CWA and *Line and Lure* take no responsibility for statements or claims made in advertisements that appear in this publication.

The *Continental Whippet Alliance* was formed to achieve the following objectives:

1. to unite Whippet fanciers with the common goal of promoting, protecting and preserving purebred Whippet racing
2. to encourage and promote quality in the breeding and racing of Whippets and to do all that is possible to bring their natural instincts to perfection
3. to urge members and breeders to accept the Whippet Standard of the Breed as approved by the American Kennel Club as the only standard of excellence for Whippets
4. to do all in its power to protect and advance the interests of the Whippet by encouraging sportsmanlike competition at race meets and conformation competitions and by providing a friendly and enjoyable environment
5. to provide a testing ground for Whippets to demonstrate they still have the instinct, desire and physical ability to do the athletic activity they were bred for, helping to maintain the Whippet as a healthy breed

From the Editor

THANK YOU to everyone who submitted FREE ads and photos for this huge [Annual Top Ten Issue](#). Special thanks to "assistant editor" Lisa Ochoa, without whose help every year, this issue simply would not be possible. This final issue of 2016 finished out at just under 100 pages, around 40% of which are gorgeous full color ads! WOW! Participation was close to 100% for the top ten ads, and slightly less for the honorable mention feature. I am always surprised when people decline to participate but I do understand sometimes the best laid plans get swept aside in the whirlwind of our busy lives. More disappointing in this issue is the scarcity of meet reports and match photos, which are missing from over half of the included meets.

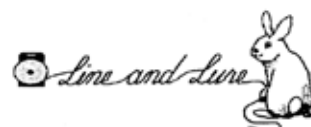

Line and Lure would cease to exist without submissions from the readership, and I am grateful for all the eager participants. I understand that race secretaries carry an extra burden, in that they have meets to run and results to submit, in addition to the meet reports, but if you're struggling with the extra burden, please consider delegating the meet report to a fellow club member. And keep in mind I offer incentives to anybody who submits material (including the meet reports and match photos!) in the form of free ads that you can submit whenever you wish!

Welcome to CWA's newest club, [Smokey Mountain Area Racing Tennessee \(SMART\)](#)! Check out their website (<http://smartwhippet.com>) and Facebook page (<https://www.facebook.com/groups/Smartwhippet>) and stay tuned for more info about their upcoming events.

Our next issue will be our [Memorial Issue](#), with its special advertising theme featuring tributes to human and canine friends loved and lost. Though these memorial ads are always bittersweet to put together and to read, sharing your memories of your dearly departed helps keep them close in the hearts and minds of all who who loved them, and I always find they are cathartic and healing in their own way.

Of course, regular advertising is always welcome at the regular rate of \$15 for a full page. The deadline for ads and other submissions will be April 15th.

MATCH CHAIRMAN:

Linda Buchholz

LMWA@shaw.ca

RACE SECRETARY:

Jennifer Szabo

racingforfun@shaw.ca

HOTEL ACCOMMODATIONS:

Best Western Plus Country Meadows Inn, 3070 – 264th Street, Aldergrove BC
<http://www.bestwesterncountry.com/> , nice hotel, limited area to walk dogs, 20 minutes to race site, 5 minutes to Annual Fun Match/BBQ site.

Abbotsford Ramada Plaza – 36035 N. Parallel Road, Abbotsford, BC, nice hotel, limited area to walk dogs, 5-10 minutes from race site, www.ramadaabbotsford.ca

Comfort Inn and Suites Langley – a newer hotel with great green area for dog walking, 26574 Gloucester Way, Langley, BC 1-877-690-7666. 20 minutes from the race site, 10 minutes to Annual Fun Match/BBQ site

RV ACCOMMODATIONS:

RV Parking - limited number of spots available at members' private property. Contact Linda at LMWA@shaw.ca for more information.

EagleWind RV Park - 26920 – 52nd Avenue, Aldergrove (20 minutes from race site), 604-856-6674, www.eaglewindrv.com

TRAVEL OPTIONS:

The closest airport is Abbotsford Airport, which is serviced by WestJet. Vancouver Airport is approximately 1 hour from the race site. Seattle, Washington is approximately a 2-hour drive. Avoid driving in Seattle rush hour – it's nasty! Allow plenty of time for border crossing, as it is very busy in the summer. We suggest the Lynden/Aldergrove or Sumas/Abbotsford border crossings to avoid the busiest crossings closer to Vancouver.

ATTENTION USA EXHIBITORS:

A current Passport or Enhanced Driver's License or Nexus Pass, and valid Rabies certificate for each dog, is required for Canada/USA border crossings. Weapons (including pepper spray) are not permitted to be brought into Canada. We suggest you fill up with gasoline before crossing the border as gas prices are much cheaper in the US! Contact Linda at LMWA@shaw.ca if you require more border crossing information, directions, etc.

CWA MEMORIAL BLANKET:

Leslie Busch & Annie Kelsey have offered to create a memorial blanket to honor those whippets that will never cross the finish line again. If you would like your dog included please contact Leslie with call name, registered name, colour and theme or nickname. Make sure to mention CWA blanket

The deadline for submission is August 1st

Contact Leslie at bushbaby4816@gmail.com

TROPHIES:

All trophy donors will be listed in the catalog. Please contact Jennifer Szabo at racingforfun@shaw.ca if you'd like to donate to the trophy fund.

UPDATES TO COME:

As we get closer to the event we will be adding lots more info on catalogs, logo items, raffles, entries and much more so stay tuned.

Deuce had another great year in 2016, making both the Racing and High Combined Top Ten lists for the second year in a row. In the process, he finished his SRA, earned another DPC leg, won the Race Dog class at the CWA Annual Fun Match, and capped his national weekend by finishing in the top five in both race meets.

He was equally explosive on the coursing field. He was undefeated in 2016, earning five BOB (including BOB at the ASFA II, winning the Tom Leone Trophy), and finished at #13 in the ASFA rankings. He now has all the required firsts toward an LCM, and we hope he can finish that title in 2017.

In his spare time, he enjoys rally classes, chasing frisbees, endless games of tennis ball, and cuddling with his Sissie Angel.

In June, 2016, Elliott sustained an injury that sidelined him for the rest of the year. Unfortunately, 2017 has not started well either. We hope that he will be able to resume his running career in 2018.

We are thrilled that he was able to make the Top Ten in both Conformation and High Combined despite this setback.

Despite ridiculously busy lives, crazy schedules, and a very active young family, Archer was able to attend a handful of meets and has delighted us all by placing in the Top Ten Combined. He is well on his way to his ARX and to his Canadian Show Championship, including the pictured Winners Dog at the Lower Mainland Whippet Association Specialty under breeder-judge Connie Brunkow.

Archer is owned and loved by Cara and Roger Takahashi and is supported by the Takahashi youngster team of Sami (finish line judge, Archer box wrangler and/or catcher, ball playing, Frisbee playing, bed sharing and book reading friend) and the rest of Team Archer snugglers and spoilers of Max, Cal and Hank!

October 15 was a good day to have a race meet. Thirty one whippet came to race. It was a great day. New whippet owners came to join the fun and help. It was an awesome day! Record heat also came, it was a miserable day.

Seven FTEs took to the track along with two of the D stalwarts and the split grade races were won by D-girl Rose and newcomer Stetson. In the first race, Rose came in ahead of FTE Vienna, oldster Flare had a great run for third and Jazz was fourth. In the second race, housemates Luke and Lily went to dad who was relocated to the finish line in future runs. Stetson outran his housemate Dexter for second place and newcomer Red found a nice running style for third.

Two C grades races were filled with youngsters and seasoned dogs and made for some exciting runs. Old man Tanner found his stride to come in first with young Henry behind. Arya was ahead of Khaleesi and Timmy was fifth hot on the heels of the pack. In the second C grade race Fanny and Stormy battled it out down the track with young Jade and Remington following and Spencer closing.

Two B grade races were drawn. In the first Skywalker held off a strong run by Banks. Youngster Finn was third ahead of Gooley. In the second B grade, little Lyla ran out in front of some big boys to take the lead. Tres was second and Marley and Alley came down the track tied barely ahead of Nolan.

Three littermates left the boxes in the A grade race with Jedi ahead of Solo and then Leia.

With only two scratches, the second program had some filled races chock full of excitement.

In the first race, our two DNFs had better runs and both crossed the finish line. Remington was the winner with Timmy and Spencer second and third, Luke

fourth, Lily fifth, and Jazz was sixth. In the second race, Alley finished strong ahead of the long striding Red. Marley, Gooley and Nolan came across the line with enough break for the judges to call the race unanimously.

In the third race, Finn was able to stay ahead of a digging-in Henry, with Jade showing some future speed ahead of Dexter. Vienna was fifth and Arya finished this tight race. In the fourth race Banks dominated the field, Tres was second with Stetson and Stormy back and forth behind him. Tanner finished in fifth and veteran Rose gave it her all to keep up with the youngsters.

The high point had Jedi in first with Leia pulling ahead of brothers Skywalker and then Solo. Younger full sister Lyla was fastly following the older bunch and Fanny finished in sixth place.

Prior to the start of the third program the lure operator reported his ladder was melting in the heat. Quite a few owners were feeling the affects of the record breaking hot weather and it was voted on to hold only three programs.

In the third program, Gooney had a fast break and lead the entire track for a nice win. Nolan found a sweet spot for second place ahead of the improved running Luke. Spencer ran well in fourth and a more confident Lily came in ahead of our "Turtle for the Day" Jazz.

Race two had a well running Marley hold off the challenge of Timmy and Dexter. Vienna and Arya came in together for a nice end of the day and they quickly hit the swimming pools of water always available for the dogs to cool off in.

In the third race, an ever confident Red found his lead and held off Stormy for the win. Remington also ran a good race in his challenge by Jade. Rose held off her younger brother Tanner.

The fourth race saw littermates Lyla and Finn battling all the way down the track with Fanny, Alley, Henry and Tres moving along nicely to finish. In the final high point, it was a strong battle of the power siblings with Jedi winning just ahead of Solo, Skywalker and Leia. Banks ran a good race and Stetson followed to end the day of hot racing.

With several workers already in the A/C recovering from the heat, a delay was called to wait for relatively cooler weather (and more shade) for the match. The scheduled judge was too sick to make it out into the heat, so Sami Hirko filled in. Sami is usually tapped for handling match entrants, so it was a challenge to get four dogs and bedraggled owners out of their motor home siesta to participate. Sami placed Marley first, Leia second, Nolan third and Arya fourth.

With a fourth place in the meet and second in match, Leia was awarded high combined. Meet winner Jedi was awarded 5 NARX points, with littermate Solo taking second place and 3 NARX points. Skywalker

was third in the meet for 1 NARX point. The younger full siblings to the Star Wars litter, or as we locals refer to them, the "sequels" had Lyla in fifth place for 5 ARX points. Cousin Banks was sixth in the meet for 3 ARX points. Tying for .5 ARX points were "sequel" Finn and FTE Red (who was obviously paying attention to his litter brother Banks).

With the cooling off period and refreshing beverages, the Brewhouse tents were then filled in the evening for Barktoberfest, and the crowd of attendees enjoyed the outstanding food and comradery to again declare this day an excellent race day!

Sunday came with the same heat as Saturday and a few less dogs and owners from the previous day but some fresh dogs added so that 29 adults started the race meet. Club members got started as early as possible to beat the heat.

FTE Brynley joined the D dogs to fill race one in the first program. The now experienced Luke came in first followed by Rose, Lily, Brynley, Flare and Jazz. In the second race Tres held off Stormy's challenge with

Jillian third and Spencer fourth. Dexter was DQ'd for misbehavior.

Khaleesi ran a very nice race for her win over Stetson, Remington came in third and Tanner and Nolan battled down the track to finish in that order. In the fourth race, Henry moved his big body down the track faster than smaller Fanny and even smaller Jade. Timmy came in fourth with Alley and Arya finishing up the race. In the fifth race, brothers Banks and Red had a real duel going down the track, and experienced Banks took the win. Finn held off his litter sister Lyla and Marley made up the race. With Jedi not running, Skywalker held off Solo and Leia for the A grade win.

Program two started with Nolan making it across the line just ahead of his sire Spencer for family bragging rights. Tanner was third, FTE Brynley broke better for fourth place, and Arya came in ahead of Jazz.

The second race had Lyla hold off a challenge by her aunt Alley, Marley came in ahead of Timmy, and Lily ran strong.

Finn won the third race ahead of Remington, Jade, Rose and Jillian. Stormy was hitting her stride in her race and battled ahead of the bunched pack of Fanny, Red, and Tres. Luke and Stetson made a good go of it. In the second high point, Solo took the lead ahead of Skywalker with Leia third. Banks came in fourth, keeping Khaleesi from joining her littermates in a sweep. Henry was sixth.

Again the day was shortened to three programs due to the heat. In the first race, Tanner broke ahead of the pack to win the race. Timmy was a strong second. Brynley and Arya tied for third place. Lily came in fifth ahead of Jazz, giving her back to back turtle awards. Alley won the second race of the program ahead of Stetson and Marley. Jillian forged ahead of Rose for her fourth place.

In the third race, Remington was challenged by Jade

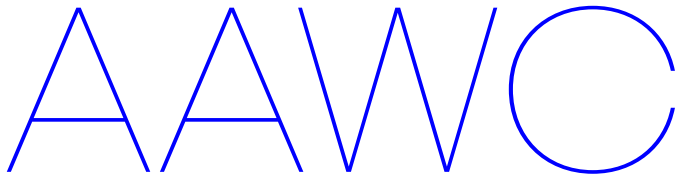

and Nolan, and then Luke came in ahead of Spencer. The fourth race was a real scrum, with Red ahead of Khaleesi, Lyla hot on their heels, and Fanny, Henry and Tres bunched up close behind.

The final high point did not establish a clear meet winner as Solo and Skywalker ran stride for stride down the track tying the race and their meet win to share 8 NARX points (4 each). "Sequel" Finn was third in the meet and recieved 1 NARX point and 5 ARX points. Leia was fourth. In a four-way tie in the meet were littermates Banks and Red, along with Stormy and Remington, each recieving 1 ARX point.

With a breeze easing the heat, Nancy Colson (Dorae Dachshunds and Whippets) judged a nice match entry of nine. Her placements were Lily, Remington, Brynley and Nolan. Remington was high combined.

We took a big chance having a race meet in November in Minnesota but we lucked out yet again. Lows in the 40s, high in the 60s with nice bright sunshine!

We had 14 regular entries on Saturday and one match entry. Deuce won the met and the top set of NARX points, also earning his SRA. Second in the meet with 1 NARX and 3 ARX was Rake. Third was DD Verni followed by Marky who received 1 ARX point. Our turtle for the day was Tripp, our most senior runner. Our match entry was Ruthless and she did very well running out of the boxes for the first time.

Sara Weitzenkamp judged 10 entries Saturday and placed

Chip first, who won the DPC leg, followed by Amber, Tango and Marky. Marky was high combined for the day.

Sunday we had 12 entries. Deuce won the met and the top set of NARX points. Second in the meet with 1 NARX, 3 ARX and finishing his ARX title was Rake. Third was DD Verni followed by Marky who received 1 ARX point. Our turtle for the day was Angel.

Sunday's judge was Bill Johnson who judged 8 entries. He placed, in order, Tango, Marky, Angel for the DPC leg, and Lottie. Marky was high combined for the day.

Thank you to all our friends for coming out and sharing the unseasonably wonderful weather with us. We hope to see you again next year!

Saturday match judge Sara Weitzenkamp and #1 Chip, #2 Amber, #3 Tango, #4 Marky

Sunday match judge Bill Johnson and #1 Tango, #2 Marky, #3 Angel, #4 Lottie

Lagniappe Racing Club December 3/4, 2016 Bush, LA

submitted by Sami Hirko

Lagniappe Racing Club held its December Hot Pepper challenge race meet December 3-4. The weather was not too hot but the dogs were!

Twenty-two started the race meet on Saturday with our lone D dog Rose kicking off the weekend. Veteran to the show world and lure coursing, Rose raced a speed run like she was still a puppy.

Program one had two C grade races. Henry won the first race over Stormy and Tanner. Jillian did not finish thinking her mom was hiding behind the barn. Mom stayed in sight the rest of the weekend and problem was resolved — those agility whippets!

Josephine ran a tight race just edging out litter-sister Jade. Timmy, Alley and Tres finished the race in a close spread. The first of the B grade races saw Whiskey return to the track after injury layoffs to win nicely over Finn, Sadie and Digger. In the second of the B grade races, Banks dominated over Khaleesi, Red and Remington.

Skywalker was the winner of the A grade over litter-mates Solo and Leia. Following the power trio closely was Trucy in from Kentucky for the warm weather racing.

In the second program, Remington led the first race with Alley and Jillian surging ahead of Digger and Tanner. Race two had the impressive Red overtaking Stormy and her fast break, with Jade, Sadie and Timmy following.

The third race was won by Khaleesi, with Trucy and Henry closing, and Rose battling ahead of Finn. Skywalker won the high point ahead of Solo and Leia. Banks followed with Whiskey and Josephine not far behind.

The first race of the third program was won by Sadie, with Timmy in second, Digger barely keeping Tanner and a now focused Jillian at bay. The second race was the classic littermate duel with the larger Finn outstriding his little speedster sis Jade. Remington barely stayed ahead of the veterans Alley and Rose.

Whiskey got his second win(d) in the third program. Stormy and Red were evenly matched as were Josephine and Henry. In the high point, Skywalker once again came ahead of Solo and Leia. Banks once again kept their littermate Khaleesi out of the sweep and Trucy was close behind.

In the final program, the veteran Alley surged ahead of the younger dogs. Digger was second, followed by Timmy, Jillian and Tanner. Race two was won by Josephine over Sadie, Remington, Henry and a valient effort by Rose.

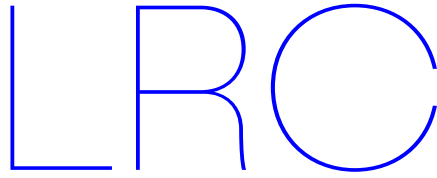

Stormy held off a challenge by younger full sibling Finn to win the third race. Red came in ahead of Jade and Trucy. In the final high point, Skywalker made it three for three with Solo, Leia, Banks and Khaleesi repeating an earlier race. Whiskey was sixth.

Skywalker won the meet for 4 NARX points with Solo taking 2 NARX points. Leia was third in meet. Banks in fourth place was awarded 4 ARX point to finish his ARX title. Littermates Stormy and Khaleesi tied in meet points and each was awarded an ARX point.

Italian Greyhound breeder Jen Toney judged the match placing the veteran Rose in first place. Leia was second, Banks third and Jade fourth. Leia was awarded high combined. Tanner was the day's turtle. Red was high scoring bench champion

Sunday the challenge was how to get motivated after the array of food and desserts from the previous

day. As usual the spread provided by Lagniappe was abundant starting with breakfast cooked up by Cindy Owens featuring her fresh eggs.

Needless to say twenty fit dogs were gathered by their not-so-fit owners and the races began. Jillian ran as the only D dog and with no distractions and had a nice flat out run to win her race in excellent form.

Digger found a burst of speed to take the second race from Remington. Timmy and Tanner came in close. In the third race Banks won over Jade and Alley. Josephine edged out Rose.

The fourth race was a well matched run of fast dogs and in the end Whiskey was in the lead, Red, Stormy and Finn barely behind with Khaleesi and Tres a hair behind. Then in a strange turn, a pulley broke, the squawker went out of control into tall weeds and fencing and left owners scrambling to retrieve dogs from the tall grass and brambles.

The A grade race was won by Solo, with Skywalker in second, and Leia and Trucy close behind.

With tired and sore dogs, and a few stickered paws, quite a few scratches left the following programs at two races.

The first race was won by Khaleesi just ahead of litter-sister Stormy. The repeat of that breeding provided third through fifth place, with Finn, Jade and Josephine ahead of Timmy.

The high point was won by Skywalker, with Red edging

into second place ahead of Solo and Leia. Trucy was fifth and Jillian came in sixth place.

In the third program Finn surged ahead of Stormy and Khaleesi, with Jade and Josephine ahead of Timmy. Third program high point was won by Skywalker with Solo back in second, Leia third, Trucy fourth and then Red and Jillian.

Khaleesi again won the fourth program race over her younger siblings Finn, Jade and Josephine, with Timmy and Jillian rounding up the race. In the final high point Skywalker, Solo and Leia did not change stride or placements. Red was fourth, Trucy fifth and Stormy pulled sixth place.

The meet was won by Skywalker for 4 NARX points. Solo's second place netted him 2 NARX points. Red came in fourth in the meet for 4 ARX points and Trucy was fifth for 2 ARX points.

Angie Grace (Devereaux whippets) judged the match and was presented with five siblings. Her comment was it was like grading a litter. She awarded the brindle bitch Leia first place, which combined with her fourth place in the meet gave her High Combined and finished her DPC title. Next were three identical black bitches that were sorted with Stormy second, Josephine third and Khaleesi fourth.

Turtle award was Josephine. Lagniappe awards a special award to high placing bench champion and Red was the recipient both days to take the Hot Sauce Challenge cup home. Leia was high combined both days and retains Mr. Tabasco for another year.
