The *Continental Whippet Alliance* was formed to achieve the following objectives:

1. to unite Whippet fanciers with the common goal of promoting, protecting and preserving purebred Whippet racing
2. to encourage and promote quality in the breeding and racing of Whippets and to do all that is possible to bring their natural instincts to perfection
3. to urge members and breeders to accept the Whippet Standard of the Breed as approved by the American Kennel Club as the only standard of excellence for Whippets
4. to do all in its power to protect and advance the interests of the Whippet by encouraging sportsmanlike competition at race meets and conformation competitions and by providing a friendly and enjoyable environment
5. to provide a testing ground for Whippets to demonstrate they still have the instinct, desire and physical ability to do the athletic activity they were bred for, helping to maintain the Whippet as a healthy breed

# From the Editor

Welcome to this monster 100+ page [National Issue!](#) Grateful thanks to everyone who submitted material for this issue, with a special shout out to our official National photographers, Mary Huff and Laurie Erickson, who were both so generous in sharing photographs from the event, including the unique perspective captured in this issue's cover photo.

I was lucky to be able to attend the National this year, and I had a wonderful time. North Star Racing spared no detail in putting on a world class event, and there couldn't have been a better venue than the Hearleys' gorgeous property in Columbia, Minnesota. Thank you Fran and Barb for opening up your home and making us all feel so welcome!

Our next issue will be our popular [Annual Top Ten Issue](#), featuring the always popular **FREE ADS** for all the whippets lucky enough to land a spot in the racing, high combined, and conformation Top Tens, and **FREE PHOTOS** of all the honorable mention dogs (#11-20) in each set of standings! And if

your dog was both fast and beautiful enough to finish in multiple sets of standings, then they are entitled to a free ad and/or photo for each (or you can combine into one ad if that is easier)! You're only limited by your creativity and your ability to meet the deadline, so if you've got a contender, get that deadline on your calendars now and start planning your ads.

As this issue goes to press, there are still a few meets left on the calendar so the final standings are not yet available, but keep an eye on the website for updates, and I'll be contacting the lucky owners in person as soon as the year-end standings are finalized.

Of course, regular advertising is always welcome at the regular rate of \$15 for a full page. The deadline for ads and other submissions will be January 15th.

Happy holidays to everyone in the CWA family, whatever that holiday may be, and all the best in the new year.

NEXT DEADLINE

## President's Report

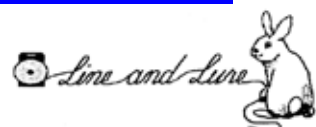

Only one meet left to conclude our 2016 Racing season. Congratulations to those wonderful dogs that did so well racing and competing for High Combined. I'm so happy to see the High Combined Award becoming the ultimate goal of so many of our participants. This is what CWA racing is all about and how thrilling to showcase such beautiful and athletic Whippets.

We are working on the 2017 Schedule and will hope to have that available on our website by early January. Please mark your calendars for August 18th, 19th and 20th when Racing For Fun in beautiful British Columbia, Canada will host our National race meet weekend. It's a long trip for most of our CWA participants but RFF guarantees you a wonderful time with some fabulous scenery and a bribe of west coast salmon thrown in. Canadians are rather famous for knowing how to throw a good party!

I am inviting any clubs interested in hosting the 2018 National weekend to please send me your submissions so they may be presented to the Board.

I hope everyone has a wonderful holiday season and we'll see you out on the track in 2017.

Linda Buchholz  
President, CWA

# 23RD CWA ANNUAL MATCH

Friday, September 9, 2016

Judge: Connie Brunkow, Fallowfield Whippets

# 23RD CWA ANNUAL MATCH CRITIQUE

submitted by Connie Brunkow

It was a pleasure to be invited to judge the 2016 CWA match in Columbus, MN. I was very pleased with the quality of the entry I had the privilege to examine. The venue at Barb and Fran Hearley's home was so pleasant and the exhibitors so friendly, it made the judging a lot of fun! My ring stewards, Robin Exsted and Lisa Ochoa, kept things moving smoothly, adding to the pleasure of the day.

When looking for my ideal Whippet I start with the topline. I believe that the whole dog is attached to the spine, so to speak, and if it's not right, the rest of the dog can't be. I prefer a longer topline with a moderate arch beginning over the loin, rather than over the 10th or "anticlinal" vertebra. A topline with a distinct dip behind the shoulders is incorrect. I generally don't reward a dog with a steep croup. Too short a loin or too steep a croup seem to impair the Whippet's ability to stretch out while running. Additionally, a longer-cast dog tends to have a longer stride, and can cover more distance with fewer strides, thereby running more efficiently. While I have seen shorter coupled Whippets run very well, I believe that overall, the longer dog will be the better runner.

Next I evaluate the front assembly. Over the years, I have become a pastern "junkie," looking for good angles in the entire front, but especially in the pasterns. I have found through experience with my own dogs that the incidence of chronic injury definitely increases with a straight pastern, due to the loss of the cushioning effect. If you examine the fronts of the fastest race dogs, they may be straighter in the shoulder or upper arm (humerus), but seldom in the pasterns. I

suspect that those who are upright in the pastern have shortened running careers. In this entry of Whippets, I did find a few individuals with short straight upper arms, a problem that continues to plague the breed. You will consistently see a very bunchy set of muscles over the upper arm when it is straight. This fault produces a short "goose stepping" movement, similar to what is seen in some terriers. Unlike a hackney gait, the dog moves his whole front leg from the elbow in a low but stiff, inflexible manner. It does seem to lead to restricted extension at the run. I also saw a few dogs that toe in, not only standing, but also moving, which is a serious fault.

The neck of the Whippet tells me something about his shoulders. If the neck appears shorter, I look for straight shoulders. I also look at the width between the shoulder blades- for me, 3 or 4 of my fingers is correct. Too little tells me that the shoulders may be set incorrectly on the ribcage. When the tips of the blades are too close, the dog loses agility, as the blades may interfere with each other when the dog is turning on the run. Too much width suggests I need to check the

# 23RD CWA ANNUAL MATCH CRITIQUE

upper arm, as it may be straight. I also like to see about one of my hand's width between the front legs, obviously varying somewhat with the size and gender of the Whippet. Of course, I like to see a lovely arched neck, blending beautifully into the shoulders.

Next I look at the ribs and underline. I prefer a longer flatter ribcage, the ribs angling somewhat backwards, allowing for lung room without adding width to the dog, which would tend to slow him down. A nice tuck-up helps the Whippet when in the contracting phase of his gallop, though a longer dog won't have as obvious a tuck-up as a shorter one.

The rear quarters should look powerful, though I

have seen a few Whippets with rears that were really too wide. I look for moderate rear angulation ideally matching the angles of the front assembly, with nice short hocks. When the rear is incorrectly more angulated than the front, the dogs must do one of two things when he moves - either he will "crab" (or "sidewind"), moving with his front and rear in different planes, or he will trot in a "sickle hocked" fashion. Both of these compensations will keep his back feet from interfering with his front, at the trot. I'd rather have a dog that's a little straight on both ends, but balanced, than one that's angled at the rear end and not the front. In my own dogs, I know that rear overangulation significantly reduces agility in the field. I prefer longer flatter muscles rather than more bunchy ones, though

# 23RD CWA ANNUAL MATCH CRITIQUE

submitted by Connie Brunkow

I don't think either type confers a special advantage for running. I just find the flatter muscles somewhat more aesthetic. I also worry about rear quarters that are set higher than the front, as it seems that those dogs have too much power in the "engine" and have a much greater potential for injury to the front, than if the hips and shoulders are in the same plane. I don't overly fault dogs who stand slightly toed-out in front as it corrects itself at movement, or dogs who are slightly cow-hocked as that doesn't seem to affect performance either, though I do fault a dog that toes in, either front or rear. I prefer a little longer foot rather than a too-round foot, as I have found that the cat foot seems more injury prone and is possibly not as efficient in soft ground.

After looking at the structural essentials, I evaluate the aesthetic parts of the Whippet. Heads are important for breed type, though for me, beauty is as beauty does. I did see many pretty heads in this entry, though we are unfortunately losing the big eyes which give our breed so much expression. At least we should try and breed the correct round-appearing shape, as almond shaped eyes will give the dog a very foreign look. A dark eye confers a nicer expression than a light one, but as long as the eye is at least as dark as the coat color, I won't fault it severely. A small ear set high on the head also confers nice breed type. I like a muzzle about as long, or even slightly longer than the backskull and ideally with good strong underjaw. Coat color is immaterial to me. A short tight coat is surprisingly water and dirt repellent. Also a lovely long tail, correctly carried, is icing on the cake. In addition to the importance of the tail as a rudder, it is used in signaling packmates of the dog's intentions while hunting.

When judging movement, I will forgive some minor unsoundness on either end, but tend to fault very narrow or overly wide fronts, hackney gaits (thankfully not seen often anymore) and extreme sloppiness of front movement (i.e. flipping pasterns, extreme toeing-in or out or loose elbows), as well as sickle hocks or overan-

gulated rear legs. When I evaluate the dog from the side I'm especially thrilled by a very light easy side gait, with nice reach and balanced drive, but don't look for German Shepherd dog flying trot, which is not correct in a Whippet. I have been fascinated for many years by the fact that some very good running dogs have been pretty unsound, especially in the front and I have wondered whether those animals might be more injury prone.

In this entry of Whippets, I expected to see very well muscled and fit dogs, as indeed I did. My winners were dogs who I believed would be able to perform well over the next two days of racing, and still stay sound.

Following is a brief critique of my winners.

**Puppy dog under 6 months – In Vogue's Urbane Ex-**

*plorer*. A handsome young dog, stands over a good amount of ground. Nice neck, it appears that he will have very nice substance. Moved well for his age.

**Puppy bitch under 6 months** – *In Vogue's Glamorous Gadabout*. A very pretty, feminine puppy. Great head and neck, Stands over ground with a very nice topline. She moves beautifully for such a youngster. I look forward to seeing her in about 2 years! I gave the bitch Best Puppy due her smoother movement and amazing ring presence for such a baby.

**Adult 12-18 months Dog** – *Fairchase Debmar May The Force Be With You*. A substantial dog, with a good topline. He placed over the second place dog based on his substance and longer back.

**Altered Dog** – *CH UCH Debmar's Exclusive Design At Fairchase*. Another nice, upstanding dog with a good topline. Would have liked a bit better pastern letdown, but moved well.

**BBE Dog** – *Serendipity Double O Seven*. A very masculine dog. Good head and neck, a bit more croup angle than I prefer.

**Open Dog** – *Terrena's Good Vibrations at Noralor TRP DPC PR*. Nicely masculine dog, not overdone. Moves well, though would like him a bit longer thru the loin. Good pastern let down and nice short hocks.

**Bench Champion Dog** – *CH Shamasan Hound Hill Dust In The Wind*. A wonderful, old fashioned dog, rather Stoney Meadows in appearance. Stands over ground, nice short hocks. A good mover, true coming and going. I awarded this dog BOS Adult for his type and movement.

**Race Champion Dog** – *Nonstopp Frehley's Comet ARX NARX4 TRP PR5 FCH*. A good sized long cast dog, excellent topline. Good pasterns, short hocks.

**12-18 Month Bitch** – *Fairchase Debmar The Force Awakens*. Attractive head, good pasterns. Would prefer a longer topline and a bit more bone.

**Altered Bitches** – *Fanfare's Living in Fast Forward TRP PR FCH RATO SC*. A pretty, long cast bitch, great pasterns. Nice mover, but perhaps a bit overangulated behind for my taste.

**BBE Bitch** – *CanCH Fireworks Follow Your Heart*. A very pretty typey bitch, excellent topline, balanced angulation, nice short hocks. Good side gait but could be sounder in the front.

**Open Bitch** – *Fireworks Dancing Queen ARX TRP PR*. An upstanding bitch, nice long loin, good pasterns. Would like a bit more bone for her size.

**Bench Champion Bitch** – *DC UGCH Debmar's Creole Rose At Fairchase TRP PR MC*. Pretty bitch, good pasterns. Would prefer a longer topline and less croup angle.

**Race Champion Bitch** – *Fairchase Debmar Midnight Mayhem ARX TRP PR2*. A long cast bitch who was in excellent condition. A fairly light eye, but nice head otherwise. Perfect topline for me, extremely smooth and powerful mover. Nice and sound coming and going. I awarded this bitch Best Adult based on her beautiful effortless movement.

**Veteran Dog 7-10 Years** – *GCH Wildhare Good Ride Cowboy TRP DPC PR2 FCH OTRM*. A handsome, long cast dog. Masculine, good pasterns. Nice smooth movement. Would like a little more daylight under him. I awarded him Best Veteran for his easy sidegait.

**Veteran Dog 10-12 years** – *CanCH Fireworks Dancing With Mr. D ARX DPCX TRP PR11 FCHX OTRM SRM*. A handsome, masculine long cast dog. Beautifully muscled for his age. Good pasterns.

**Veteran Dog 12+ Years – CH Bayleaf Black Mustard TRPX DPC FCH CGC.** A sweet old dog with a handsome head and neck. Moved well for his age.

**Veteran Bitch 7-10 Years – Affinity Orange Blossom Special ARX LCM TRP PR3.** A pretty feminine bitch, gorgeous head and neck. Good pasterns, in good condition. Would prefer a flatter croup angle. I am the co-breeder of her sire and can see him in her.

**Veteran Bitch 10-12 years – CanCH Swiftsure Sierra Leone TRP DPC PR4 SR OTR.** An upstanding bitch with a wonderful long topline. Good pasterns, balanced angles, short hocks. In good condition for her age. Very like in type to my Best Adult.

**Veteran Bitch 12+ Years – CH Bayleaf Sweet Annie TRP DPC PR2 FCH.** A wonderful old bitch, gorgeous type, head and neck. Nice short hocks, good pasterns. Moved very well for her age, topline is a little arthritic but still nice and long. I awarded her BOS Veteran for her gorgeous type and style.

BIM went to the Best Adult bitch for her wonderful movement and soundness. I do have to say that the Best Puppy was also in contention for this award for her style and wonderful ring presence.

I want to thank all the exhibitors who brought their beautiful dogs for me to evaluate. I try and give each dog equal attention, even if I don't think I will use the dog, as I feel every exhibitor paid their entry fee and is entitled to that courtesy. I also look at judging as a learning experience since each dog has something to teach me about anatomy and function. Good luck to all the dogs and safe and successful running in the future!

At eight weeks old, Stripe was Cora's pick puppy from the last litter she was involved with. He began the quest for his championship in mid-May, and finished exactly eight weeks later. His first time shown as a champion was at the CWA National Fun Match, under judge Connie Brunkow. He won a terrific Bench Champion class over much older dogs and then went on to Best of Opposite Sex Adult.

**Stripe is presently CWA race training at Marial.**

# 14TH ANNUAL CWA NATIONAL RACE MEET

Saturday, September 10, 2016

Columbus, MN

# 14th Annual CWA National September 10, 2016 Columbus, MN

submitted by Barb Hearley

After months of planning and anticipation the 2016 CWA National finally arrived. Even though early weather reports threatened rain, we ended up with beautiful Minnesota weather for the weekend. Highs were in the 70's, with clouds on Friday, perfect for a show, and sunny and breezy on Saturday and Sunday.

First, North Star Racing would like to thank everyone that helped make this National possible:

- All of the generous donors without whom there wouldn't have been such wonderful awards
- Our show chair Robin Exsted and her assistant Sandy DePottey who helped with trophies, ribbons and organized and took care of all the myriad details for the fun match Friday and the conformation matches Saturday and Sunday
- Steve Shimer our race secretary and Krista Siehndel our board wizard
- Our food committee Sandy and Tom DePottey, and Mike and Kim Weigel for helping with all the wonderful food
- Pat Reynolds our Friday grill master
- Lisa Ochoa for the catalog, the website, and so many other things too numerous to count, not the least being keeping us sane
- Our box operators Ule James and Lisa Ochoa
- Our inspection team led by Gail Weiberdink
- Our photographers Laurie Erickson and Mary Huff
- Everyone who foul judged, line judged, boxed or caught dogs

- Fran McHugh who stepped in to set up the raffle at the last minute
- All of the attendees who came from all across the states and Canada

Our official photographers Laurie Erickson and Mary Huff tag teamed covering the events as each had dogs entered. This was a good deal as we got BOATLOADS of excellent photos.

Visit Laurie's and Mary's sites to view and order photos:

It was wonderful to see all our old friends and new friends from Canada, Texas, Illinois, Wisconsin, Connecticut, Ohio, Maryland, California, Virginia, Washington, and Louisiana. Everyone was excited to be there and there was lots of talking, laughing, partying and eating. Pardon me if I focus on the eating as it's lunch time as I write this!

We had over 70 entries including a passel of adorable puppies for Friday's fun match judged by Connie Brun-

kow. Best Puppy was In Vogue's Glamorous Gaddabout, Best Veteran was Wildhare Good Ride Cowboy and Best Adult and Best in Match was FairChase Debmar Midnight Mayhem. See Connie's review for a list of all the winners and the low-down on all the beautiful dogs entered.

After the match, Pat Reynolds grilled us up some savory bratwurst, hamburgers and zucchini, which was accompanied potluck salads, sides and desserts. The party along with scintillating conversation didn't end until dark.

Saturday we started bright and early at 7:00 am with coffee, homemade cinnamon rolls and assorted breakfast items. Oh, and we had 64 dogs: 23 A dogs, 16 B dogs, 13 C dogs, 9 D dogs and 3

FTEs. Even though it had originally looked like we were going to break the attendance record for a National, there were a number of girls who conspired against us

## Perpetual Trophy Winners

Marial Award (meet winner) — *Jedi*

McManus Award (match winner) — *Austin*

Harrison Award (high scoring dog with a field championship) — *Deuce*

Mountan Award (high scoring dog with a field and bench championship) — *Fanny*

Miss Shelby Trophy (high combined) — *Pogue*

by going into season and a few folks that were unable to make it. We did, however, break the record for the number of A dogs at a National and we believe it was also the first national with no puppies entered.

We had 12 races the first program: two D/FTE races, three C races, three B races and four A races. Winners were Henry, Finn, Maud, Fanny, Pete, Banks, Stormy/Rafa (tie), Jack, Jedi, Pogue, Pie/Marshall (tie) and Deuce.

Legends were run after the first program and competing were Mango, Cleo and Simmer, all of whom had huge smiles as they ran down the track watched by the audience with matching smiles.

Program 2 collapsed in to 11 races with the winners in ascending order: Tanner, Lyla, Jade, Banner, Leia, Rake, Lizzie/Fender (tie), Finn, Gibson-S and Jedi.

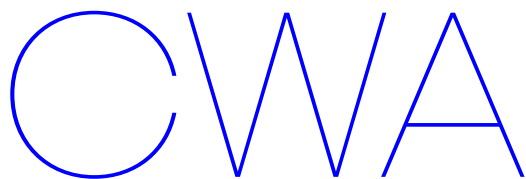

Program 3 consisted of 10 races with the winners in ascending order: Homer, Iris, Leonard,

Moon, Zen, Nami, Lucy, Leia, Gibson-B and Jedi.

We broke briefly for a tasty lunch of ham, turkey and

roast beef sandwiches, oriental salad, chips and various deserts and treats.

Program 4 race winners were Windy, Brandy, Marky, Abel, Story, Darby, Wrecker, Skywalker, Solo and Jedi.

The racing was very tight. We had to add extra judges for some of the lower races to make sure all the placements were caught. Interestingly, and I think this shows how competitive this National was, of the 64 dogs, we had 43 races with only two dogs winning more than one race! Leia won two and Jedi won four, running undefeated and winning the National meet with 7 NARX points. Reserve in the meet was Gibson S with 7 ARX points and 5 NARX points, third was Pogue with 3 NARX points and fourth with 5 ARX points and 1 NARX point was Gibson-B. The third set of ARX points went to Pie and the last ARX point was split between

Banks and Nami.

The National conformation match was judged by Phoebe Booth. 34 of the dogs were presented to Phoebe and she placed Austin, Moon, Leia and Pogue. Phoebe also gave honorable mentions to Amber, Trinity, Chip, Darby, Zen and Remy.

High Combined was Pogue. The National's coveted turtle award went to Penny.

We ended the day with a delicious buffet from Famous Dave's and the award ceremony. While everyone finished devouring grilled chicken, spare ribs, Georgia pulled pork, mashed potatoes, beans, corn muffins, salads, spicy pickles, cake, and pies, many purple and gold ribbons and trophies of all sorts were handed out. The winners of the various goodies are mentioned

elsewhere in this issue.

Sunday was another early morning and we started out with coffee, biscuits and gravy, monkey bread and other treats. In the meet we had 51 dogs: 15 A dogs, 13 B dogs, 14 C dogs, and 9 D dogs.

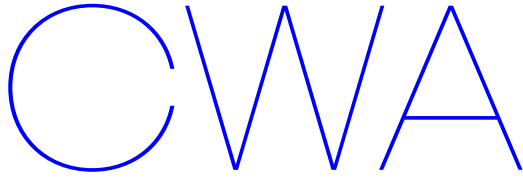

We started out with 11 races in the first program. Winners in ascending order were Tanner, Henry, Maple, Stormy, Pete, Banks, Leonard, Story, Jedi, Skywalker,

and Pogue.

We dropped to 8 races in the second program and winners were Erik, Tres, ChaCha, Banner, Brandy, Leia, Banks, Solo/Gibson B (tie) and Jedi.

Program 3 and 4 both consisted of 8 races. Third program winners were Windy, Leni/Khaleesi (tie), Finn, Rake, Remy, Fender, Deuce and Pogue. Fourth program winners were Fling, Fanny, Jade, Lyla, Banner, Leia, Gib-

son-B and Pogue.

Lunch was a repeat of Saturday with no complaints and it was hastily consumed in between races to ensure our guests got on the road quickly.

Pogue won the meet and 6 NARX points, second with 4 NARX points was Jedi, third with 2 NARX points was Deuce and fourth for 1 NARX point was Gibson-S.

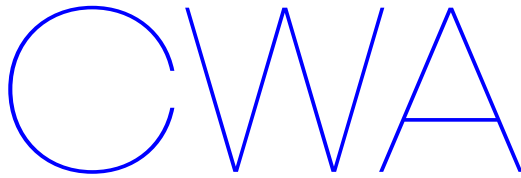

Gibson- B was fifth and got the top set of 6 ARX points and the bottom 3 sets of ARX points were split be-

tween Nami, Banks and Rake. The coveted turtle went to Donald.

Robin LaFortune judged the conformation match and placed Erik, Leia, Chip and Banks. High Combined was Leia.

The Sunday trophy theme was "Time for a Rest" and winners and placements received cozy cave beds, dog beds, crate pads and snuggly toys.

## CRITIQUE: 2016 CWA NATIONAL MATCH - PHOEBE BOOTH

I was most flattered to be asked to judge the match held after the 2016 CWA race meet in Minnesota. I'd like to express my thanks to the Hearleys for the use of their beautiful property, and to all who made it an unforgettable event.

I always enjoy judging Whippets who compete in both performance and conformation events. It is a pleasure to go over dogs that are balanced and fit, and that can be said about the majority of the entrants. With 34 dogs competing, my decisions were very difficult, sometimes splitting hairs, and on another day my choices could have been different.

The quality of the dogs was uniformly good. If I had any constructive comment at all, I would like to have seen more dogs with deeper briskets and more "filled in" fronts. For me, this is not just an attribute that looks good, but it is a desirable trait that affords the Whippet greater lung capacity and endurance. I know that some very fast dogs are not very deep, but I think their muscular development and moderation make up for this. In a "perfect" world, they would excel with all of the attributes that are asked for in the standard.

On the subject of moderation, I was very pleased to find that most of the dogs in competition were sound, and balanced, and moderate. In the conformation show ring, I often see dogs that tend toward extremes. Necks are too long and thin, body lengths are exaggerated, both too short and too long, and most egregiously, rear angulation is often overdone. These extremes might make for an attractive static "picture," but they are a detriment to performance ability. It makes sense that dogs that are successful in a racing venue would share most of the more moderate physical traits that are called for in our standard.

I was very satisfied with my placements. My first place dog was the up to size fawn brindle and white male, **Serendipity Double O Seven** (Levine), who was in excellent condition, beautifully balanced at both ends, and completely sound. I especially liked his easygoing side gait, and clean movement both coming and going.

The second place dog, another fawn brindle and white male, **Ch. Mason Hill Talking To The Moon TRP DPC PR2 SC** (Costello/Mason/Dycha) pressed him very hard. He is a handsome dog of lovely breed type and a nice moderate size. The first dog finally got the nod because I felt he stood over a little more ground with a little more length of loin, and he was slightly more balanced front and rear. But both dogs are top quality and built to be successful in any Whippet discipline they

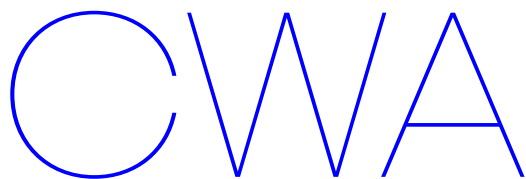

might choose to compete in.

The third place Whippet, **Fairchase Debmar Midnight Mayhem ARX TRP PR2** (Williams), is a powerful and impressive blue brindle bitch that had much to like about her. She was sound, balanced, moderate, with terrific muscular development, and beautiful low hocks. Everything about her looked fit and fast. If I could change her, I would add a few more smooth and graceful curves to her powerful frame, especially over the loin.

The fourth place dog, the solid black, **Wildabout Kentucky Punch ARX NARX PR CRXII** (Chopko), was a lovely combination of athleticism and elegance. He was in gleaming condition and I loved his balance and sym-

metry. He was smooth and elegant and very light on his feet, though he could have had more depth and fill in front. His was a very deserving placement.

I cannot close without mentioning that I felt there were so many dogs in competition with so many positive attributes, that I decided to bend the rules a little and single out 7 more Whippets for "Honorable Mention." On another day, any one of them could have received a placement. They were:

1. Atlas Vale of White Horse PR FCh (Weigle)
2. Summit Jomyr In the Matrix (Wasser/Vernon)
3. Northwind's Frito Bandito (DePottey/Nierengarten)
4. Windflight Darby O'Gill ARX NAJ (Strack)

6. UUJ UCH Wylie's An Affair To Remember At Cogshall DM (Borton)
7. Bonpai's Roller Girl Rules Charm City ARX NARX3 CRX FCh SC (McHugh)

Thanks to all of the exhibitors for their sportsmanship and good will, and thanks to everyone who contributed to making this event a delightful, and memorable experience. Our multi purpose breed is in great shape. Bravo breeders! Aren't Whippets and their people wonderful?

When the Lagniappe Racing Club's August 27-28 weekend was added to the calendar, no one could anticipate just how swampy our Romp race meet was going to be.

Sadly a lot of homes in the Denham Springs area near Bush were destroyed and a lot of LRC's friends lost everything. Roads were also destroyed and the conditions left a lot of people concerned on attending and remaining home.

Our meet was held in addition to an AKC event that weekend at the property and a portion of the club monies went to help our local rescue community, which was in overdrive helping out the flood stricken area.

Weather continued to factor in the weekend with lower than extreme temperatures offset by the rains. Track conditions were good in between thunderstorm outbursts and LRC managed to hold three programs with 10 adults and one puppy on both days.

In the first program, several dogs honed their skills for the upcoming nationals. Winning the D race, Josephine had a commanding lead over Church Lady. Fanny edged Evangeline and Jillian in the C race. Khaleesi showed younger full sister Lyla how experience out of the box can make a difference, and the stalwarts Jedi and Skywalker left half sister Brandy just out of the top slot. Puppy Brynley caught onto the the box concept and continued to show speed progression with her next two runs.

In the second program, Evangeline turned on some speed and in the high point, Lyla turned the tables on her litter sister Josephine and older full sister Khaleesi, but could not overcome the littermates Jedi and Skywalker. All dogs in the high point were full siblings and one could place them according to height as to the eventual outcome.

In the third program, Lyla won the co-feature over Jillian and Church Lady. The high point had undefeated Jedi edging out Skywalker with littermate Khaleesi taking third in front of Evangeline and Josephine.

With the conclusion of racing and the imminent start of more rain, the match was quickly held under the available cover of a turnout pen on the property. Michelle Jobert, DVM declared Jillian her fittest racer with Church Lady, Khaleesi and Josephine rounding out her selections. Khaleesi was awarded High Combined for the day.

Saturday match judge Michelle Jobert and #1 Jillian

Evangeline (finishing fourth in the meet) finished her ARX with more points than she needed leaving her niece Khaleesi with 1 ARX point for the day. Evangeline becomes the fourth from her litter to achieve the ARX title. Nephews Jedi and Skywalker were first and second in the meet.

Sunday dawned with fewer clouds than Saturday but the oppressive heat and humidity got race attendees motivated to start early. Puppy Brynley ran clean box breaks and her confidence grew with each puppy race, clearing her for adult competition at the next meet.

Church Lady sought redemption on this Sunday morning easily winning her C race. Banner came out on Sunday and won the B race. Skywalker did not come out Sunday and Tres came to challenge (unsuccessfully) Jedi's lock on the A grade.

Some match ups in the pack slots came in the second program as both Jedi and younger sister Lyla won their races. Banner and Khaleesi battled for second in the high point and Digger and Fanny duked it out in the co-feature.

Digger won the last program co-feature and secured fourth place in the meet to take home 1 ARX point. Jedi again finished the abbreviated meet undefeated for 3 NARX points.

Banner finished second to Jedi in several races and ended up second in the meet for a single NARX point. Khaleesi was third in the meet and added 3 ARX points to her record; she is very close to joining her four other littermates with that title.

Strong winds came up as the meet finished and judge Cindy Owens gathered her match dogs in front of her motor-home challenging handlers to make it quick so she could take in items before the storm hit. She selected Lyla, Digger, Banner and the puppy Brynley.

Banner became High Combined and with the final award given out, the race goers ran for cover and the skies opened up.

On Saturday Zen Daisy won three of four high point races to win the meet and take home 3 NARX and

3 ARX points), followed by Wrecker in second, earning 1 NARX, and Zen Daisy's sister Remy in third, earning 1 ARX.

Saturday's conformation match was judged by Guy Bagley. His selections were: Leni, Moon, Darby, and Zen Daisy. High combined was Zen Daisy.

Undefeated high point winner on Sunday was Zen Daisy's other sister Pie, who earned 3 NARX and 3 ARX points. Placing second was Wrecker, for 1 NARX, and third was Remy, for 1 ARX. It was a great weekend for Zen, Pie and Remy.

Lisa Marshall judged the Sunday conformation match. She awarded placement ribbons to: Caleb, Leni, Marky and Cash. High combined was Leni.

The beautiful weather made for a hungry group both days, which enjoyed the delicious spiral baked ham. There were too many tasty side dishes and desserts to name. Janet Siehndel brought her tasty beans, and Joyce Szymanski brought a delicious deco-

rated cake to celebrate Lisa Costello's birthday.

September 3<sup>rd</sup> was also the 50<sup>th</sup> golden wedding anniversary of Doug and Mary Beth Arthur. There was a cake with a Whippet on it commemorating that occasion. Susan Cook brought an almost-too-beautiful to-eat decorated layered cheesecake for the golden anniversary. It was superb way to spend a celebratory event with friends and their dogs on a perfectly beautiful day.

Our surprise of the day came when all of the race participants serenaded us with an original and comical "Happy Anniversary" song that was sung to the tune of "Old McDonald had a Farm, E-I-E-I-O" composed by Lyn and Jeff Ollswang and Peggy Berg

Again, thank you to all the people who help make these events run well and have tasty food for all. We would like to thank all those participants that generously donated prizes. The trophy table was full with a wide variety of prizes for the winners to select from.

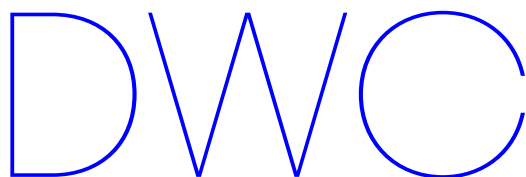

Thank you also to those who helped officiate during both days of exciting racing. The weekend could not have been a success without everyone working together and offering to help. Thank you to those people

who came and helped who did not have a dog competing: John, Jackie and Katie Shebesta, Susan Cook, Tom and Lyn Moran, Carol Smith, Gilbert Mangold and Lynn Ollswang. A big thank you especially to Jennifer Smith and Peggy Berg who shared the box-operating duties; Janet Siehndel our Paddock Judge and Queen of the Food and Carol Smith for food set up and clean up; and the dedicated line judges. Susan Cook judged all day Saturday and Lynn Ollswang all day on Sunday. Thank you to everyone who helped catch or take down someone else's whippets. You are all great! It is truly a group effort to put on these events and we thank you all. Hope to see all of you back at Arthur's Acres next year Labor Day weekend.

We had a beautiful weekend, a little warm but not too bad. Inspection went smoothly. On Saturday we knew we were going to have a long day ahead of us, as we also had to hold the MAWA AKC B match after the meet. All jumped in and got everything done without any equipment failures or delays. Thank you Ken Norkett for stepping up to the plate and manning the boxes for the weekend in Drew's absence. Thank you to Dave for his awesome BBQ pork and to all who brought sides for the weekend. We always eat right!

Saturday's meet had 32 starters. The meet winner was the Bahms' Jedi for 5 NARX points followed by their Skywalker for 3 NARX points, and third in the meet was the Feldheims' Stannis for 1 NARX point.

ARX points went to the Bahms' Lyla for 5 ARX pts. Tied for the second set of points was Shannon Lyons' Mercy and the day's high combined winner, Luke owned and bred by Cathy Richmond-Williams. Mercy and Luke both got 2 ARX points.

At the end of the day we had 12 dogs entered in the

conformation match, judged by Andrea Bradford. She placed Luke first, Annie second, Lola third and Sage fourth. Congrats to the points winners, the conformation winner and HIGH COMBINED winner!

Sunday was another nice day with 30 dogs competing. Sunday's meet winner was the Bahms' Skywalker for 5 ARX points, followed by a CWA FTE, VooDoo, bred by Shannon Lyons and owned by Lisandre Storandt for 5 ARX and 3 NARX points. Lisandre had a bad experience at one of the other racing venues and was talked into coming to a CWA meet. I think we made them feel at home, and I think we have another couple hooked! The Feldheims' Stannis placed third for 1 NARX point.

The Bahm's Lyla earned the second set of ARX points and Shannon Lyons Mercy earned the last ARX point. Our conformation judge was Peg Rideout. She had 16 dogs to judge and placed Ticket, owned by Phyllis Brown, first, Weston second, Camelot third and Voo-

Doo fourth. Our High Combined was awarded to CWA's newbie, Lisandre's VooDoo, really topping off her day!

Thanks again for your support! It takes a village and we make it happen!

**B**ecause of the tragic accident that occurred at our meet, I find it difficult to write this race report. The day started out promising with an excellent entry of 40 dogs. Everyone was thrilled that our wonderful Canadian friends were here participating in our meet. They are truly great people and always bring something special to our events. It was shocking and upsetting to all, when in the fourth race, Fireworks Thunderstruck (Pirate Pete) had a freak accident at the finish line and was killed. Pete was owned and dearly loved by his owners Barb Barkley and Howard Wirsch. It is impossible to put into words the sadness and grief that these two dear people were feeling when they realized what had happened. All we could do was offer them our sympathy and support.

The meet did continue but all the joy had gone from the day. The eventual meet winner was Lucky who ran well and was deserving of his win. Litter brothers Cosmo and Ranger were second and third. Ranger got the top ARX points and finished his race title. Many congratulations to Ahren his very happy owner. Fourth place went to our Canadian boy, Gibson. This young dog shows a lot of potential for future racing. His litter

sister, Skylar was Best Opposite Sex and got the second set of championship points. Sixth place went to Merry, who also got a point and was High Score FTE. Nami ran really well and got the seventh spot. Miss Bennett, Carson and Arrow rounded out a strong running top ten.

We want to give a special thank you to Barb Barkley who wanted to fulfill her assignment to judge our match. Her placements were beautiful Baillie, handsome Niko, pretty Nami, and cute, cute Peaches. Congratulations to Diane Johnson on Nami being our High Combined dog in the meet.

Many, many thanks to everyone who pulled together to turn this traumatic day into a successful event.

Our Sunday meet had another strong entry of 37 adult starters. The competition was tough between litter mates Strega and Lucky. Strega ran hard and eventually finished as top dog in the meet. Lucky finished a close second. Racing well again, our Canadian entry, Gibson, took third place. Best Opposite Sex in meet went to another Canadian entry, Cha Cha. She ran so well and made her owners, Barb and Howard very

proud and happy. Three nice running bitches, Nami, Shayla and Skylar took the fifth, sixth and seventh spot. Eighth place went to our high scoring show champion, Carson. Leonard and Boss rounded out the final placements in our top ten.

Sunday's match was judged by Libby de Mille. She had four lovely dogs in her final placements: Dallas, Carson, Boss and Disco. Disco was also high score FTE so he had a really good start to his CWA race career. Sunday's High Combined was Carson. He is owned by a very proud and happy Erynn Lucas.

We would like to thank everyone for bringing the delicious food for our pot luck lunches. Both days the dishes were greatly enjoyed by all. The barbecue on Saturday was a huge success. Many thanks go to our Canadian cooks, Peter and Howard who beautifully prepared our hot dogs and hamburgers.

Many people worked very hard to make this a successful weekend:

Todd Willhoyte and Erynn Lucas stepped up in time of need and did a great job running the lure. I extend a big thank you to them both.

Our fabulous team of Kim and Ed did their usual fantastic job running the boxes and the paddock.

The finish line crew, Mary Jean, Debby, Guin and Andrea were great and very dependable.

Set up and take down workers, Todd, Rick R, Rick K, Steve, Ed, Peter, Howard, Steve Nunes, Che, Erynn, and Tina.

Conformation judges Barb Barkley and Libby de Mille.

Trophy donors Bonnie Moore and Marrienne Lu.

Our incredible lure return operator David Kay and lastly Charlotte Fielder and our great race secretary Bonnie Moore.

To each of you my sincere thanks and appreciation for everything you did to make things go so smoothly and efficiently.

I look forward to next season when we will resume our wonderful CWA race meets.

**M**AWRA proudly presents this meet report from Racemeeticane 2016! Last year our October meet was canceled when New Jersey declared a state of emergency for a hurricane that never came.

This year, Hurricane Matthew moved ashore and the meet marched on with no government officials to save us from ourselves! Despite the damp weather, our spirits were high and there were a lot of great success stories beyond what was captured in the race by race finish summary.

Saturday began warm and clear, then became rainy and transitioned into drenching by the match. Pops popped up and we kept right on racing! The meet began with 30 starters but there was a long list of dogs that needed practice and proofing to get up and running, making the challenge to get through the meet even harder. We rolled up our sleeves and got going.

Happily, Susan Fredericks game down from New York state with her daughter Anna to support the club with her coffee carafe wrangling talents. Although she had been in the hospital just the week before for heart issues, she braved a hurricane and kept the coffee hot for us. That is a devotion to caffeination that keeps the meet running, come rain or shine (but mostly rain). Our spirits were lifted not only by the cups of Joe but by having "Mom Fredericks" in the paddock.

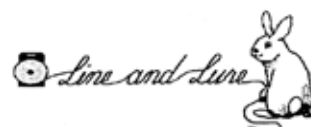

Another key supporting role came from Liz Aiello, who is our board clerk for the northern race meets our club hosts. She kept the paddock running smoothly, updated the board, and was the ringmaster for our circus -- featuring nothing but flying monkeys!

This freed up Kristen Fredericks, the third member of the Fredericks trio, to operate the lure all weekend. With the rain and muddy sliding stops, safe lure operation is crucial to a safe and successful meet. Especially

with so many practicing dogs to try to get up and running from Saturday to Sunday, Kristen pulled double duty running a race meet and a box practice simultaneously.

Finally, we couldn't have done it without the box. Mary Lou Roselli generously lent us her box to use for the meet. The only hard part was transportation. Marc Stumbo and Lauri Austin generously offered to tow it to the meet and take it back. That is a generous donation of time, gas money, and tolls on a good day. Add in driving rain and wind and it was truly heroic work. Brian McHugh operated the box all day, becoming one of the most important people to make the meet run. Like Kristen, he was stuck pulling double duty while Liz was resetting the board by helping with practices. He served his lonely post down by the box faithfully all weekend, like a lighthouse keeper keeping the lamp lit for us as we walked down the track toward our goal. Finally, the whole club helped with hot food at lunch

and soggy duty line judging and dog catching. It truly was a team effort all weekend.

The first program high point race was unusual in that we only had three A dogs. Lucy, the only one of the three with an ARX, was coming off an injury and was not going to run a full meet. It was anyone's game.

As the day progressed, newcomer Woodford finished his title in grand style running not only completely undefeated, but winning by large margins, easily finishing his ARX title with the top points. This win also finished his NARX, reflecting the training owner Donna Miner invested before sending him down the track with competition.

Woodford is named for one of Kentucky's "oldest and smallest distilleries... built on history," because it was erected on the site of an original distillery founded in 1812. Donna chose the name thoughtfully as it is clear that Woodford the whippet is as thoughtfully aged as the bourbon and whiskey produced by the Woodford Reserve distillery.

Woodford is also a product of illustrious whippets accomplished in both the show ring and the field, just like the Woodford distillery draws on its own rich history to produce its present-day product. It has been fun to watch her finally uncork her special "Woodford" whippet and see the product of his pedigree and training pay off in a perfect record of meet wins in competition.

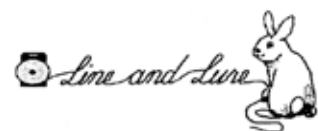

Gale, owned and loved by Alice Mark, took second set of points. Although she is a newer dog to CWA, she has been competing for two years in WRA. It was nice to have Gale and Alice join us for another meet and enjoy such success. Alice has been a long-time member of Jersey Rag Racers, so it is fun to welcome her and Gale to MAWRA where she contributes a lot of running know-how and her famous pizza bread to the potluck!

The bottom points went to another promising young bitch, Vega, owned and loved by the Solano family. Vega has been part of the well-known "Baconbit" litter. Littermates Marky and Maple have also taken points when they attend meets and Marky is currently ranked in the top ten for conformation and high combined in 2016 following a nice season of successes in the mid-west. Vega contributed to the Baconbit reputation this weekend, but also made the cut in the match. Although she was not in the final four match placements, her success reflects the versatility of the litter and we look for her continued success in the final two MAWRA meets this year.

Carl Morgan's breeding program was also validated once again. A perennial name high in the list of top finishers at every MAWRA meet, the Bonpai litter sisters Bose and Lucy were both in the top five, even though Lucy had to scratch her 4th race as she was coming off an injury. The staying power of these girls at age five and a half makes their meet placements on Saturday even more impressive. Bose is also currently ranked among the top ten high combined for the year. May we all enjoy enduring success like these two wonderful girls as we approach our Veteran years!

These girls also contributed to the demonstration of more-than-hurricane force put forward by the MAWRA girls all weekend. Bitches dominated the top five both days, with only Woodford breaking into the top rankings on Saturday or Sunday. Sunday's placements included not only Woodford, but Donna Miner's other two powerhouses, both girls, Loon and Weasel. Even with these formidable additions to the competition, Alice Mark's Gale hung in there, finishing third in the meet on Sunday.

Nancy Jorczak's girl Echo was in the hunt both days. She was sixth on Saturday, but on Sunday, which was actually windier and rainier, she took fifth and the bottom set of ARX points by knocking Vega down the

Pennsville, NJ

board to a still very respectable seventh. Both girls are still only two years old, so we look for them both to continue their rivalry for years to come. Echo's perseverance in the face of the weather speaks well for her heart for the game, but Vega's speed in fair weather will make her a tough one to top in many meets. Echo is currently graded a C dog, so her achievements show she has found her feet and she may move up the grading guide with experience.

Outside the top five, the boys did manage to at least get a piece of the top ten both days. Rhaegar, owned by yours truly, Erin McNeill, was the highest ranking male behind Woodford on Saturday with a 7th place finish. He barely snuck into the top ten on Sunday, however, as Argyle came in sixth, and Zuko pulled out a fantastic finish coming in eighth, knocking Rhaegar down the board. On Saturday, the boys really rounded out the top ten, with Kenai, Trick, and Blaze finishing eighth, ninth and tenth respectively.

Those three finishes by the boys on Saturday were heartwarming, which was nice in the bad weather! Kenai is new to the sport as he is still a yearling. Kenai won his way into his breeder's heart, becoming one of her two keeper puppies after she planned on only keeping one. His talent on the track proves that her heart did not lead her astray as he is clearly his father's son.

Kenai's sire is Beau, Bheki Bowman-Mealey's well-known red brindle dog. Beau has an incredible record in CWA and it is nice to see that Kenai will carry forward that proud tradition for her breeding program. He also acquitted himself admirably in the match, coming in second on Saturday, which earned him high combined for the day! Good looks and talent-- it doesn't get any better than that, folks!

Trick's finish made him the comeback kid for owners Lauri Austin and Marc Stumbo. Trick suffered from a

bout of Lyme disease early in his racing career, and he was not able to live up to his pedigree potential until now. After a long time off to recover, with lots of love and effort by his family to get him back to running form, Trick is now ready to show what he can do. We hope he continues to come into his own without artificial setbacks in his way to keep him from being the dog he was born to become.

Nor was Trick Lauri and Marc's only success story this weekend. They were also able to premier Houdini, who at three completed a long program of race training on Saturday between races. The effort paid off and despite challenging track conditions for a newcomer, Houdini was high scoring First Time Entry on Sunday.

In fact, there was another FTE bringing tears of joy to her owner's face to mix with the raindrops: Villa! The Villainess lived up to her call name as a puppy, showing an inclination to foul when she ran by playing with the other dogs. Although she was never aggressive, she definitely lacked focus and preferred mischief to keeping to the task at hand. Her loving owner, Phyllis Epstein, overcame her own personal health challenges to practice Villa whenever she could. Finally, Villa was certified as a clean runner as an ultra focused fireball shooting down the track.

On Sunday she finished right behind Houdini. Both Villa and Houdini are only three, so the training efforts on both will hopefully pay off with long careers full of happy days to come. Why do I suddenly have the song lyric "I got sunshiiiiine on a rainy day" in my head? I bet Phyllis, Lauri, and Marc do too!

The Peppertree luau litter was also well represented on the field during Racemeeticane with Surfer, Zuko, and Tiki tearing down the track. On Saturday all three finished solidly in the top 20. Zuko and Tiki went on to prove they were truly second day dogs as both finished in the top ten on Sunday, with Zuko also placing fourth

in the match! Surfer won the turtle award on Sunday, which is a bit out of character for him. Can't win them all and hopefully "surf's up" will be heard on the field at our November and December meets. Surfer and Zuko are owned by Anna Fredericks and Tiki, their sister, is owned by Lori Stebritz who did not make the drive this time. (Smart move, Lori. Smart move.)

Also debuting at this meet was Tomte, a Swedish import puppy owned by Erin McNeill. The buttercream bombshell ran a solo act as the only puppy, but did so in grand style, wearing a glittery muzzle painted to resemble the Swedish flag. I am grateful to Krys Lyons for fulfilling this special request. (Message her on Facebook if you have a muzzle painting scheme you would like to see.)

Tomte's puppy racing debut meant he could enter the match where it was truly his time to shine-- even without a sparkly muzzle to assist. Or sunshine, for that matter. Showing in a downpour, Tomte took first place

in the match at barely a year old for his first DPC leg under match judge Charlotte Conway. What a way to start!

Annie Andrews' girl Apple took third in the match. She is aptly registered as Mystic Run's Mink Luster. If you haven't seen this solid fawn beauty in person, please try. She glows and it is nice to see her beauty rewarded in the match ring. Apple is the second generation of Annie's breeding program. Her vision for her breeding program has certainly come true with Apple and we look forward to more successful days ahead for her.

Rounding out the match placements was LeBronze, owned by Mark Mortin. LeBronze is another perennial winner in the match ring (and the show ring in AKC), so his placement here was no surprise. LeB, as he is affectionately known, also came in 13th on both Saturday and Sunday, just outside the competitive top ten finishers.

Saturday match judge Charlotte Conway and #1 Tomte, #2 Kenai, #3 Apple, #4 LeBronze

The match picture says it all! Thanks to our judge Charlotte Conway for being a real trooper and judging cold, muddy dogs in a downpour! From left to right: Judge Charlotte with Tomte, Kenai, Apple, and LeBronze.

On Sunday, Jill Hopfenbeck's dog Robbie won the match under judge Carl Morgan. Lucky for Tomte, Robbie has his AKC Champion title, so he was ineligible for the DPC leg. Thus, puppy Tomte was able to rack up a second DPC leg with his second place finish in the match. The

clouds parted and the sun gleamed down on us for the first time in 24 hours. Or maybe that was just me and it was still raining. If so, I didn't notice.

Donna Miner's girl Loon took third place in the match and with her second place meet finish on Sunday, was our high combined. This put Loon on the board for top ten high combined for the year, quite an achievement for a bitch with her speed down the track.

It is always bittersweet to see the last race meet of the year come upon us and this one in particular was looking to be one of our more memorable meets...

October had been rather wet in Vancouver with record breaking rainfall on 28 of the 31 days. I still can't believe our luck that two of the only three dry and sunny days happened to coincide with our scheduled racing weekend. Thankfully, the field is well drained so even with all the rain, the track was in great condition for racing. Needless to say, we all enjoyed seeing the sun again and taking in a perfect fall day for racing.

We started the day with 20 adult starters, including four FTEs, and one puppy. We had lots of nice close races in all the grades and the FTEs all had a great first meet. The line judges and finish line camera had their work cut out for them this weekend. The race for those ARX points was a close one with Nami, Jericho and Winston all in the hunt for those hard-to-get-points. Our puppy racer Sage had great form in her puppy races and showed like a pro in the match, winning first place, followed by Austin, Winston and Chacha under

judge Margaret Gaull. Saturday's high combined winner was Winston.

After the match was over we all sat down to enjoy a big bowl of yummy warm stew and some tasty desserts. With day one complete, we packed up the field and headed home to rest up for day two.

Sunday's forecast was for rain, but our good weather luck continued to hold as the rain made an appearance overnight but not a drop fell for the rest of the day. However our good fortune seemed to come to an abrupt end when the starting boxes broke as they were being unloaded from the trailer. After finding the broken part and realizing this was not a simple fix that could be done at the field, a plan was set in motion to retrieve another set of racing boxes. Luck was back in our favour as Lorna Leinbach just happened to be storing a set of racing boxes at her house for the BC Whippet Racing Club, and the only downside was that they were about an hour's drive from the field.

With no time to waste, we quickly got the broken box-

es back in the trailer, and hit the road to get the replacement boxes. To help make up time we continued to set up the field and got all the dogs checked in and the board set while we were waiting for the boxes to arrive.

Thankfully it wasn't too long of a delay and we were back up and running by 10am. Of course since it was late in the year, we knew we had to keep things moving so we could finish the meet in daylight. A big thank you to everyone for jumping in and keeping the meet moving the rest of the day, so much so that even with the late start, we still managed to finish the meet by 2pm!

Of course the dogs were oblivious to the morning box drama and were happy to get to racing. Once again we had lots of close racing with an epic battle for ARX points being between Nami, Jericho and Winston. For the second day, Nami took the top set of points and finished her ARX title! Jericho took the bottom set of points, bringing him only a few points away from finishing.

Barb Barclay judged Sunday's match, and awarded first place to Winston, followed by Jericho, Nami and Austin.

To make things even more interesting we had a three-way tie for high combined between Winston, Jericho and Nami. Nami placed highest in the meet to break the tie and take home the highly competitive and coveted High Combined award.

We finished the day off with a nice warm bowls of veggie and potato soup and homemade pumpkin pie. Prizes were then handed out, the field packed up, and everyone made their way home after another great weekend of racing for fun.

Thank you to everyone who came out this weekend and this entire year to support our meets with your entries and helping hands. Hope you all have a great winter break and see you again next year!
