The *Continental Whippet Alliance* was formed to achieve the following objectives:

1. to unite Whippet fanciers with the common goal of promoting, protecting and preserving purebred Whippet racing
2. to encourage and promote quality in the breeding and racing of Whippets and to do all that is possible to bring their natural instincts to perfection
3. to urge members and breeders to accept the Whippet Standard of the Breed as approved by the American Kennel Club as the only standard of excellence for Whippets
4. to do all in its power to protect and advance the interests of the Whippet by encouraging sportsmanlike competition at race meets and conformation competitions and by providing a friendly and enjoyable environment
5. to provide a testing ground for Whippets to demonstrate they still have the instinct, desire and physical ability to do the athletic activity they were bred for, helping to maintain the Whippet as a healthy breed

# From the Editor

I finally feel like the *In Design* learning curve has leveled out, and while I sometimes still find myself exasperated with the program, I have definitely gotten the hang of it and am pleased to be able to take advantage of some of its time saving functionality. And the proof is definitely in the pudding — note the record turnaround time for this big issue! I was adamant that this issue would be done before the National, and VOILA! ☺

My very grateful thanks to everyong for being such good sports about the delays with these last two issues, especially those of you who were so understanding and gracious about holding over ads submitted earlier in the year until I could get caught up.

As we go to press, the number of days to the National can be counted on the fingers of one hand. I am delighted that I am able to make the trip with one of my youngsters, and look forward to seeing everyone in Minnesota!

Appropriately enough, our next issue will be our National issue, with all the news, results, photos, critiques and brags from CWA's premier event. Even though I will be there in person, I am still hoping others will be generous in sharing story and photo submissions. Sharing your first hand experiences will earn you a free ad (not just for the National issue—you may use it anytime) and the grateful thanks of all of us envious stay-at-homes! Some story ideas... if you're traveling from some distance, how about a travelogue telling your travel tales? If you are excited to be attending your very first CWA National, how about sharing your perspective as a newcomer?

Logically enough, the ad theme for the National issue will be national brags. As always, I am offering free ads for the winners of the National Race Meet and the Annual Match, as well as the National High Combined winner, so owners of those lucky winners, please contact me after the event about redeeming your ads. Regular advertising is always welcome as well.

Safe travels to everyong heading to Minnesota this week. See you there!

Our April race meet was once again a CWA/LGRA combined race meet.

First I would like to thank the club members and their family/friends who came out to volunteer to support our club, particularly those who did not have dogs running. This event could NOT have happened without you!!!

Also special thanks to Scott Hurlbert for setting up the field and being our lure operator extraordinaire for yet another weekend of straight racing.

The weather was great for both days of racing!!! We had Whippet entries from both Minnesota and Wisconsin and although it was a small meet, there were some tight races!

On Saturday Deuce handily won the race meet and DD Verni was second picking up the last points he needed to finish his ARX as well as taking the bottom set of NARX points.

Third in the meet was Leni who picked up her first ARX point and finished her PR.

Not to be forgotten, our turtle for the day was veteran dog Daryl who runs hard and has fun!!

Our match judge was Diana Farthing of Aladdin Whippets. She was able to spend the entire day with us and helped line judge (thank you, Diana!!!). Her match placements were Leni, Tango, Marky and Chip.

High Combined and DPC credit went to Leni.

On Sunday, Deuce was our uncontested meet winner again for the top set of NARX points. DD Verni was second for the bottom set.

Leni was third again and tied with Marky for meet points so they split the ARX points. Good boy Marky getting his first points this weekend too!

Daryl was our proud turtle finisher again today and had a great time getting his bunny!

Our match judge was Emmy Hanley who owns and shows IGs and has shown whippets as well. Her placements were Tango, Marky, Leni and Deuce.

DPC credit went to Marky and High Combined to Deuce.

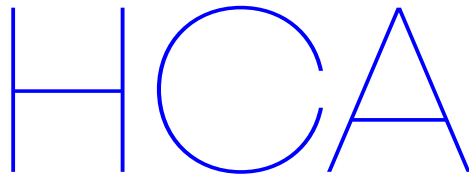

Both days of racing were followed by a potluck and some well deserved relaxed social time with friends.

We hope more folks join us at future events! Our field has great amenities and a track that handles rain and drought very well, not to mention we have a good time!!

Sunday match judge Emmy Hanley and #1 Tango, #2 Marky, #3 Leni, #4 Deuce

Another successful weekend for GRR ... we saw a RECORD ENTRY for the club, Saturday we had 41 dogs entered! WOW!!! The weather was a little warm but not miserable.

Our NARX points winners for the day were Jedi and Skywalker, who also tied as meet winners and each earned 5 NARX points. Stannis received 2 NARX points for placing 3rd in the meet. Congratulation to the Bahms and to Lenny and Ellen Feldheim.

Then we had Brandon Brown's Camelot take the top 6 ARX points, placing sixth in the 41 dog meet!

Shannon Down's bitch, Melisandre, who was also an FTE, acquired 4 ARX points. Remy, also an FTE, split the third set of ARX points with Margaery for 1 point each. It was great to see Debra Borton back down in GA with her crew.

We unfortunately had our first pretty serious accident on the field. Our hearts go out to Brian and Fran

Saturday High Combined Tula

McHugh. Their dog Lucy tore a muscle running down the track. I'm happy to report that she is doing much better and will be back on the track this fall.

Moonbeam Whippets. With 17 dogs showing, Emily gave the match win to Mallory Ballard's Dora. Second place went to Dora's brother, Elliott. Third place went to Tula owned by Kari Whitaker, and 4th place to Cathy Williams' Luke. High Combined went to Tula.

Last but not least, the Turtle winner was Fritz! I think Fritz needs a special prize for winning the most Turtle awards!

Sunday saw a decline in entry like most Sundays but we still had a good entry of 36 dogs. Skywalker won the meet for 5 NARX points, followed by his kennel mate, Jedi, with 3 NARX points. Third in the meet went to Stannis giving him another NARX point.

Our ARX points winners were Shannon Lyons' Mercy, who earned 5 ARX points. The second set of 3 ARX points was earned by Moon (who was an FTE on Saturday). Congrats Deana McNamer on a great day! The last ARX point was split between Debra Borton's FTE Dani and Shannon Lyons' Melisandre.

Sunday's conformation judge was Crystal McNulty of

Kevin and Lisa Saunders bitch, Annie, first, followed by Sven (handled by his owner Morgan Whitaker). Third place went to Tula and fourth to Deana McNamer's Moon.

I was so tickled to be able to hand Deana the High Combined ribbon for the day! I think Deana is hooked

on CWA racing!

Thanks to all who make this meet enjoyable for all! Let's keep up the good work and continue to have fun participating in something we and our dogs enjoy so much!

Best in Triathlon  
2016 AWC National Specialty

Winning the Triathlon with Jonah in San Diego was the thrill of a lifetime.

It has been my greatest honor to be this amazing dog's partner through the many hours of training and exhibiting that culminated in this ultimate accomplishment.

He has done everything I've ever asked — always with exceptional willingness, enthusiasm and good cheer. His work ethic is exemplary, and my ideal.

Jonah needs just one leg to finish his Companion Dog title, the last remaining requirement for his AWC Award of Versatility.

At three years old, Rhaegar is still a rising star. Yet even at three, his accomplishments reflect the versatility of his parents. Rhaegar is a UKC Altered Conformation Champion with three Altered Best in Multi-Breed Show wins, the first whippet Rally Champion in WCRL Rally, and is close to finishing his ASFA Field Champion title, with three first place finishes, a second place, and 84 points. He is ARX pointed and is a solid B racer in CWA. In 2016, we look forward to adding to his accomplishments in the field and in the ring.

Tomte was born October 9, 2015 and already our Swedish import is living up to his registered name - Light and Easy! At 9 months old, he has his UKC Conformation Champion title and an Award of Excellence in WCRL Puppy Rally. He has tried his paw at Barn Hunt and we are counting down the days until he can take to the field. We hope Tomte will continue to delight us with his happy approach to competition in every venue he tries. Look for him to debut Fall 2016 at MAWRA!

Last April/May we saw a record entry for GRR with 41 dogs. This June meet didn't disappoint with 40 adults and one puppy entered on Saturday and 31 adults and one puppy entered on Sunday.

The field was questionable the week prior to the meet, but mother nature was on our side, and a few days before the meet we got over three inches of rain. This made the grass not as brown and razor blade-like, and made the ground a smidge softer, though still very hard. We took time out before the meet on Saturday, delaying the start, so that Kristen Fredericks could give everyone a lesson in wrapping feet. Thank you Kristen! Thanks to all for helping one another wrap each other's dogs feet.

We had some delays during the day with box issues, but it was during the hottest part of the day and gave us an excuse to eat and let everyone — people and dogs — cool down a bit, as well as the temps.

At the end of the day the NARX points went to Skywalker (6 points), Jedi (4 points) and Rachel (2 points). Fifth in the meet was the top ARX points winner Khaleesi Bahm, who earned 6 ARX points. Seventh through tenth place in the meet were all tied, each earning 1.5 ARX points: Moon, Lyla, Mason and Tiki.

The only puppy entered was Brooks, who ran very well and finished all his runs with a lot of enthusiasm. Our turtle winner was Ginger.

Julie Poole was our midline foul judge

the breed, very successfully, for many decades. Thank you Karen Lee of Surrey Hill Whippets.

Sunday brought us 31 dogs and one puppy. NARX points went to our regulars, Jedi, who was also the meet winner for 5 NARX pts, followed by his kennel mate, Skywalker for 3 NARX points. Third in the meet, earning 1 NARX point, was Rachel.

Then the new rising star to straight racing, Moon, placed 4th in the meet and earned 5 ARX points, followed by Lyla who placed fifth in the meet and earned 3 ARX points. It's great to see these two new girls rising up! Congrats to Deana and the Bahms. Our last point was tied between Mason and Camelot. Mason

Saturday's conformation match was judged by Robin Barry of Hound Hollow whippets in Florida. The placements are as follows: first was Elliott (who placed 20th in the 40 dog meet), second was his sister, Dora, 3rd was Weston, and 4th was Khaleesi Lee. High Combined went to Elliott.

After the conclusion of the meet we enjoyed a nice puppy grading session. Karen Lee and Kristen Fredericks were kind enough to include all in the grading of their Marcus x Spree litter. It was a great experience to sit and learn from someone who has had her hands in

Ellen Feldheim with a muzzle on ... because sometime she can be unpredictable and BITE!

Sunday match judge Sharyn Hutchens and #1 Elliott, #2 Weston, #3 Khaleesi-L, #4 Sage

placed 9th in the meet and Camelot placed 11th — two other guys that are moving up in the ranks at the meets. Congrats Kari and Brandon. Now onto our conformation match.

Sunday's judge was Sharyn Hutchens of Timbreblue whippet in Virginia. It was a pleasure to have two judges volunteer from so far away to come to our race meet.

Placement were as follows: first Elliott, second Weston, third Khaleesi Lee and fourth Sage. High Combined went to Elliott! Our turtle winner of the day was Ginger for the second day in a row!

Thanks to everyone who makes our meets a success and helps our club keep growing! If we keep growing like this we will have inspection in the dark. I think it's refreshing that we can all compete in a sport and we all know we have to help each another in order to make it work. In this day of poor sportsmanship at a lot of events this is VERY refreshing and I think it's the very reason our club is growing. Again THANK YOU ALL! Hope to see you September 24th and 25th!

Due to excessive heat, we had to cancel one of the scheduled double header meets. They were eventually held not only on different weekends but in different months.

The first of our make-up meets was held on June 5th in tolerable but warm conditions. Fortunately our meet finished early so we missed the hottest part of the day.

The meet was won by Strega, who ran awesome and won all of his races. Cosmo, his litter brother challenged him and took second place and the top ARX points. He is now very close to getting his race championship. First time entered Jake looks promising and finished third. He too was rewarded with ARX points.

Our Best Opposite Sex winner, getting one ARX point and fourth place, was our very pretty girl, Nami. Veteran racer Miss Jane, showed that she could still race

well and finished fifth. Another FTE entry, Dallas was sixth and was also our High Score Combined winner in the meet. Congratulations to his happy owner, Erynn. Anax gave his usual solid performance and was seventh. Missy and two more FTEs, Carson and Scout rounded out the top ten racers.

Our match was judged by Marrienne Lu. She did a great job and found four beautiful winners, Peaches, Dallas, Boss and Scout. Three of the four winners were all Crestfield dogs. Congratulations to Martha and Charlotte.

I would like to extend a big thank you to all the members who worked so hard to make the meet successful. You all did an outstanding job and have my gratitude and appreciation.

Match judge Marriane Lu and #1 Peaches, #2 Dallas, #3 Boss, #4 Scout

# SERENDIPITY DOUBLE O SEVEN

(CanCH Kindred Monarch Rules, CanFCH x Serendipity Hark The Lark, FCH, ARX, DPCX, TRP, PR4)

Shown very sparingly at the summer specialties around the northwest, always breeder-owner handled, Austin has come close to the points several times with several major reserves.

Reserve Winners Dog, Judge: Betty Stites  
American Whippet Club Pacific Northwest Regional Specialty

Just debuting as a puppy racer in the spring, he has placed in every CWA match in which he has been shown, and is a multiple match winner. He is currently fourth in the CWA Conformation Top Ten.

Reserve Winners Dog, Judge: Jackie Bourdin (France)  
National Whippet Club of Canada National Specialty

At just 18 months of age, and still gaining confidence and skill in every meet, he is nevertheless a rock-solid, clean, keen racer. In his ASFA debut, he won the open stake for his first points and placement towards his field championship. The future is very bright for this charming and cheerful "do anything" youngster!

A cool and very blustery day greeted Racing For Fun participants today, but since it never rained on us, I will consider the extra jacket (at one point I considered putting on gloves!) and the occasional chase after something blowing away to be all good! We had a relatively small field of racers but the quality and speed was exceptional with only one Grade D and a handful of Grade C dogs – the rest of the entry was Grade A and B along with two very talented FTEs.

Making a spectacular debut as an FTE and thrilling us all as he improved every race was 13 month old Gibson. This youngster worked his way up to the high point and indeed won the final high point of the day to finish third in the meet behind the multi meet winner Jack, owned by the Sweptons, and second place and best opposite in meet, Chacha, from Team Fireworks. Gibson started his ARX quest by picking up 3 points, and Titan ran four strong races to pick up another ARX point towards his championship.

I had the pleasure and honour to judge the match with a beautiful group of correct and very fit whippets. I wish I could select more than four placements, but in the end I gave the nod to my top four: Austin, Puma, Portia and Amy. Puma was High Combined for the day and it was a well deserved win for a lovely whippet.

Of course, a day with RFF would not be complete without the Potluck and our group came through once again. Soups, salads, desserts, appies... wonderful company, good conversation and many second and third helpings! After much tasting and consideration the votes were counted and the supreme rosette for Best In Potluck was presented to Elaine Nakatsu and her Waldorf Salad and I can vouch that it was indeed yummy!

The weather gods co-operated with us and the brisk wind from the day before had moved onto other parts of the province. 25 Adults and one puppy joined us for Sunday and we had several training runs in be-

tween programs with two more whippets qualifying nicely and ready to compete in the next meet.

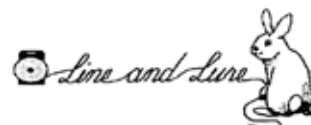

Jack had his work cut out for him with the speedy youngsters pushing him, but his experience and excellent speed gave him the meet win once again along with 4 NARX points. Giving me goosebumps and making everyone smile was our second place finisher, Marshall, who, just a few days shy of his 8th Birthday showed the rest of the field how it's done! Marshall's young son, Gibson, once again proved that he's got what it takes and finished third in the meet, earning another 4 ARX points.

We had another FTE, making a total of three FTEs this weekend, and this youngster did not let us down. Cara and Roger Takahashi's Archer, handled at the boxes by young Sam Takahashi, got some first hand experience running in the High Points and finished up fourth in the meet and took home 2 ARX points. Just out of the points was Winston, finishing a strong fifth, with our top female of the day, ChaCha, one point behind to finish sixth in the meet.

Our match judge was Ellen Kerfers and she had her work cut out for her with a beautiful group of lovely whippets. Her final four made a superb line-up and a delighted Cara Takahashi saw her FTE Archer win the match and earn the coveted High Combined award for the day. Beth Levine and handsome Austin placed second, followed by Puma in third and Winston in fourth.

By the time the match was done, the aroma from the BBQ was making us all drool (people and dogs!) and everyone was putting the final touches on their potluck dishes. I, as usual, had several samples of everything while I visited and enjoyed the company of the best group of whippet people and friends ever. Today, the coveted Best in Potluck rosette and prize was presented to Kerie Swepston for her creamy, strawberry, extremely tasty dessert and we were all scraping the pan clean to get the last few crumbs!

Much appreciation and thanks to everyone who worked so hard to put on the meets this weekend.

We had a break in the tropically hot and humid weather just in time for our July race meet and had a couple of those beautiful Minnesota summer days with blue skies and fluffy white clouds.

Our meets are all about being social and having fun. So we were very happy to have a number of entries from out of town, both Wisconsin and Illinois so folks could catch up on all the latest news and gossip. Add that to the beautiful day, the good food, and prizes and things couldn't have gone any better.

We started Saturday with 20 dogs, and the competition was pretty fierce with Mom Lizzie and son Fender on who was going to get to that finish line first. It came down to the last race when Mom Lizzie put her pup in his place by winning the meet with 23.75 points and getting 4 NARX points, leaving her son with 2. ARX points were not easily

obtained either with Gibson, Zen, Rake, Jack and Lottie all vying for them. Again it was the final race that determined that Gibson got the top set of ARX points and Zen the second set.

Our judge Saturday was Marilyn Polsfuss, who put up Chip, Rim, Amber and Lottie.

The swift and lovely Lottie was our high-combined.

Sunday we dropped to 16 dogs, but that didn't lighten the competition and it was another super-competitive day. Zen surged forward to win the meet and earn 3 NARX and ARX points while brothers Fender and Deuce vied for second with Fender getting the 1 NARX. Meanwhile Rake and Lottie battled it out for the remaining ARX point with Rake getting it by one point.

Our Sunday judge, Gail Weiberdink, put up Amber, Deuce, Chip and Marky. Deuce was high-combined.

Racing For Fun  
July 3, 2016  
Abbotsford, BC

submitted by Sheryl Bartel

The July 3<sup>rd</sup> 2016 Racing For Fun meet capped off a wonderful whippet weekend in British Columbia. The weekend started on Friday 1 July (Canada Day) with two Regional Whippet specialties, morning and afternoon – The Lower Mainland Whippet Association and the NWCC Regional Specialty. Next on 2 July was the Canadian National Whippet Specialty. On 3 July whippet folk converged at Upper Sumas Elementary School in Abbotsford for a day of racing – and food. (RFF also translates to “racing for food.”)

A whopping number of whippet starters came to play. 35 Adults, plus 6 sprinters, and 3 puppies. Adding some practice runs and puppy practices made for a full day.

The weather could not have cooperated better. While it decided to sprinkle a warm rain while the tents, board, and field were efficiently set up, the weather eventually calmed down to a day of light wind and partial clouds. Perfect running weather.

True to earlier predictions in the CWA Newsletter the amazing youngsters Gibson and Archer forged to the top of the pack. Gibson dominated with wins in all four programs, scoring 5 ARX and 5 NARX points. This was only his third race meet day! In second place and winning 3 NARX points was favorite veteran Marshall – not about to be bested by the youngsters. Third place went to Archer, another who

was only at his second race meet. He was awarded 3 ARX points and 1 NARX point. Fourth place went to Winston for the remaining 1 ARX point.

The top ten was rounded out by Amy in fifth place, sixth place to ChaCha, seventh to the Veteran Zuri, eighth to Sheldon (who was an FTE,) ninth to Olive, and tenth to Leonard, the fifth Fireworks bred whippet in the top ten! Barb and Howard should be very proud.

Our match judge was whippet breeder Karren Young Pynsia. She definitely had her work cut out for her with the lovely and functional line-up. Her final selection was Hokum, followed by Archer, Austin, and Portia. Archer's third in meet and second in the match easily earned him the High Combined award.

Then to the most anticipated part of the day, the potluck. Once again the food was wonderful. A great array of salads and deserts complimented the RFF-provided burgers and dogs. Winning best in potluck was a wonderful banana cream pie made by Saskia Nollen.

It was a wonderful day with the whippet family. I am so glad to support this great group. What a great finish to the wonderful Canadian weekend of whippets. Kudos to race secretary Jennifer Szabo, lure operator Peter Szabo, who was also schooling John Pynsia in the nuances of the lure, and the rest of the hard working group.

Match judge Karren Young Pynsia and #1 Hokum, #2 Archer, #3 Austin, #4 Porcia

Gibson has just started his racing career with 12 ARX and 5 NARX points in just three completed race meets, one of which was a meet win. Gibson is small but mighty, like his granddam Miss Darcy of Wyndsor. He took to the boxes like a fish to water, and with each race has gained confidence and skill. We are very hopeful that Gibson will have a long and successful career like his sire Marshall, who, at eight years of age, continues to compete as an A racer, earning 208 NARX points to date and holding the #2 position in the CWA all-time racing standings.

Gibson and Marshall are owned and loved the Szabo family  
Gibson was bred by Jean Balint & Kellee Livingston  
Marshall was bred by Howard Wirsch & Barbara Barclay

The second meet of our double header was held on July 24th. Again it was warm but not too hot for the owners and their dogs.

We had a nice entry of 29 dogs, five of which were First Time Entered. They all ran well and show much potential for future events. The meet winner was Cosmo, who not only got first place but also the points he needed to to finish his championship. Congratulations to his very happy owner, Robyn.

Other happy owners were Kim and Rick. Their little FTE girl, Skylar, ran awesome and finished second and was High Score Best Opposite Sex. She also picked up her first ARX points. The bridesmaid for the meet was Nami, she ran well and took third place. Veteran racer Miss Jane was fourth and her FTE niece, Miss Shayla was fifth. The High Score Show Champion, Dallas, again ran well and was sixth. Crestfield Whippets, Peaches and Captain tied for seventh. Peaches was

also our High Combined in the meet. Congratulations to Martha and Charlotte. Our race secretary Bonnie Moore, was thrilled when her beautiful boy took ninth place. Rounding out the top ten was our consistent running Carson.

The match was judged by Erynn Lucas. She picked four lovely winners, Boss, Peaches, Tally and Thomas. It was a beautiful line up for the picture. Beautiful little Peaches was our High Score Combined. Again more congratulations to Martha and Charlotte.

Again, I must thank the best crew in Whippet racing. Jen, Mary Jean, Debby, Guin, Andrea, Kim, Ed, Brad, David, Steve, Erynn, Robert, Charlotte, Rick R, Rick K, Steve N, and our race secretary, Bonnie Moore. You all did a great job and because of that our meet was so successful. To each of you I extend my appreciation and gratitude.

We have had the best weather luck (let's hope that holds to the National) and again had a break in the tropically hot and humid weather just in time for our August race meet and had a couple of those beautiful Minnesota summer days with blue skies and fluffy white clouds.

We also had some out-of-towners from Wisconsin join our race meet for more fun, more conversation, more food and more prizes!

Saturday we had 15 entries for regular racing. Pie won the meet undefeated earning 3 NARX points and 3 ARX points. Deuce was second earning 1 NARX point and Remy third earning 1 ARX point.

Our Saturday judge was Diane Blair who put up Remy, Marky, Pie and Leni. Pie was high-combined.

Sunday we had 16 entries. Deuce claimed the number one spot this day earning 3 NARX points with Pie com-

ing in second earning 1 NARX point and 3 ARX points.

Remy was third again earning 1 ARX point. Poor Jack was again Bridesmaid to the ARX points, but he did tell me personally that he still had a good time.

Our FTE today was Windy, who had tried out match racing the day before and she had a blast and a really good start ending up in the middle of the pack. I think she'll be back as she also personally told me she had a lot of fun.

Saturday match judge Diane Blair and #1 Remy, #2 Marky, #3 Pie, #4 Leni

In fact, many of the dogs whispered the same thing to me on the side, so I hope they told their owners the same thing.

Our Sunday judge was Kim Weigel who somehow escaped having her picture taken! She put up Leni, Zen Daisy, Marky and Deuce. Deuce was high combined.

That's all from us until the National!

Sunday match placements #1 Leni, #2 Zen Daisy, #3 Marky, #4 Deuce
