**NEXT DEADLINE :**  
**February 28, 2014**

The CWA and the *Line and Lure* take no responsibility for statements or claims made in advertisements that appear in this publication.

**T**his final issue of 2013 completes reporting on the remaining meets of the year. Thank you to all the contributors, especially those submitting the meet reports. I know that is the last thing you want to do after an exhausting racing weekend, often under terrible weather conditions (as amply evidenced in this issue's reports!) but without your reports, *Line and Lure* would be pretty slim. It was fun to see some new race meet reporters in this issue. CWA is the only national racing organization with its own newsletter, and I am grateful for all your help filling its pages!

True to form, we had some truly wonderful submissions for this issue's **VERSATILITY** ad theme. In particular, check out the beautiful ads for the very first whippet titlists in the new sport of Barn Hunt.

Drum roll.... Our next issue will be our **ANNUAL TOP TEN** issue, featuring the always popular FREE ADS for all the whippets lucky enough to land a spot in the racing and conformation top 10s and FREE PHOTOS of all the honorable mention dogs (#11-20)! Yes, if your dog was fast and beautiful enough to finish in both racing and conformation standings, they get a free ad and/or photo for each!

I hope everyone will participate in this important feature. After all, you've got nothing to lose! You get free bragging rights for your beautiful and speedy whippets, and help make an important contribution to the documented history of CWA—it is just a win/win for everyone.

Of course, regular advertising is always welcome at the regular rate of \$15 for a full page. The deadline for ads and other submissions will be February 28th.

 Beth Levine  
Editor, *Line and Lure*

CWA is online at <http://www.continentalwhippetalliance.com>

Check it out for race results, grading guides, rules, top 10 (current and historical), *Line and Lure* and much more!

"The Barn Hunt Association, LLC has created a sanctioned sport honoring the traditional role of "ratcatchers" in ridding barns and properties of vermin. The purpose of Barn Hunt is to demonstrate a dog's vermin hunting ability in finding and marking rats in a "barn-like" setting, using straw/hay bales to introduce climbing and tunneling obstacles in the dog's path. AKC will list Barn Hunt titles on AKC pedigrees if you apply for it."

# PRETTY DARN QUICK WHIPPET CLUB BADGERLAND WHIPPET ASSOCIATION Rochester, IL—October 5/6, 2013

**T**he main thing I remember clearly about the PDQ/Badgerland Milwaukee October meet was volunteering to do the race meet write up.

Let's see what else I remember because it has been two months and I have so far failed to write anything.

We had 20 adults on Saturday and Sunday. We knew we would make the minimum number of dogs, but before the meet we wondered if we would have enough humans to have a meet.

Turns out we have friends! We had lots of volunteers who came and ran boxes, took down dogs to the boxes, line judged and pitched in, even though they didn't have a whippet to race.

Photo by Lynn Ollswang

Photo by Lynn Ollswang

Among them were Susan Cook, John Shebesta, Fred Luehrs, Lynn Ollswang, Ann Hetzel (with Mei Mei), Wayne Chih-Wei and Peter Zalinski. Thanks to them, we got things done. Without them, we would still be training whippets to load themselves, judge themselves, and set up races. I think we would be waiting a long time to come.

I remember waiting for fog one morning, and racing to beat the rain on one day. On Saturday we rushed into the Arthur's garage and sat down for dinner when the wind began to blow and everyone's smart phones started buzzing, ringing and whatnot, alerting us to the big storm approaching. But up until that time, we had comfortable weather.

# PRETTY DARN QUICK WHIPPET CLUB BADGERLAND WHIPPET ASSOCIATION Rochester, IL—October 5/6, 2013

Kazi was undefeated both days, winning the meet both days. The bottom set of NARX points went to Ursula both days.

Cash finished his ARX title by earning the top set of ARX points both days. The bottom set of ARX points went to Fling on Saturday and Mango on Sunday.

Our conformation judges were Krista Siehndel on Saturday and Judy Corbett on Sunday. I thank them very much for donating their time.

Krista placed Ants, Cash, Moto and Ursula first through fourth respectively and Judy placed Eats, Fling, Billy and Moto first through fourth. Never an easy decision to make in these fun matches because there are so many nice whippets.

I would like to thank Janet Siehndel for keeping the records straight, sending the results and preparing the tags for the race board.

We had awesome food and she and Peggy Berg were instrumental in making that happen too.

Of course we couldn't have the meet if it were not for the Arthur's field, so I am thankful to them as well. As always the track was in splendid shape.

Congratulations to all the winners and I look forward to racing next year.

# TULSA SIGHTHOUND ASSOCIATION

Tulsa, OK

October 19/20, 2013

**T**he First Annual Redneck races were kicked off on a chilly October morning in Oklahoma! We had a great turn out of 30 starters including some pretty exciting FTEs and pretty hotly contested puppy races.

Kazi finished the day undefeated, acquiring 5 NARX points, followed by Ziggy with 3 NARX points. Streak who was officially an FTE but started as a B dog because of his Oval track experience, took the top set of 5 ARX points and the bottom 1 NARX point his first day running the straights. Our turtle was Joey.

The match was judged by Kathy Rasmussen (Harmony Whippets) and she had a full ring of beautiful dogs. She placed them Reba, Kuma, Serena, Moto. Our high combined winner was the lovely Reba traveling with Phoebe Booth.

Now that the race meet was officially over, the fun could begin... starting with the three-legged race. It was a hard fought 30 yards race but in the end was won by the mother/

daughter team of Donna Bennett and London Hawkes. Though they were bruised they both agree that the HUGE rosette was worth it!

We had so many entrants in the sack race, it had to be run in heats. In the end it came down to a hotly contested race between brothers Eddie and Enrique Venegas, with Eddie being the eventual victor.

Sunday started off cool but we had another

Saturday match line-up: Judge Kathy Rasmussen and #1 Reba, #2 Kuma, #3 Serena, #4 Moto

# TULSA SIGHTHOUND ASSOCIATION

Tulsa, OK

October 19/20, 2013

Sunday match line-up: Judge Dwight Caffee and #1 Fling, #2 Homer, #3 Reba, #4 Wrecker

great turnout with 30 starters and three puppies.

Kazi proved why he is #1 in CWA, running the weekend undefeated. It was a tight race for second, with Goldie at 18.5 meet points to secure the middle set of 3 NARX points, Streak with 18 for 5 more ARX points and 1 NARX tied with Ziggy.

Sunday's turtle was awarded to Grace. Where else can your turtle get a picture taken with a 90 pound tortoise and a giant rosette!

Sunday's conformation match was judged by Dwight Caffee (Wildhare Whippets) He placed them Fling, Homer, Reba, Wrecker. Our High Combined Winner on Sunday was Fling.

We had a great time at the Redneck Races and everyone loved the Lisa Costello themed orange and camo t-shirts! If you didn't join us for this year's Redneck Races, be sure to put us on your calendar for next

year! Bring your dogs and your sense of humor!

### October 19/20, 2013

**F**or the last local race meet of the year, we couldn't have asked for better weather given the time of year. No rain—yay! The only tricky part was setting up the field in the morning with very heavy fog. Thankfully by the time check in was done and the board was set, the fog had lifted. The fog banks did come and go for most of the day but we did see the sun on more occasions than not. It was cool but dry racing weather, with layers being put on and taken off every time the sun came and went.

We started the day with 26 adult starters. The race for those coveted ARX points looked to have three strong contenders with Abby, Puma and Ashleigh all in the hunt. For the first three programs we had Abby running a strong third in the High point behind Max and Marshall, with Puma

and Ashleigh each taking turns running in the high point and semi race.

So it wasn't until the fourth program that all three would meet head to head in the same race. The race of those points all came down to this final run with Abby with 12.5 points and Puma and Ashleigh both with 11. Puma had a stellar final run, finishing in third spot behind Max and Marshall. Hot on the boys' heels we had Abby and Ashleigh coming in fourth and fifth respectively.

When the dust settled we had Abby just beating Puma in the points race by only half a point! This would give Abby the top set of 4 ARX points to finish her title! Puma captured the bottom set of 2 ARX points.

Max had a great day of racing winning all four programs to take home the meet win

Saturday match line-up: Judge Shawna McKay and #1 Max, #2 Lola, #3 Abby, #4 Seven

### October 19/20, 2013

Saturday match line-up: Judge Shawna McKay and #1 Max, #2 Lola, #3 Abby, #4 Seven

and 4 NARX points.

Max continued his winning ways in the match, placing first followed by Lola, Abby and Seven under match judge Shawna McKay.

No need for any fancy calculations to figure out the high combined award today... it certainly makes it very easy when the meet winner also wins the match. Big congrats to Max on yet another High Combined award.

Sunday began much less foggy then the day before. We also had a bigger entry, with 30 adult starters. With three sets of ARX points up for grabs and Abby finishing the day before, we were all curious to see who would be joining Puma and Ashleigh in the points race.

Puma continued Saturday's fine performance and held his own running all four programs in the high point race to take home the top set of 5 ARX points.

Coming into the final program Ashleigh looked to be in a good position to take the middle set of ARX points but WileE had other ideas... He was Sunday's sleeper in the point's race; he worked the board very well and had some of his best racing to date.

So coming into the final we had Max running another clean sweep, winning all four programs to take the meet win, Marshall, Puma and Abby doing their best to make Max work hard for the win, and WileE and Ashleigh battling it out for the ARX points.

Wile E took the middle set for his first 3 ARX points and Ashleigh got the bottom 1 ARX

point to come within one point of her title.

Looks like we are set for lots more exciting racing in the New Year and hopefully a few more shiny new ARX titles to award.

Sunday's match judge was Laura Baratta, and she had ten lovely whippets to choose from. Her winner was Chica, followed by Murphy, Max and Puma. High score combined winner was once again Max.

I would like to give a BIG thank you to all the RFF supporters who worked so hard this year. Thank you for all the help with pulling

off another great national and all the great race meets throughout the year.

It was a very busy year of racing and I can't thank you all enough for coming out and supporting these events, because without you there would be no Racing For Fun.

Hope you all have a great winter break and I can't wait to see you all back on the field next spring.

### Racing For Fun's High Combined Scoring System

To find our High Combined winner we add a dog's final race meet placement (where they finished on the board, i.e. number 1-30) to their conformation placement (i.e. 1-4).

We then add those together with the LOWEST score being the winner. You can think of it to similar to golf... the lowest overall score wins.

Here's an example from Sunday's results:

**Chica:** 1<sup>st</sup> in match, 8<sup>th</sup> in meet = 9

**Murphy:** 2<sup>nd</sup> in match, 19<sup>th</sup> in meet = 21

**Max:** 3<sup>rd</sup> in match, 1<sup>st</sup> in meet = 4

**Puma:** 4<sup>th</sup> in match, 4<sup>th</sup> in meet = 8

**Max** is the High Combined winner.

# GOPHER STATE WHIPPET RACING GROUP

Farmington, MN

November 2/3, 2013

**P**eople said we were crazy for scheduling a race meet in Minnesota in November, but we hit the jackpot with a beautiful sunny, crisp, but not too cold, autumn day on Saturday, and a warmer but windier day on Sunday.

This was the first meet at the new Hearley place and also the first time the track was used. The Hearley whippets were shocked and excited when their yard suddenly broke out into a race meet (they are still waiting for it to happen again even though there is snow on the ground now).

Our inaugural meet was a small one with 13 adult entries on both Saturday and Sunday, plus Venus the puppy each day.

We also had limited people for workers, but everyone pitched in. Special thanks to both Mary Beth Arthur and Bill Johnson who filled in as lure operators at the last minute.

We started out with 4 adult races and 1 puppy race each day and quickly collapsed to 2 adult races and 1 puppy race.

But this meant there was a lot of time in between heats to chat, snack and have fun. It was so nice to see everyone and have the time to socialize. In fact, I'm pretty sure we took more time socializing than we did actually racing.

And the food was great, thank you to everyone who brought something! There were some excellent contributions. I think we might need to start awarding prizes for food like some of the other clubs do!

Because it was such a small meet we had some unusual things happen. We started out with 3 D dogs and 1 A dog on Saturday, but ended up with 1 D dog and 3 A dogs on Sunday.

We had dogs with 3 points in the 2nd high point race on Saturday. Our turtle on Saturday, Bess, had 5 points. No one finished either day with 0 points.

Kazi won the meet both days getting 3 NARX each day. Saturday's 1 NARX went to Fling along with 3 ARX points. Sunday's 1 NARX went to CASH, and the 3 ARX went to Strip. Fling got the last ARX point, apparently leaving her just short of her ARX title, and not happy with her brother.

Venus the puppy won all her races for a perfect score both days and she looked pretty pleased with herself.

Saturday's judge, Robin Exsted, placed Ants 1st, Cash 2nd, Venus 3rd, and Josie 4th.

Sunday's judge, Kristy Thomas, placed Cash 1st, Strip 2nd, Josie 3rd, and Fling 4th. Cash was the high combined both days.

I think everyone had a good time, especially the dogs. It was great to have everyone at our new place and we really look forward to doing it again next year. I know the dogs can't wait!

November 16/17, 2013

**A**ustin, Texas was the scene of Formula-1 racing at the Circuit of the America complex. While thousands flocked there, a few fans of another type of racing gathered 30 miles north in Hutto, Texas for serious racing at Alamo Area Whippet Club's CWA fall event.

Heading the pit crew was box boss John Williams, assisted by loader Sami Hirko. Their speed and ease in loading whippets rivaled any race car tire change.

Head line/foul judge Deb Bahm had no need for a checkered flag and her team kept the race results sorted efficiently both days.

Saturday we did have two dogs sent out under the flag of DQ and with more schooling

we hope to see these dogs back in the game.

Track conditions were excellent and the grass was short, moist in the humidity, and skies were overcast making for a perfect day for racing.

Rookie run of the morning saw five FTEs take the track. While three did not finish, they were much better the second race when they loaded without owners at the box and raced to the finish line and waiting arms. FTE Lynsea crossed ahead of Maverick in their first meet-up.

Lure operator Matt Kinch then had the next task of bringing several sets of siblings down the track to determine who had family brag-

ging rights. In the race between littermates Phoenix and Rose and half brother Tanner, the boys edged their sister.

Race three saw the experienced ladies take on some young running boys. Pearl and Amanda crossed ahead of Austin, who unfortunately interfered with Preacher's run and subsequently sat out the remainder of the meet.

The high point featured the long awaited return of Vader to performance events, after a toe injury put him in rehab for almost a year. Vader ran better than ever finishing ahead of River and Alley.

Program two was started with another DQ in the field of relative newbies when Tres was called for trying to play rather than focus. Preacher had shaken off his earlier collision to win this race but was scratched afterwards for lameness. Donovan was second, ignoring the play behind him, and Greer finished determined to get to her mom.

The second race saw full siblings Tanner and the older Amanda arm wrestling for supremacy, then Maverick and Rose.

The weekend was starting to look like team racing at its best. Team Lapis, Team Bug and Team Scraggles were sponsoring (siring) some great matchups.

The high point started with Vader and two sisters seeking to keep River, his niece and the lone Lapis out of contention. The teams crossed the finish line integrated with

Vader, River, Pearl, Phoenix, Alley and Lynsea in that order.

Program three was down to two races and both proved to be equally tight and gave the fans close races that involved video review.

Race one was Amanda, Maverick, Rose, Lynsea, Donovan and Greer. Race two was Vader, River, Pearl, Alley, Tanner and Phoenix.

Program four involved almost the same players but with results that reflected the match-ups that had been developing all day.

Phoenix won race one. The duel between Lynsea and Maverick concluded with Maverick taking two of the three match-ups. Donovan outpaced Greer leaving her with the Turtle award.

Rose finished the race with a muscle injury that should heal with all of our positive thoughts and Stacey's meticulous rehab methods.

The final high point resulted in Vader remaining undefeated to take the ARX and NARX points. River followed for one NARX point and Pearl was able to get the other ARX point behind her litter brother and ahead of her litter sister Alley. Tanner retained Team Lapis family bragging rights over Amanda.

Our conformation judge was Dianna Johnson of Copperstar Whippets. After reuniting with her favorite handler, Pearl was selected as Dianna's winner, followed by Phoenix, Tanner and Amanda.

# ALAMO AREA WHIPPET CLUB

The fans headed for the clubhouse for tamales and wrapped sausages shaped like dogs for an enjoyable late lunch.

The day ended with some schooling runs for young puppies and a retreat for those not camping at the Starmark facilities to the home of Dawn Curran for relaxation and an early night in preparation for the next day.

Sunday began with the sounds of gunshot as Starmark was hosting Schutzhund training. The shooting portion ended as inspection started so that the only sound for the rest of the day was that of our whippets pounding down the track.

Program one was started off by Donovan and then Greer running D (FTE). Lynsea was our lone C racer in race two. In race three, Phoenix was determined to stay ahead of Amanda, Maverick and then Tanner.

High point was again dominated by Vader who seemed to run easier with each race. River was able to hold off Pearl and Alley.

Program two, race one (loudly and ably proclaimed by our announcer Dawn Curran) was won by Alley, with Tanner getting the upper hand on Amanda, followed by Maverick and Greer.

In race two, Vader again dominated, Phoenix arose from a slump to take second over River, with Pearl and then Donovan rounding out the race. Lynsea popped a toe out of joint in the paddock and was scratched.

Program three started with the Tanner/Amanda duel going to Tanner, and Maverick broke his turtle tie with Greer, leaving her an opening to grab this coveted prize.

The high point was Vader's all the way, with River fighting off his least favorite side of the track to cross over and still get in second. Pearl forged ahead of Alley and Phoenix came in ahead of Donovan.

Program four started with the announcement that the temps had risen past 90 degrees, and dogs were cooled down in between races. Spectators hydrated likewise.

In race one, Amanda settled her score with Tanner, Maverick was third, enabling Greer to take back to back Turtle Awards.

The last high point of the weekend was an upset when Vader's perfect day was foiled by his sister Pearl as she came in first, Vader second and his other sister Alley hot on his heels. River, Phoenix and Donovan rounded out the last race of Alamo Area Whippet Club's fall meet.

Fans adjourned to eat a cajun sausage bean soup and munch on fresh oranges from the Williams' orchard.

Our conformation judge was Storm Ilouno of Seacrest Dachshunds. Storm sorted his entry and ended up with Amanda, Tanner, Pearl and Phoenix as his selections.

### November 30/December 1, 2013

**B**irds were singing, bees were buzzing, the sun was shining, and as the temperature rose, people were shedding layers of clothing and the pool began to look very inviting. Yes, Virginia, this is Louisiana in December, and if Santa had come down to Bush for the CWA races he would have been taking it easy near the Big Easy.

Reindeer may fly at the North Pole... However, on November 30th, whippets were the only animal that flew down the track at the property of Deborah and Maurice Bahm. 21 whippets started and finished the day without incident, beginning with the D race of Secret, Trinket and Shockey.

"Elves" John Williams and Zeke Talbert loaded boxes effortlessly all weekend. They filled the boxes for the C race, with the dogs sorting themselves at the very end of the race, as Smudge edged out the fast girls Church Lady and Bug, who ran in ahead of the other boys.

Unlike Santa's eight reindeer, the B dogs were put into two races rather than one team. The first stanza of the song went "on Moon, Drusy, Scraggles and his brother Walker," and the second stanza was "now Evangeline, Tanner, Phoenix and Chester."

The day's A dogs were littermates Vader, Pearl, and Alley. But the red dog River took second spot to break up the speedy black trio. No coal in River's stocking!

Program two began with five boys battling for the golden spot. Junkie reached the ring first. Old man Winter had nothing on Scraggles in the second race, as he took on the

youngsters and swept them away with an impressive win. The third race saw sisters Pearl and Alley continuing their ongoing feud to get to Santa's lap first. High point saw River take the lead from Vader at the wire.

Program three was full of dogs testing the naughty/nice list and tying rather than getting caught on the wrong side of Santa. The first race had Walker and WhoDat tied, followed by a tie between Chester and Teche. Too tough to call, so Santa split the points. Bug, who had lure-coursed the previous day to finish her ASFA Field Championship, caught her second breath and ran easily in race two ahead of Junkie and field.

In race three, Drusy recovered from the long ride south and came in ahead of Scraggles and pack. The high point was the scene of the last tie for the day when it was too close to call for Vader and River. They were pushed by sisters Pearl and Alley and third sister Evangeline settled behind Moon.

Program four was like overloaded stockings, as each race was evenly matched, full of excitement in the visual joy of whippets racing for the finish line. Race one had Church Lady leading a choir of angels (well, barking dogs can sound heavenly). Phoenix and Secret battled in race two for top Bench champion honors. In race three, Bug continued to prove to the older dogs that she was as good as her brother, River.

Meanwhile, in the final high point, River was second to Vader, followed by Vader's littermate Pearl. Moon and his kennel mate Drusy came in ahead of Alley and set up the

meet leader board so that Vader and River received the NARX points and Pearl and Moon took home the ARX points.

Sami Hirko of Deduci Whippets judged the match, placing Pearl first, followed by Phoenix, Smudge and Chuch Lady.

We had a quick snack of Santa-sized sandwiches and then a few folks headed into New Orleans for fun and food at world famous Commander's Palace. Lagniappe Racing Club members prepped for Sunday's meet, which came to pass as wonderful as Saturday.

After a quick inspection early Sunday morning, the same 21 whippets returned to the track looking to fly as fast as down from a thistle - or at least thunder on down to the finish.

Starting off was the D run of Trinket and Shocky going back and forth like a rocking

horse with Trinket bouncing first as they crossed the finish line.

Walker pulled the C run down the track after him, never giving an inch to the three behind him in the first of the C races. The second set of C runners had Bug edging out Church Lady at the end.

Six B dogs took to the track for one of the closest races. Moon and Drusy enjoyed the warm weather to come in ahead of the competition in the B race.

The A race was the usual suspects with Vader winning, Pearl taking second, and then River and Alley.

Program two was like cookies lined up for Santa, all gone in seconds and only crumbs of dust left. In race one, Scraggles again showed the kids who was their daddy, beating at least one of his offspring and a few others that may have wished for his

speed genes. His daughter Evangeline took first in race two.

In race three, River barely edged ahead of Scraggles' daughter Alley, but her littermate Vader kept it in the family to win the High Point over yet another talented littermate Pearl. Moon, Bug, and Trinket ran well but Vader's uncle Walker paddock scratched with a limp and sat this one out.

Program three was gifts galore for Phoenix who seems to win later races and came in ahead of Chester. Race two was Old Man Scraggles running ahead of Smudge and the young bloods. Evangeline secured Papa's pleasure and maybe an allowance increase by winning over Drusy in race three. Vader kept up his role as favorite son, edging River and Daddy's little girl Pearl, with Moon next, followed by Alley and then River's sister Bug.

Program four was as nostalgic as hard ribbon candy, with race blankets blurring into wavy colors as whippets ran hard for the

last races of the weekend. In race one, Tanner took the lead from Church Lady, winning his first race for the weekend. Phoenix again won handily over Smudge. Drusy came in first over Bug in a very close race three. The high point race ended the meet with Vader, River, Pearl, Moon, Alley and Evangeline finishing in almost that order. It was a repeat of Saturday with Vader and River winning the NARX points and Moon and Pearl taking ARX points.

Libby Kirchner, of Carbeth Whippets, judged the match, awarding Smudge, Trinket, Church Lady and Phoenix the top spots.

Awards were held while munching down on brisket and French bread sandwiches the size of Santa's sack. After a quick clean up, folks wished each other safe travels on their way home, and I heard someone loudly exclaim "Happy Racing to All, and to All a Good Night!"

# MID-ATLANTIC WHIPPET RACING ASSOCIATION

Dendron, VA

December 7/8, 2013

**D**espite a weather report that was growing increasingly dire, with record ice warnings on the way for many of our members' hometowns and routes home, MAWRA enjoyed a 36 dog meet on Saturday, with 3 puppies making their enthusiastic debut as well.

Fortunately, Saturday dawned cold but clear, although intermittent cold rain passed over the area throughout the day. Spirits were high as members contributed so many crockpots full of chilis and hearty soups, as well as side items and decadent desserts, that it was a challenge to fit it all under easy-up shelters and find enough power outlets to keep it all warm.

Anticipating a bad turn in the weather, and

looking forward to breaking for lunch, both the people and the dogs moved through the meet quickly. Program 3 was finished by 11:00 a.m. and it was clear that club members remembered their skills honed by hosting the CWA National last year. After a quick lunch break, the final program was completed.

Once again Rachel, Velocity TNT Hot Legs @ LaQuest ARX NARX2 TRP PR2, finished the meet in an undefeated first place, earning 5 NARX points. Her triumph was a lovely gift to her owners, Ken and Lori Stebritz. Ken and Lori own the Dendron field, affectionately nicknamed "Whippet Heaven." Ken, a long-time whippet enthusiast and Veteran of the U.S. Armed Forces, passed away this year after a long, brave fight with cancer.

This was MAWRA's first meet in Whippet Heaven since his passing. Despite the cold weather, the fellowship and cheer shared by MAWRA members and Rachel's inspired performance in the meet made it clear that Ken was there in Whippet Heaven enjoying the festivities too.

Lucy, Bonpai's Roller Girl Rules Charm City ARX PR TRP, also did her owners and breeders proud by coming in second and picking up 3 NARX points. The McHughs are hard-working contributors to the club and were a key part of both the conviviality and the elbow grease necessary to make the meet a success. Lucy must have been trained in her owners' can-do spirit from puppyhood, because she kept up well throughout a cold and rainy meet.

Beau, FC Licketysplit Catch Your Eye ARX SRA TRP PR9 FCh SC, picked up the bottom NARX point in this competitive field. His performance was a lovely tribute to his grand-

mother Daphne, a cherished member of breeder/owner Becky Bowman-Mealey and her husband Matt's pack.

With such competitive runners in the top finishers, the ARX points went to dogs who performed extraordinarily well against those in the top ranks. Drusy, DC Deerpath Dream Drusy SC, picked up 5 ARX points for his sixth place finish and his kennelmate Moon, DC Deerpath Mystic Moonstone CD SC CGC, split the bottom set of ARX points with Brodie, Mariner Colonel Mustard at Surrey Hill PR TRP, earning both of them two ARX points each.

Other notable racing finishes include Peaches, CH Cabria's Song of the Sea SC, who earned the coveted turtle prize for the day, winning her owner Hillary Frank a gorgeous turtle ornament just in time for the holidays. Blaze, Whip Hill Blazing Star, was an undefeated puppy on Saturday, getting off to a promising start for his owner Diana Itter

who was already pleased with kennelmate Brodie's ARX points. Breeder Hillary Frank should also be proud of this versatile newcomer.

In the conformation match, judge Susie Butler Dodd made thoughtful cuts to her 15 whippet entry. From a diverse and competitive group, she placed Surfer, Peppertree's The Big Kahuna, first for his first DPC point, which was a happy surprise after he suffered an injury to his tail a few weeks earlier that clearly has not affected his elegance. GRRace, Cherche' GRRace O'Malley, came in second, continuing a proud tradition of CWA success from her parents. Peacock, Mariner's Miss Peacock in the Study TRP FCh PR MC, came in third. Benjamin, Bonpai's It's All About The Benjamins ARX TRP PR, was fourth in the match. In an ironic twist, Surfer is owned by Kristen Fredericks, Peacock's breeder. Kristen handled both in

the match and made the cut with both. Kristen then recruited Peacock's owner to pilot Surfer to the win in the finals, after opting to handle Peacock herself. Thus, with Peacock's owner handling Surfer to the win, Surfer's owner was left holding Peacock's lead in a very pleased third place!

Benjamin earned a special prize for being Best Combined for placing in both the match and earning fifth place in the meet. His high showing in both reflects his versatility and truly embodies the spirit of CWA.

With their early finish, MAWRA had time to offer a few practice runs and box breaking opportunities to members before heading to the club's favorite restaurant in Virginia: Anna's Italian Restaurant in Surrey. The camaraderie continued over dinner in the cozy restaurant, over blue crab ravioli and bottles of Fat Bastard Merlot. Everyone opting to

stay for day two was struggling to willfully ignore the weather report for Sunday, after the more prudent participants pulled their Sunday entries and headed for the safety and comfort of home well in advance of the forecast ice and snow.

Sunday rolled in like a hangover, not a migraine: as soon as you stepped from your car and you opened your eyes in the elements, it hit you that you made a mistake getting out of bed. With a bitter wind so cold it could inspire an ice cream headache in anyone not adequately protected from it, the rain made participants squint and soaked through to the bone. Only the stalwart and the determined turned out, but loyalty runs deep in the MAWRA members, and there were still 22 entries starting the meet.

The participants voted at the start of the day to make it a three program meet. Not,

they all quickly assured themselves, because they could not take it or they lacked dedication to the sport. No, they did it out of concern for the safety of those who had to drive north to get home, where the weather was promised to be even worse.

The record shall therefore reflect that the MAWRA members cut the meet short out of selfless concern for each other and road conditions, and not wimpiness over their waterlogged feet or hands that chapped to an angry red nearly instantly without gloves. I also stress that the loss of the motor homes to power the crock pots was also not a factor in voting. (Never mind that members attempted to work out a way to power an electric coffee maker with a car battery later in the day. That was after the vote.)

It is hard to report who had the toughest job: the line judges with soaked notepads that repelled ink, which ran off the page in

rivulets; the folks trudging down the track as they were buffeted by arctic winds and enthusiastic whippets (one cannot help but imagine that they asked themselves “I thought our breed liked curling up in front of a fire on a cold, rainy winter day?” “Are these the same dogs who need coaxing to go potty in a summer drizzle?” as they struggled down the track); the lonely box operator without even the warmth of human or canine fellowship to cheer him at his lonely post between bouts of chaos, as barking wet dogs thrashed like swordfish on wet nylon leads (if swordfish were able to trumpet like elephants during the fight to haul them into the boat); or the lure operator who had to protect the motor, battery, and trigger from water damage that would impede the race, all while staring into the rain-driven wind and calculating a safe stopping distance on the muddy, rain-glazed grass in a complex math that changed for every race depending on the dogs and the conditions. As much as the humans struggled to bear up under the conditions, the whippets did not seem to notice the difference! The results were the same as the day before for the NARX points, with only the values changing due to the smaller entry. Once again, Rachel ran an undefeated meet, coming in first and

earning four NARX points. Lucy was second, for two points. Beau was once again third, but in the smaller meet he was shut out of the points by the girls, despite an impressive performance under challenging conditions.

The ARX points went to relative newcomers Goblin, Terrena’s Dastardly Mash of Mariner, and Tiki, Peppertree’s Island Girl, who each picked up three ARX points. Both Goblin and Tiki are off to a roaring start to their CWA careers. Keep your eye on these young dogs as they will hopefully have many mentions in the ***Line and Lure*** extolling future achievements. I know Goblin’s owner, Amber Armbruster, and Tiki’s owner, Lori Stebritz, were both happy they soldiered on through the weather to earn those points on their newest additions.

Other notables include Blaze’s second day, winning the puppy stake undefeated. Peacock showed her true colors as an entitled whippet bitch, who felt the day would have been better spent in front of the fire, by earning the turtle prize, a garden statue with a glass mosaic shell. (This article’s author is the human owned by Peacock and thus can speak with some authority on this point.)

Sunday match line-up: Judge Shelton Carter and #1 GRRace, #2 Bose, #3 Beau, #4 Rachel

By the time the conformation match took place, the rain had settled into an inconsolable sobbing downpour that only let up long enough for the clouds to inhale another icy breath from the Canadian cold front before letting another torrent loose. A last minute judge had to be recruited to serve under these conditions and MAWRA found their man in Shelton Carter, the stoic box operator. His long experience in the breed was reflected in his choices as he was able to efficiently sort the entries into placements that reflect both consistency and quality. He placed GRRace first, Bose second, Beau third, and Rachel fourth. Handlers and dogs were grateful for his decisive opinion in the match, as well as his emergency service to the club in addition to his planned contributions at the box.

Rachel's fourth place finish in the meet gave her Best Combined for Sunday, to no one's surprise. Once again, this pocket rocket demonstrated that she earned her diva priv-

ileges around the house – or is her diva treatment the secret to her success? Lori isn't telling and neither is Rachel.

The entire meet was concluded by 1:45 and members gratefully enjoyed hastily eaten sandwiches made from cold cuts furnished by Kristen Fredericks and Shelton Carter, along with thoughtfully contributed fresh tuna salad, made by Lauri Austin. There was no problem keeping the food fresh, at least. La Quest Whippet Heaven was quickly packed up for the weekend and the MAWRA December meet was concluded with members looking forward to reconvening in the spring, when hopefully the weather will be more forgiving, although certainly there can be no improvement on the quality of the company offered by the club members or the quality of the competition offered by the participating whippets.

**F**irst off, I want to thank everyone that pitched in to make this particular meet happen. This was our first race meet without the incredible Mary Hawemann as our race secretary, so we were left with me winging it. Thank you Kristen Fredericks for answering some of our silly questions. Thank you Mallory Ballard for helping out with paperwork and keeping me on track.

As anyone knows who has held meets at their property, having to clean house, cater to people staying at the house, set up the field, and be in charge of getting pre-race paperwork ready can be stressful. I think I have a lot more grey after this... not only did I have all the above to deal with, I was also taking my last final in school the Thursday before the meet. I believe most know I work in retail, and the week and a half before Christmas is retail hell!

The BIGGEST thing I love about race meets is the camaraderie and willingness to pitch in and get things done! I love our dedicated

group! Thank you Carol Cox and Lisa Saunders for taking over the food end for us. The chili, made by Carol, and soups, made by Lisa, as well as breakfast burritos, made by Margaret were a hit! Too many sweets to name the people attached but all was awesome!

So Saturday started in the rain and ended in the rain! We were thankful that it wasn't freezing rain like MAWRA had the weekend before in Dendron, VA. The meet started out with 25 adult starters and one puppy, Blaze.

The winner was Kazi, Lookout Nonstop Kamikaze, ARX, SRA2, PR7, TRP, and this meet win made him the TOP CWA dog in history! I believe he got his steak that night!

Our second set of NARX points went to Beau, FC Licketysplit Catch Your Eye, ARX, SRA, TRP, PR9, FCH, SC, who happened to be the Top Combined winner, placing second in the conformation match and second in the race meet.

Saturday match line-up: Judge Margaret Norkett and #1 Spree, #2 GRRace, #3 Bea, #4 Bomber

Saturday match line-up: Judge Kari Whitaker and #1 Bea, #2 Spree, #3 Digger, #4 GRRace

The top ARX points winner was Digger, Deco Surprise By Design. We were all ecstatic as it took some extra work with Digger in the beginning. He had boxing issues for a while and his mother, Charlotte worked with him at all our meets and our practices. She is one dedicated mom! The second set of ARX points went to Spree, GCH DC Surrey Hill Silkrock Teenage Crime Spree at Mariner, TRP, DPC, PR!

Our judge for the conformation match was Margaret Norkett of Kenmar Whippets in South Carolina. Her placements went to Spree, Beau, Bea and Bomber.

We woke with the sun up and the wind blowing! Except for the wind it was a beautiful day. We had 23 adult starters and one puppy. Once again, the meet winner was Kazi for 4 NARX. Second in the race meet with the second set of NARX points was Beau.

The Top set of ARX points went to Willy, Lanexa Midnight Special. This was Willy's

first time running a complete meet and he was 4th in meet! Willy belongs to Bill Collingwood who is one of our biggest helpers. Willy is Bill's first dog to race so we are very happy for Team William!

The bottom set of ARX points went to Digger. Digger was on FIRE this weekend, earning six ARX points and Top Combined on Sunday! Way to go!

Our match judge was Kari Whitaker, who awarded first to Bea, second to Spree, third to Digger, and fourth to GRRace. I thought it was pretty awesome that the first, second and third placements in conformation—Bea, Spree and Digger—were the top non-ARX titled dogs in the meet in reverse order (with the exception of Willy).

We look forward to our next meet, which will be held February 15th-16th. Come get out of the cold and come on down to Georgia!
