The *Continental Whippet Alliance* was formed to achieve the following objectives:

1. to unite Whippet fanciers with the common goal of promoting, protecting and preserving purebred Whippet racing
2. to encourage and promote quality in the breeding and racing of Whippets and to do all that is possible to bring their natural instincts to perfection
3. to urge members and breeders to accept the Whippet Standard of the Breed as approved by the American Kennel Club as the only standard of excellence for Whippets
4. to do all in its power to protect and advance the interests of the Whippet by encouraging sportsmanlike competition at race meets and conformation competitions and by providing a friendly and enjoyable environment
5. to provide a testing ground for Whippets to demonstrate they still have the instinct, desire and physical ability to do the athletic activity they were bred for, helping to maintain the Whippet as a healthy breed

From the Editor

Welcome to the Memorial issue... Make sure you have your kleenex handy before you sit down to read the touching memorial ads and tributes to these wonderful whippets so deeply loved and sadly missed. Sadly, I have lost dogs each of the last three years in time for the Memorial issue, so I know from painful experience just how hard it is to put these ads together, and I understand completely that everyone grieves in their own way and some people just can't face the pain. I admit that even when I don't have my own memorial ads to work on, it is always still a painful issue for me to put together, and by the time it goes to press I'm plain wrung out.

Luckily, there are the meet reports and other content to help us shake the sadness and give us plenty to look forward to, including the National flyer, and information about trophy donations. Many trophies are already sponsored but there is still a healthy list of awards that need your support. August will be here before we know it, so please dig deep into your wallets and give generously.

From the looks of things, 2017 is shaping up to be a great year for CWA, with lots of impressive new stars hitting the track running. Just in time to honor their achievements, our next issue is dedicated to our **UP-COMING STARS**. We all put a lot of work into preparing our youngsters for their competitive careers, and it is so rewarding to see those efforts pay off and to share our joy with our CWA family. And for those breeders with new or planned litters who are dreaming about the future stars still running around their mothers' wombs or the whelping box, this issue would be a perfect place to advertise as well. Of course, regular advertising is always welcome too. Please get your ads and other submissions to me by June 15th.

TRAVEL OPTIONS:

The closest airport is Abbotsford Airport, which is serviced by WestJet. Vancouver Airport is approximately 1 hour from the race site. Seattle, Washington is approximately a 2-hour drive. Avoid driving in Seattle rush hour – it's nasty! Allow plenty of time for border crossing, as it is very busy in the summer. We suggest the Lynden/Aldergrove or Sumas/Abbotsford border crossings to avoid the busiest crossings closer to Vancouver.

ATTENTION USA EXHIBITORS:

A current Passport or Enhanced Driver's License or Nexus Pass, and valid Rabies certificate for each dog, is required for Canada/USA border crossings. Weapons (including pepper spray) are not permitted to be brought into Canada. We suggest you fill up with gasoline before crossing the border as gas prices are much cheaper in the US! Contact Linda at LMWA@shaw.ca if you require more border crossing information, directions, etc.

CWA MEMORIAL BLANKET:

Leslie Busch & Annie Kelsey have offered to create a memorial blanket to honor those whippets that will never cross the finish line again. If you would like your dog include please contact Leslie with call name, registered name, colour and theme or nickname. Make sure to mention CWA blanket
The deadline for submission is August 1st

2017 CWA National Memorial Blanket

These are the 2015 and 2016 Memorial Blankets for WRA/NOTRA Nationals. It is a long-standing tradition to honor those whippets that will never cross the finish line again. There is seldom a dry eye on the track during the Memorial Run. It is a very poignant and moving experience.

For the last two years, all racing whippets have been included on this Memorial Blanket. If you look closely on the 1 within the 2016 on the blanket, you will see 'CWA' was included. The number of honorees grew exponentially this past year. I believe there were 12-15 CWA honorees, but can't remember exact numbers. I know there were 45 total honorees. There were so many names on the blanket in 2016 that we had to add a four inch hem to the blanket to include all of the honorees!

This year, I am creating a Memorial Blanket specifically to honor CWA participants. It will be run at the CWA National in August. If you would like to have your dog included, please let me know. Everyone treats grief differently. It is quite personal and while many love this tradition, there are some who do not. For this reason, I prefer the owner of the honoree contact me directly.

Please provide me with the call name and registered name. While only the call name will be included, the registered name may assist my creative juices. Since the Memorial Blanket is run annually, it generally includes those that have passed the preceding year. However, there is nothing set in stone and since this is the first CWA Memorial Blanket, flexibility will be necessary. I will do my best to include all requests. Also, if you want a particular color, theme, or nick-name, please include that information with your submission. I can't promise anything, but I will do my best to honor your loved racer as best I can.

The deadline will be August 1st. If your dog passes after that, he/she will be honored on the 2018 Memorial Blanket. Let me know if you have any questions.

When they say everything is bigger in Texas, I ask how about Houston? Is the area big enough for a super athletic event? Big enough in infrastructure? Security? Concessions? Spectator lodging and comfort? Especially those traveling far? And will the athletes be well taken care of? Every need met? I can answer that even though the Houston area was hosting the NFL Super Bowl, Alamo Area Whippet Club's Feb 4-5 race meet was a resounding success and all expectations were met. The weather was fantastic both days and the racing was at its best. One puppy and 23 adults started on Saturday. The local crowd also welcomed some long distance travelers and the northern dogs settled into the warm weather racing quite nicely.

The first program had its most exciting race in the C race, with all six dogs staying together in a tight pack the entire track. In the A race, there was an upset when Skywalker took the win from Jedi. Skywalker continued to challenge Jedi, and in the second program the littermates tied. Skywalker went on to win the last two highpoints and went home the meet winner. Jedi was

second in the meet followed by their littermates Solo and Leia. Fifth place in the meet went to Titan, who picked up 4 ARX points. Sixth place was a three way tie, and Finn and Jane each picked up an ARX point. Banks already has his ARX and cheered on his littermate Red, who was just a meet point out of ARX contention.

Saturday's match was judged by Katherine Dudley, and her pick of Titan in first place gave him High Combined for the day. Lily, Arya and Leia were the other placers in a match of nine entrants.

Club members celebrated another successful day with a buffet of chicken recipes including Buffalo BBQ pulled chicken sandwiches, rosemary baked chicken and a Chinese mushroom chicken soup. Another successful day ensured that meet goers would come back for seconds.

Two FTEs came to join their littermates and some new rivalries were started. 22 adults and one puppy raced on Sunday. In program one, the D/FTE race revealed that the two FTEs were indeed ready to run, with

Saturday judge Katherine Dudley, with #1 Titan, #2 Lily, #3 Arya, #4 Leia

Shooter winning and Pilot taking third behind Jillian. Skittles, the puppy entrant from the previous day, showed some tiredness, however, she gamely held her interest to finish three puppy races.

The rivalry between lookalike brothers Banks and Red gave race watchers thrills when they were in the same race. These dogs run similarly and Banks held Red off enough to finish in sixth place with Red (eighth) behind Titan (seventh).

Young Finn, a younger repeat of the Star Wars clan, was pitted against his siblings in several races. In program one, Stormy beat him, and in program two, Solo was first across the finish line. Finn battled back to beat Stormy in program three and his fifth place finish behind the older Skywalker, Jedi, Solo and Leia netted him fifth place overall and 4 ARX points. In this case, experience paid off and Jedi pulled ahead of Skywalker by .5 meet points to win the day. Titan was the other

ARX point winner.

FTEs Shooter and Pilot tied the day at 8 meet points, and we look forward to seeing Shooter advance to join litter sister Jane, and Pilot to join littermates Red and Banks, as they consistently tie and place near the ARX pool.

The match was judged by Richard Martin of Lonestar Whippets. His selection of Banks for first place led to his being named high combined for the day. Again nine dogs competed in the match, and the other placements went to Brynley, Lily and Kuma.

Without commercial breaks, the race day ended in time for all attendees to break camp and head home in time to watch the other event. I know I had enough big excitement with my day quite full of some of the best sporting memories to not mind driving home. Not quite Super Bowl 51, but Whippet Racing 47.

Sunday judge Richard Martin and #1 Banks, #2 Brynley, #3 Lily, #4 Kuma

All I can say about this weekend's race meet is... WOW! We had a record entry of 62 adults and one puppy entered on Saturday, and 50 adults on Sunday! That is larger than some CWA Nationals!

We had some great people help put this meet together and keep it rolling, and we also had perfect weather.

We decided to have a 7am inspection both days just so we could get a jump on things. We had two inspection lines running and were finished with inspection in 45 minutes.

We had a short meeting after inspection to determine who would be foul judges, line judges and paddock masters so we could all keep moving along.

We had eight FTE dogs and eight NARX/ARX titled dogs starting on Saturday. Congrats to the Bahms for their meet win with Jedi on Saturday, and to Lisbeth Storandt and Shannon Lyons for their awesome weekend with Voodoo. He was the meet winner on Sunday and earned his ARX and NARX title in the same day.

On Saturday, our ARX point winners for the day were Voodoo with 7 points, Titan with 4 points, Red with 4 points and Brando, Jane and Ronan all tied for .33 points each. Our NARX point winners were Jedi, Skywalker, Voodoo, Stannis, Titan and Red.

We had almost half our entry participate in the match with 30 of the 62 running dogs showing. I think this is AWESOME!!! Thank you to our breeder/judge Michelle Queen of Wesann Whippets for judging. Your job was not easy! First place and the DPC leg went to the puppy Ember, second place was Tula, third place went to Minnie, and fourth place went to Weston. High combined was awarded to Tula, owned by Kari Whitaker.

On Sunday, our NARX point winners for the day were Voodoo with 6 points, Jedi with 4 points, Skywalker with 2 points, and Red with 1 NARX and 6 ARX points. Jane got 4 ARX points along with Digger, who received 2 ARX points, and Mason received 1 ARX point, which left him needing only one more point to finish.

We had a beautiful entry of 18 dogs entered in the match. Thank you Brandon Brown of Brownstone Whippets for judging this VERY tough entry. First place went to Dora, second place to Tiki, third place to Fancee and fourth place to Dutch. DPC leg and High Combined went to Fancee. Congrats to all!

Saturday High Combined Tula

Welcome to straight racing Larry and Kristen Addington, Christine Heath (who is the AWC Southern Regional Show chair), and James and Becca Luca! We look forward to seeing you guys in April.

Another shout out to Mary Pick who has been working so hard at getting Ronan to like the boxes. I'm so glad he was able to leave GA tolerating the boxes. I hear he went to MAWRA the following weekend and got 9 ARX points and a High Combined! We are VERY proud and so excited for you guys!

Thank you to everyone for all your help in keeping us moving along. We were definitely pushing everyone along. We are AWESOME ... we finished up by 4pm both days.

Once Upon A Time ...

On June 12, 2000, I came home from work, with no idea that my world was about to change forever. I hadn't been home for very long when I got an unexpected but long-anticipated phone call. It was my very first phone conversation with Jean Balint, as she told me that my very first race puppy had been born. Connie Austin also had a puppy reserved from this litter so we arranged to fly out together when the time came to go get them. There followed an eternal number of days (okay, it was only about seven weeks, but it seemed like an eternity at the time) while I waited for my puppy to grow up enough to come home. Of course, I did not know which puppy would be mine, because I had to wait for several people to pick, but Jean sent us photos, and there was a little black male who caught my eye ...

First Day home, August 2000. Photos by Suckerdaddy Pat Reynolds.

FINALLY the Big Day came, and Connie and I boarded the plane and headed for California. Once we got to Jean's house, she fed us a delightful Mexican meal and then led us to the puppy room. The second we entered, a little black rat appeared out of nowhere and attached himself to my ankle, tail wagging fiercely. We sat down on the floor and the little black rat transferred himself to my lap. I quietly removed him, because Connie had the pick before me and I knew she liked him too. She picked him up, and he squirmed and wouldn't settle. She put him down, and he immediately resumed his spot on my lap. I gave him no encouragement, and offered him to Connie again. He was Not Pleased and refused to play with her or have anything to do with her. Finally she gave up (if I have never mentioned what a good friend Connie is, now would be an EXCELLENT time) and selected the puppy who would grow up to become Whiteout, and the little black rat came home with me. We named him after our favorite bluegrass group, the Rarely Herd, which was an excellent name for a whippet in a Border collie household, and called him Banjo.

He grew up to be a very talented race dog - he made the Racing top ten every year he ran, and was also WRCH pointed - and a solid obedience dog, and he also did a little coursing with some success. He earned a triathlon placement at the AWC national specialty in 2003, when he was quite a young gun, and received his Award of Versatility from the American Whippet Club in 2016. A racing injury in early 2005 put an end to most endeavors for several years, but he was able to come back and enjoy an entertaining career as a schooling dog and veteran racer. He completed his racing career in 2011, winning both the CWA and WRA Legends races at the respective nationals, and capped those accomplishments by running and winning his race at the Sunday meet at the CWA national, beating dogs up to nine years younger than he was at the time. He ran occasionally after that, but just for fun (or to school whippersnappers).

Racing at Arthur's Acres, 2002 (photo by Betsy Beebe); Team Obedience, AWC National Specialty, 2007 (photo by Steve Surfman); 2012 CWA National, informal Legends run with his half-sister Nellie (photo by Marc Stumbo); landing on the lure at home practice, summer 2013.

But there was so much more to him than just his performance record. His character and intelligence and personality stood out from the very beginning, particularly with the other dogs in the house. I was still doing a fair amount of rescue when he came home, and he grew up to be excellent at assessing strange dogs and helping me socialize fosters, and later at teaching new puppies we

brought home. When my elderly Doberman died in early 2003, he immediately assumed rulership over the household, a position he never relinquished. He helped me raise a series of exemplary puppies. He was a wise and gentle dog, but he knew how to put rude and naughty little puppies in their place with a cold stare and a lifted lip (a skill he learned from Nellie Princess). Our first litter was born when he was almost 13. He slept next to them from the time they were born until they grew up and were moved to larger quarters, and then went out into the field with Lizzie and taught them their dog skills and showed them where the rabbits were hiding.

He was a wicked and relentless hunter of all things furry. At my house in town, he caught everything from squirrels to a gigantic groundhog. We moved to our current home in 2007, and he immediately became a rabbit hunter extraordinaire (also skunks, but the less said about that the better!). To the end of his life he went out every morning to search out all the places where bunnies might be lurking. He caught his last rabbit at nearly 15; it took him all day to forgive Pat for taking it away from him.

Above: Watching NOTRA racing from the comfort of the Shady Acres Rest Home, October 2016; Left: doing laps on the morning of his 15th birthday.

His favorite thing in the whole wide world (after us, and bunnies, and white cake with buttercream frosting) was his Jolly Ball. He picked it up on the way out the door and only dropped it if he thought we would throw it, or if there was something to be chased.

He was the ring bearer at our wedding (a role he performed with resignation until the cake was cut and he got his share).

He changed us. Our last Border collie died in 2010, and the house has been entirely given over to whippets since then. We got involved in racing and coursing because of him, we embarked on the breeding adventure because of him (though he himself could not be bred, every dog in this house is descended from one of his sisters). Some of our very best and most beloved friends would not be in our lives without him, especially our treasured friendship with Jean Balint. We bought a trailer so he would never have to stay home while we went racing. I retired early in large part so I could spend his senior years at home with him.

Throughout his life, he was never farther from me than he absolutely had to be, and in all his years we only left him behind once (when we flew to California to get Rafa). He ran our lives and our daily routines to suit himself (except for daily meds and monthly acupuncture treatments, which he put up with because I Said So). Old Age slowed him down, but he was still very shiny and there was a look in his eye that told the world "I am an Entitled Dog And No One Should Forget It." He was our constant companion and Best Man for all the years of his life. He was loved and cherished from the second of his birth to the moment of his passing.

There are thousands of other wonderful memories, but no room for them here. Thank you, Jean Balint, for trusting us with The MAN. We were blessed with his presence for so many years that it seems selfish to say we wish he was still here with us (but we do). He gave us so much, and he will always be missed and loved and never forgotten.

GRR

Georgia Rag Racing
April 1/2, 2017
Hull, GA

submitted by Kari C. Whitaker

The race weekend started before it even got here with some major tongue-in-cheek trash talking for the highly coveted Turtle prize. Mary Pick threw down the gauntlet early, vying for the "top" spot with Amos, against some heavy hitters — Ginger, owned by Chris and Dave Watkins and Fritz, owned by Ken and Margaret Norkett. Alas, it was not meant to be for Mary and Amos as Amos decided to outrun his competition and finished the day well out of "Turtle Territory."

We couldn't have asked for a more beautiful weekend. While rain was forecasted, we lucked out and got sunny skies and cooling breezes. With all of the previous rain we received in March the track was green and lush — perfect for running!

Saturday's meet saw 40 entries: three A dogs, ten B dogs, 19 C dogs, and eight D dogs. The meet win went to Jedi, who earned 6 NARX points. Skywalker took home 4 NARX points, and Red received 2 NARX points. All three are owned by the Bahms. ARX point winners were Mason, owned by Kari Whitaker, who earned 6

Saturday and Sunday meet winner Jedi

and also finished his ARX! Margaery, owned by Shannon Lyons, took home 3 ARX points. Brando, owned by the Bahms, also earned 3 ARX points.

Caroline Wells Cope joined us to judge our conformation match. She had 20 dogs to judge. First place went to Revel, owned by Kristen Fredericks and Karren

Pynsia. Second was Crosby shown by Charlene Stone and owned by Charlene Stone/Bart Lowans. Third was Fancee, shown by Tammy Bennett and owned by Tammy Bennett and Kerrie Kuper. Fourth place went to Voodoo, shown by Shannon Lyons, owned by Lisandre Storandt.

High Combined was VooDoo. Way to go, VooDoo! And congratulations to all.

Word has it Caroline has already purchased racing gear for her dogs and is looking forward to joining us in the future. We are looking forward to her joining us and running her dogs!

On Sunday we ran 35 dogs: four A dogs, six B dogs, 16 C dogs, eight D dogs, and Rocket joining us as an FTE. The day shook out with Jedi taking home 5 NARX points as our meet winner, and Red with 3 NARX points. Both Jedi and Red are owned by the Bahms. VooDoo finished third earning himself 1 NARX point. 5

ARX points went to Mary Pick's boy Ronan. Margaery,

owned by Shannon Lyons, earned herself 3 ARX points, and the last ARX point was split between Cindy Hatcher's boy, Brooks, and the Bahms' Digger. This meet left Ronan needing less than one point to finish out his ARX!

Brenna Carlisle, from Alabama, came over to judge our

Saturday and Sunday match winner Revel

conformation match. We really appreciate Brenna, and her mom, Laura Potash, making the trek over from Alabama. Brenna is pregnant and it hasn't exactly been smooth sailing for her so far. She and Laura jumped right in, line judging for us and helping out wherever needed. Brenna was presented with 17 dogs to judge, and found Revel, Camelot, Ticket, and Fancee as her top four, respectively. Kristen and Revel had a great weekend winning the conformation match both days. Keeping it in the family, Brandon Brown's Camelot placed SECOND. Camelot's daughter, Ticket, owned by Brandon's mom, Phyllis Brown, and Cathy Williams, was third. Rounding out the placements was Fancee, owned by Tammy Bennett and Kerrie Kuper.

Camelot finished the day with High Combined. Congratulations to Brandon and Camelot!!

Brenna and Laura had such a good time, they too, are going to come back for our September meet—and we can't wait to have them. They also convinced a whippet friend from Florida to come and join us for our September meet.

Maren Alvarez, from Horse and Hound Chiropractic, joined us on Sunday, also. This is the second meet she has joined us for and is kind enough to adjust our dogs when we get done running on Sunday. I know my three boys love seeing her! On top of that she brought her 5 yr old son, Sean, with her and he jumped right in to help us, too! By the end of the day, Sean (with a little help from his mom) was walking dogs down to the box. Fingers crossed... I think they're hooked!

It goes without saying that we couldn't have done this without the help of everyone who came. Dave, Chris, Dawn, Drew, Bill, Mallory, and everyone who pitches in to make our meets run as smoothly as they do! Thank you, thank you, thank you!

We have three dogs that are closing in on their ARX

Saturday high combined winner VooDoo

Sunday high combined winner Camelot

titles. Ronan, as mentioned earlier, needs less than one point to finish. Margaery needs 3 ½ points, and Camelot is looking for 5 ½. I have a feeling that by the time we do our write up for our September meet that Mary Pick, Shannon Lyons, and Brandon Brown will be celebrating their dogs' success!

In summary — great weather + great people + great food + great dogs + great judges = another successful GRR meet!

9/5/2005 - 3/20/2017

TIERCEL was a dog of enormous personality, presense, and charisma. He was confident and proud, strong and athletic, but paradoxically humble in his own way. He was all male but a softy at heart. He was a fair and benevolent alpha, and my other dogs, especially my younger males, worshipped the ground he walked on.

He was an incredible athlete on the coursing field and the race track and at home. He had a brilliant mind and a generous heart, and never hesitated to do anything I asked.

God knows, it is never easy to lose a dog, and no matter how old they are, you are never ready to say goodbye. But oh how much harder to say goodbye to a dog with so much presense and charisma, who still had so much life left to live.

He was a great whippet — such a cool dog to live with and to do things with. I know I was blessed and privileged to share my life with such an amazing dog. He was the king of the universe — or at least of my universe — and the Tiercel-sized hole in my heart will take a very long time to fill.

After a ridiculously long, cold, snowy winter, and then a very wet early spring, everyone was thrilled to be out racing again, even though Saturday was cool and windy. We had 20 happy hounds and owners for both Saturday and Sunday, including a total of three FTEs, who all ran beautifully despite only a few practices (thanks to the weather!).

Running away with the meet on Saturday was the speedy Gibson, owned by the Szabo family, and he had no difficulty in taking the lead and keeping it in all four races. FTE Heidi wowed her fans by placing second in the meet and eventually going on to take High Combined, with Winston right behind her to place third and finish his ARX. Winston is another Canadian Show Champion/ARX – well done Winston, owner Debbie Bouwman and breeders Carole and Darien Adley!

Fireworks dogs took the next two spots with Cha-Cha in fourth and right behind her, Leonard.

With Beth Levine grinning from ear to ear, sixth place went to Finch, who ran hard and fast all day, learning how to handle traffic and show us what she can do.

Rounding out the top ten was Blair Shinski's Porcia, Barb and Howard's Daltrey and then speedy little Amy, owned by Kate Clarke and Hugh Higginson.

By the time we got to the match, the cold wind was picking up. At one point I dropped my show lead (amateur!) and I had trouble catching it because it was

blowing in the wind! Thank goodness my dog just stood there looking embarrassed while I frantically tried to grab the flapping leash!

Our judge Blair Shinski had his work cut out for him, because all the dogs in the ring were worthy, and the final nod went to Finch, Heidi, Donald and Winston.

Potluck was most welcome and included hot stew to the most delicious desserts, with Best in Potluck going to Karen Greenwood's Bavarian Cream Cake. Yummy!

Sunday's meet was held under much nicer weather... no wind and warmer, and again we had 20 starters with no scratches all day!

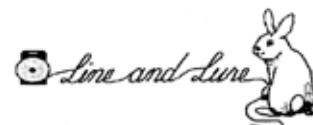

Once again, Gibson pulled off the meet win, but this time he had to work a little bit harder for it as FTE Sage, owned by Heather Leinbach and Bjorn Wullum, improved every race, with the final race of the day being a photo finish! Very exciting racing for our first weekend!

ChaCha was hot today, after using Saturday as a warm-up, and finished third in the meet, and then

the beautiful Finch showed us all what she can really do and placed fourth in the meet to pick up her first ARX points. Olive, Heidi, Leonard, Porcia-S and Amy all ran like stars to take the next four top ten placements, and rounding out the top ten was Forest, who was an FTE on Saturday, and gained confidence in every race to earn a well deserved top ten placement.

Darien Adley, Hilerica Whippets, judged our match,

and once again the entry was high quality and lovely. Darien selected Heidi first, with Finch, Hokum and Sage taking the other three placements.

High Combined for Sunday went to Sage, much to the delight of her owners!

Once again, we all had a great visit during an exceptional potluck and when the votes were tallied the Best in Potluck was presented to Megan Hall and her yummy chocolate Easter egg truffle dessert!

A really wonderful day of racing with good friends and fast and beautiful whippets!

Unforgettable That's what you are

We lost our precious Bongo, at just shy of his 14th birthday. Our hearts are shattered at the loss of this very special dog. He never met a stranger and was famous for his OGD – obsessive greeting disorder – that he passed along to so many of his children. He did everything we ever asked – specialty wins in Canada and the USA, ARX pointed, FCh in 4 trials, #1 CWA Conformation whippet and truly a sire of note. His children have won Bests in Show, many Specialties, meet winning ARXs, FChs – the list goes on and on.

All this aside, he will forever be remembered for his captivating personality. Some dogs you wish could live forever, and this was one of those special ones.

We took a big chance having a race meet in April in Minnesota (it snowed just a couple days later), but we lucked out yet again. Lows in the 40s, highs in the 60s, with nice bright sunshine!

We had 20 regular entries on Saturday and one match entry. Deuce won the met and the top set of 4 NARX points. Second in the meet with 2 NARX and 4 ARX was Remy. Third was Zen followed by Jack who received 2 ARX points. Our turtle for the day was Max. Our match racing entry was Ruthless and she did very well running with a couple practicers.

Lisa Ashburn bravely took on her first judging assignment and judged eight entries Saturday. Her placements, in order, went to Marky, Remy, Amber, and Tango. Remy was high combined for the day.

For lunch we all enjoyed turkey and ham sandwiches, Kim's delicious cheesy potato soup and Sandy's fantastic enchilada casserole and famous deviled eggs, Janelle's homemade salsa and cookies, twinkies and cupcakes, and Annie brought a birthday cake for Guido's puppies. Can you tell its really all about the food?

Sunday we dropped down to 13 entries. Remy won the

meet and the top set of 3 NARX and ARX points. Second in the meet to earn 1 NARX was Zen. Third in the meet was Leni, who received 1 ARX point. Our turtle for the day was Katie.

Sunday's judge was Gail Weiberdink, who judged 10 entries. She placed, in order, Summer, Tango, Leni and Amber. Leni was high combined for the day.

For lunch it was more soup and sandwiches, other leftovers and Barb's cherry bars.

Thank you to all our friends for coming out and sharing the unseasonably wonderful weather with us. We hope to see you again at our July meet where we hope to be lucky again with the weather!

It came to me that every time I lose a dog,
they take a piece of my heart with them.

And every new dog who comes
into my life gifts me with a piece of their heart.

If I live long enough, all the components of my heart will be dog,
and I will become as generous and loving as they are.
