The *Continental Whippet Alliance* was formed to achieve the following objectives:

1. to unite Whippet fanciers with the common goal of promoting, protecting and preserving purebred Whippet racing
2. to encourage and promote quality in the breeding and racing of Whippets and to do all that is possible to bring their natural instincts to perfection
3. to urge members and breeders to accept the Whippet Standard of the Breed as approved by the American Kennel Club as the only standard of excellence for Whippets
4. to do all in its power to protect and advance the interests of the Whippet by encouraging sportsmanlike competition at race meets and conformation competitions and by providing a friendly and enjoyable environment
5. to provide a testing ground for Whippets to demonstrate they still have the instinct, desire and physical ability to do the athletic activity they were bred for, helping to maintain the Whippet as a healthy breed

From the Editor

At long last, this issue is finally done. It was supposed to be done waaaaaaaaaaaaaaaaay before now, but with one thing and another (and another and some more after that!) things kept getting pushed back. Ironically, it is now one day past the original date I had chosen for the deadline for the next issue, so I guess I'll be pushing that back too. As these last few weeks flew by at breakneck speed, I swore up and down that I would get this thing done before heading out for the National, and at least — God willing and the creek don't rise — I think I am actually going to make good on that promise.

Late though it may be, this issue features a whopping 18 ads, which might be a record for a single issue that is not the Annual Top Ten issue! It also contains many wonderful meet reports and photos — thank you to everyone who submitted material, and don't forget to take advantage of your free ads if you haven't already.

Usually the July issue is the Versatility issue, and the October issue is the National issue, but because the National is a little early this year, and *Line and Lure* is running a little behind, I am going to switch the order of the next two issues.

So our next issue will be our *National Issue*, with its ad theme featuring National brags, and all the reports and results from the National, match critiques, and more. Of course regular advertising is always welcome at the regular rate of \$15/full page. The next deadline will be *September 15*.

Speaking of the National, as this goes to press, there is only one more sleep until the big event of the year. The racing looks to be HOT HOT HOT, but thankfully the hot and dry weather that has been the new normal this summer finally broke, and we're anticipating the beautiful blue skies and mild weather that usually characterize our summers. It will be perfect weather for both human comfort and for running dogs. The field is lush and green and ready for some serious action. Safe travels to everyone making the trip, see you soon in beautiful British Columbia!

November 2, 2002 - May 20, 2017

Gus was a very special dog. He was bred by the late Greg & Carolyn Mountan. An AKC Bench Champion, he was the #1 ranked CWA Race Whippet in 2005 at the age of 2. He won 20 CWA race meets and earned 135.5 ARX points (NARX4) and 1274.58 Performance Racing Points (PR 12). Gus also finished his Novice Agility Titles (NA and NAJ). He was the sire and grand sire of multiple ARX winners.

Most important, he was a gentleman, loyal lap dog, a snuggly bed partner.

SMART Whippet's friendly meet was a wonderful success. We had 17 adults and 3 puppies in attendance.

The day was gorgeous and it was a beautiful setting right on the lake. We set up that morning and got off to a fairly easy start.

Bob and Brandon Brown made incredible boxes out of aluminum that have foam insulation to keep the heat down. The boxes are open at the bottom with a spring spring and operate very smoothly.

Chris Durance-Watkins was in attendance to help with all the first time questions and scoring. Truly it ran as smoothly as one could hope, with the bonus of perfect weather!

Ellen Feldheim judged the match and selected as her placements Ginger, Helga, Minnie and Brooks.

Bred by Jean Balint & Kelle G Livingston

We started our travels on the Memorial Day weekend to the NCWFA June 2017 race meet. Our wonderful travelling buddies Barbara Barclay and Howard Wirsch and the Fireworks crew joined us for a fantastic and memorable trip.

We are very proud of Gibson as he won Saturday's 42 dog meet. He did not disappoint on Sunday, coming in Second in the 39 dog meet, and being awarded the beautiful Perpetual "Pirate Pete Memorial Trophy High Scoring in Trial". Gibson earned the highest combined racing points for the weekend and 9 NARX points. Gibson now has a new title NARX2, and he currently is #3 CWA Racing Whippet (as of June 4, 2017)

The weekend weather and the racing was only out done by the awesome people! Jean Balint and all the hard working crew held a terrific race meet, they have never had so many dogs entered and they all did an excellent job.

The dogs enjoyed walking on Harris Beach and running on the beach at Crescent City. Peter and Howard even had a chance to golf 3 times. Barb and I found some interesting shops to visit and some water fountains to brighten our yards.

Relaxing and enjoying great company - Who could ask for anything more?

Busy schedules, bitches in season and people having to work resulted in a one day meet for our May weekend as there just weren't enough bodies, two-legged or four-legged, to hold our normal two day event. However, it was certainly an enthusiastic and cheerful group out for our Sunday meet with 20 adult starters and one puppy. As usual, everyone helped wherever needed and the day was a great success.

Weather was in keeping with our cool and damp spring and alternated between drizzling rain and warm sunshine... people were flinging jackets and boots aside when the sun came out and then covering back up when the moisture started... again! Luckily, it was warm and dry by the end of the day so no one had to go home with wet gear!

Once again, the talented and speedy Gibson won the meet and earned another 4 NARX points. Gibson is without a doubt proving himself to be a consistent and worthy top racer. Working as hard as she could to earn a second place in the meet and 4 ARX points was Sage with her FTE brother, Phoenix, hot on her heels to place third in the meet for 2 ARX points. The very consistent and speedy Amy finished fourth, just out of the points, with "just out of season" Finch pulling off a strong fifth placement.

Placing in the Top 10 at RFF is indeed a challenge with the speed and quality of our dogs and the balance of the Top 10 was rounded out with Cha Cha, Leonard, Heidi, Archer and Daltrey. Any of these dogs could have easily been in the top few placements depending on their break and racing luck.

SALTED CARAMEL PECAN CHOCOLATE PIE

Ingredients:

- 25 Oreo cookies, finely crushed
- 5 tablespoons unsalted butter, melted
- 8 ounces (about 30) caramel squares, unwrapped
- 1 cup + 4 tablespoons heavy whipping cream, divided
- 1/4-1/2 teaspoon kosher Salt
- 1 cup chopped pecans, toasted (see note)
- Sea Salt (course) for finishing
- 2 cups dark or semi-sweet chocolate chip

Directions:

1. Spray bottom and sides of a 9" springform pan with nonstick cooking spray. You can also use a 9" tart pan (with removable bottom) or a 9" pie plate.
2. Stir Oreo crumbs and melted butter with a fork, then press into the bottom and 1" up the sides of the pan. (If using a tart pan or pie plate, press the crumbs all the way up the sides.) Chill until ready to fill.
3. Place caramels and 4 tablespoons heavy whipping cream in a medium bowl. Heat on high power for 2-3 minutes, stirring every 30 seconds, until the mixture is smooth. Stir in salt to taste, then pecans, then spread evenly in the bottom of the pan.
4. Place chocolate chips and remaining 1 cup heavy whipping cream in a large bowl. Heat on high power for about 1 minute 15 seconds, then whisk until the chocolate has melted and the mixture is smooth. Spread evenly on top of the caramel layer.
5. Sprinkle the top with coarse sea salt and chill until set, about 2 hours. Store in refrigerator. Let sit on the counter for 10 minutes before serving. If you're using a springform pan or tart pan with removable base, remove the base from the sides while the pie is cold.

To toast pecans:

1. Stovetop- place pecans in a single layer in a skillet and heat over medium heat, stirring almost constantly, for just a few minutes.
2. Oven- place pecans in a single layer on a cookie sheet and bake, stirring often, at 350°F for just a few minutes. Don't walk away- once you smell them they're done.

Special recognition must be given to our Most Appreciated for the day, Maddie, who ran her heart out all day, happy, eager and a great little dog!

Our puppy for the day was Gator, owned by the Buchholzes, and he showed us that he not only loves the show ring, but the race track is clearly something he is going to REALLY enjoy! Gator went on to win the match under judge Shawna McKay with Heidi, Finch and Phoenix taking the other placements. FTE Phoenix thrilled his owners with the High Combined Award for the day.

I think it's worthy to note that we had 6 Show Champions racing today and several others just needing a few points to finish. We truly have dual-purpose whip-pets in our area.

I cannot write a report without oohing and aahing over the best part of the day – the potluck and visiting with good friends! With everyone helping all day loading, catching, walking dogs, finish line, foul judging, box operator, lure operator, field set up and take down, doing the board...well....clearly we all built up healthy appetites and the potluck did not disappoint. So many great cooks, so much to choose from!

After much deliberation and tasting, Best in Potluck (BIP) was awarded to Jennifer Szabo for her Salted Caramel Pecan Chocolate Pie! Oh my!

On May 13th and 14th, Heartland Coursing held our annual spring CWA/LGRA race meets in lovely Clinton State Park and a fun time was had by all. With a lull of local whippets, we were thrilled to have folks join us from Iowa, Wisconsin, Illinois, Minnesota, and as far as Austin, TX!

Thank you all for supporting our club as we continue to try to establish ourselves in the region. Our LGRA entry also saw an increase in numbers this spring and we look forward to seeing both venues continue to grow.

On Saturday we had 10 starters including two FTEs on a sunny, warm (and windy - it IS Kansas after all) day.

Winning the race meet undefeated was Remy, earning 3 ARX/3 NARX points to finish her ARX in style! Second in the meet earning 1 ARX/1 NARX was Leni. There were some exciting races and the points were up for grabs.

Often in the Midwest, small meets tend to be ARX heavy.

One of my favorite parts of the day being box operator was watching FTE Honey make progress in her confidence on the track. She went from running wide and clear of the other dogs and directly back to her van after the first race, to staying near the bunny, and finally not avoiding the other dogs if she was being passed. Watching newer dogs learn is so much fun.

Match placements for the day under Phyllis Snell of Winqwest American Foxhounds (and Whippets) were Leni, Marky, Windy and Remy. The DPC credit went to Windy and Leni ended up our High Combined for the day. We also offered a high scoring LGRA award for the day.

A lovely lunch followed the race meet and match. Many thanks to Rita and Carol for organizing the food once again for our club. It is not an easy job and it is always

appreciated!

Sunday was another warm, sunny day and we had 11 starters for day two.

Remy was our undefeated meet winner once again for 3 NARX points putting her well on the way to her NARX title. Second in the meet for the second day was Leni earning 3 ARX/1NARX point as well as finishing her PR4. Bender earned 1 ARX point on his first full race meet after being an FTE on Saturday. Honey continued to make even more progress to round out a great first weekend of racing.

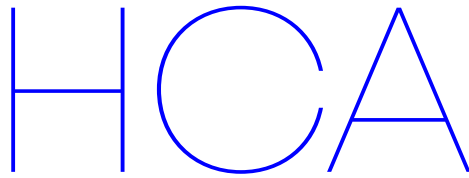

Match placements for Sunday under Jean Colletti (Sallukis) were Leni, Marky, Jillian and Honey. DPC credit went to Jillian and High Combined for the second day in a row to Leni!

Leftovers were served during awards, the field packed up and everyone on the road by 2pm. Heartland Coursing is known for being efficient on Sunday!

Special thank you to all of our volunteers, club members and friends of all for helping our meet be a success. Mark your calendars for our Fall meet on September 16th and 17th.

Our Swedish import, Tomte, began his career in adult racing at the May 2017 MAWRA meet. He debuted as a puppy racer, where he earned two DPC legs in his first weekend, and we are thrilled to see him hold his own in adult competition. After only three days of racing as an adult, he is halfway to his PR title. His mother is a Lure Coursing Champion in three countries: Sweden, Norway, and Denmark. She won the annual invitational race meet (bitch class) for her local club in Kalmar, Sweden in 2010. We are thrilled her talent on the track and in the field continues in her son and his littermates back in Sweden. We cannot wait to see what the coming years bring for our little Swedish elf!

Saturday began with a drenching rain -- but the forecast called for clearing after lunch, so the intrepid members of MAWRA, veterans of legendary race meets such as Icemaggedon and Racemeeticane, felt optimistic. A normal drenching rain for only half the meet? No problem.

We began Saturday with 40 dogs, plus were able to proof Tomte (Jalessas Light and Easy) for racing on Sunday and get Harlow (bred by Nancy Jorczak and owned by Connie Unangst) some practice time, along with Domino whippets up and comers, Sassy and EekumSeekum. Their sister Scarlett ran as an FTE in adult racing, with Sassy and Eekum running as puppies on Sunday. The next generation of MAWRA whippets are getting their sea legs early!

Woodford sailed across the soggy sod for another meet win, running not only undefeated, but utterly untouch-

able. He often finished at least ten yards ahead of the competition. Woodford's registered name is WildAbout Woodford, bred by Annie Kelsey and owned by Donna Miner. Woodford was also our meet winner on Sunday, with 45 whippets starting, which finished his NARX2. Woodford was also third in the match on Sunday, which won him the High Combined award for Sunday, which put him in the running to make the Top Ten High Combined for 2017. We hope he will get a few more High Combined awards this year to help him break out of the pack tied for sixth place and keep his position in the rankings for this year. He is also ranked 7th in the Racing Top Ten for 2017 as of this writing

Zen Daisy, Wylie's Rendezvous With Zen ARX NARX2 PR3 BN RA RATO GCG, bred by Debra Borton and owned by Kristy Thomas, took second in the meet both days. Amazing work

for a dog so early in her racing career. In fact, this was her first time racing in the rain. (At least her enthusiasm for the sport was undampened.) Zen picked up a new racing title, the NARX2, at the meet. She is also in the Racing Top Ten for the second year since her debut in May 2016.

Taking the top set of ARX points was First Time Entry Panther, GCH Deerpath Signature Cartier. Her debut effort earned her 6 ARX points and 2 NARX points, making black clearly the color of the day, since all three of the top three dogs are solid black whippets, with Zen sporting some white trim. Once the NARX points go black, they never go back!

Repping the red, Ronan, Cali's Ronan the Red of Saturn SC, bred by Deana McNamer, Robin Barry, and Donna Richards, owned by Mary and Ernest Pick and Deana, earned his ARX on Saturday by taking the second set of ARX points that day.

Rasher, Terrena's And the Crowd Goes Wild ARX, also had a good weekend. He finished the CWA meet 5th of 40 on Saturday and 3rd of 45 Sunday earning two more NARX points. Rasher is a littermate to Maple and this blue brindle is enjoying his time as part of the Lemon Zest Chicken Racing Team, captained by Mark Mortin.

Mark has helped Rasher bloom and we look to see many additions to the letters after his name in the near future (and maybe even a few before his name too!).

On Saturday, Hillary Frank, of Whip Hill whippets was the match judge. Her final cut included Tanner, Weston, Revel, Surfer, AJ, Apple and Lynesse. If black ruled the track, the fawns dominated the ring, until it was time to award the first place prize, which went to Tanner, Ch Aperture Longleson Go Up The Plumcreek FCh, SC, a red brindle bred by Julie Poole and owned by Chuck and Jean Brown.

Tanner also took the turtle prize on Sunday, although major contenders Bowie paddock scratched in the Fourth Program and Penny turned around at the box to visit her owner Brian who was box operating. Thus, Tanner got the turtle through attrition of those lower on the board, but sometimes that is how it goes on a Sunday after a sloppy Saturday running in the rain.

The fawns held up for the rest of the

match placements, though, with Weston coming in second, Lynesse in third, and Revel in fourth. Revel's fourth place finish in the match and ninth place finish in the meet made Revel Saturday's high combined. Revel, DC Oxford's Revelstoke at Steamboat Rock ARX DPCX TRP PR2, was bred by Karren and John Pysnia and is owned by Kristen Fredericks and Karren. Revel is tied for third place in the Top Ten High Combined for 2017 as of this writing, halfway through the year. Revel is also currently third in the Conformation Top Ten for 2017.

The turtle winner on Saturday was First Time Entry Pip, affectionately known as "the Powhatan redneck." His signature color is camo! Pip is officially known as Terrena's Rambutan. He was bred by Terri Deluca and Alena Tune and is owned by Monica and Rick Gallier.

Sunday was a beautiful day making it easy for several First Time Entries to tear up the track. Siri, Licketysplit Sirius Eye in the Sky, bred by Becky Bowman-Mealey

and owned by Steve Damron and Diana Shegogue, made her CWA debut although she had some track experience in WRA. She began as a B grade racer with us and finished the day in 6th place, taking the top set of ARX points.

In addition to those listed above Bowie also made his track debut on Sunday. Bowie's official name is ALCH, URO1 Bohem Jubilee Bartolo BN, RN, SC, CGC. He was bred by Cindi and Amelia Gredys and Bo Bengston and he is owned by Clarence Gelwicks. With Bowie's title record including multiple UKC Altered Best in Show wins and Reserve Altered Best in Show

wins, combined with AKC and ASFA coursing experience, Bowie should be a natural fit for CWA's focus on versatility. Bowie is 8 years old, which shows that it is never too late to try something new and have fun! He paddock scratched in the last program, but had a wonderful start and will be back this Fall.

Sunday's conformation judge was Janet Curtiss, who is largely known for her work with WRAP. Janet was thoughtful and decisive, quickly reaching her final four.

She awarded Crosby, Lynesse, Woodford, EekumSeekum her first through fourth placements, respectively. Crosby is also a relative newcomer to CWA, but an old pro at demonstrating the versatility that is the hallmark of a CWA whippet. In addition to seeing some of the next generation of MAWRA dogs head down the track as puppies and FTEs, and our veterans adding racing to their long lists of accomplishments for the first time, we got a glimpse of MAWRA's class of 2018! Carl and Donna Morgan, of Rock and Roll Whippet Association, took their show on the road! They drove out from Ohio just to give us our first look at the River (Debmar Cane River ARX SCA TRP PR9) x Bose (Bonpai's Surround Sound FCh ARX) litter. Appropriately themed, River and Bose's puppies are going to be named after R&B artists, carrying on the Surround Sound song from their mother. In addition to the two Rock and Roll puppies who will be staying with the Morgans, two will find homes with MAWRA families.

One has already headed home with Phyllis Epstein and is named Brooke. The other remains a happy surprise to be revealed at a future race meet!

As always, it took a lot of effort from a lot of wonderful people to make the meet run as smoothly as it did. Brian McHugh operated the box, Phyllis Epstein did a long lonely stint in the pouring rain as mid-line foul judge, Liz Aiello continued her service as race meet secretary and board clerk, Kristen Fredericks was lure operator rain and shine, Susan Fredericks continued at her post as Hospitality Chair, Anna Fredericks picked out our prizes as Trophy Chair, with the rest of the MAWRA crew serving admirably as line judges, dog walkers and boxers, and contributing to the epic potluck. Diane Bollinger also helped execute Liz's vision of commemorative waterproof decals for our new racing box. Sadly, it was too wet to apply them at this meet, but we can't wait to see them.

In May, racing fans look to the Run for the Roses and the Sprint to Black Eyed Susans for their enjoyment. In Louisiana, the Mad Dash to the Magnolia (tree) has everyone's eye as they watch the new crop of whippets take to the track. Several puppies practiced their skills preceding the CWA race meet with only one young filly old enough for the races. Kelli showed great progress in her boxing skills and ran enthusiastically to the puppy finish line under the giant spreading Magnolia tree that gives its moniker to the weekend.

Twenty adults followed in some very tight and exciting races. Three FTEs went into the boxes and the California bred Lovey came in front of littermates, Mudbug and Skeeterbug. All three showed blazing speed with Lovey continuing to run ahead of most challengers.

Six solid C-grade runners ran their first program with team-like precision. Littermates Brando and Josephine came in barely ahead of full sister Jade, immediately followed by Tres, Henry and Kuma.

The B-grade entry dictated two races. In the first race Finn joined his littermate with the win over Banks, Banner and Digger. In the second race Whiskey held off his younger sister Sadie and Stormy.

The A-grade race was a littermate sweep of Skywalker,

Leia, Solo with Red unable to break through the speed trio.

Program two provided instant litter grading for the observers. Puppy Kelli continued to learn how to run from different box angles. Digger held off a challenging Tres and Henry, with Doodlebug and Kuma closing.

Mudbug won his second race keeping littermates Josephine and Jade, and older full sister Stormy, well behind him. Lovey won her second race with the three littermates Red, Banks and Sadie behind her. The high point matched up littermates Skywalker, Solo, and Leia with their younger full siblings Brando and Finn. Nephew Whiskey was sixth.

Lagniappe had a pile of ponchos at the ready in case the predicted weather appeared. The thundertoms, while threatening in the distance, held off and the participants voted to push on for four programs. Clouds quickly gathered and puppy Kelli, after a momentary downpour delay, left the boxes for a soggy run to the dry finish line under the Magnolia tree. The rain stayed clear for the next race as Stormy left the dueling Henry and Tres ahead of Doodlebug and Kuma.

In the next race Banks inched ahead of his littermate Sadie, with Digger and Jade following closely. Big boys Red and Finn tied in the next race with Whiskey and Josephine loping in behind them.

Lovey came in ahead of the pack of siblings — Skywalker, Solo, Leia, Brando — and fellow FTE Mudbug in the third program high point.

The fourth program was delayed for a short outburst but quickly resumed when the rain stopped. The little fast girls Sadie, Stormy and Jade dominated the bigger boys Tres, Kuma and Henry.

Whiskey held off Brando, Mudbug, Banks and Digger in the semi. Lovey ran ahead of Skywalker to win her fourth race and take the meet with 26 points. She earned 4

NARX and 4 ARX points. Skywalker was second in the race, second in the meet, and took home 2 NARX points. Solo was third in the race and the meet, and Leia was fourth for fourth in the meet. Younger sibling Finn was fifth in the race and meet, with Red pulling sixth and sixth. With so many of the stellar Star Wars littermates having finished their ARX titles, the final set of 2 ARX points went to another of this talented set with Brando finishing eighth in the meet and hanging in to add full ARX points to his previous fractions.

The rain held off so that judge Alix Prete could examine her match entry. Kuma had a late discovered pad burn and went to rest in his crate with his Turtle toy. From the remaining entry, Finn was fourth and Tres (aptly named) third. Banks took second and finished his DPCX title. First in the match was the beautiful bitch Leia for the match win and high combined for the day. Red was recognized for Lagniappe's special award of highest placing bench champion. With the heat building and the storms momentarily delaying, participants headed to the pool to cool off and prepare for Sunday's meet.

When the storms finally came that evening and warnings

of flooding and caution for driving the causeways were posted, plans for a trip to the French quarter were put on hold, pizza was procured and the veranda became a place to watch the rain and enjoy the camaraderie.

Sunday was remarkably clear after the nighttime storms and 20 adults took advantage of the good weather and great track. The single D entry Doodlebug, who had pulled up the day before, ran a nice race with easy movement and left with the desire to go again.

Full sisters Josephine and Jade vied for "fastest littlest" and Tres came in ahead of Henry in the "tall dog" duel. Sunday had a bigger entry in the B grade and five dogs

took took to the track for both races. Brando won the first set and Mudbug won the second. Lovey took the A grade race over Skywalker, Red, Solo and Leia.

Program two was a packed program with three six dog races. The talent was deep in the first race with two ARX dogs and two on the cusp of finishing their ARX battling to hold off young challengers. At the finish line it was Whiskey, Khaleesi, and sister Stormy ahead of Sadie, Henry and Tres. The second race had 4 ARX dogs and two challengers, with littermates Solo and Leia ahead of younger sibling Finn. Digger-B, Jade and Banks finished closely. All eyes turned to the final race as Lovey came in first, very closely followed by Skywalker. Mudbug was third ahead of Red, and littermates Josephine and Brando finished to end program two.

The third program's first race matched littermates Banks against Sadie and littermates Stormy and Khaleesi. Henry and Tres stayed out of the sibling battles. The second race had littermates and full siblings Finn, Leia, Brando and Jade placing behind the older Whiskey (son of their half brother River). The family affair continued in the highpoint with Lovey, the unrelated California new comer, taking on Annie sons and grandsons Skywalker, Red, Solo, Mudbug and Josephine (Annie's daughter).

No rain threatened the final program, and the first race had Sadie leading, followed by sisters Stormy and Khaleesi. Henry broke well and surged ahead of Jade and Tres. Finn quickly broke to get the jump on Leia, Banks, Brando and Josephine. In the final high point, Skywalker was able to stay ahead of Lovey for his first win of the day. Lovey still won the meet and earned another 4 NARX points and 4 ARX points to give her owner Kim Otero a thrill after her arrival the previous evening. Skywalker's second place in the meet netted him 2 more NARX points. Whiskey was third in the race and Solo was fourth and they swapped places for the meet. Red scored fifth in the last highpoint and fifth for the meet. Mudbug's double sixth places gave him his first ARX points.

The match was held and Amanda Hall sorted through the six entrants, awarding Leia first for back to back High Combined. Banks was second, Tres third, and Stormy fourth. Lagniappe recognized Red as the high scoring Bench Champion. Sunday's coveted turtle award went to Henry.

In conclusion, it was a great day at the races, maybe next year the Magnolias will also get TV coverage.

At the beginning of the week the forecast was for a weekend of thunderstorms. We had already had a very rainy spring and the ground had just dried up, so we were hoping for the best. Deb Borton picked out some fabulous prizes and selected conformation judges. Lisa Ochoa and Pat Reynolds were prepared to cook the meals – chicken on the grille for Saturday, and turkey on Sunday. Lisa and Pat backed in their new camping trailer into the drive Friday early evening and unloaded the supplies for the upcoming event.

Saturday morning we all awoke to a nice surprise: the air was cool and fresh, with blue skies and crisp sunlight. Folks started arriving at around 8 am for measuring at 9. The first arrivals got the best spots, under the maple tree, though, as it turns out this day there were no bad spots. Measuring commenced right on time, with Deb Borton, Connie Austin and Ule James on the committee. Three dogs measured poorly their first time, brought on by the anticipated bunny chasing. For most of us, this was the first meet of the season. Thankfully all the entered hounds measured in.

There were 21 dogs entered, heavily on the A dogs. In the first program, the races were won by Trinity, FTE Getty, Venus, Pogue, and Deuce. In program two, Story and Getty won their races, and, in the high point, Pogue and Pie were first and second. In the third program, there was a tie for first in the first race between Levi and Bender. The second race had Wrecker ahead and the high point had Pogue first and MysterE second. The final program ended up with Levi ahead in the first race, Remy in the second race, and Pogue and MysterE one-two in the hi point. Overall, Pogue was first, followed by Deuce, for 4 and 2 NARX points. For ARX points, MysterE and Getty were awarded 4 and 2 points respectively.

For conformation, Gail Strack found Pogue, Grace, Marky and Angel to her liking. A Cirneco was brought into the ring at the end of the whippets but Gail didn't

seem impressed with the ear carriage.

Pogue easily won the high combined in fine style.

The sunshine and the company was perfect with no hitches at all. There were also a nice batch of puppies to look at – the Morgans were there from Ohio.

We retired to delicious chicken, side salads and pretzel salad. Also, we had the wrapped prizes, with a few steals here and there for Star Wars dog toys and some beautiful blankets.

report by Ule James, photos by Mary Huff

Sunday was a bit different as far as everything running smoothly, and the main addition was Jen Smith so we are wondering about that...

During measuring, a voice whispered in my ear that the toilet was backed up. With a house on a septic system and the only bathroom being in the house, this was an emergency... VERY bad news for poor Ule. I then whispered in his ear that we would finish up the measuring but he would have to figure out the septic thing. So after some work, he managed to get that problem cleared up. The joys of living on a septic system.

Midway through the meet, the “butterfly followed by the lockjaw” incident occurred. While the dogs were being boxed, the lure operator was distracted by a butterfly, yes a butterfly, and a swallow which was flying nearby, and became preoccupied with the fate of the butterfly. Meanwhile the box operator was waving to start the lure. Expecting the lure to start, the box opened but, alas, the lure did not go. Lure operating is not a good multi-tasking activity...

This set the stage for the the Lockjaw Jackson incident. Jenn Smith's Jackson got his muzzle off, and clamped on to the lure, not wanting to ever let go (understandable as it was a very nice pink/purple lure). After what seemed like 10 minutes, with all the usual tricks, and being held up, he finally dropped the lure and the dogs went into the box. He was thus dubbed Lockjaw Jackson.

There were 16 dogs entered on Sunday. The first program had Ginny, Flynn, Story, Pogue, and Pie winning their races. The second program races were won by Bender, Zen, and Pogue, with Wrecker, Rake and Pogue winning in the third program. The final program race winners were Story, Wrecker, and Pogue. So the top dog and high combined for the day was Pogue.

Lisa Ochoa judged on Sunday and found Pogue, Pie, Story, and Marky to her liking.

Off to eat, delicious side dishes and a turkey.

Thanks to all the folks who came and helped run the meet and enjoy the sunshine and the happy dogs running.

It makes me extremely happy to report that our first official weekend of racing for the year was a huge success. On Saturday we had a great entry of 42 adults and five puppies. I must mention that this was a record high for our club. Helping us to make this record were our dear friends from Canada, Nancy, Peter, Barb, and Howard. Our sincere thanks for making the long trip to support our meets.

The racing was very exciting and it was the last race that determined our meet winner. Gibson, our little Canadian entry came out on top. Congratulations to his happy and proud owners, Nancy and Peter. Lucky and litter mate Merry took second and third. Merry was also our Best Opposite Sex in meet.

Bindi, one of our five FTEs, ran most impressively and took the fourth spot. It was nice to welcome her owner, Dutch Van Oorshot, back to racing. As many old timers to racing will remember, Dutch was the breeder of Toro who was one of the greatest race dogs of all time.

Getting back to our top ten, finishing fifth was Whoopi. This gave Leslie Rosko three litter mates in the top five.

Another of our FTEs was Spangle, and this was her first time racing since the accident where she broke her leg. She ran awesome and made her owner, Janet, very happy. Our third FTE to finish in the top ten was Brie. She not only ran well, she showed well too and took second place in the match. This gave her the honor of being the High Score Combined for the meet. Congratulations to Justine, David, Steve and Guin. Another tough little contender, Skylar, ran great and finished eighth. Rounding out our Top Ten were two more Canadian entries, pretty girl Cha Cha and handsome Leonard.

Our puppies ran well and show great promise as future racers. Coming out on top was Emoji, and his litter sister, Flyck, was second. Eddy, Fleur and William took the final placements. I congratulate the owners, Candy and Charlotte, on their fine running youngsters.

Saturday match judge Kim Otero with #1 Dallas, #2 Brie, #3 Peaches, #4 Bruce

The match was judged by Kim Otero. Kim did a great job and picked four beautiful Whippets. Her final placements were, Dallas, Brie, Peaches and Bruce.

The day ended with a wonderful bar-b-que. My appreciation to Peter and Howard for the use of their grills and to Kim for cooking all the delicious burgers and brats.

I would like to thank our great "Race Team" for their hard work in putting on this fine event. Because of you it was a huge success.

Sunday started out a little chilly and very windy. Later in the day the sun did manage to come out but the horrible, nasty wind made it most uncomfortable for everyone participating. Fortunately it did not bother the dogs and again we had another successful day of racing.

Our meet winner was Strega who ran undefeated. Congratulations to his happy owner Jack Pulley. Our Canadian boy Gibson gave another strong performance and finished second. Lucky, again running well, was third.

Sunday match judge Erin Campbell with #1 Carson, #2 Dallas, #3 Bruce, #4 Tally

Cha Cha, the pretty black girl from Canada was fourth and also our BOS in the meet. Another pretty little bitch, Gibson's sister Skylar, was fifth, and shared top championship points with Whoopie. Merry finished in seventh place. This again gave Leslie Rosko four litter mates in the top ten. Yet another of Gibson's sisters, was Shayla, who finished eighth. The final top ten finishers were two good running Whippets, Spangle and Rourke. The owners should be very proud of all these fine running Whippets.

Again we had five great running puppies. Stryker was the new kid on the block today and showed the same enthusiasm as his litter mates Flyck and Emoji. Eddy and Fleur again ran hard and showed tremendous potential for future racing. My sincere congratulations to their owners Candy, Charlotte, and Valerie.

The match judge was our own club member, Erin Campbell. Erin choose four beautiful Whippets for her placements: Carson, Dallas, Bruce and Tally. The High Combined was awarded to Carson who is owned by a very proud Erynn Lucas. Like yesterday's winner, he was very worthy of this award. My thanks to Erin for a job well done.

report by Jean Balint, racing photos by Philip Paul, candid photos by random NOWFA members

This year our club gave out to two special challenge trophies. The first one was the Pirate Pete Memorial trophy which was awarded to the High Combined racer for the two days. I know it was a touching moment for Barb and Howard when they presented it to their Grandson, Gibson. The other award was the Frank Herald Memorial Trophy. It was given to the High Combined Veteran. It made me happy that my old lady, Miss Jane was this year's recipient.

Now it is time for me to mention the hard working members who made this weekend one of the best ever. Mary Jean and Guin, thank you so much for doing check in, measuring, inspection and collecting the entry fees. Another thank you to Mary Jean and the rest of the Fabulous Four, Guin, Andrea and Jen, for doing a wonderful job on the finish line.

Others who have my gratitude are Erynn who did a superb job running the lure. She was helped, when she ran her dogs, by Peter, one of our Canadian friends. Many, many thanks to the Dynamic Duo on the boxes, Kim and Ed (they really do work great together). Thank you to my Darling David for the magnificent job doing lure return. To Jen who does set up and take down and any other task that needs doing, you have my gratitude. A very big thank you to everyone who helped unload and load the trailer. Another big very big thank you goes to our great race secretary, Bonnie Moore. It was a tough weekend for her but she did an outstanding job. By the way Bonnie was ably assisted by Charlotte Fielder. Thank

you Charlotte. I have to give a personal thank you to my friend Brad for running my dogs for the entire weekend. You did a great job. Lastly my sincere gratitude to everyone for bringing the delicious food for our lunch. It was another gourmet delight. To Nancy, Peter, Barb and Howard, our appreciation for again supporting our meets.

Before I end this report I must mention that I received a very special gift from many of my club friends. They got together and bought me a top of the line walker. This was something that will make my life much easier and

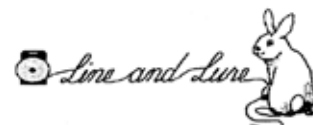

safer at all of my future race meets. Thank you Val for coordinating it and thank to everyone for your kindness and care. I am truly blessed.

report and photos by Julie Poole

SMART Whippet Racing's inaugural meet was held June 3rd and 4th. It was a warm East Tennessee weekend with gorgeous sunshine and a nice breeze. The track was lush and smooth.

We were able to rope in two husbands and assorted family members to help with the meet.

Julie Poole's husband Larry ran the boxes all weekend long. There was a small learning curve the first day, but he had it perfected by the next.

Cathy Williams' husband Baron line judged most of the weekend and helped with boxing dogs.

Bob and Phyllis Brown enlisted their 19 year old grandson, Caleb Brown, to do video finishes. This helped immensely when there were discrepancies.

It is always a good weekend when you can enlist the family!

We need to do a special thank you to Dawn McDonald. She tirelessly walked the dogs back and forth to the boxes. She comes only to help out, and help out she does. Thank you Dawn! I don't think we could do a meet without you.

On Saturday we had 33 adults, including three FTEs, and three puppies. We had seven A dogs, ten B dogs, ten C dogs and three D dogs.

The meet win went to Lovey, who earned 5 ARX and 5 NARX points. Skywalker was second for 3 NARX points, Red was third for 1 NARX point, Brando fourth for 3 ARX points and Mudbug fifth for 1 ARX point.

Saturday match judge Rhonda Gifford with #1 Bea, #2 Hattie, #3 Helga, #4 Dora

Rhonda Gifford flew out from Arizona to judge the match for our inaugural meet and chose Bea as her match winner, which gave her high combined. Hattie was second, Helga was third and Dora was fourth.

Running was hot, as was the temperature! We had a huge group swim in the lake after. If the dogs were not tired from running, I'd say this helped take that last edge off.

On Sunday, we had 32 starters: five A dogs, twelve B dogs, nine C dogs and five D dogs. The meet win again went to Lovey who finished both her ARX AND NARX!!! Great job Lovey!

Sunday match judge Cydney Petit with #1 Bea, #2 Helga, #3 Minnie, #4 Revel

Cydney Petit came in from Ohio to judge our match and her placements went to Bea, Helga, Minnie and Revel. High combined went to Revel.

We all did another great lake swim to cool off. We had everyone packed up and out of there before 2pm, which was perfect timing as the skies opened up at 2:30 with a nasty storm.

We could not have asked for a better weekend for our inaugural meets!

report by Carl Morgan

The RnRWA was able to have a race meet this year thanks to the support of all who attend from out of the area and I would like to thank you for that support. The weather was nice and the track was in great shape. We had a nice entry of 21 adults and one puppy both days.

Pogue dominated the racing, winning undefeated both days, but behind him, the racing was close. Saturday Pogue earned 4 NARX points, and Lovey earned 2 NARX. Mudbug earned the top set of 4 ARX points, and Brando earned the bottom set of 2 ARX.

Saturday's match was judged by Deborah Bahm, who placed Ember first, Isaac second, Pogue third, and Stella fourth. Ember earned the DCP leg, and Pogue was High Combined.

On Sunday, once again Pogue took top honors and 4 NARX points, and Lovey finished second for 2 NARX. Once again, the ARX points went to Mudbug (4) and Brando-B (2).

Ember was our single puppy running all weekend. She looked really

Saturday match judge Deborah Bahm with #1 Ember, #2 Isaac, #3 Pogue, #4 Stella

nice and should have a nice adult career. Also there were a few young adults who did very well this weekend.

Sunday's match was judged by Carl Morgan, who placed Ember first, Mudbug second, Pogue third, and Crosby fourth. Again, Ember earned the DCP leg and Pogue repeated as our High Combined winner.

Again, I would THANK EVERYONE for your support of Rock and Roll Whippet Association.

This month Maple added an ARX to her alphabet soup of titles, but the Award of Racing Excellence is truly an honor. Bestowed by the CWA upon dogs who are top finishers at meets, demonstrating a consistently high level of performance, this title is truly an achievement. We are thrilled she earned it so quickly!

Maple, like CWA itself, is devoted to versatility. In fact, she won both the Versatility competition and the Triathlon Competition at the 2017 AWC Nationals -- a feat so difficult that it has never been done before!

At only two and a half years old, Maple is already contributing to the history books by defining what it means to be a versatile whippet. We are thrilled to compete in CWA, an organization that promotes both form and function and has for generations. In fact, both of Maple's parents are titled in CWA as are three of her four grandparents. We hope to continue to set records and have fun in the years to come.

Racing For Fun

report by Lorna Leinbach

With a great sense of déjà vu, our June race weekend was reduced to a one-day meet and once again, just like April and May, we woke up to yet another grey and damp day. Fortunately the dampness was mostly drizzling moisture falling from the sky and it wasn't particularly cold, so the race conditions for our dogs were very good. The track was green and soft – no big surprise with all the rain we had this spring!

Szabo's Gibson was clearly on top of the world after his recent holiday and meet win in California, and dominated all four high point races. Interestingly enough, each high point saw a different second place finisher, which made for some great rivalry in the quest for the ARX points.

Running strong and breaking out of the boxes like a bullet to earn second in meet and taking home 4 ARX home was FTE Athena, owned by Trina Woody. Only half a meet point behind Athena, and earning 2 ARX points, was the very competitive Amy, who is now on the home stretch for her ARX title. Sage, happy to be back on the track after three weeks of girl's house arrest, pulled into fourth place, with Leonard hot on her heels to place a strong fifth place.

The balance of the Top 10 was equally as strong, with the final program deciding who was going to make it and who would be the bridesmaid! ChaCha, Phoenix, Daltrey, Olive and London were the lucky hounds to round off the Top Ten. Our most appreciated award was presented to Tina with much applause and cheers!

Penny Wilmot judged the match and after much deliberation over a lovely line-up of dogs selected Sage for first, Phoenix second, Portia third, and Gibson in fourth place. Gibson, proving that he is both fast and handsome took home the High Combined Award and Sage earned the DPC credit.

Huddled under canopies with a few pesky drips/waterfalls landing on our heads and chairs, we all enjoyed a wonderful visit with much laughter and silliness while making repeated visits to the Potluck Table. The clothes pegs came out for voting and the winning dish was Lorraine Andrusiak's "Awesome Bars" which I can vouch were just as good on my third helping as the very first one! (yes...I did leave a few for others to sample!)

Many thanks to everyone for helping make this meet a really wonderful day – we couldn't do it without you. Next on the calendar for us will be the Nationals!

Match judge Penny Wilmot with #1 Sage, #2 Phoenix, #3 Portia, #4 Gibson
