NEXT DEADLINE :
July 31, 2015

The CWA and the *Line and Lure* take no responsibility for statements or claims made in advertisements that appear in this publication.

Back on track! It is a relief to be caught up and publishing this issue only a few weeks past the deadline. We have a LOT of meet reports in this issue! Thank you race secretaries for cooperating with the deadline so that I could get this issue turned around in a reasonably timely manner.

I know writing the meet reports is extra work for our already hard-working race secretaries, but they are an important part of what sets CWA apart from the other racing organizations. As much as we love reading the meet results and some of us real geeks even love poring over the race-by-race results, the results only gives a one dimensional perspective of what happened at a CWA event. The meet reports provide an added dimension of richness that we just can't get from the results alone. It has been suggested to me a couple of times that they aren't important because "nobody reads the meet reports" but I know that simply isn't true. *I* read them (and not just because I'm the editor!) and have heard from many more of you that the meet reports are your favorite part of *Line and Lure*.

One thing that my club (Racing for Fun) is trying to reduce the load on the race secretary is to rotate in a different volunteer guest reporter for each meet, and I'd recommend other clubs explore this idea as well. I think it will be interesting to get a variety of perspectives on the events. Give it a try!

Our next issue will be our **UPCOMING STARS** issue, with our special ad theme featuring those hot new youngsters tearing up the track and match rings (and in some cases, both!). And for those breeders with new or planned litters who are dreaming about the future stars still running around their mothers' wombs or the whelping box, this issue would be a perfect place to advertise as well. Of course, regular advertising is always welcome too. Please get your ads and other submissions to me by **July 31st**.

GEORGIA RAG RACING

February 14/15, 2015

I cannot think of a better way to spend Valentine's Day than with our most loved and cherished whippets. Our meet was small, and we had more dogs than people, but with everyone's hard work and participation the weekend was a success.

Our meet winner both days was Jedi, owned by the Bahms. One of our ARX point winners was FTE Zephyr! I am hoping his owners caught the racing bug while they were here and will be back in May.

We had puppies running each day. On Saturday we had Elloit and on Sunday his litter mate Dora got her chance to run.

Conformation on Saturday was judged by Deborah Bahm of Debmar Whippets. She saw the placements after a hard day of running as follows: 1.Dora, 2. Zephyr, 3.Loan, 4. Ginger.

Conformation on Sunday was judged by Mark Steverson of Alerek Whippets. After a hard day of racing his placements were: 1.Fritz, 2.Elliott, 3.Loan, 4. Weasel.

Our awesome turtle prizes were donated by Gail Boyd and our turtle on Saturday and Sunday was Fritz. Best combined for each meet was Loan owned by Donna Miner. Congrats to all the winners, owners and their great dogs.

Thank you to Margaret Norkett for taking some great photos of people and the dogs, to Sandy Willis for breaking all of our diets

with the fabulous homemade chocolates and pies. And thank you to everyone who helped out during the meet to make things run smoothly.

March 21/22, 2015

ORCA's first race meets were held March 21 and 22, 2015. We had a great showing of 22 dogs on Saturday and 20 dogs on Sunday. The weather was wonderful both days for some great racing — cloudy and great temps on Saturday and sunny with a little warmer temps on Sunday. Everyone was great with helping each other and moving the races along.

Saturday we only had one FTE, Andre, who quickly learned the boxes and what racing was all about, and how fun it was. The rest of the racers provided tough competition for each other. We had travelers from the far north and the far south.

Jedi was tough to beat this weekend, winning the top NARX points both days, with Jacob winning the turtle on Saturday. The battle for the ARX points was on for the entire weekend. On Saturday, Bo picked up the top ARX points with Fanny hot on his tail for the bottom set. Old girl Flame finished the entire meet and finished 14th!! I was proud of her for her owners Dwight & Paula. I think she was the eldest dog entered this weekend at 8 years young.

The new match rules proved fun for all, Deborah Bahm was our Saturday match judge, and found Encore 1st, Angel 2nd, Brew 3rd and Tease 4th. Apparently the match really belonged to the girls this day.

High Combined went to Brew, whose junior handler was so proud of his boy and giant rosette. Tease was handled to her 4th place by Cade Miller, her 8 yr old junior handler. Sunday we tried our best to move the meet along. Lunch was provided by our club

member Giz, who is also a caterer, and we all feasted on some delicious goodies for lunch.

The top ARX points Sunday went to Sports and hot on his tail was Whiskey who finished his ARX. Congrats to Deborah Bahm on this new title. The turtle went to tiny little Tease.

Once again the match was enjoyed and this time judged by Tina Wismer. Her choices for Sunday were Fanny 1st, Tease 2nd, Andre 3rd and Brew 4th. Sunday both juniors Cade Miller (8) and Jeremy Couch (10) enjoyed showing their pups to their placements. Sunday's High Combined went to the always beautiful Fanny.

The juniors present and helping were Cade and Morgan Miller, and Jeremy Couch. Morgan's 7th birthday was also on Sunday. These little juniors learned quickly that catching the dogs and keeping them off the lure was a trick that needed some help. A couple of times the kids got dogs off lure only to be dragged back... pretty cute. Cade also learned boxing is crazy and he'd rather catch. Ha ha.

As a club, we are growing and looking forward to our future races in 2015. Join us on Oct 17-18 for the famous REDNECK races. Some awesome REDNECK trophies are in the making. You won't want to miss this one.

ALAMO AREA WHIPPET CLUB

Bush, LA

March 28/29, 2015

Heavy rains flooded the Houston area, leaving AAWC's Alvin track under water. Threatened with the idea of cancelling the second scheduled meet of 2015, club members Maurice and Deb Bahm reported that the eastern track was drained, and, with a flurry of phone calls, the race meet was not cancelled and was instead relocated.

And so the Bare Bones race meet was held March 28-29, 2015. Members of the Gulf Coast Hound Association showed up to help judge and learn race procedure in preparation for their LGRA events. AAWC Would like to thank Dan Elkes and his crew for much needed assistance. Every position for the day was assigned interns and a lot of education and on the job training ensued.

The meet got off to a great start under sunny skies and the anticipated return of Vader after a long rest period for an injured toe. Vader came back strong and was only challenged by two young brothers who gave their sire no quarter for the first programs. They were eventually joined by two more littermates and that is how the top finished.

Jedi took 4 NARX points, Skywalker 2 NARX points, Leia took 4 ARX points, Solo 2 ARX points and proud papa Vader was fifth. With Vader back racing it was River's turn to still sit out. His son Whiskey was sixth and River's littermate Indigo was seventh. River daughter Fanny was eighth.

This sire rivalry needs to be put in perspective as in truth River and Indigo have the same dam as the Vader kids. While not a determined racer, it was Annie who had six

of the top 10 placers her children, and two her grandkids, with only Vader and his litter-sister Pearl beating another Annie baby Khaleesi in the top half. Not to be too far left out, the last of the Vader/Annie kids was Stormy, who at 12th place had the same points as her papa's litter sister Alley, coming in at the eleventh spot.

The crowd took a break for Jambalaya and entertainment by Deb Bahm's rescue Zeke, who showed off an amazing range of obedience tricks. Following the race meet, our club saw the return of Kenneth DeLaVerne, who eagerly anticipated another chance to judge top performance racers. He placed Phoenix, Fanny, Preacher and Vader, and surprised all when this placement gave Vader his first, yet well deserved High Combined award.

The same or even sunnier skies greeted the race goers on Sunday, and eager dogs took to the track. The top dogs switched places with Skywalker winning the meet and the 4 NARX points. Jedi was second for 2 NARX points, and Indigo came up to get 4 ARX points. Vader continued to run well and was fourth, his son Solo, with 5th place was able to get the last 2 ARX points. Fanny, Alley, Leia, Pearl and Stormy finished in the top 10 and enjoyed big bone stuffed toys.

Sami Hirko quickly judged the match, trying to keep the black dogs in some shade, and awarded Phoenix first followed by Pearl, Vader and Church Lady. Yet again, Vader found himself as the High Combined dog.

Coalby of Wyndsor ARX SRA DPCX

(CH Slade's Bugle Boy Blu ARX DPCX x Hazelby of Wndsor ARX ORC ROMX)

June 12, 2000 - February 9, 2015

Coalby was a girl of many firsts:

- ♦ She was the winner of the very first CWA National race meet in 2003, and was the #1 CWA Race dog for that year.
- ♦ She was also the very first bitch to achieve both an SRA and a DPCX
- ♦ She won many meets during her stellar career, and still holds a place on the all-time top ten list.

**But mostly, she was beautiful and charming
and highly intelligent, and very much loved.
She is greatly missed by all who knew her.**

Spring meets are always a rather risky proposition in terms of weather, but thankfully the rain held off to the west of us, so we had a pretty sunny day of racing.

I like to think the good weather was brought up from California with Jack and Ahren (so please come back and bring the sunshine with you). We don't get many visitors from other clubs making the long drive to our meets, so it was nice of them to make the trip up and join us for the weekend of racing.

We started the day with 25 adults and one puppy. We had a very strong field of racers with eight As, four Bs, seven Cs, three Ds and three FTEs. Once the board was drawn we started the day with a handlers meeting to help review some of the rules and go over how the meet was going to run.

The first meet of the year tends to run a little slow as we are all a little rusty after the winter break. Thankfully we didn't run into too many glitches as we went along.

We had lots of very tight and exciting racing throughout the grades. There wasn't much of a hometown advantage as the Californian's Strega and Ranger were giving the locals a run for the money. It didn't look like the long drive had any effect on Strega, who had a great day of racing, winning all four programs to secure his first meet win and take home the top set of ARX and NARX points. Hot on his heels was Max, who finished in second place to take home 2 NARX

points. Only finishing one meet point back in third was Ranger, to take home 2 ARX points. One can really see how tight the racing by just how close the meet point scores were, with only 1 or half a point separating many of the placements.

Our three FTEs (Djinn, Preston and Kiefer) also looked great for their first official meet and hopefully this is the first of many more to come.

Once the meet was over we gathered everyone for the show and got the food cooking so we could eat after it was over. We had a great turn out thanks to the new rule that allows all dogs that finish the meet to enter the match free of charge. This also meant our judge Janet Juzkiw had her hands full deciding between 14 entries for her match winner. Janet's match winner was Preston followed by Sonny, Abby and Puma. Saturday's high combined winner was Abby, and the DPC credit was awarded to Puma who finished his DPCX title with his placement.

We once again enjoyed a wonderful spread

of food. With a main meal of homemade chili and lots of tasty salads and appies one could barely fit them all on a plate. Picking a favorite dish for the best potluck award is always a hard choice but Saturday's stand-out winner was a stunning cake made by Kathy Schultz.

Once the food was all eaten, the prizes were awarded, and it was soon time to finish packing all the stuff back in the trucks and hit the road.

Day two dawned with more sun but a rather strong and bitter wind that made the day far colder than it looked. Luckily we had a good windbreak thanks to the trees down the majority of the field. A big thank you to box operator Terry who braved the cold and wind all day doing box duty down the field where there was no windbreak.

We had a few less dogs running today with 21 adults and one puppy out to chase the easter bunny. It was another tough and tight day of racing with Strega having a repeat performance of the day before and winning all four programs to take home the top set of 4 ARX and 4 NARX points. Once again Max came in second place for 2 NARX points, with Ranger close behind in third to take home the bottom set of 2 ARX points.

Looks like the trip North was well worth the drive for our California friends, as they would be going home with almost a clean sweep of both the ARX & NARX points.

Once again had a good turn out for the show with ten dogs for our judge Linda

Photo by Geoff Appleby

Johnston to choose from. Her match winner was Wile E, followed by Stig, Ash and Streaga. Sunday's high combined winner was Strega and the DPC credit went to the match winner Wile E.

We feasted on another great spread of food, with a tight race for the potluck award between the potato soup and scalloped potatoes, with Kerry Sweptson's scallop potatoes edging out the soup by one vote for the win.

With everyone fed and happy prizes awarded, soon the field was packed up and we were all headed home.

A big thank you to everyone who came both near and far to support the meet this weekend. Thank you to all those that worked hard loading, catching, line judging, box operating and retrieving the lure after every race. It's always great to see everyone back on the field and working together after the long winter break. Looking forward to seeing you all back out there for the rest of the RFF race season.

LAGNIAPPE RACING CLUB

May 2/3, 2015

Bush, LA

Lagniappe Racing Club President John Williams celebrated his birthday with club members and a race meet.

While no balloons were present, fun and festivities ensued the weekend of May 2-3, 2015

With homemade carrot cake waiting for the humans, the race meet got off to a start and it was no cakewalk for the fast dogs. Twenty started and twenty finished all four programs on a day of perfect weather. The meet winner Jedi ran undefeated to pick up another 4 NARX points. Litter brother Skywalker came in second in the meet for 2 NARX points. After a layoff Brandy returned to the races and to third in the meet for the top set of ARX points. The bottom set was shared between Leia, Indigo and Solo.

Dan Elkes judged the match, picking Phoenix as the top conformation dog, followed by Preacher, Leia and Vader, and the High combined was Leia. Saturday's race meet and match finished in time for participants to watch the Kentucky Derby, eat more cake and ice cream, and end a full day of exciting racing.

Sunday's start was super thrilling as FTE Timmy came out of the boxes in first place bringing a wide smile to his owner, Cindy Bulligan. Twenty-one dogs started the race meet and there were no scratches. Jedi ran undefeated for the second day to win the meet and pick up 4 NARX points. Second place in the meet went to River who returned in fine form to his home track, getting stronger with each race. River's litter

sister Indigo and Jedi's litter sister Leia tied with 16 meet points each, and shared the ARX points. Not surprising, given they had tied when racing together. If not for the stripes on the blue brindle Leia, the two could have raced as a brace.

Whippet breeder Neale Gordon came out from Baton Rouge to box train some puppies and judged the match. Her picks were Phoenix, Church Lady, Preacher and Leia. Leia again won the High Combined. More cake (this time ice cream) was enjoyed by the race goers, and the birthday was finally declared over with the only leftovers, memories of another fun filled event.

RACING FOR FUN

May 9/10, 2015

Abbotsford, BC

Day one of racing was rather hot, both on the field and with the weather. We started the day with 27 dogs and one puppy. It was shaping up to be a very exciting day of racing with a few new faces joining us for the first time. We also had quite a few new dogs that had been busy this spring getting all their training in and were now ready to join the big leagues with the seasoned racers. It is always great to see new faces and new dogs do so well on their first time out, and we're looking forward to watching them all come back for more fun as the season progresses.

As far as racing went... Jack was having a great day, fending off the new dogs and racing undefeated to win the meet and take home 4 NARX points. Hot on his heels were Winston, Medor, London, Puma who all traded placements and meet points throughout the day. This made for some a very tight finish both on the track and on the board.

It looked like all of Winston's spring training really paid off with an excellent second place finish for his first full race meet, taking home the top set of 4 ARX points and 2 NARX points. Medor also had a great first meet finishing a point back in third place to take home 2 ARX points. Medor is a seasoned lure coursing dog who is now finding his second career on the straight track. Fellow FTEs Chacha, Joy and JP also had an excellent day of racing for their first time out.

We followed up the racing with the match judged by Werner Krueger. He had an excellent sized entry of 11 dogs to choose from, and his match winner was Djinn, followed

by Hokum, Joy and Chacha. High combined winner was Chacha.

After the show we all sat down to a spectacular feast of salads, sides, and desserts of course. The toughest and most sought after award is the coveted pot luck prize and as always it was sooo hard to pick just one favorite from all the amazing dishes, but Saturday's winner was Carmel's coleslaw. After we all ate our fill, prizes were handed out, the field was packed up and we were soon all on the road home to rest up for day two.

Sunday was a picture perfect day for racing, as it was much cooler thanks to some high overcast clouds. Since it was Mother's Day, we lost a few entries, but still managed to start the day with 20 adult starters and one puppy.

We had another great day of racing with nice tight races throughout the grades. Jack had a repeat performance, winning all four programs to win the meet and take home the top set of NARX points. Tied in second and third place were Medor and London, who split the NARX points for one each. Medor also took home the top set of 4 ARX

points. What an excellent showing for his first weekend, and as a five year old.

Now the bottom set of ARX points were up for grabs coming into the final program. Wile E won the semi but needed Chacha to come in last in the highpoint in order to split the points. Unfortunately for him, Chacha had other ideas... and finished fourth in the high point to take home her first 2 ARX points.

After the racing concluded, we started the match, judged by Nancy Szabo (for some reason she didn't really think this was an acceptable mother's day gift from me...). That being said she did an excellent job as a first time judge. She had a nice entry of eight dogs to choose from, with her first placement going to Jack, followed by Chacha, Joy and Djinn. It was very easy to figure out high combined today... with Jack winning both the meet and the match to secure the high combined win.

I would also like to point out that two rather reluctant handlers did very well in the ring and took home placements to boot. The

match ring is a great place for those new to showing to give it a try, and who knows, you might even go home with a ribbon!

Once the match was over we once again sat down to a fine meal with many great dishes to choose from. Sunday's potluck winning dish was Saskia's feta and tomato salad. Hmm looks like those salads are starting to take over the winner's circle from those desserts.

Thank you to everyone who came out and supported the meet this weekend, it was great to see so many new faces out racing and looking like they were having a good time. A big thank you to all the worker bees who helped with all the various tasks that needed to be done to pull off the weekend's events (when not distracted by puppies that is...). Looking forward to seeing you all at the next one.

C-U RACING

May 23/24, 2015

Rochester, IL

For the first time in a long time, we had a rain free Memorial Day weekend.

Yeah! I forgot how nice it is to have a race meet in the sunshine. We had a distress call from one race participant about a van almost stalling out about 30 miles out, but she managed to limp in, enjoy the weekend, and get home safely. Car trouble on a trip just stinks.

The Saturday races were so close that we ended up with four ties for the day with 17 dogs running. The most frequent phrase of the day was with the handover of the white slips of paper with "You'll have fun with this one."

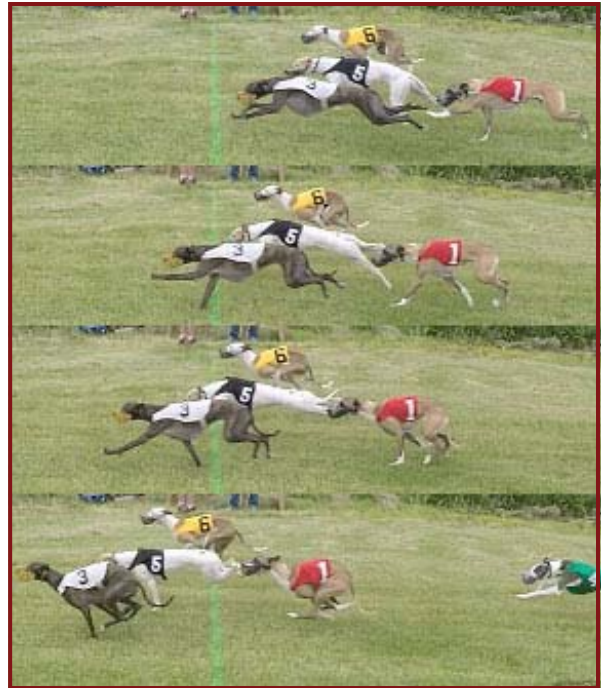

Carl Morgan offered to set up his Go-pro camera linked to his iPad. Unfortunately, he only caught the last program on Saturday.

In the first program, Moon, an FTE, Jackson, Benjamin, Darby and Lizzie/Ursula won their races. Second program was Fling, Venus and Lizzie winning their races. Third was Bose, Benjamin and Darby and fourth was Travis, Cash and Darby. This led to a tie for first between Darby and Lizzie with 23 ½.

So Darby had the top set of ARX points and 2 NARX points. Lizzie got 2 NARX points and Wrecker got the second set of ARX points, leaving him needing one more point for his ARX Title.

Unfortunately two dogs were injured during the day and had to miss some of the action.

The new rules for conformation allowed any

dog finishing four programs to participate free of charge. Thirteen dogs were in the conformation ring, mainly males, and the final placements by conformation judge Sandy McMillan were Moon, Caleb, Cash and Venus. The high combined for the day was Venus.

We went back to the house for some delicious beer-can chicken and assorted salads, beans and cakes. The wrapped prizes were on the table and everyone seemed to have a good time picking. No one dared to steal from Gail Wegner, who said "you will steal this over my dead body." Gail picked a prize from Carl Morgan which was a black and white print by Yvonne Sovereign. No one wanted to see a dead body so she kept her prize.

On Sunday, Carl had his camera working! The winners in the first program were Bose, Benjamin and Lizzie. In the second program, Cash and Lizzie with Venus second and a tie for third with Darby and Wrecker. In the second program was Travis and Lizzie winning. In the high point Venus and Darby were second and third. In the third program Wrecker won the first race and Lizzie the high point with Darby and Venus behind.

This meant if Wrecker was to get the second set of points, with the 50% rule he had to have the race of his life, and he was up to the challenge, tying for third place in the high point. Lizzie won and Venus was second at the end of the day.

Gail Wegner judged the conformation and she chose Jackson, Cash, Travis and Venus. This had Venus as high combined with Jackson close behind.

We had delicious turkey and left overs from Saturday.

Ule James made medallions for the conformation winners both days. Sunday's presentation was done with everyone humming the Olympic March.

We want to thank everyone for coming out and for helping, especially those who stayed and helped even after their dogs couldn't run due to injury.

GEORGIA RAG RACING

May 23/24, 2015

Hull, GA

Another successful meet in Georgia! We had little humidity so it made the temps in the upper 80s seem not so bad.

It was a lot fun to have a Food Look-Off with CURacing. We spent a lot of time setting up table presentation to go with our yummy BBQ prepared by GRR's own David Watkins.

Some of the top items that went quickly were the "bacon with a little baked beans" dish, and there were two salsas that were delicious! The dessert that topped the list was the Oreo dessert .. Oh yummy!!! If the Oreo dessert wasn't enough, Teresa Morrison showed up with a S'more dip that was outta this world! The food porn was over the top!

We started Saturday with an entry of 21 adults and 3 pups and Sunday with an entry of 22 adults and 4 pups. We had a VERY nice entry of pups racing this weekend. All pups ran clean! Puppies Elliott and Weston got too preoccupied competing against one another that they didn't see the cute little speed demon, Fancee, pass them in all but one race both days. Weston ruled that one race!

Top NARX points and meet winner went to Jedi, with bottom set of points going to Skywalker.

Top ARX points went to Nikolai and the bottom set went to Khaleesi (Debmar). Congrats to team Debmar and to Joanne Stewart with Nikolai!

Saturday's conformation judge was Alice Sweeney. Elliott decided that he might not have been the fastest on the track today but we wasn't going to be beaten in the ring. Our match placements were Elliott, Weston, TJ and Fanny.

Our Best Combined went to Fanny! Turtle winner all the way from Baltimore was the McHugh's Penny! Our Reserve Turtle winner was Peggy Hodges Lily!!

Sunday was another glorious day! Our meet winner and top NARX points winner was a repeat of Saturday, Jedi with Skywalker getting the bottom set of NARX points again! Congrats to Team Debmar on an awesome weekend! Top ARX points went to Nikolai and bottom set went to Fanny.

Sunday's Conformation was judged by Sandra Willis. Mr. Weston won the match followed by Sage in second. Then the beautiful Fancee placed third with handsome TJ placing fourth.

Originally we gave Weston Best Combined on the day then we discovered that puppies can't win ... sorry Weston, but Best Combined really went to Sage! The turtle award went to Gracy and reserve turtle award went to Penny!

Thanks for all the help ... we know it takes a lot of people to make this happen and I'm so thrilled that we all jump right in there and take over when needed! GRR ROCKS!

Remembering Ringer...

4/29/2002 – 2/26/2015

CanCH HH Serendipity Eight Bells LCM, TRP, DPC, PR, SR, OTRM-2, CGC

Ringer lost his long and valiant 18+ month fight against liver lymphoma on February 26. Well, I don't know that "fight" is really the right word. He just kept living, gracefully and cheerfully, until he didn't feel good anymore, and I knew he was tired and ready to go.

Ringer was an enthusiastic, keen, and impeccably clean racer, and though not my fastest, he was nevertheless my only whippet to achieve top 10 finishes in all four racing organizations (CWA, WRA, NAWRA, and NOTRA). He was also a Best in Field winner and my only LCM.

There have definitely been smarter dogs, better show dogs, faster race dogs, but no dog ever born was sweeter or kinder, or had a more exemplary temperament than Ringer. Everyone was Ringer's friend. Until the very end, he even loved seeing all his friends on his regular visits to the oncology clinic and would walk through the door wagging his tail and WOOWOOing. His oncologist never failed to note in his reports: "FRIENDLY!!!!". After he died, his oncologist and every tech at the clinic who had ever cared for him went out of their way to tell me how impressed they were with his friendly personality and how much they would miss his visits.

I am forever grateful to Ringer's breeders for sharing this wonderful dog with me. He was a rather simple and uncomplicated fellow who never asked for much. I miss his sweet, inquisitive and ever so slightly vacant expression and that is how I will always remember him.

Ringer was born the day I lost my heart dog, my greyhound Owen, and my newest litter was born a week after I lost Ringer. I see much of Ringer's sweetness and relentless good cheer in my keeper puppy, Austin. The circle of life is endless and infinite...
