippets. Her match winner was Seven, followed by Max, Audrey and Olive.

We had another yummy serving of chili, along with potato wedges, cheesecake and Mrs. Costco goodies.

I would like to give a BIG thank you to everyone who came out and braved the elements. It really was all hands on deck, so thank you for coming out and supporting the meet. We can't do it without you!

# MID-ATLANTIC WHIPPET RACING ASSOCIATION

Nottingham, PA

October 5/6, 2013

**T**he weather prediction for the MAWRA fall meet weekend at beautiful Nottingham County Park in Nottingham, PA, was for unseasonably warm temperatures. And for once the weather forecasters were right on target – Saturday was a sunny, humid day in the mid to upper 80s, without a hint of a breeze. And while Sunday started out overcast and breezy with more moderate temperatures, once the sun came out by late morning the temperatures climbed up into the 80s again.

But the weather didn't deter the racers and their people – there were over 40 Whippets competing both days. And the racing was as hot as the weather – some of the finishes were so close that we had to use the finish line camera in spite of having extra line judges for many of the races.

The Saturday race meet coincided with the annual "Bark in the Park" event at Nottingham County Park – billed as "a fun, family

and dog-oriented day promoting responsible dog ownership." MAWRA club members welcomed a number of race spectators (human and canine) as part of the event and spent time explaining Whippet racing and sharing literature about the breed.

We had 41 adult starters (including six FTEs), one puppy and a couple of match racers. Thanks to Karen and Cliff Lee, who set up the 175 yard track the night before, we got started racing at a reasonable hour and were able to take a break to enjoy an excellent Barktoberfest potluck in the middle of the day. Lunch selections included a variety of brats, pork dishes, potato and pasta salads and a wonderful array of desserts. Thanks to Terri Deluca for bringing her generator so we could all plug in our crockpots and heat up our dishes.

The extremely competitive day of racing finished with the top NARX points going to Lucy (6) and Loon and Beau tied for 3 NARX

NARX points for their three-way tie. ARX points (6) went to Chase, who finished with the win (in just 3 meets!), and Moon and Drusy tied for 3 ARX points each.

The match show was judged by canine chiropractor Mandy Armitage, who had another quality group of Whippets to evaluate. First place selection

each. The ARX points went to Chase (6) and FTEs Gatsby and Moon tied for 3 ARX each.

Hal Perry, our match judge, had a large entry of over 20 lovely Whippets, and his first place selection was Chase, who made his show ring debut, followed by Lacey, Reba and Tang. MAWRA also welcomed a new junior handler — Linda Solano's granddaughter, Julia. It was her show ring debut and she did a wonderful job handling Tattoo.

While Sunday threatened rain, nothing but the briefest and lightest of drizzles materialized, and the cloud cover and breeze made the warm weather much more bearable than the day before.

We had another sizable entry: 41 adult starters, three puppies and two match racers. Due to the hard work of all the MAWRA members, and the added assistance of Cliff Lee, the racing completed in good time.

High scoring puppy was Boo, and the top NARX points (6) went to meet winner Beau, with Loon, Bose and Chase each earning 2

tion was the lovely and forever youthful Maura, who was celebrating her 9th birthday at the meet, followed by Zest, Reba, and Cupcake. Maura's birthday cake sported an edible picture of her racing earlier in the year, and was thoroughly enjoyed by the match attendees.

Special thanks to Linda Solano's son, Anthony, and Carl Morgan for box operating Saturday and Sunday; for Kristen for running the lure both days – and giving up most of her break time to run the lure so we could

practice our puppies; and to so many of the MAWRA members for doing whatever it took to hold two great meets. With two of the key box bitches/bubbas (Karen and Brian McHugh) on the injured list, we relied heavily on Terri and Carl on Saturday, and Cliff and Terri on Sunday – thank you all for stepping up.

On a personal note, our trip to this MAWRA meet at Nottingham County Park marked 3 years, almost to the day, since our first trip to the location for our first ever race meet.

We brought our 6-month old Whippet puppy, Moe, down to the 2010 Bark in the Park event, never dreaming our trip would be the beginning of a favorite new hobby, or that we would meet so many people who would become treasured friends and such supportive fellow club members.

Terri Deluca made it a point to introduce herself and spent lots of time explaining straight track racing to us and introducing us to everyone. Kristen and Karen helped us practice Moe and they both, along with Leila, gave us lots of advice and support. We were happy to finally meet Brigitte Greenberg in person, plus other friends from the Whippet World and Facebook communities.

And Marc, who decided to dust off his many years of action/sports photography skills and shoot the race just for fun, found a new interest in capturing canine

performance events. In other words, it was something of a life-changing event for us.

Moe grew up to be an extraordinarily enthusiastic racer, and even though he generally finishes somewhere in the bottom middle of the race meets, and will probably never earn a single ARX point, he simply loves to race and we treasure seeing him that happy.

We thoroughly enjoy being a member of the MAWRA team and participating in events that everyone who attends really seems to enjoy. With the addition of our Whippet, Trick, who was a FTE at this October meet, and the future prospects of running Houdini, our 5-month old puppy, we look forward to years of racing enjoyment with MAWRA.

We feel fortunate that the Continental Whippet Alliance and our local CWA club, the Mid-Atlantic Whippet Racing Association, provide such a great Whippet performance venue.
