NEXT DEADLINE :
October 15, 2015

The CWA and the *Line and Lure* take no responsibility for statements or claims made in advertisements that appear in this publication.

I am very pleased to turn around this issue in less than two weeks from the deadline, which I think must be some kind of record! I swore I would get this issue out while there was still time before the National deadline, and I am a woman of my word!

In addition to the usual meet reports for the last few months, this issue contains all the info about the upcoming **22nd Annual CWA Fun Match and 113th Annual CWA National**, to be held September 4-6 in Oberlin, Ohio, hosted by Rock and Roll Whippet Association. At the time of publication, there is still ONE WEEK to go before the early entry deadline, so you still have time to get your entries in, but don't delay!

The next issue will be the **National Issue**, with all the news, results, photos, critiques and brags from CWA's premier event. I am not attending the National this year, so I am shamelessly begging for as many photo and story submissions as possible. Sharing your first hand experiences will earn you a free ad (not just for the National issue—you may use it anytime) and the grateful thanks of all of us envious stay-at-homes! Some story ideas... if you're traveling from some distance, how about a travelogue telling your travel tales? If you are excited to be attending your very first CWA National, how about sharing your perspective as a newcomer?

Logically enough, the ad theme for the National issue will be national brags. As always, I am offering free ads for the winners of the National Race Meet and the Annual Match, so owners of those lucky winners, please contact me after the event about redeeming your ads. Regular advertising is always welcome as well. The deadline for all ads and submissions is **October 15th**.

Safe travels to everyone making the trip to Oberlin next month. May your whippets run their races to the best of their abilities, no matter their grade, and cross the finish line safe and sound and with big smiles!

Directions and Accommodations

DIRECTIONS

For mapping Programs: 49979 State Rt 511, Oberlin, OH 44074

From the South: Take I-71 north past Ashland and exit at Rt. 301. Take Rt 301 north to Rt 224. Go west on Rt 224 to Rt 58. Go north on Rt 58 to Oberlin. In Oberlin pick up Rt 511, turn left and go west to show site. Once you are on Rt 511 and go through Oberlin, the first and only light / stop sign is Baumhart Road. The field is one mile past this point, on the left. There is a white wooden fence across the front of the field. (NOTE: it might be easier to take I-69 north from Indianapolis to Ft Wayne and pick up the turnpike there and go east to exit 135).

From the Ohio turnpike: Take Exit 135. Go south on Baumhart Road to Route 511 (5 miles). Go right on 511 for one mile, field is on the left and there is a white wooden fence across the front of the field. (Note: Route 511 is the first stop sign/light after you pass Ohio 113 AND it is NOT marked.)

From the East: Take I-480 West to Rt 10. Follow Rt 10 and it will merge into Rt 20 west. Exit at Rt 511, Follow Rt 511 through Oberlin to show site (5 miles from city limits.) (NOTE: Once you get on Rt 511, the signs will say you are going "south" but will just know you are going north. Rt 511 is one of those curving routes that actually crosses Rt 20 twice.) Once you are on Rt 511 and through Oberlin, the first and only light/stop sign is Baumhart Road. The field is one mile past this point, on the left. There is a white wooden fence across the front of the field.

From the SE: I-77 north to I-480 west. Follow "from the East" directions.

From the NE: Take I-90 west through Cleveland, just past Elyria (exit 145) it will split with the left lanes merging into the Ohio Turnpike and the right lanes changing to Ohio Rt 2. You can take either route. For the Ohio Turnpike option, go west for one exit (exit 135 Baumhart Rd) and follow the "from the Ohio Turnpike directions." This is about 2 miles closer, but there is a minor toll and having to stop at the toll booth. Alternatively, stay to the right and continue west on Rt 2, for 8 miles to the Baumhart Rd exit. Make a left on Baumhart Rd (south), and pass under the turnpike. From the turnpike it is one mile to Rt 113. This is the last stop light you will pass. From there continue south for 4 miles. The next stop sign (flashing 4 way signal) is Rt 511 (unmarked), turn right and go one mile. The field is on the left and there is a white wooden fence across the front of the field.

A note from the CWA Statistician...

I write to remind everyone that I do not keep track of AKC/CKC conformation title progressions. The ONLY conformation progressions I am in charge of are the legs earned at CWA matches.

If your dog finishes a conformation championship in AKC/CKC, I have no way of knowing about it unless you tell me. And you should be telling me, because those championships count toward DPC/DPCX titles. Additionally, not telling me can potentially lead to DPC legs being incorrectly awarded, which I definitely don't want to do. Those legs are hard enough to earn as it is.

I do not receive information from AKC, nor do I call the Psychic Hotline. Both options are expensive and time-consuming. Therefore, it is up to you, Dear Readers, to keep me apprised of those milestones.

Thanks,
 Lisa Ochoa

Fortunately for both people and dogs the weather was cool for all of our Whippet races. However, it did get a little warm for our conformation judging. Our stoic dogs showed beautifully and were not too bothered by the heat.

We had some strong competitive racing among our 23 adult starters. After the final race our meet winner was Jack Pulley's handsome dog Strega.

Right behind in second place was his litter mate, Lucky.

Third place and High Score Combined in meet went to the fine running little Arrow.

Two more litter mates to Strega, were Cosmos finishing fourth and Ranger finishing fifth.

We had two great running FTEs, Anax and Zenith, who took the sixth and seventh spots.

The fifth litter mate in the Rosmor gang was Ceelo in the eighth position.

Our pretty show Champion, Sage, was ninth and also Best Opposite Sex in Meet.

Rounding out the top ten was sweet Jane.

By the way our puppy races were awesome and those youngsters, Nami, Stevie and Spangle show tremendous potential for future racing.

Our match was judged by long time Whippet owner and breeder, Kathy Kelly. Kathy did a great job and her final placements were Captain, Nami, Arrow and Sage. Congratulations to all.

Many thanks to our club's fine chefs for bringing such great food to the pot luck luncheon. Once again it was a gourmet delight.

My last thanks go to the NCWFA's fine team of workers. They did an outstanding job and made the meet go smoothly and fast. You are the best.

We were so blessed to have another lovely day to run our Whippets on Sunday.

Our Top Dog today was Leslie Rosko's fine runner, Lucky. His brother Strega was second and also finished his ARX championship. Congratulations Jack and Leslie.

Two more litter mates, Cosmos and Ranger finished third and fourth.

Arrow again ran well and took the fifth spot.

First time entered Roarke, gave a solid performance and finished sixth.

Anax ran strong and again got a top ten finish with his seventh placement.

Pretty girl Spangle got eighth and also Best Opposite Sex in Meet. Congratulations to her owners and breeder Janet and Kathy.

Rounding out the two final spots was the cutest Whippet in the meet, Isa and the very lovely Stevie. I must mention that yesterday Spangle and Stevie ran in the puppy races and both ran outstanding today as adults.

We again had some very nice puppy races. Handsome Nami took the top spot with pretty Peaches second and pretty Millie third. They were three lovely looking youngsters who all ran very well.

Guin Borstel judged the match and found four gorgeous Whippets. First place was Peaches, second Niko, third Carolina and fourth Thomas. Niko took the high honor of being the High Score Combined Dog in the Meet.

Now it is time for me to thank the awesome members of the NCWFA who came out to work and support our CWA meets. Because of them the weekend was a huge success.

Kellee and Bonnie Moore were great race secretaries.

Mary Jean, Guin, Debby, and Bonnie Charon, the most dependable finish line judges,

Ed and Kim the dynamic team at the boxes and paddock.

Robert did a fantastic job running the lure for the races and the practice runs.

Jen did a speedy and perfect job doing the set up for the meet.

David did lure return both days and made both events go so fast and efficiently.

Todd came out Saturday just to run the lure.

Lynne, Candy, Kellee for foul judging.

Steve, Marrienne, Charlotte, Jen, Tina, Rick K, Justine, Steve, Tina, Barbara, Rick R, and Andrea who did everything that was asked of them. They also helped so many people to run their dogs and also helped take down and load the trailer.

Last but not least Brad. Brad was very busy taking care of Natasha and her eleven puppies but still took time to bring the trailer to the college and take it back to storage. Thank you so much.

I should also mention that this weekend Kellee trained Bonnie Moore to be our new race secretary. Bonnie did an absolutely great job.

Again I want to thank the great members for all the hard work they put into both days racing. Your efforts were very much appreciated.

I would now like to take this opportunity to thank Kellee Livingston for being a great CWA race secretary. We have been so fortunate to have you for so many years. You will be greatly missed but we all wish you success and happiness in your new home in North Carolina.

DAIRYLAND WHIPPET CLUB

Milwaukee, WI

June 13/14, 2015

The two days and nights before this year's events were stormy and rainy, resulting in very wet grounds. Several saturated areas had to be closed off to vehicles on the property to prevent them from getting stuck. But once the racing began Saturday morning, the rain stopped and the skies became partly cloudy. The morning hours were cool and foggy with temperatures quite pleasant. The water tubs were needed to not only cool down the dogs, but to wash the mud from their feet, legs and bodies due to the wet and muddy finish area.

Ule James gave us one of his "swamp bunny" lures that worked beautifully in the wet conditions. The fabric used did not hold as much water as other lures so it had a normal amount of drag. It worked great.

We were pleased to welcome out of towners Carl Morgan (Ohio), Steve Shimer (Minnesota), Ule James, Connie Austin, Lisa Costello, Joyce Szymanski and Sydney Baldwin (Illinois).

Saturday's entry was 12 adult starters, with all 12 finishing the meet. Venus won three of the four Hi-Point races and her brother, Wrecker won the other Hi-Point race. Venus earned 3 NARX and second place finisher Wrecker earned 1 NARX.

The 3 ARX points were captured by third place finisher Darby. Benjamin was fourth and Cash fifth. Maud placed sixth for the meet and earned the 1 ARX point. FTE Fitz performed very well and won his last race and earned 11 race points placing seventh for the meet.

Saturday's conformation match was judged

by Cheryl Schallock Lundblad. Her selections were: first – Moon, second – Jackson third – Fitz, fourth – Cash.

Based on results from the racing and conformation match placements, the top combined award for Saturday's events was presented to Moon. This award was based on combined point total for racing and conformation placement points. A conformation placement was required to be eligible to be named the top combined dog of the day.

The entry for Sunday's races was 12 adults and one puppy, again with all Whippets finishing the meet. Wrecker and Venus both won two Hi-point races, with Wrecker winning the meet (3 NARX) and Venus placing second (1 NARX). Benjamin placed third for

the meet. Darby placed fourth and earned 3 more ARX points, finishing his Award of Racing Excellence Title. Goldie was fifth and Cash was sixth. The 1 ARX point was not awarded. There were only 12 dogs running at the end of the meet so, as per the 50% rule, a dog would have to place in the top six finishers to earn the remaining 1 ARX point.

Judy Corbett judged the Sunday Conformation Match. She awarded CWA ribbons to: first Jackson, second Moon, third Goldie and fourth Darby. Moon now has credit for three wins toward his DPC title.

Based on results from the racing and conformation match placement points, the top combined award for Sunday's events was

DAIRYLAND WHIPPET CLUB

awarded to Goldie.

During Sunday's trophy presentation Carl Morgan presented an autographed football to avid Badger football fan Doug Arthur. The ball was autographed by starting Senior Badger linebacker Joe Schobert. Joe was the difference-maker in the overtime win over Auburn in Outback Bowl on Jan. 1, He is the grandson of Bill and Mary Tetzlaff who we used to race with back in the 70s.

The pot luck featured delicious spiral baked ham. There were many tasty side dishes and desserts, worthy of a Best In CWA Weekend Potluck Award. Homemade items included Lisa's beans, spice cake and fruit salad, Doug's cucumber salad, Susan's fruit salad. Ule and Connie's "eat off the asphalt" tuna pasta salad, Wayne's kim chi noodles, Gail's broccoli salad, MBA's mac and cheese and we don't know who brought the ever popular fruit fluff. Are you hungry just seeing that list or what!

We would like to thank all those participants that generously donated prizes. The trophy table was full both days with a wide variety of items.

Photos from the weekend were taken by Mary Huff and Lyn Moran. To view Mary Huff's photos go to Gallery: <http://mhuffportfolio.zenfolio.com/p252205089> To view Lyn's photos contact her at lmoranthomas@wi.rr.com. It is so much fun to look back at photos after the event has been completed.

Thank you also to those who helped officiate during both days of exciting and very

close racing, and in particular those people who helped out without having a dog competing. The weekend could not have been a success without everyone working together and offering to help. In particular Susan Cook, Kristy Thomas, Lynn Ollswang, Janet Siehndel, Wayne (Chih-Wei) and Peter, Carol Smith, Tom and Lyn Moran and Judy Corbett. A big thank you especially to Jennifer Smith who operated the boxes on Saturday and Peggy Berg who did the honors on Sunday. Thank you to everyone who helped catch or take down someone else's Whippets. You are all great! It is truly a group effort to put on these events and we thank all of you! Hope to see you back at Arthur's Acres on Labor Day weekend next year.

RACING FOR FUN

Abbotsford, BC

June 13/14, 2015

I am writing this report from a very faded memory, far too long after the event happened... But thanks to some rather handy Facebook posts and studying the results, I think I can jog a few details out from my foggy memory.

The weather was sunny and warm all weekend with Sunday being the hotter of the two days. Thankfully the wind picked up on Sunday, which kept the temps from getting too hot. The plus side to having a rather small meet is we were able to wrap things up early in the afternoon. It was a good weekend of racing with lots of close tight races even with the small numbers.

It was nice to see Saturday's FTE Piper have an excellent showing on her first official meet, picking up the top set of 4 ARX points on Saturday. It seems to be the year of late bloomers coming into racing and going home with race points.

Another special mention from Saturday's meet would be Wile E finishing his ARX title. All he needed to finish was one point, which he has been very close to getting these last few meets. Thankfully the board and his fine racing worked in his favor this weekend and he was able to finish by splitting the bottom set of two points with Hana. Jack and London also had a good weekend of racing, finishing first and second both days, and both finishing their NARX titles.

As always we had another fine spread of good eats to enjoy after the meet and match was over. I do believe my very own offering of bacon wrapped dates and almonds won the coveted potluck award. Bacon for the win! On Sunday we had a much smaller turn out with only 16 dogs but everyone made it

through all four programs. It was much hotter day so we made sure to give the dogs a good rest between programs but with so few races we were still able to get everything done early in the afternoon. The racing was tough with many of the dogs running finished racers.

Andre had a awesome second day of racing, taking home the top and only set of 3 ARX points for his first ARX points. I don't have any other notes of special mention racing-wise, but the yummy lunch of pulled pork sandwiches and ice cream cones was certainly memorable! Sunday's pot luck winner was Kerie Swepston's samosas.

Once the food was eaten and everything was packed up we waved goodbye to the Fireworks crew and half of the Szabo family as they were all heading south with their travel trailers for a little vacation. I am betting they were all happy to be hitting the road early with some nice quiet dogs.

Of course I can't end a report without thanking everyone who came out and supported the meet. We can't have a meet without entries and willing workers! so thanks again for coming out to play.

With apologies for mixing spy genre metaphors, this charming and cheerful puppy may be more **AUSTIN POWERS** than **007** in personality, but he is no joke.

Pictured here at five months, he is already a multi-Best Baby Puppy in Specialty winner. But the only thing deadly about him is his keen interest in the lure.

Watch for this **GROOYY BABY** in the ring, in the field, and on the track. He's **SHAGALICIOUS!**

BADGERLAND WHIPPET CLUB/PRETTY DARN QUICK WHIPPET CLUB

Milwaukee, WI
June 27/28, 2015

Although our meet was small, we did have friends drive from a distance to join the fun in Milwaukee. We were glad to see Deb Duffert, Ule James, Lisa Costello and Joyce Symanski, Connie Brunkow, Laurie Erickson and Lisa Ochoa all make the drive! A small meet gave us the opportunity to catch up with each other and our dogs.

Our weather was outstanding on Saturday and more humid on Sunday. Saturday was overcast with temps in the low 80s, and a lovely breeze. Sunday was more humid with not much wind. Overall we could not complain about the weather.

We had one puppy and 15 adults on Saturday, and one puppy and 13 adults on Sunday.

It was a big weekend for Wrecker (Momentum's Reckless Heart), who took top racing honors both days. Finishing out the top four on Saturday were Ursula (2), Darby (3) and Goldie (4). On Sunday it was Lizzie (2), Chloe (3) and Darby (4).

Our only puppy was Violet (Windflight No Shrinking Violet). She had a determined look in her eye, making her name very aptly chosen indeed. We look forward to seeing more of her in the future.

Gratefully there were no serious contenders for a "Monster at the Box" award....or perhaps they were all good knowing that Jennifer Smith was box operating and could manage whatever came her way. We had no notable injuries (dog or people) either day, a very happy report to make.

Our Saturday conformation judge was Tara Ragatz (Oluchi Rhodesians). She chose Cash, Ursula, Fling, & Darby. The high combined was Ursula.

On Sunday our conformation judge was Krista Siehndel (Noralor Whippets). She chose Moon, Jackson, Cash, and Rim. The high combined went to Jackson.

On the prize table, Saturday participants had their choice of leashes, crate pads, beds, and other lovely items.

The prize table on Sunday offered beautiful pottery designed and made by Jennifer Smith.

At the end of the day, no meet would be complete without our potluck feast. This meet featured hamburgers and brats grilled by Jennifer Smith's husband, Thomas. Thanks to Thomas for grilling! He suffered for his art when he spilled a little of the beer brat bath on his foot but fortunately was not seriously hurt.

And finally a BIG THANKS to Doug and Mary Arthur for the use of their property. It was like a park and showed hours of labor by the man on the mower.

We look forward to seeing everyone at the National and then hope to have another great meet at Arthur's Acres in September. Hope to see you then!

As an extra bit of fun, Laurie Erickson was available to take professional photographs of people and dogs on Friday before the meet started. Laurie does an AMAZING job! There were some particularly amusing moments however when Laurie was taking a photo of the Fling and 8 puppies from the Fling/Noble litter. Peggy Berg (regretfully) threw a toy that sounded a bit too much like a bunny. Chaos ensued! Those puppies sure learn the bunny sound early! In any event the camera rolled and here are some blissful pictures of owners on the ground and puppies with their tongues hanging out trying to get to the toy.

With her dramatic beauty, vivid athleticism, goofy personality and outgoing temperament, **Finch** is everything I had hoped for and more from this incredible litter, whose breeders share my vision of beautiful and versatile athletes. Pictured at 8 months, she has big shoes to fill, but I will try to give her every opportunity to live up to her mother's versatile accomplishments! Very grateful thanks to her breeders for sharing this delightful and promising puppy with me.

GOPHER STATE WHIPPET RACING GROUP

July 4/5, 2015

We had an exciting weekend of dog racing in Minnesota over the July 4th weekend with more fun, more food, more racing and more friends than usual, as it was the first time that the Gopher State Whippet Racing Group teamed up with the Northland Amateur Racing Club for a combined CWA and LGRA meet. And, not only did they join us for racing, but we also had a combined conformation match after the racing on Saturday with not only placements for each breed, but also a best in show.

Photo by Kim Weigel

It was a hot weekend but the track was nice and cushy and there was plenty of water available for the dogs and people.

We had 13 whippet entries on Saturday with two puppies. Deuce was first, earning 3 NARX points followed by his mom, Lizzie with 1 NARX point. Gail Weiberdink's Jack, an FTE, earned the top set of 3 ARX points and Steve Shimer's Maud earned the bottom ARX point. Our other two FTEs—Jeff Kunze's DD Verni and Kim and Mike's Katie—also did very well and fun was had by all.

Photo by Gail Weiberdink

The show was a blast with the judge Diane McCarty placing Erik in 1st, Violet in 2nd, Rim in 3rd and Deuce in 4th. Deuce was high combined.

Sunday we had 11 dogs, with Deuce again snagging those top 3 NARX, Chloe getting the 1 NARX, DD Vernie getting the top set of 3 ARX points and Maud the bottom ARX point.

Our judge, Carol Juelfs placed Erik 1st, Jamie 2nd, Rim 3rd and Violet 4th. Jamie was our high combined and got herself a sparkly blue muzzle!

MID-ATLANTIC WHIPPET RACING ASSOCIATION

Pennsville, NJ

July 18/19, 2015

Day one of the Mid-Atlantic Whippet Racing Association meet started out in the humid 80's, overcast with skies threatening rain, and stayed that way through most of the day. The sun did not really make an appearance until the end of the match, and the clouds plus a breeze off the nearby water kept the day mostly tolerable.

Sunday we were not so fortunate, and the temps stayed in the low to mid 90's with drenching humidity and sun. But the can-do spirit and camaraderie of the MAWRA club members kicked in and saved the day!

Despite some debate earlier in the week about the possibility of cancelling because of weather conditions, the meet went on, a full four programs the first day and a unanimous vote for a reduction to three programs the second day.

The ever-speedy Lucy, owned and loved by Brian and Fran McHugh, proved unbeatable and won both days of the meet, earning 9

days earning 5 NARX points and was High Combined on Sunday.

Bose, owned by Carl Morgan, was the High Combined on Saturday.

Vice, an enthusiastic FTE on Saturday, earned the lovely turtle award donated by Diana Itter, and patient Penny won the turtle on Sunday.

The puppy races were won both days by Deb Hanna's AJ, with Diane Bollinger's Maple a very close second on Sunday.

The match on Saturday was graciously judged by Lynn Baker, who chose the following winners, in order: Twee, puppy LeBronze, Zest, and Bose.

On Sunday, the wonderful and ebullient Leila Anichini picked puppies AJ and Maple, Rachel and Loon.

By the end of this match, all owners in the ring and spectating were melted into re-

lieved and exhausted puddles in the relentless heat, but we made it!! Special thanks to the judges who braved the weather both days.

We are also very happy to report that there were no injuries or casualties due to the

heat, all dogs were well-cared for and everyone (as always) pitched in to make sure that all the dogs were walked out, watered and blown on by lots of fans.

There was also quite a presence of very small puppies visiting and being loved and cuddled: the Voges x Bomber pups were there on both days and a few got to ferociously attack the lure! Nancy Jorczak's litter was also in attendance, providing an adorable and welcome distraction from the heat.

Presided over by our hospitality hostess and coffee maker extraordinaire Susan Fredericks (who also makes an awesome blueberry pound cake), a potluck lunch was enjoyed by all on Saturday and leftovers on Sunday, with many wonderful dishes including barbecued pork, buffalo chicken dip, turkey and roast beef sandwiches, several lovely salads, fruit, banana pudding, lots of cookies and pies.

We are grateful to Carl Morgan for coming from Ohio to operate the box, and to Kristen Fredericks for her tireless lure operation efforts. Karen Lee headed up the line judging, with able assistance from Liz Aiello who also did a bang-up job on the board. It was a joy and a treasure to spend time with good friends, meet adversity (heat index of over 100 degrees!!) head on, help each other out, smile and laugh, and best of all, watch our gorgeous whippets doing what they love most!
