NEXT DEADLINE :
January 31, 2016

The CWA and the *Line and Lure* take no responsibility for statements or claims made in advertisements that appear in this publication.

As I write this on Christmas Day, several *months* after I had hoped to have this issue done, I am most grateful for your patience. It has been a tough couple of months for me, with work insanity, multiple rounds of sick dogs, and then I got sick myself, and sick again... Well enough of my sob story, just suffice it to say I never imagined that this issue still wouldn't be done by Thanksgiving, much less Christmas! 2015 has been a tough year for many of us, and I'm washing my hands of it and hoping for better things in 2016 for everyone in our CWA family!

As I've done the last couple of years, I'm going to split this issue into two parts. This part contains the August and September meet reports and any non-National ads, and the second part will contain all the National stuff, including any National-themed ads. The remaining meet reports from October through the end of the year will be in the next issue.

Speaking of our next issue, it will be our Annual Top Ten issue, featuring the always popular **FREE ADS** for all the whippets lucky enough to land a spot in the racing, high combined, and conformation top 10s and **FREE PHOTOS** of all the honorable mention dogs (#11-20) in each set of standings! Yes, if your dog was fast and beautiful enough to finish in multiple sets standings, they get a free ad and/or photo for each! The year-end Top 10s are included in this issue, and I will be contacting everyone whose dogs are eligible for free content shortly. So put on your thinking caps and start planning your ads!

Of course, regular advertising is always welcome at the regular rate of \$15 for a full page. The deadline for ads and other submissions will be **January 31st**.

GOPHER STATE WHIPPET RACING GROUP

Columbus, MN

August 8/9, 2015

It was another small but fun meet in Minnesota. The weather Nazis predicted heat and humidity. Then they predicted torrents of rain. But it turned out quite nice around 80 degrees, humid, but overcast with a breeze both days so perfect for August. At least until 1:00 on Sunday. But that was all we needed to finish the race meet. Though we did have to have the conformation match in the garage, good thing we cleaned it before the meet.

Not many photos for this meet, everyone was too busy working and having fun. We had 12 dogs and one puppy, Marky, each day.

Deuce came in first both days, accruing 3 NARX points each day.

Jack came in second both days, earning 3 ARX points each day and one NARX point.

Maud took third earning 1 ARX point each day.

Abel and Amber were our FTEs and had a great time.

It was also Marky's first meet.

All told me later that they greatly enjoyed the event and definitely want to come again.

We enjoyed sloppy joes, Gail's fantastic Coleslaw salad, Juliet's wonderful bean salad, and Kim's incredible monster and caramel bars!

There were also lots of prizes and many happy, tired dogs afterwards (just check out Facebook for all the tired dog photos).

Annie Whitney was our judge on Saturday and she put up Jamie, Eric, Amber and Deuce.

Jean Colletti was our judge on Sunday and she put up Jamie, Rim, Marki and Deuce.

Deuce was high combined both days winning himself 2 custom fleece coats by Barb's Whippet Wear.

RACING FOR FUN

Abbotsford, BC

August 22/23, 2015

Saturday was a beautiful day for racing with lots of blue sky and green grass (which was a very welcome sight considering the drought we were having).

We started the day with 19 dogs and one puppy. While the people regretting having to start with one dog short of making the next set of points, the dogs don't know any difference, so we followed their lead, carried on and got racing underway.

We had some very tight racing in the high point with Jack, Marshall, London and Puma each pushing each other hard for placements. I think the line judges were very happy to have a camera on hand, as there were some very close races.

Jack had another good day of racing and was able to hold them all off for the meet win to take home top 3 NARX points. Not to be out done by the young guns, Marshall pulled out all the stops and finished in second place.

The race for ARX points was also a close one, with Andre, Hana and Iris all in the hunt for points.

Andre and Hana were both running well all day, and also had the board working in their favor to help them take home ARX points.

Iris had a great final program winning the semi race, but unfortunately the board was not kind and she fell just shy of taking home some points.

As always we sat down to a great spread of food with too many good dishes to choose from when voting for best in potluck. However I do believe the homemade chocolate chip cookies were the overwhelming winner (sorry I can't remember who made them).

Day two dawned very smoky from wildfires burning across the border in Washington State. It was very eerie drive in to the field with sun rising through the smoke making it look bright red.

The smoke stayed pretty much all day, at points getting so thick we couldn't see the mountains only a few miles away.

On the plus side we had a pretty small meet with only 14 starters, so we were able to get racing done quickly and not have to stay outside in the smoke for too long.

It was also great to see all 14 dogs run all four programs without any scratches. Racing wise Jack had another strong day, winning all four programs to win the meet and take home 3 NARX points.

London and Puma were hot on Jack's heels making sure he had to work hard for the win.

In the hunt for the ARX points, Andre had another good day, as well, taking home the top set of ARX points for the second day in a row. The bottom ARX point went to Djinn for his first point towards his title.

Once racing was over, we got the match un-

derway.

After the show was over we all sat down and enjoyed another fine meal. I believe the potluck winner was a yummy coleslaw made by Maria Abu-ata.

Thank you to everyone who came out and supported the meet and helped lend a hand in all the various tasks that needed to be done.

What a difference a day makes... Saturday's bright blue sky gave way to smoke on Sunday from the Washington wildfires.

We had a lovely weekend of racing. Excellent food, excellent track that benefited from rain earlier in the week, excellent help, and excellent racing.

Thank you to the Arthurs for letting us race at Arthur Acres. Thank you to them and to Peggy Berg for such excellent track maintenance; such a lovely field.

A shout out to those who brought such amazing food to share at our potluck. There was something for everyone! And, our trophy table was made even better with some very nice donations, so thank you to those who shared.

Thank you to those who came to help with

out dogs. Peter, Wayne, Lyn, Carol, and Susan, if it wasn't for your hard work with line judging, taking whippets down and catching at the end, we could not have run this meet!

Kristy Thomas and Tom Moran, thank you for pitching in and for judging, a hard task indeed. Thank you photographers, Mary Huff and Ule James. And, thank you Peggy Berg and Ule James for box operating. Mary Beth was kind to lure operate and Doug foul judged all weekend. Thank you all. If I missed anyone, thank you too!

Saturday: A small and mighty meet. Our NARX points went to Deuce, who was undefeated all day, and Wrecker, who battled back and forth with Darby.

We were so happy to give ARX points to Maud who is now wearing her new, shiny ARX title. Congratulations Steve!

We had some other strong racers who came close to the bottom set, and we were sad to not be able to offer it. Fitz would have been the recipient if we had more finishers.

Marky was a super FTE and had some super first place finishes to his day in very tough competition. Moon was up there, very close too. He scored well in racing and scored third in the conformation match.

Lottie ran as top puppy all day (ok, only puppy all day:-) and managed a fourth in the lovely line up of our conformation match judged by Tom Moran. He gave second in the match to Cash and first place went to Caleb. Our high combined went to Cash.

Sunday: Another small and spritely meet. Our top NARX points went to Chloe, who also earned the high combined award for the day. Deuce picked up the bottom set of NARX points.

We were not able to give out ARX points,

but we had some heavy racing. Moon, Marky and Fitz battled very hard all day, but Cash, an admirable spoiler shut them out in a very exciting co-feature in the fourth program.

Thanks to Kristy Thomas for judging our match on Sunday. Our match winners were: 1st- Moon, 2nd- Chloe, 3rd- Marky, and fourth- Lottie. Thank you to Janet, who kept the results and submitted them to Lisa.

We're looking forward to next year.

September 19/20, 2015

The weekend really began on Friday, with proofing dogs ... we had 10 dogs to proof before the meet on Saturday. Everyone chipped in and all dogs passed their proofing, WHEW! Saturday's meet started with a record entry of 34 dogs. This broke down to three As, six Bs, eight Cs, two Ds, and 15 ... YES ... 15 FTE's! At the end of day we only had two scratches ... one was a DNF.

This was a successful day with Mallory Ballard and Mary Hawemann foul judging from the middle of the track and training a few people, Drew Durance boxing the hounds, and David Watkins lure operating. It was warmer than we predicted with the temperatures in the mid to upper 80s.

We had 3 sets of ARX points: Five points were awarded to Stannis, Shannon Down Ours Is The Fury PR, owned by Ellen Feldheim, and three points to Fanny, Debmar Funny Girl PR, to FINISH her ARX title, owned by Deborah and Maurice Bahm. Tied to split the last point were FTE Digger, Windflight Debmar Gold Digger, also owned by Deborah and Maurice, and TJ, Raybar's Foolish Heart owned by Cindy Hatcher, Rhonda Gifford and Barbara Parsons.

The top two sets of NARX points were split between Skywalker and Jedi – four points each — and the third set of points was given to Brandy. All NARX point winners are owned by Maurice & Deborah Bahm. Congrats to all who received points!

The match was judged by Connie Camp of Imara Basenji's from Charlotte, NC. She had a beautiful entry of 18. Her final placements were as follows: first to TJ (Raybar's Foolish Heart), second to Streak, (CH Liberty's Look At That ARX DPCX TRP FCH JC PR4), third to Lola (Ch Kemar's Dream a Little Dream of Me) and fourth to Tula (Rajopa's Notta Knockoff At Disa). Congrats to all who placed.

The meet winner was Skywalker! Our Turtle winner of the day was earned by Fritz, owned by Ken and Margaret Norkett! The HIGH COMBINED award went to Streak, CH Liberty's Look At That ARX DPCX TRP FCH JC PR4 owned by Tammy Bennett ... Congrats Tammy and Streak!

I want to thank all that chipped in and made the day move along so Dave could sit on the couch with a beer in hand and watch the DAWGS beat South Carolina. Breakfast Burri-

tos made by Margaret Norkett were delicious! Dave made a Spinach Lasagna. Thank you Bill Collingwood for coming to our rescue and cooking the Spinach Lasagna when we discovered it would not fit into our oven. I think we will hire Sandra Willis to make desserts from now on. Those pineapple upside down cakes made in a muffin tin were out of this world. A HUGE thank you to Bob and Brandon Brown for fixing the box latch at the end of the day so we could have a meet on Sunday.

Sunday's meet started with 33 adults and one puppy. The day was a little warmer with the temperatures reaching the 90 degree mark. All were still tired and dragging from the day before (OK so maybe it was just me) but we made it happen. Three more sets of points were handed out. NARX points were: five points to meet winner Jedi, three points to Skywalker and one point to River - Debmar Cane River ARX SRA TRP PR9. All NARX point winners were owned by The Bahms.

ARX points were awarded as follows: five points to NEW ARX Stannis. Congrats Ellen Feldheim! I'm very excited to tell all about this next set ... 3 ARX points were awarded to newcomer Cam. Equiss N Brownstone Ghost of Camelot, owned by Brandon Brown and bred by Cathy Williams. This was both Cam and Brandon's first race meet weekend. Welcome to CWA guys! The bottom point had to be split again ... different dogs this time: 1/2 point went to Margarey, Shannon Down A Taste Of Glory owned by Shannon Lyons. The other 1/2 point went to another newbie who started as FTE the day before, Tula, Rajopa's Notta Knockoff At Disa, owned by Kari Whitaker. Congrats to all! I see some promising new dogs coming out! Sunday's match was judged by Lesley Fields-Merrill of Kentruth Whippets in Hinesville, GA.

There was an entry of 17 whippets. The final nod for first place was Ginger, Cherche' Hycks Hollow Kiss My Grits TRP PR, earning her fourth leg on her DPC. She was handled by Kevin Saunders. Ginger belongs to my husband, David Watkins. Second place went to Weston, CH Surrey Hill's Couldn't Be Butter at Mariner. Weston is owned by Peggy Hodge, Kristin Fredricks and Karen Lee, and was handled by Mallory Ballard. Third place went to Streak, and fourth place went to the puppy Kai, Skyline Worth Melting For, owned and bred by Jennifer Kempey.

The Turtle winner was a DNF the previous day but today she made it across the line every time – Frankie, owned by Andrea Kea, Trish Dews and Angela Martin. HIGH COMBINED went to Streak for a second day in a row! HUGE congrats to Tammy Bennett!

Again I can't thank everyone enough for helping out ... there were times I actually got to sit and worry about paperwork and not line judging or catching dogs. We welcome everyone back and hope to see more new people at our next meet December 12th and 13th.

Suisun, CA

September 26/27, 2015

The members of NCWFA can once again pat themselves on the back and say we had another great CWA race weekend. The Saturday meet was low in entries but high in quality. The dogs all ran like super stars and enjoyed it greatly. Each one of them thought they had won the meet. However, the actual meet winner was Lucky, owned by a very happy Leslie Rosko. Second, third and fourth were Lucky's litter mates, Strega, Ranger and Cosmo. Fifth and sixth places went to the evil sisters, Miss Bennett and Miss Jane. Handsome Captain ran hard and finished seventh. First time entered and also High Score Combined was Charlotte and Martha Fielder's beautiful little bitch, Peaches. Rounding out the top ten were two lovely Whippets, Missy and Niko. Congratulations to their proud owners.

The match was judged by Debby Knutson, Debby did a great job and found four absolutely exquisite competitors, Peaches, Missy, Tally, and Thomas.

I would like to extend a very big thank you to Todd Willhoyte who came out just to run the lure for us. He did a great job and we are most grateful to him for giving up his

Saturday to come and help at the meet. I will thank the rest of the incredible race team in my Sunday report.

Sunday's meet was another fun and enjoyable day of racing. Again our meet was won by a strong running Lucky. His litter mates Strega and Ranger were second and third. Miss Bennett turned in another good performance and finished fourth and sister Jane was fifth. Consistent running Captain was sixth and dear Harley was seventh. Rounding out the top ten were, pretty boy Zenith, Peaches, and FTE Boss. Peaches was again our High Score combined in meet. She had a truly great weekend.

Tina Graham was our match judge and she found four absolutely lovely competitors. Boss was first, Peaches second, Missy third, and Thomas fourth. I should mention that the first three were all Crestfield Whippets.

Now it is time for me to thank a truly outstanding team of workers. Because of their hard work and dedication to the club, the weekend was a great success. I will begin by thanking Jen Haas who did an incredible job of heading up the set up crew, take down, loading the trailer, helping everyone run

dogs and donating all the beautiful trophies for both meets. I give her the MVW (Most Valuable Worker) award. Other valuable workers were Robert, our great lure operator; Kim who ran the paddock, the practice and also helped with the boxes; Debby Knutson who was our head finish line judge both days, and also our conformation judge on Saturday. She had a great team of line judges in Guin, Andrea, Jan and Barbara

Lawson. Many thanks to you all for doing an outstanding job. Tina Graham was a tremendous help doing anything that was asked of her. She is a great asset to our team. Other members who worked really hard and deserve many kudos were Rick Ragan, Duncan, Steve, Marrienne, Rick Knutson and non-member, Jack Pulley, for running the boxes. Brad thank you so much for bringing the trailer and taking it back to storage. I now have to give a very big thank

you to my darling David, who came out both days with his SUV to do lure return. It really keeps the meet moving and we are able to finish in a timely manner. My last thank you goes to our wonderful race secretary, Bonnie Moore and her assistant Charlotte Fielder. They work beautifully together and have the board set up perfectly for each program. We are lucky to have got such a competent person to run our meets. Kellee Livingston picked a good replacement when she retired as the NCWFA race secretary.

Well racing is over for this year. Again my thanks and my gratitude to you all.

RACING FOR FUN

Abbotsford, BC

September 26/27, 2015

Wow what a weekend! It was a great turn out both Saturday and Sunday with all the dogs and their hard working servants. Weatherwise, Saturday's ominous cloud cover, thunder and rain/monsoon made Sunday's blue sky, sunny warm weather all the more beautiful. Lesson learned: always pack rain gear, no matter what the weather report says. We all survived Saturday's rain storm and Sunday was picture perfect. And the tough weather on Saturday didn't slow the dogs down one bit.

With the extreme heat this summer and lack of practice days, practice runs were slotted in between programs which made for a lot of dogs getting in to practice and develop their soon to be CWA qualified racing abilities.

Saturday, the day started with 19 adult starters, one official puppy and 10 puppies/practice racers. There was a lot of very tight racing in the rain on Saturday, and huge congratulations to Hana on finishing her ARX title.

Sunday's meet had 21 adult starters, one official puppy, and with all the practice runs and sprinter entries, there were 42 whippets running over all.

Where to start with all the wonderful dogs? Gibson (owned and loved by the Szabo family) is the youngest of the new puppies and did a great job in helping carry the lure off the finish line back to the boxes, and he's already mastered dealing with the Paparazzi as well, which consists of running straight at the camera as soon as it points towards him.

Some of the Serendipity pups were out as well: Austin, Charlie, Kester and Jasper, as well as Finch who ran as the only official pup-

py in the race. Darien Adley's pups Zivah and Fuego were keen on the lure as well, as was Ariana Jones' Remi and little Fox too! Barb Barclay and Howard Wirsch's Leonard and Sheldon were showing off a whole new race style with their slick dance moves, racing "Gagnam Style." So wonderful to watch all these puppies take in the racing and excitement, and to follow their progression into racing.

Last but not least I'm happy to report that my own dear Luna made it out both days, rocking palliative care with wonderful poise, style and grace.

Thanks to everyone for all the help and hands. Another great meet !

The River Report

Hi. My name is River, I'm three years old and and I raced in my first race meet this weekend. On Saturday the weather was so rainy and stormy. I didn't care and no one else seemed to either. Well, except for the two leggers, I think I saw them crying! Sunday was so sunny and nice!

We didn't get to practice much this summer because the weather was so hot, so at the race meet the practice runs were run between each program.

Holy the sprinters are so fast ! I watched them run and they were all blurry and sounded like thunder! I asked my servant how to get my butt to look that good. She said to do some squats.

In the puppy run a beautiful girl named Finch ran. I left pee mail for her on every corner of that field, twice. I got to run after Finch with a group of nice dogs but let me tell you, all I could think about (other than Finch) was getting that bunny. Everyone else felt the same way too ! I've found my people!

Racing is amazing. The anticipation of walking down the field towards the boxes in my special numbered race jacket, not knowing which door I will enter or who will break first once the front door opens, running down the field as hard as we all can trying to get the bunny first, then ... Bunny!!! "Mine mine mine mine mine!!!" all of us yell. I know the two leggers all just hear barking as their comprehension of sound is so limited. "Mine mine mine!!!" I yelled. I was praised and my servant congratulated me. I felt triumphant. Fulfilling my life purpose. Whole and complete. A warrior among warriors. A CWA certified Bunny Hunter.

My servant helped clean up after the race then we

had to leave early during the fun match. My great great great old auntiegrammacousin twice removed is almost 15 and she wanted to go home. She is the boss so we all went home.

In the fun matches the servants run around with all my friends in circles, put them up on a table, look at teeth and bodies and who-who parts. Run back and forth and stack like sculptures. I don't really understand it all but I did it a few times before. I wasn't sure how to do all that so I just laid down and looked sexy, kind of like Burt Reynolds on the fur carpet. Didn't get any points for that but I think I looked pretty great. They sure know what they are doing in those matches. Everyone looked so good, I felt proud of my friends. They sure know how to train their servants well.

Thanks to all the servants for being so well behaved and for working so hard for my friends and I. We all had a lot of fun. Looking forward to next time!

Love, River
