21ST ANNUAL CWA FUN MATCH

Judge: Ann Cantrell, Hounslow Whippets

October 3, 2014

It was an honor to be invited to judge the 2014 Continental Whippet Alliance National Match and I am grateful for the opportunity. Only a few Whippet aficionados today know that I'm still around, and therefore I appreciate the trust the match committee put in me by asking me to judge the record breaking entry of 86 Whippets. The show site in Williamsburg was a lovely park with short grass and a level area for the ring. Better weather could not have been ordered; it was in the low 80s with a pleasant breeze and clear skies.

I want to commend the CWA for equally promoting form and function in the Whippet. I admire the breed for being one in which a single dog can excel in the show ring and on the field. There are so many breeds that have bred toward either form or function and have two different- looking types. Sadly, there are many show dogs that would be unable to perform as originally intended. Congratulations on continuing to strive for a dog whose form follows function.

The overall quality of the entry was remarkable with dogs that were sound and in good muscular condition. That was not surprising as most were also involved in racing. In many of the classes the quality was such that the decisions made in placements were very close. In the large classes there were not enough placements to recognize all the deserving dogs.

Overall, what I like to see in a Whippet, is a dog that is balanced, has a wonderful flow-

ing neck to topline with the appropriate amount of croup. The underline should be in concert with the topline. I was pleased to see many good fronts and shoulders with good rib spring and front fill. I confess to being a sucker for the wonderful dark melting eyes with dark rims; the expression that only Whippets have! Movement to me is of utmost importance. The dog should move effortlessly, covering a lot of ground, and have good reach and drive. It should be apparent that I am watching an athlete move with great soundness. I like to see a dog that looks masculine and a bitch that is feminine.

PUPPIES (17 entries)

It was so much fun to put my hands on the puppies, especially the very young ones, and to see the future of the breed. It was evident that many had been schooled with show training as they were well behaved, especially on the table. As the puppies mature, the results of the day could be very different.

Puppy Dogs Under 6 months (7)

The class of seven dogs was full of potential. The class winner was ***Cherche' Walk on the Wild Side***, a fawn, irish marked brindle. At only four months of age, his ring presence and showmanship was nearly perfect. He has a beautiful outline and looked like a male in every aspect. He possesses a nice shoulder layback and front fill. His movement could not be faulted. He covered ground well both standing and moving and should develop into an outstanding adult. A close second went to ***Surrey Hill's Couldn't Be Butter at Mariner***, a very lovable fawn brindle who plied the judge with kisses! He was only 11 weeks old but has great potential to develop into a beautiful dog.

Puppy Dogs 6-9 months (1)

The only one in the class was ***Starline's Kurios***, a pretty, adolescent red brindle parti. He has a beautiful long flowing neck. I would like to see a better shoulder layback and a bit more topline, but at this age the body is changing rapidly. Overall, he is a nice male with potential in the show ring.

Puppy Dogs 9-12 month (1)

The only one in the class was ***Terrena's Dream of Perpetual Motion***, a black male. He is a slightly built dog in size and bone. He was in good condition for a dog of 11 months.

Puppy Bitches Under 6 months (6)

The class of six girls was full of quality. The winner was ***Mystic Run's Mink Luster***, a beautiful fawn girl with a black mask who instantly caught my eye. She is well balanced with a nice front and rear. She was only 11 weeks old but stood well and gaited enough to see the quality. I believe she will mature into a beautiful young lady. She is the one puppy I wanted to scoop up and take home! 2nd place was ***Oxford's The Dalles of Mariner***, another beautiful fawn with gorgeous eyes and expression. She was in wonderful condition and exuded type both standing and moving. It was a close contest between the two and overall the choices were difficult with so many lovely young girls from which to choose.

9-12 month puppy Bitch (1)

The only one in the class was ***Terrena's Clockwork Angel***, a solid black girl. She is a littermate to the 9-12 month dog and very similar in type. She was a bit restricted in movement and straight in the front.

Bred-by Puppy Bitch (1)

The only one in the class was ***Terrena's Nonstopp Lady of Device***, also a solid black girl. Although a littermate of the 9-12 month classes, she was more mature in appearance and in moving. All three dogs were similar and it is a testament to the

breeder for consistency in their breeding program.

Best Puppy was *Cherche' Walk on the Wild Side*. He exhibited a command of the ring with beautiful movement that could not be denied. **Best of Opposite Sex Puppy** was *Mystic Run's Mink Luster*, the adorable 11 week old.

Adults

The entry of 62 adults (34 dogs/28 bitches) was challenging. Thank you to all the owners who put their faith in me to give them an honest look and assessment. It was so gratifying to be able to judge so many wonderful Whippets.

Yearling Dogs (6)

The class of six dogs yielded young dogs in good physical and muscle condition but obviously some are still developing. Overall the front assemblies could have been better and would have yielded better movement. First in the class was *Merci Isle the Prestige*, a solidly built fawn that was balanced front to rear with a pleasing top and underline. His movement was low and easy with good reach and drive. Second place was won by *Terrena's Dastardly Mash of Mariner SC*, an open- faced red brindle parti handled by a junior.

Bred-by Dogs (3)

The winner of the class was *Excel's Play-boy*, a nicely balanced fawn brindle parti. He has good chest fill, nice shoulders and a strong rear. He moved easily and soundly

around the ring.

Open Dogs (3)

The winner of the class was **FC Terrena's Jambalaya on the Bayou MC LCM PR TRP CTL-1**, a fawn brindle parti who was in wonderful condition. All three dogs were nicely put together, sound, and similar in quality but the winner displayed the best overall movement.

Bench Champion Dogs (7)

This was a stunning class of seven quality dogs. It was a joy to examine each of these deserving boys. First place went to **GCH Shamasan Bohem Breezing Up**, a very shiny black-coated and athletic dog with a beautiful outline and perfect smooth movement. Second in the class was **GCH Mariner Diabliesse I Can't Believe It's Not Butters ARX DPCX**, a solid fawn in beautiful condition.

Race Champion Dogs (10)

The class of ten athletes was stunning and probably the most difficult class to judge. After table exam and more go-rounds than anyone wanted, **CH Surrey Hill's U Sunk My Battleship! NARX DPCX FCH**, a lightly fawn brindled and white male won the class. He has a beautiful strong neck leading into well layed back shoulders. His rear complimented the beautiful front and his overall appearance personified the Whippet. He moved like the athlete that he is. Second in the class was **CH Divana's Heir of Illusion at Cherche' ARX DPCX TRP PR4 JC**, a solid brindle, that was very typey and correct. He too excelled in soundness and strength and ease in movement.

Altered Dogs (5).

The class was won by **Peppertree's The Big Kahuna**, a red brindle parti. He is on the smaller side of the males but has a beautiful outline and very pretty head and expression. He is sound in movement and covers ground well. Second place was awarded to **Surrey Hill Diablesse Dit Champignons CanCH TRP DPC**, a pretty fawn and white male in very good condition.

Yearling Bitches (3)

The class of three was won by **Aperture Lady Godiva**, a solid dark brindle on the larger size for bitches. She has good rib spring, depth of chest, and was sound moving.

Bred By Exhibitor Bitches (2)

Excel's InStyle won the class of two. She is a small, compact fawn brindle parti. She is a bit shorter in loin than I like but is sound in movement and has a pretty outline.

Open Bitches (7)

The quality class of seven was one where I had to let worthy girls walk. The class was won by **Merci Isle Zig Zag Girl**, a solid fawn with a beautiful expression. She is balanced front to rear with a good length of loin. She is a beautiful mover. A close second was **Marial's Shamasan Travelin' Thru TRP PR**, a brindle parti who is very feminine in type and moved soundly with nice reach and drive.

Bench Champion Bitches (6)

This outstanding class of six was won by **GCH DC Surrey Hill Silkrock Teenage Crime Spree at Mariner FCH TRP DPC**. She is a

beautiful red brindle parti that exemplifies what I think a Whippet bitch should be like. She has the beautiful soft, expressive eyes with a lovely head. Her outline is artistic. Not only is she a beauty standing, but she moves soundly and effortlessly around the ring. Second place was awarded to **GCH DC Cherche' Bearfoot Hooker SC TRP DPC PR2**, a fawn bitch that was deserving. She is in fantastic condition with great beauty and charm all around. This was a difficult decision but ultimately I placed her second.

Race Champion Bitches (7)

This class of seven was a class of sturdily built girls. The class was won by **Lick-etysplit Catch Her In The Rye ARX TRP PR4**, a red Irish marked brindle. She is balanced front to rear with a nice top and underline. She moved effortlessly around the ring. Second in the class was **FC Domino Blue Moon ARX NARX2 TRP SC RATI**, a solid white with a split red face and lovely expression. She is in wonderful condition and a sound mover.

Altered Bitches (3)

The class of 3 was won by **Love at First Bite SC TRP CGC**, a brindle parti. She was a moderate sized bitch that was in good condition and sound in movement.

Best Adult was won by **GCH DC Surrey Hill Silkrock Teenage Crime Spree at Mariner FCH TRP DPC**. The line-up of the 12 class winners was breath taking. Another quick look and comparative moving and it became evident to me that the winner could not be denied. **Best of Opposite Sex** was

Veterans (7)

It is always bittersweet to see the older dogs back in the ring. This group of dogs were in great shape that belied their age.

Veteran Dogs, 7-10 years (1)

The only entry was ***GCH DC Surrey Hill's Golden Boy LCM DPC TRP CR***, a masculine, light fawn who is in great condition. He has a very strong front and rear that compliments the front. His Whippet outline was superb. His good looks carried over to his movement that was flawless.

Veteran Dogs, 12+ years (1)

Rarely Herd of Wyndor, age 14 is a solid black male. Despite his age, he moved quickly and proudly around the ring.

Veteran Bitches, 7-10 years (2)

The class was won by ***LicketySplit Cabela O'Kindred JC*** a nicely built Irish marked, light red brindle. She has a beautiful expression to match her curves. She was sound when moving with a lot of reach and drive.

Veteran Bitches, 10-12 years (2)

The class was won by ***Am/Can CH Surrey Hill's Glenmorangie DPC OTR CR***, a beautiful red parti girl in excellent condition for her age. She was balanced and typey with a beautiful expression. Her movement was very sound and solid.

Surrey Hill Dixie Arrow is a 12-year-old solid fawn girl with such a sweet face. She is sound when moving and in good condition for her age.

Best Veteran was **GCH DC Surrey Hill's Golden Boy LCM DPC TRP CR**, an outstanding example of a male. **Best of Opposite Sex** was **Licketysplit Cabela O'Kindred JC**.

Best In Match

Seeing the three top winners walk into the ring was confirmation to me that I had found three exceptional Whippets. After another look at the overall build, the expression, and then movement, it was not a difficult decision to award Best in Match to **GCH DC Surrey Hill Silkrock Teenage Crime Spree at Mariner FCH TRP DPC**.

Congratulations to all the winners. Again, I offer my heartfelt gratitude to the CWA for the honor of judging, and to all the competitors who brought their beautiful Whippets to the match. It is a day that I will fondly remember and yes, perhaps there is a Whippet in my future!

12TH ANNUAL CWA NATIONAL

Williamsburg, VA

October 4/5, 2014

The festivities started on a beautiful fall day in the Chickahominy Riverfront Park with the CWA fun match that precedes the CWA National every year. This year, the match was judged by Ann Cantrell, who was a whippet breeder and AKC Lure Coursing judge in the late 1980s and early 1990s before moving abroad to Germany. She bred under the kennel name Hounslow with her then-husband, Larry Schoolcroft. She co-bred and went to shows with her good friend and pillar of the American whippet breed, Calvin Perry. Sadly, when she moved to Germany she homed most of her dogs and left the world of whippets.

One of her calmest show dogs went to her sister, who was definitely not a dog person. Her nephews and niece grew up with that sweet brindle whippet girl, and decades later, one of those nephews became my husband. He remembered that elegant girl from his teenage years when it came time for him to add a dog to his own home and insisted upon another whippet, even though I did not care much for the breed.

Internet searching led us to Ken and Margaret Norkett of Kemar Whippets in South Carolina, who still had a gray-faced senior girl of Ann's breeding. We got our first whippet from Ken and Margaret, and soon after got our second from them too. Although none of my dogs, past or present, are from Ann's lines, her influence on whippets are the direct reason I have whippets today, and has even influenced which whippets I have today.

With that background, I was thrilled to have

Ann come up from her home in Greensboro, North Carolina to judge our fun match. With about 85 pre-entries plus some "day of" additions, her return to the whippet show ring would be a survey of puppies under 6 months up to the 12 year old veteran Dixie. She would be able evaluate whippets bred with the show ring in mind who are capable Grade C or D racers, and those who were bred with racing in mind with multiple meet wins to their credit. Her welcome back would rival a supported specialty show.

Ann has provided her own write up of her picks for this publication, but sitting ring-side, it was a gorgeous day to see the variety in our breed, and enjoy the progression from our youngest puppies just being introduced to the ring to our darling veteran who graced the ring with a timeless beauty.

The day started warm and sunny with clear blue skies that held throughout the day. Ann was efficient but gave every dog and owner a good look and a positive comment while the whippet was on the table. Out of such a large entry she found some very gorgeous and accomplished individuals and may have even found some of the stars of tomorrow!

After the judging we all sat down to a festive potluck with a Hawaiian luau theme to the decorations, in honor of MAWRA Member Amber Armbruster and her family, who would be leaving for Hawaii after our December race meet. Plus our Hospitality Chair Lori Stebriz was all too happy to embrace the idea of a luau potluck, seeing as how her youngest is from the Peppertree litter themed on surfing and luaus! Tiki Stebriz

was decked out in her best luau-wear, and quickly all of the attendees were wearing floral leis. As always, the food was wonderful and plentiful, and the party lasted until long after sunset.

The National Race Meet started calm and clear, despite some overnight storms. Program 1 had fifteen races, so there was no time to spare! We quickly got the board drawn and posted, and began the joyful work of actually running the meet we had all be planning and anticipating for so long. The huge entry was well balanced with races divided nearly evenly among the grades, ensuring each whippet entered would find some fair competition for the best in grade awards.

The nationwide enthusiasm for the CWA's annual National race meet even attracted several new entrants to make their debut in grand fashion. There were eight First Time Entries, including the Fairchase/Debmar littermates Solo, Leia, Storm, and Skywalker. Felony and Strut, littermates to MAWRA regular Rachel, also finally made their CWA debut as the National drew their owner Tangie Bush out from Roanoke to see Rachel tear up the track, and bringing her entries with her. We also welcomed Pretzel, a new addition to MAWRA club member Hillary Frank's kennel, and Zuko, who traveled from the Finger Lakes region of New York State with owners Susan and Anna Fredericks, who are the mother and sister respectively of event chair Kristen Fredericks.

In fact, Solo cracked the top 10 in his big debut, the only dog who was not already a Grade A to do so. His fantastic finish is not too startling, however, because the top 10 was dominated by three big breeding programs. The Number 1 finisher of the day went to Lizzie, bred by Carolyn Perkins and owned by Lisa Ochoa and Pat Reynolds. Lizzie shared the top 10 with her littermate, third place finisher Kazi, owned by the Hearleys. Lisa, Pat, and the Hearleys all celebrated Lizzie's son Duece's seventh place finish, because he was bred by Lisa and Pat and is owned by the Hearleys. The Bahm/Williams collaboration also produced several top 10 finishers. Along with Solo's eighth place finish, River finished second, and Jedi finished ninth. Finally, Donna Miner also found herself walking away holding the leads of multiple top 10 finishing whippets. Loon and

Weasel took fourth and fifth place respectively, with Gatsby not far behind in sixth.

The tenth place finisher was the only whippet not from one of the "big three" -- Streak, owned by Tammy Bennett and bred by Donna and London Bennett. Tammy and Streak came up from Georgia and although she was new to a MAWRA meet, she and Peggy Hodge with Lilly certainly brought lots of Southern charm with them, and it was wonderful to send them off with one of the top 10 prizes.

Rachel, the hometown girl for this year's National, finished in eleventh place, rewarding breeder Tangie Bush with a look at her incredible box break and bringing a smile to Hospitality Chair and owner Lori Stebritz's face.

12TH ANNUAL CWA NATIONAL

Williamsburg, VA

October 4/5, 2014

The Domino/Debmar/Fairchase kennel prefixes continued to fill out the top 20, with a notable exception in sixteenth place finisher Goblin. Goblin was bred by Terri Deluca, Alena Tune, and Kristen Fredericks, and is owned and cherished by the Armbruster family. Goblin's sixteenth place was a welcome accolade before the Armbrusters move to Hawaii in early 2015 and have to take a three year hiatus from CWA racing, unless they can start a MAWRA Pacific Rim branch! Goblin, along with thirteenth place finisher Whiskey, was one of the two dogs who ran a Grade B yet finished in the top 20 at the National. Certainly both Goblin and Whiskey left it all out on the field that day, exactly when it counted most!

Jackson, owned by Chris Durance-Watkins and Crystal McNulty, turned in a welcome eighteenth place finish. Jackson is the first whippet carrying the Cherche' prefix to win his ARX title, and his finish in the top 20 continued to put the Cherche' kennel name in

very august company. Hailing from Georgia, Jackson joined the celebration from our southern delegation.

Nineteenth place was won by Margaery, who also had a happy breeder and owner in Shannon Lyons, who was following her progress avidly via Facebook posts from her hospital bed where she was recovering from back surgery. Margaery had only debuted in one prior race; Shannon was excited to see Margaery continue to climb up the board in points as the day wore on. Tammy and Peggy brought her with them in another example of their welcome southern sportsmanship.

Lisa and Pat took the twentieth spot with Rafa, despite a scratch before the fourth program due to a minor injury. It is always heartbreaking to have to pull a dog who is running so well, but the twentieth place finish is a nice consolation prize for putting Rafa's health and safety first. To be sure, if Rafa could have gotten a vote he would have

continued and taken first, and he promises he could do it on three legs if necessary, and beat his daughter Lizzie. Happily it did not come to that and Lisa and Pat assured him that it is better to rest and run again another day, and let the next generation have one day in the spotlight.

With 41 entries in the match after the race, judge Yvonne Sovereign had a lot of decision-making to do! Unlike the day before, Yvonne didn't have lots of classes and placements to reward the quality in front of her. Instead, she had to pick just four. Fortunately her artist's eye was able to find four worthy dogs to award. First place went to Phoenix, CH UGCH Debmar Creole Moonstone At Fairchase TRP PR DPC SC, owned by the Wil-

liams, adding to the trophy count for this successful kennel! Second place went to Bea, GCH DC Cherche' Bearfoot Hooker SC TRP DPC PR2, who is familiar to many CWA members who run in Georgia. Bea is owned by Chris Durance-Watkins and Crystal McNulty. Third place went to MAWRA's own Khaleesi, CH Surrey Hill's Mother of Dragons at Mariner, owned by Karen Lee and Kristen Fredericks. This is Khaleesi's first year racing, so look for more great things from her in the year to come. The fourth place ribbon went to Brando, GCH Abbey Chiaroscuro FCH SC TRP DPC PR CR, owned by Jill Hopfenbeck. Brando is no stranger to MAWRA meets, even though Jill lives in Massachusetts. It is wonderful to see her long and frequent trips to MAWRA meets

rewarded with continued success. All four match placements went to Grade C runners — in the words of the Cookie Monster, “C is for Cookie and that is good enough for me!” The versatility of these wonderful C racers shows that there is a lot of quality in the C grade and that is good enough for all of us.

Brando’s fourth place in the match paired with his 29th place in the meet — barely out of the top 20 — to make him High Combined for the day!

After a great day of racing, we settled into a proper southern style barbecue and the awards ceremony. Yours truly, Erin McNeill, was the Mistress of Ceremonies with Event Chair Kristen Fredericks keeping the festivities on track.

After the awards, Fran McHugh, Raffle Chair, began the raffle with the help of her lovely assistant, Julia, Linda Solano’s grand-

daughter. With all the generous raffle basket donations, we were drawing numbers well into the night. Anna Fredericks was the big winner of the night, taking home several baskets. It was a nice consolation after First Time Entry Zuko just missed winning the turtle prize when he failed to finish one of the races. His success on the coursing field made him anticipate a turn that never came. (Anna’s luck held to Sunday, when Zuko learned that the CWA bunny doesn’t turn.)

Running on the glow of friendship and laughter, we packed up for the night and finally finished around 10:30 p.m. Roll call would come early at 7 a.m. the next morning!

2014 CWA National Race Meet Match Critique — Yvonne Sovereign

National match line-up: Judge Yvonne Sovereign and #1 Phoenix, #2 Bea, #3 Khaleesi, #4 Brando

What a perfectly beautiful day and venue for the CWA National Meet! I was privileged to be invited to judge the CWA match and had almost 40 talented dogs shown to me. I expected to see fit, typey and functional hounds and they did not disappoint. I must admit, I find something beautiful in every whippet, but knew I needed to sort them out and pick only four placements.

The first thing that I looked for was overall type and symmetry/balance. All parts should flow into one another to form a package that is both beautiful and functional. I found that overall most of the dogs moved decently and most of the handlers, however inexperienced managed to give me a pretty good view of their exhibits.

I did not want to take too much time pondering so got right to it and started making cuts. I knew if I didn't I would be judging in the dark!

I had to nitpick on many things to narrow the dogs down to my final cut and then on to choosing my four winners. As I got to that point in my judging, the sun started to set, the wind picked up, the temperature dropped and the whippets started shivering and humping up their topline. Fortunately I had already seen them more relaxed and less cold.

My first place winner was a beautiful white and fawn male that oozed breed type. He was at the small end of the size scale, very balanced and a great shape. He had depth of brisket and moved as smooth as glass, with reach and drive but not extreme. He had a lovely shoulder and correct topline.

In second place was a white and fawn bitch, very curvy and with good muscle although shown slightly thin. She was very feminine and placed well on her beautiful smooth movement.

12TH ANNUAL CWA NATIONAL

Williamsburg, VA

Third place was a solid red, again with all the curves in all the right places. Feminine and pretty, no mistaking her for anything but a beautiful whippet bitch. Her movement was good but not quite as smooth as the bitch that stood in second place.

My fourth place was a male who had so much presence and stood over a lot of ground. Again he was very balanced and had smooth correct movement. I would have given him a smidge more topline on the move.

Thank you all for inviting me to judge, there were many more exhibits I would have loved to place so it almost hurt to choose only four.
