The CWA and the *Line and Lure* take no responsibility for statements or claims made in advertisements that appear in this publication.

**W**ow, nothing like a little emergency abdominal surgery, and a new litter of whippet puppies, to put a person waaaaaaay off schedule. I apologize for the gross tardiness of these last couple of issues, and have been working feverishly to get caught up. Thank you all for your patience!

But to be fair, it was not all my fault... It is getting more and more difficult to get the meet reports and other content submitted on time, if at all; meet reports and photos were only submitted for half the meets in this issue. I understand that everyone is busy, but I am too, and the more time I spend nagging everyone, trying to round up content for *Line and Lure*, the less time I have to actually work on *Line and Lure*. This leads to frustration, which leads to burn out. I love doing *Line and Lure*, and desperately do not want to burn out. But it is not all about me: CWA is the **ONLY** national racing organization to have a newsletter, and it is not only yet another special detail that sets us apart from all the rest, it provides an enduring historical legacy of our activities.

I sense that *Line and Lure* is at a crossroads. This is **YOUR** publication... it will live or die based on the willingness of the community to submit content. Please help me continue to provide this valuable resource to our community.

Our next issue will be our **Annual Top Ten** issue, featuring the always popular **FREE ADS** for all the whippets lucky enough to land a spot in the racing, high combined, and conformation top 10s (yes **THREE** top 10s this year!) and **FREE PHOTOS** of all the honorable mention dogs (#11-20) in each set of standings! Yes, if your dog was fast and beautiful enough to finish in multiple sets standings, they get a free ad and/or photo for each!

Of course, regular advertising is always welcome at the regular rate of \$15 for a full page. The deadline for ads and other submissions will be **March 31st**.

# RACING FOR FUN

## Abbotsford, BC

### October 18/19, 2014

It is always sad to see the final local race meet of the year come upon us. On the bright side we really lucked out on the weather, with mixed sun and clouds, and only a risk of showers Sunday morning and late Saturday night. RFF has been very lucky this year with the weather for our race meets, as the day before and after the meets were downright dreadful with pouring rain and wind.

Saturday's meet drew a smaller entry with 18 adult starters, and with ten of those entries having already finished their ARX titles it was going to make for some tough going due to the 50% rule for those dogs in the hunt for points.

We also had some very tight racing with the grade A boys Max, Jack, London and Puma all pushing each other for placements. The finish line judges and camera had their work cut out for them this weekend! Saturday's meet winner was Max, followed closely by Jack in second place for his first NARX point.

Now the race for those coveted ARX points was just as close with Wile E and Cobalt both in the hunt for points in the semi race, with little Portia acting as the spoiler for Wile E. Unfortunately we were not able to award two sets of ARX points due to the 50% rule, so Cobalt was the only dog to get ARX points, bringing him to within 1 point of his title.

Saturday's lunch had a very exciting contribution that left everyone saying "have you seen that cake!" needless to say Kathy

Photo by Jennifer Szabo

Schultz's expertly decorated cake won the pot luck award by a landslide vote — pretty hard to beat a cake that tasted as good as that one looked! Also on the menu was some homemade chili, buns and the usual array of fabulous salads to choose from.

Sunday dawned with a stunning sunrise that made for a very picturesque morning drive to the field. It was a little cooler and windy but as the day went on the sun came out in full force and it felt more like summer than fall.

We had an excellent sized meet to end the year, with 26 adult starters. It was another day of very tight racing with some very exciting racing between Max and Jack for the

meet win. With Jack taking the first program high point and Max taking the second and third, it all came down to the final race of the day. Once the dust settled and the points added we had a tie for first place between Max and Jack with both boys finishing the day with 25 meet points. The meet win was awarded to Jack as he won the final high point. Can't get much closer racing then that.

Now the ARX point race was a very interesting one because we were once again faced with the potential for losing points to the 50% rule. It all came down to the final program and how the already finished dogs could block those looking for points from finishing high enough up the board.

Thankfully this didn't happen and with a little board luck and winning their key races, Jonah and Sunny tied with 10 meet point and finished just barely on the right side of the 50% rule. Splitting the ARX points for three points each, Jonah finished his ARX, and Sunny earned his first points. Can't ask for a better way to finish the year then be-

ing able to hand out one last title.

We enjoyed one last BBQ lunch with hamburgers on the grill, and lots of salads, snacks and desserts to choose from on the table.

I would like to give a BIG THANK YOU to everyone who came out to celebrate our last meet of the year, and to all of our meets this year. We can't have a meet without entries and willing workers, so thanks again for everything you do, as every little bit counts. Thank you to all the loaders, catchers, line judges, lure operator, box operators, cooks who make such amazing things for us to eat, and the weather gods for being so kind to us this year.

Congratulations to all the winners, both on the track and in the ring. It was an excellent year of Racing For Fun. Hope everyone has a great winter break and see you all again in the spring.

Columbus, MN

October 25/26, 2014

**W**ell, I've let this go too long and now there's snow on the ground and it's even harder to remember 2 months ago when it was still dog racing season here in Minnesota.

Our October meet was a small one, with 16 entries on Saturday and 12 on Sunday. We'd hoped to have more of the usual suspects and some new folks, but there'd been a lure coursing trial only a week or two prior resulting in some injuries. But we still carried on like troopers and had a wonderful weekend with lots of socializing and food and our lovely cool, crisp weather. Plus a costume contest (results disclosed later in this write up).

Deuce had to work hard to win the Saturday meet, earning the top set of points. Ursula got the second. It was another fight for the ARX points, with Darby surging ahead for the top set and Uschi beating out her sisters for the second set.

Our judge was Christine Canard, a local

whippet enthusiast, who chose Ursula, Strip, Hazel and Darby giving Ursula another high-combined for her fast beautiful weekend sweep.

And the exciting results for the costume contest were: Jessie the fairy dog, Angel the Black Widow, Winnie the devil dog, Max the race horse, Superman Hank and Bess with the Zoot suit. Prizes were won by all.

On Sunday, Ursula and Deuce were neck and neck every race with Deuce squeaking out the win at the end for the top set of NARX points and Ursula getting the second set. ARX points were also highly contested, with sisters Maud and Hazel getting the top set and second set respectively.

Our Sunday judge was was local whippet breeder, Janell Honza, who put up Ursula, Strip, Max and Hazel.

High combined both days was Ursula.

# ALAMO AREA WHIPPET CLUB

Hutto, TX

November 15/16, 2014

**A**lamo Area Whippet club was not left out of the weekend weather watching on November 15, 2014. Predicted rain worried attendees, however Saturday burst on the scene with bitter cold and the rains held off until nightfall. While the weather kept dogs bundled and humans shivering, the track was in great condition and after a quick mow by AAWC's beloved grandfather Don, the racing began.

As expected the fast dogs coming off a successful national went to the head of the pack. River was the race meet winner with the Vader son Jedi taking over the speed role of his still injured father. The River son Whiskey was third in the meet taking the second set of ARX points. Kuma broke up the family reunion by taking fourth. Jedi's littermates, Solo and Leia along with aunt Alley were in the top 10. Whiskey's litter-

mates, Brandy and Fanny joined him in the top 10. Ninth spot went to the unrelated but equally awesome running Gooley.

In the match Rose won, with her littermate Phoenix taking third. Second was Flare with housemate Spencer fourth. Judge Sherry Dahly commented on the depth of her selections.

The race day observers had the challenge of close races and some not so close. FTE Khaleesi caught on to the concept, joining her more experienced litter mates and finished as the high FTE. Other FTEs showed promise and will continue training. One young dog was too focused on looking for lure coursing turns, and a few young dogs showed signs of injury or soreness after lure coursing the weekend prior to racing. By the end of the day the turtle award, hotly

contested as the most coveted award, was ultimately won by Lynsea.

Once all awards were presented , the crowd decamped to the warmth and enjoyed elk chili and accoutrements provided by our hosts Angela and Lawrence Collins.

Sunday was wetter than the previous day. Maybe warmer, but definitely wetter. The track conditions remained perfect as River again powered through the four programs to win the meet. Skywalker, who had some course issues the day before, refocused his running to straighten his path, and with his win in the last highpoint, secured 4 ARX points. His littermate Jedi was second to River and the River son Whiskey was fourth in the meet for the final 2 ARX points. Just out of the points was Solo followed by aunt Alley. Kuma again broke into the top ten ahead of the Vader girls, Leia and Stormy. Handsome Phoenix added a top ten placement to his resume.

With Lynsea leaving the race meet injured the turtle went to Kesha. Flare had lost out for the second day, and her well deserved consolation came when judge Nancy Colson, Dorae Whippets, awarded her first in the match. Other match placements were Phoenix, Spencer and Kuma.

Rainstorms threatened the meet all day and it was determined that a little drizzle would not deter the club's ability to run the 4th program. Papers were moved to dryer areas, the final races were run and after the match and awards, even faster running was done as the race meet goers broke camp, covered the boxes and headed home for the upcoming holiday preparations.
