At long last, here is the long-awaited, much-anticipated **Annual Top Ten** issue! I owe a sincere debt of gratitude to Lisa Ochoa, who really earned an official Assistant Editor position for all her hard work on this issue. She did all the ads in this issue that weren't submitted as camera-ready. In a true display of heroism, she even did the ad for Yours Truly's own dog. Now that is above and beyond! Without Lisa's help, I'm not sure I would have gotten this issue done before the end of 2014, much less my hard deadline of "before the AWC National." THANK YOU LISA!!!

This issue includes the final 2013 rankings, including the free ads featuring Top Ten winners in both racing and conformation, and photo feature of all the Honorable Mention dogs, as well as a very special surprise. It also includes the complete list of all 2013 title-earners. In the interest of time, I have decided to hold all results from the 2014 meets to date, and the early 2014 Top Tens and Titles for the next issue, but if you are just dying to know, in the meantime, you can find all that information and more on the [CWA website](http://www.cwa.org).

The next issue will be our annual **Memorial** issue, with its special advertising theme featuring tributes to human and canine friends loved and lost. Though always bittersweet, sharing your memories of your dearly departed helps keep them close in the hearts and minds of all who loved them. Of course, regular advertising is always welcome at the regular rate of \$15 for a full page. The deadline for ads and other submissions will be **May 31st**.

I hope to see some of you in Maryland in just a few days. I know for sure MAWRA will be well-represented!

2013 #1 CWA CONFORMATION 2013 #2 CWA RACING

Max finished his Canadian Show Championship at eleven months of age, taking the points every time out with two Best of Breed wins along the way. In his first year of racing, Max thrilled me by running his way to multiple meet wins and delighted me with multiple match wins and placements. He capped his splendid year with a second place at the CWA National Race Meet.

I am so proud of Max and his littermates in their first year of competition. Their 2013 accomplishments were more than we could have dreamed when we bred this litter.

Thank you to all of Max's fans and to the judges for making 2013 a wonderful year!

We are very proud of how Beau performed in 2013. He fell ill with a tick-borne disease in 2012, and lost a lot of his strength, and we were afraid that the weakness would be permanent. Happily, he was back to himself, and once again showed his consistency in the ring and on the track. He only needs one DPC leg to finish his DPCX, and that is our big goal for this year.

We love CWA racing, and look forward to spending time with friends both new and old.

Despite running only part of the year due to other commitments, we are very pleased that Tristan earned 11th place (tied) in CWA conformation, just 1 point out of the Top 10. Thank you to all the judges that appreciated him.

He obtained his highest meet points to date in the spring, remaining in the high point races for 3 of 4 heats and earned a Top 10 placement in very competitive racing. He puts his whole heart into it.

Tristan had an exciting year, finishing his American Championship in the fall with two 5 point majors at both WWVA Specialties (WD/BOS and WD/BOW), beautifully presented by Linda Buchholz.

He followed it up with his Canadian Grand two weeks later, owner handled. He finished his Rally Novice with a perfect 100 point score and in 3 of 3 trials, was a high-in-trial Whippet at the WCOBC agility trial, and then completed his Starters Games title. He also sired his first litters, and we hope to see some enjoying CWA in the future.

Congratulations to all the fast and beautiful whippets who enjoyed racing in 2013!

Happy Birthday

Jean Balint!

Happy Birthday Jean!
Remember we were ALL
young pups once!

Love, Phoebe

This was, I think, Jean's first Sweepstakes assignment. It was at the AWC Eastern Specialty. The puppy is CH Shamasan Bugs Bunny. The year was 1981.

It was my pleasure to award Jean the American Kennel Club's Sportsmanship Medallion from the American Whippet Club for 2013. Jean is such a dear friend to the whippet breed and an amazing sportswoman she was an easy choice for the AWC Board to award her this honor. Isabell was honored with the AWC Lifetime Membership Award on this day for her many years of dedication and service to the breed and club. It was easily one of my most memorable and favorite days with Jean and our dearly missed Isabell. Jean and Isabell shared a lifelong friendship in this breed and it was my honor to award both ladies, it was a day I shall never forget!

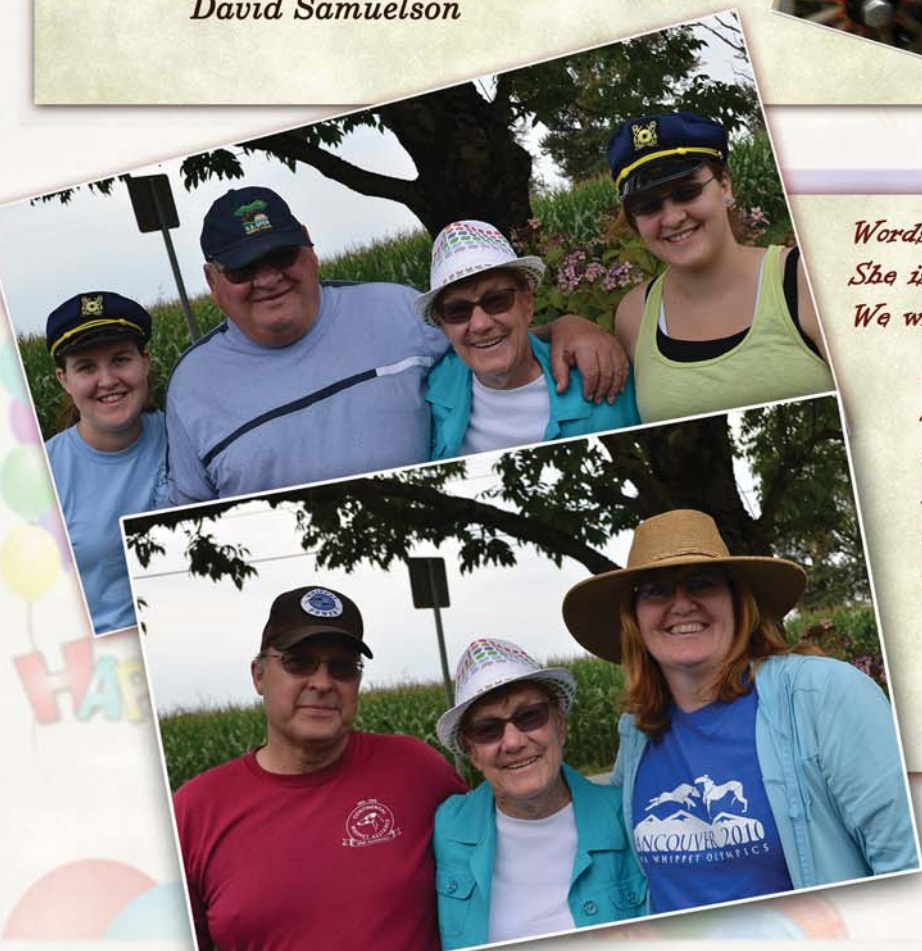

David Samuelson

*Words can not express how much we love Jean!
She is such a wonderful and welcoming person.
We wish her the most Joyous and Happy Birthday!!*

*We wish we could give her a hug every day,
she has shared her knowledge and welcomed
us into the amazing world of whippets.
Her tireless drive to participate, promote and
encourage quality race and show whippets is
truly inspirational.*

*Jean We LOVE You OXOX

I'm so happy to be able to wish my dear, dear friend, Jean, a very happy 80th birthday! I first met Jean in the 1970's and it is hard to put into words how much this very special lady means to me. Jean and Vince would come to Canada to race their wonderful WyndSOR Whippets and it was the start of a long friendship. Jean was very close to our mutual friend, June Harrison, and upon June's sad passing, Jean and I became more than just friends. I so look forward to every opportunity I get to visit with Jean (and Vince). Our most favorite times have been when Jean has stayed with us for RFF's race meets and we've enjoyed several trips to California to attend her club's meets. The true fun begins once the meets are over and we can so enjoy her company. Jean has a heart of gold - would do anything for her friends and is loved by so many. Steve and I love you very much, Jean - may we get to celebrate many more of your birthdays together!

I am so grateful that a little girl pup named Miss Daisy came into my life as it brought with her Jean Balint. I am honored that she entrusted me with this special whippet that she bred.

Through the years my friendship with Jean has grown. She and Vince have stayed at my home, parked in the front yard in their motor home. We have shared many a long phone call talking about dogs and our lives. I was lucky enough to share a hotel room with her at an AWC National Specialty. She was very generous with her clothes while my luggage was being found. Not all friends would offer what they have so freely.

She is a friend, a mentor, an example for being honorable and gracious. She shows us all how to laugh and enjoy life.

With Much Love,

Happy Birthday Jean! You are an amazing lady, and I mean lady in the truest sense of the word. You have been an inspiration and mentor to many, including myself. Your kind and gentle guidance at the beginning of my exploration into the world of breeding whippets was so helpful and appreciated. You have a wonderful eye for a good dog, and a heart big enough to find something beautiful in every dog. I also love that you are respectful of other's opinions and welcome different perspectives. I feel that you encouraged me to find my own way and were willing to offer your wisdom when I asked for it. You have contributed so much to the world of whippets...both to the dogs and their owners!!! It is a great honor to know you and I feel such gratitude for all you have shared. In my household, the descendants of Wyndor will ensure you are remembered every day, not just on your birthday.

On behalf of myself and my whippets and all whippets everywhere, we are sending you love and very best wishes for a wonderful birthday!

My best and fondest memory of Jean is her calming, assuring presence to newcomers to racing.

I first met Jean as a new Whippet owner in the early 80s in California and that gift of her graciousness has never wavered, no matter the circumstances. She epitomizes the words mentor and sportsmanship. She is a one-of-a-kind, and long may she reign!

Want to say Happy Birthday to Jean Balint! I remember the first time that I showed up at the practice field in Fairfield with my whippet Teegan after greyhound breeder Bob Messamore and his mom told me that there was a whippet racing group nearby. I believe it was sometime around 1987. Everyone there was so knowledgeable, but also very welcoming. There was a meet in Fairfield that stands out and I laugh about it to this day. The rain was just pouring and had been. The track was a horrible, muddy mess. All of our dogs were soaked and muddy and we were as well. There was an older couple whose granddaughter (I believe) was helping them. She had just leashed the dogs at the finish and turned to walk away. The dogs were strong and suddenly made one last dash back to the lure. They whirled the poor girl around, knocked her down and dragged her through the mud back to the lure. Those of us standing at the line were horrified, yet when the poor girl stood up covered in mud we couldn't help laughing. I think she was laughing.....sort of. Anyhow, thanks to your kindness, I've enjoyed this sport and whippet dogs for 27 years now? Yikes! I've always admired you, your wonderful dogs and your commitment to dogs that are not only beautiful, but also retain their function and instincts. I also want to thank you for introducing me to June Harrison who was a wonderful friend and another inspiring mentor.

Have a Happy Birthday and a wonderful 2014!

Jean is very dear to us. We first met her through the late June Harrison and then subsequently when we got RFF going, many times up in BC or down in California for race meets. Of course, her beautiful Wyndor dogs blew just about everyone else's whippets off the track in our initial CWA meets, but Jean was always a very gracious winner and we felt almost honoured to have been beaten by such marvelous runners. My favourite of her dogs was the lovely black Coalby of Wyndor.

At the 2013 AWC National, we were so pleased to see her receive the AKC Outstanding Sportsmanship Award, for which: This award honors those individuals who deserve special recognition that have made a difference in the sport of purebred dogs, embodied the AKC Code of Sportsmanship, and have been an active and valued member of an AKC member club. That certainly describes Jean to a "T."

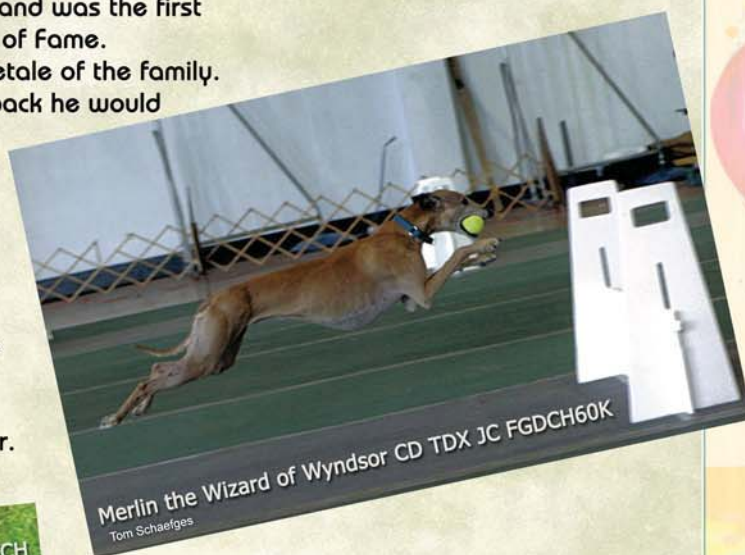

A big happy 80th birthday to you, Jean, and many more healthy ones to come.

Dogs from Jean always seem to have very interesting personalities...

Merlin. We got Merlin as a Whippet racing prospect but that was not where he shined. He turned out to be an awesome flyball dog and was the first sighthound inducted into the North American Flyball Hall of Fame. He also was a great tracking dog. He was also the tattletale of the family. If the dogs were tangling with some wild animal in the back he would come running up to warn me there was trouble afoot.

Sinbad. Sinbad had the most personality of any Whippet we have owned. He was an unfailing alarm clock. When it was time for us to get up, he was there barking if the alarm clock failed to go off. He was a talented racer and obedience dog as well. With tracking he was not quite so keen on heavy cover.

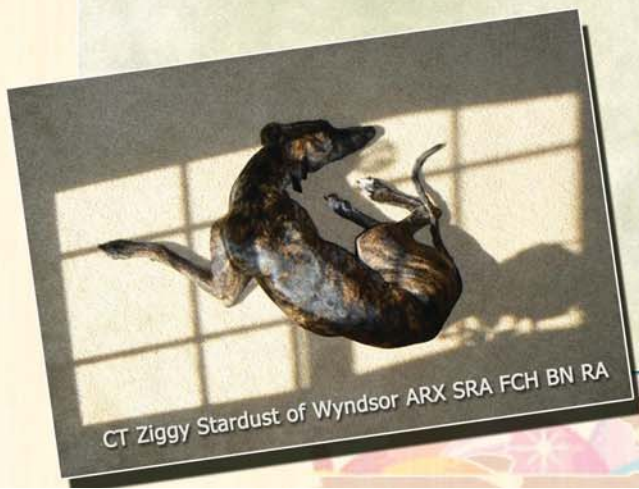

Blink. Was a more quiet dog who had a great personality at home. He loved to race and course but was not keen on showing off his obedience skills.

Hasty. Another dog with huge personality. He was the benevolent dictator of the home and kept the dogs in order. When younger dogs were getting rowdy he'd quiet them down, when XL ran out the gate and I had trouble getting him back, when he came back in, Hasty scolded him. He also was a fierce racing competitor, loved to course and was our second Tracking Champion. He loved to track but made Ule acquire incredible patience as he liked to double and triple check before he made a decision about where to go but he was usually correct.

Whiteout. Whiteout was another dog for which racing was not his shining area, but he loved to play flyball. He also tracked very nicely. Later in life he developed noise phobia so really hated the thunder and fireworks.

Ziggy. We still have Ziggy and he has been a great racing and coursing and tracking dog. He was the fourth tracking champion in the family. Also is doing very well in obedience.

I have known Jean for quite a few years and always enjoy seeing her at the National, when we're both lucky enough to get there. One year, maybe in Phoenix, there were several of us going out for lunch, including Jean, Carol Willumsen who was driving, Peggy Bush and myself. We were sitting in the car waiting to pull out when Peggy, in her gravel voice, yells out "Hit the gas, Carol" in response to a mutual acquaintance passing in front of the vehicle. It was some minutes before Carol could drive to the restaurant.

Happy Birthday, Jean, and I hope to have many more birthdays and National Specialties to share with you!

Jean, I am so lucky that I've gotten to know you through CWA racing, and am honored to have Wyndor dogs in my pedigrees. I hope you know just how much you are treasured by your CWA friends and family. You have a magical way of making people feel welcome and special, whether they are seasoned veterans or shy newcomers, and whether they are running meet winners or turtles. You welcome us all with open arms, warmth and sincerity. You embody the very best in racing – the camaraderie, friendship, generous and supportive sportsmanship, and performance at the highest levels. You've had my back, and I'll never forget it.

Here's wishing you the very happiest of birthdays, and many more!

Jean with another pillar of the breed, Doug Arthur. August, 2002.

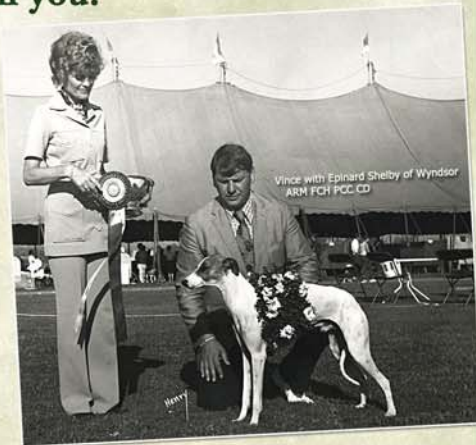

Some of you may be asking, "what makes Jean Balint so special?" I'm happy to tell you!

First of all, there is her longevity on the racing scene. Jean was racing before the advent of the ARM program, and well before the racing venues and structures we know today. If you want to know something about racing history, she is the person to ask, if you want to discuss various aspects of training race dogs, she can provide you with a plethora of suggestions and information, if you are researching old racing pedigrees, she is a fount of knowledge.

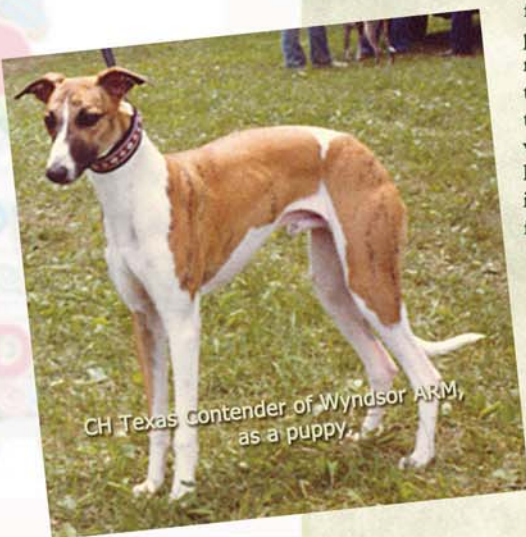

I will never forget when I went to California to pick out my first race puppy. Jean sat me down with a five generation pedigree, and told me about almost every single dog mentioned there. She knew what they had done, how long they had lived, what they were like to look at, and a lot of the time she could tell me about their relatives as well. That was an invaluable lesson, even though a lot of it went over my head at the time. It did stick with me, however, and I still find pieces of that discussion coming to mind today. It also spurred my interest in pedigree research, and inspired my desire to dig deeper than merely the names to find out who the dogs actually are.

Have I mentioned that Jean has bred and owned some AMAZING dogs? Well, she has. She has had many racing champions and meet winners, of course. But dogs she has bred have also earned titles in conformation, obedience, agility, flyball, tracking, and lure coursing, and have also been much-loved companions of great character. More importantly, her dogs have produced as well as they have performed. She had the first two bitches - Volant Trilby of WyndSOR in 1982, and Hazelby of WyndSOR in 2004 - to achieve ROMX status entirely on performance titles. Her homebred Miss Darcy of WyndSOR achieved ROM status with her only litter of six puppies. Jean also bred the first two CWA national winners, and has had two others since then. Her great dog Bolt (The Mighty Bolt Of WyndSOR) is a third-generation CWA national winner. Finally, Jean bred four of the dogs in the CWA's All-Time Top Ten, and an additional three dogs in that group are direct descendants of WyndSOR the WyndSOR line.

But mostly, what makes Jean special is her tremendous class and generosity of spirit. Her sportsmanship is unflinching, even when she is presented with disappointingly unsportsmanlike circumstances. She is polite and courteous to everyone, even when others are rude. She makes new people feel welcome, and answers their questions and helps them without making them feel stupid (go ahead, ask me how I know this!). She is graceful and beautiful in thought and deed, and I have never known her to say unpleasant or untruthful things about others. She is such a good person, yet so humble and unassuming, that she inspires others to try to be like her, and this is no mean feat. I am blessed to be able to say that she is my friend.

Under the (WyndSOR) Influence

Legend has it that all of the rope used by the British Navy has a strand of red in it, so that it is instantly recognized on sight, and valued for its integrity and quality. We view the WyndSOR dogs in our pedigrees in the same way; not just as fast race dogs but also as beautiful, intelligent, willing companions with great work ethic and sweetness of temperament. They are the reason we embarked on the breeding adventure.

Thank You, Jean, for all you have given us.
