CWA and *Line and Lure* take no responsibility for statements or claims made in advertisements that appear in this publication.

The *Continental Whippet Alliance* was formed to achieve the following objectives:

1. to unite Whippet fanciers with the common goal of promoting, protecting and preserving purebred Whippet racing
2. to encourage and promote quality in the breeding and racing of Whippets and to do all that is possible to bring their natural instincts to perfection
3. to urge members and breeders to accept the Whippet Standard of the Breed as approved by the American Kennel Club as the only standard of excellence for Whippets
4. to do all in its power to protect and advance the interests of the Whippet by encouraging sportsmanlike competition at race meets and conformation competitions and by providing a friendly and enjoyable environment
5. to provide a testing ground for Whippets to demonstrate they still have the instinct, desire and physical ability to do the athletic activity they were bred for, helping to maintain the Whippet as a healthy breed

From the Editor

Finally, the *National Issue* is done. Thank you to everyone for submitting such great content — I had to stretch the deadline considerably for some of it, but I hope you agree it was worth waiting for!

A note about the statistics and standings in this issue. I like to include new titles, standings and statistics that coincide with the meet reports included in the issue, so that the listings in *Line and Lure* can serve as a historical record of the standings as they progressed through the course of the year. Because this issue only includes meet reports through the National at the end of August, the standings are a few months out of date. The current standings are available on the CWA website. Also, there were only a very small handful of titles earned at the meets reported in this issue, so, for the sake of layout, I decided to hold those over until the next issue.

While I waited for some late content for this issue, I've already started work on the next issue and am setting a very short deadline in hopes of a quick turnaround, so you shouldn't have to wait too long to get caught up on all the statistics, titles and standings!

The next issue will be the *Versatility Issue* (which switched places in the production schedule with the National issue because the National happened earlier than usual this year). This issue is dedicated to the glory our CWA whippets are achieving in other endeavors, including conformation, coursing, tracking, obedience, agility, flyball, dock diving, therapy work, barn hunt, and any other dog sport to which they set their sights! Whippets truly can (and do!) do it all! If your whippet does it all, don't be shy, share his or her accomplishments in an ad in the *Versatility Issue*!

NEXT DEADLINE
November 30, 2017

Of course regular advertising not in keeping with the issue theme is always always welcome at the regular rate of \$15 per page. The deadline will be *November 30*.

report by Barb Hearley

What a great weekend! Our 4th annual Firecracker Races went off (mostly) without hitch. The sky was blue, the sun was shining, the grass was lush, the temperature around 80 degrees, two perfect summer days for our July North Star CWA meet in Columbus, Minnesota! Whippets and their people came from Wisconsin, Iowa, Illinois and Texas to join our meet! For the third year in a row it was a CWA/LGRA collaboration, so there were also Afghans, Rhodesians, Deer Hounds, Basenjis and other sight hounds enjoying the event. And the LGRA folks are definitely as passionate about racing as we are!

We had barbequed pork sandwiches and Sandy's homemade enchilada casserole plus boatloads of sides and desserts. These meets are worth attending for the food only!

Special thanks to the NSR crew for all the help. Can't do it without you!

We started out Saturday with 23 dogs: two D dogs, eight C dogs, eight B dogs and five A dogs. Deuce won the meet for 4 NARX points with Rake a close second earning 2 NARX points. Remy, Zen and DD Verni were next in line followed by Marky earning the top set of 4 ARX points. Mercy, one of our visitors from Texas, and Jack shared the second set, each earning one point.

On Saturday, all the other sighthounds from LGRA join us in our fun match. Our judge for the whole kit and caboodle was Robin Exsted. For whippets, she chose Marky, Windy, Summer, and Digger. Marky then joined the other winners from the other breeds for Best in Match, but the big prize went to the deerhound, so he had to be satisfied with High Combined.

Saturday match judge Robin Exsted and #1 Marky, #2 Windy, #3 Summer, #4 Digger

Sunday match judge Julia Callaghan and #1 Rake, #2 Digger, #3 Remy, #4 Rim

Our turtle was Fling, who didn't seem to mind because she had a blast and got a prize to boot.

Sunday we had 20 dogs: one FTE, four D dogs, seven C dogs, five B dogs, and three 3 A dogs. Deuce was undefeated and earned the top set of 4 NARX points. Remy came in second for the 2 NARX points followed by Zen and Rake. Digger came in fifth for the top set of ARX points, followed by Jack and Bender who split the second set, each getting one ARX point.

Our FTE was Violet who came out of the boxes and ran like a pro. Our turtle was Rim who earned herself a nice turtle prize.

Judge Julia Callaghan, Afghan enthusiast, judged conformation Sunday and awarded her placements to Rake, Digger, Remy, and Rim. The coveted High Combined award went to Remy.

report by Barb Hearley, photos by Kristy Thomas and Gail Wieberdink

We have been so lucky with weather this year. We had two wonderful summer days again for our August North Star Dog Days of Summer CWA meet in Columbus, Minnesota! There was a threat of rain for Sunday, but it didn't materialize until well after the last visitor was well on their way home. The food was good (Mexican theme!), the company even better!

We had 20 whippets on Saturday: one FTE Hank, four D dogs, three C dogs, eight B dogs, and four A dogs.

It was very tight racing all weekend with a few true nail-biter finishes! There were a number of ties and even one three-way tie! Deuce won the meet earning 4 NARX points with Zen Daisy a very close second earning 2 NARX points. Third in the meet was Rake, followed by Digger, who earned 4 ARX points, and Jack and Marky who split the bottom set of 2 ARX points.

This finished Jack's ARX championship! This was an amazing accomplishment as he had been out with an injury and didn't start racing in CWA until he was 5½, and he finished at the age of 7½! I'm pretty sure Gail would have danced on the table had we gotten her up there!

Jennifer Hart-Abraham judged the conformation match on Saturday and placed a bevy of brindles: Chip, Marky, Deuce and Leni. Deuce was high-combined.

report by Barb Hearley, photos by Kristy Thomas and Gail Wieberdink

We dropped down to 16 for Sunday: one FTE, Patina, one D dog, three C dogs, seven B dogs and four A dogs.

Sunday's racing was some of the tightest we've ever seen! Coming into the final race it was a three way tie for the meet win with Rake, Deuce and Zen Daisy. Each had 16 points, having won one high-point race, finished second one high-point race and third one high point race. Deuce got the break and won the race to earn the meet win. Zen poured it on to take second and Rake third!

The ARX points were no less contentious, with Digger, Marky and Bender at the top of the pile, all within ½ point after the third race. Digger had the digs to get the top set of 3 ARX points and finished her ARX title. Marky and Bender fought their own battle with Bender beating his brother to take the bottom ARX point.

Patina did well in her debut and never lost her lady-like

charm and reserve. Well...maybe a little. But mostly she had a great time and will hopefully be joining us again in the future.

Steve Shimer judged the conformation match on Sunday and also placed a bevy of brindles. In fact the same bevy as the previous day, only in the opposite order: Leni, Deuce, Marky, and Chip! Deuce was high-combined.

Best in Match 2017 CWA Annual Match

Thank You to our judge Donna Miner for finding Heidi in this group of spectacular whippets. Such an honour and a thrill!

Our weekend didn't stop there! At the RFF meet on Sunday, Heidi split the last ARX point with her cousin, Archer, and placed second in the match under Kellee Livingston to win the High Combined Award.

Heidi is a multi group placing, multi breed winning show champion and is ARX pointed.

24TH CWA ANNUAL MATCH CRITIQUE

critique and photos by Donna Miner

British Columbia has to rate near the top of anyone's dream destinations, especially when it's paired with a CWA National. What could be better than the stunning scenery of the Pacific Northwest, the mild end-of-summer weather, and a huge turnout of beautiful whippets assembled for The Event of the Year?

I thrilled with anticipation as I arrived at Swiftsure Whippets, the home of Steve and Linda Buchholz, the generous hosts of the Annual Match. It was like arriving at the gates of Oz, with Jean Balint playing the role of gatekeeper and greeting each arrival. Indeed, the Buchholz property is heavenly, with a lovely home, beautiful gardens, manicured lawns, a pond with a fountain, overhung by graceful willow trees. It's a compound with plenty of room for whippets to run... definitely the envy of every whippet owner.

So much effort was invested in preparation for an amazing match. There were tents everywhere to shield exhibitors and spectators from either sun or rain. And many tables filled with delicious prizes, tempting raffle items, and tantalizing treasures to be held back for Saturday evening's big auction.

Such prizes, I have never seen. Kim Otero created magnificent rosettes for the match, with each and every one being an original piece of art. They were stunning and are surely treasured mementos for those who were lucky enough to take one home. There were notepads of Lisa Costello's design, lovely silver necklaces, medallions, ceramic statuary, adorable whippet stuffed animals, and hand-crafted pouches with original felted whippet designs, created by Cydney Petit. Many thanks to the donors of these lovely items and kudos to the trophy organizers, Laura Baratta and Jennifer Scholz Hughes.

What a pleasure to greet so many people that I rarely see. It was wonderful to renew old friendships, to strike up new ones, and to finally be able to put faces

to names. It was a rare opportunity to be able to "talk whippets" until well after dark as I am usually consumed with caring for animals at any event.

I would like to recognize our two organized and efficient ring stewards, Margaret Gaull and Ellen Kerfers. Thank you, ladies, for watching over the proceedings and making my judging experience such a pleasant one. Stewards are the unsung heroes of any dog show and you have my gratitude.

The skies were overcast for our match and blessedly, the prevailing winds cleared the area of smoke from the wildfires which had plagued the area for weeks.

68 lovely dogs were exhibited to me and represented the entire spectrum of the whippet population from those specializing primarily in conformation to those that compete more at the upper end of performance sports. It is a privilege to see so many whippets in one place and the breadth of type offered for consideration.

In considering each whippet's conformation, I have a strong preference for construction that produces strong performance on the track and in the field, while retaining the lovely, finished appearance and "Mother, I love you!" expression which makes the breed so appealing. Length of body and a relatively level topline with a slight rise correctly placed over the loin create the spring-like construction that stores energy during the tucked phase of the gallop. A well-muscled back and hindquarters release that energy during extended phase, ideally creating straight-as-an-arrow forward motion while running.

Due to the fact that the breed standard defines a correct depth of brisket in relation to the point of the elbow, it is possible to create the appearance of a deep brisket by shortening the length of the upper arm, at the expense of functional performance. A proper length of upper arm and a deep brisket found together in a dog is a definite asset that should be retained in a breeding program!

PUPPY CLASSES

3-6 months – Puppy Dogs

1st place - *Lost Creek Time Travel* – This fawn/white particolor pup placed above the 2nd place pup based on more substantial bone, expression, and a lovely blend of neck into shoulders.

9-12 months – Puppy Bitches

ADULT CLASSES

12-18 month – Dogs

1st place - *Galeforce Windsplitter* – Handsome irish-marked black dog with lovely topline and undercurve.

2nd place - *Nouveau's Le Chat Noir ARX DPCX TRP PR4* – A handsome black with a lovely, smooth topline, this dog was nicely trained and well-presented in the ring.

Open Dogs

1st place - *Sailaway Fast-Forward of Course* – A solid black dog whose great front and rear angulation, deep brisket, and lovely, long topline moved him to the head of the class.

2nd place - *Serendipity Double O Seven PR* – Handsome irish-marked

fawn brindle with lovely type, strong neck and head, moving him ahead of the 3rd place dog.

3rd place - *Dioro Shakey Jake* – Solid red brindle dog with a nice outline, great hindquarters construction, and nice short hocks which moved him ahead of his competition.

4th place - *Terrena's Good Vibrations At Noralor TRP DPC PR3* – A very handsome and typey fawn brindle I/M dog with a nice deep brisket and very good head/neck/express.

Bench Champion – Dogs

3rd place - *CanCH Hilerica Tigh Na Mara ARX DPCX* – Solid red with black mask, placed above the 4th place dog due to superior length of torso and slightly more level topline.

24TH CWA ANNUAL MATCH CRITIQUE

critique and photos by Donna Miner

4th place - *CanCH Sail-away Storm Trooper* – Lovely brindle parti-color male with a sleeve of color on his left front leg, well-presented by his handler. An eyecatcher in any ring, for sure!

Race Champion – Dogs

1st place - *CanCH Serendipity Malarkey At Whimsey ARX DPCX TRP PR3* – A smooth red dog of substance and more length than the 2nd place dog, with a lovely head and neck, and the ability to use them to advantage.

2nd place- *GCH Sailaway Time Traveller ARX SRA DPCX PR7 TRP* – Solid red brindle of outstanding strength and balance. This dog had the curves of the 4th place dog plus the substance of the 3rd place dog, placing him above both of them.

3rd place - *AmCH Debmarr Red River Runs ARX PR DPCX TRP* – Beautifully-painted irish-marked red with the a white neck going down across his shoulders. This visually emphasized his lovely strong neck and head. Placed above 4th place based primarily on superior substance.

4th place- *Gibson Flying V of WyndSOR ARX NARX PR2 TRP* – Loved the dark solid brindle of this dog. Moderately sized, with gorgeous curves.

Altered Dogs

1st place - *Terrena's On A Bender At Noralor* – Loved the deep red of this dog's markings, and the lovely arch in his neck. This is a dog with a lovely undercurve and expressive eyes.

12-18 months – Bitches

1st place - *Lakota's Suzie Q* – Lovely solid fawn brindle with beautiful expression, lovely neck. This bitch placed above the other bitch on the strength of her deep brisket and matching angles front and rear.

2nd place- *Galeforce The Butterfly Effect* – A handsome I/M red brindle with a nice, long upper arm, this bitch promises loads of speed as she matures.

BBE – Bitches

1st place - *Brystal Raven Mystique* – A very nice black and white bitch whose length of neck, length of body and more

24TH CWA ANNUAL MATCH CRITIQUE

critique and photos by Donna Miner

angulated front/rear placed her above the 2nd place bitch.

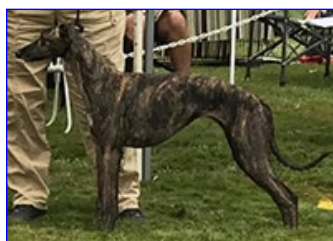

2nd place - *Hilerica rue Pavanne FCHX* – Beautiful blue fawn bitch with an excellent level topline and length of loin that placed her ahead of the 3rd place bitch.

3rd place - *Alcyon Betty Boop* – A very typey fawn brindle bitch with a beautiful head and soft expression. Very good front fill, which placed her ahead of the 4th place bitch.

4th place - *Dioro Tsunami ARX SC PR* – A lovely solid dark red bitch with a beautiful profile created by a correctly placed arch over the loin and a deep brisket with a lovely curve to the tuck-up. I very much liked this bitch and predict that she will improve with further show training.

Open – Bitches

An especially difficult class to judge as the disparity in type among the entries was so great. On a different day, the order might have been completely different.

1st place - *Devereux Serendipity Doo-Dah* – A striking black/white girl whose moderate front/rear angles and clean movement placed her ahead of the 2nd place bitch.

2nd place - *Hilerica Jail Bait* – Lovely deep red bitch with black mask and a blaze. Unfortunately, I was disappointed not to have captured a photo that reflected her quality. She has a nice long neck that blends into a superior topline and is appealingly curvy below. Her angles are good, but she wasn't as cooperative on the day as I would have liked, otherwise she might have placed 1st.

3rd place - *Milescross Wandering Brocade* – In 3rd, I place an attractive I/M brindle bitch with lovely type. Her correct topline placed her ahead of the 4th place bitch.

4th place - *Wheatland Bindi* – A handsome red brindle bitch with a bit of a depressed affect. Perhaps she does not like to show, or her broken tail might have inhibited her. A bit flatter along the topline than I would prefer, but showing great functional muscle.

Bench Champion – Bitches

1st place - *CanCH Sailaway Pagani Huayra* – An I/M fawn brindle, this bitch has the structure, movement, and beauty to excel at both racing and showing. A strong multipurpose animal which placed her above 2nd place.

24TH CWA ANNUAL MATCH CRITIQUE

critique and photos by Donna Miner

2nd place- **AmCH Snowhill Carolina JC** – An elegant, white bitch, smaller than the others, but perfectly scaled. Lovely expression. Her clean movement and more correct rise over the loin placed her above the 3rd place bitch.

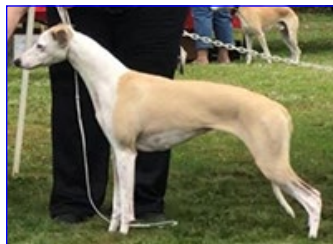

black mask, watermarking, and lots of great pigment spotting showing through her white-coated areas. She went up over 3rd place based on her strong topline, great strength of hindquarters and matching front/rear angulation.

3rd place- **FC Miss Jane Austin of Wyndsor ARX PR4 TRP SC** – Striking to look at, this particolored red brindle had lovely balance, and a strong neck blending into her shoulders at the base. These features and a more moderate size placed her above the 4th place animal.

3rd place - **DC Debmar Funny Girl ARX PR10** – Very pretty I/M fawn with a white neck that emphasizes neck length. A bit more undercurve and rear angulation than the 4th place bitch, which placed her in 3rd.

4th place- **CanCH Sailaway Winter Classic** – A lovely extreme white particolored, with a moderate build and the look of speed.

4th place- **Wenlock Spicy Ginger ORC TD CGN** – A lovely solid red w/black mask, this bitch was presented in stunning condition. Although not a classic show type, she has a lot to recommend her, including a solid rear, level topline, intelligent and lively expression.

Race Champion – Bitches

1st place - **Fireworks Dancing Queen ARX TRP PR** – A solid black, this girl had a striking silhouette in the ring. Like the 2nd place dog, she had matching front/rear angulation, but her superior undercurve and more elegant topline carried the class.

Altered Bitches

1st place- **Jetstream Tryst at Stormhold** – This lovely fawn brindle has a neck that is breathtaking: long, strong, and smoothly blending into her shoulders and topline. About the only thing I might improve about her would be an upward reach on the move, which might well be the result of her upward gaze toward her obviously beloved owner.

2nd place - **Wheatland Mrs Thurston Howl the 3rd ARX NARX** – When it comes to paint jobs, this girl had it all going on... fawn brindle particolored,

24TH CWA ANNUAL MATCH CRITIQUE

critique and photos by Donna Miner

2nd place - *CanCH Fireworks Follow Your Heart PR3 TRP* – A handsome red bitch with a lovely depth of chest, she placed above the 3rd place bitch based on her matching front and rear angles.

3rd place - *Sailaway One For The Money ARX PR3 TRP* – This parti-colored red brindle gave the appearance of strength and moderation and for those reasons, plus being well-trained, she placed above the 4th place bitch.

4th place - *Skyes Bella Vista of Wyndor* – This sweet red brindle parti-colored darling was a bit on the shy side, which made her a challenge to evaluate. She's a lovely girl who would benefit from a bit more training.

Best Adult - *CanCH Sailaway Pagani Huayra*

This bitch never placed a foot wrong throughout the competition. She moved out, on a loose lead, reaching forward with the front and extending back to show the rear footpads on the move. She had lovely curves, and a beautiful neck, great angles and despite being in very fit condition, she looked as smooth as can be. She is an animal of exceptional quality that I would have been more than happy to bring home.

Best Opp Adult - *Am/CanCH Surrey Hill Mariner Smooth Hoperator*

A dog of enormous star power in the ring, he has

a bright future ahead of him. He is expertly trained and handled and will only improve with age.

VETERAN CLASSES

Veteran dogs – 7-10 years

A very difficult class to judge with three outstanding entries.

1st place - *Brystal Galantly Streaming PR2 TRP* – A striking blue I/M dog of classic lines. Beautiful head and neck, great shoulders with a moderate topline and great undercurve. Placed above 2nd based on greater length of body

2nd place - *FC Serendipity On A Lark ARX DPCX TRP PR4 FCH OTR* – Handsome and showy, this red I/M dog is a great beauty. He placed above 3rd place based on a less straight front shoulder.

3rd place - *CanCH Fireworks Eminence Front ARX SRA2 DPCX TRP PR17 SGDC* – A handsome red dog of intelligent expression, great depth of chest, and clearly still powerful as a Veteran.

Veteran dogs – 10+ years

1st place - *AltCH Alluring Austin Without Limits TRP DPC SR ADC PR4* – The thing that propelled

24TH CWA ANNUAL MATCH CRITIQUE

this dog into 1st place in his class was incredibly smooth, perfect movement. Standing ovation for any 12+ year old dog who can move with such grace!

2nd place - *CanCH Poseidon's Kamikaze TRP DPC* – Still a great beauty in his older years, this dog retains a regal head, carriage and expression that is enviable. He placed above the 3rd place dog based on his superior type.

3rd place - *Hilerica Skywalker RCH ORC* – In a class where the other dogs were white, this fawn dog stood out as different, and not only for his color. He is a dog with obvious power, in incredibly muscular condition despite his 10+ year Veteran status. Placed above the 4th place dog based on sounder movement.

4th place - *CanCH Fireworks Dancing with Mr. D ARX DPCX FCHX OTRM SRM* – A handsome dog retaining his good looks as a Veteran. Lovely topline, length, and presentation.

Veteran bitches – 7-10 years

1st place - *Am/CanGCH Whimsy's Swiftsure Kilo Kai FCH TRP DPC PR3* – This fawn brindle/white veteran had a lovely long neck, blending smoothly into the shoulder and withers which demand-

ed she be placed above the 2nd place bitch.

2nd place - *Sailaway Bugatti Veyron FCH* – A lovely veteran fawn/white bitch, still showing the structure of youth.

Veteran Bitches – 10+ years

1st place - *CanCH Serendipity Skylark FCH TRPX DPC PR2 SR OTR* – Stunning head and expression on this 10+ year old bitch. Lovely arched neck, blending into shoulders and smoothly transitioning into topline. Great depth of chest and balanced front/rear boosted this bitch above the 2nd place bitch.

2nd place - *CH/AltCH Swiftsure Tanzania FCH DPC TRPX PR3 SR RATI AGNJ* – With an alert and charming expression, this fawn brindle and white whippet continues to show a youthful zest for life. She retains her lovely lines and sound movement, with a bit more front fill than the 3rd place bitch.

3rd place - *CanCH Swiftsure Sierra Leone TRP DPC PR4 SR OTR* – A blue brindle and white, this girl had an alert expression and a bit more angulation in the rear, which placed her above the 4th place bitch.

Honorable Mention

went to *Seacoast Rising Sun TRP PR* for the courage to get out of bed and strut her stuff in the show ring. It was a touching moment to see such a senior animal come out and represent. It tugged

at the heartstrings as we all remembered Veterans of our own who never had such a moment in the sun at 15+ years old. Many thanks to her owners for bring her out and sharing her with us. May she live a long and healthy life!

Best in Match - CanCH Sailaway Pagani Huayra

In short, it was a spectacular turnout for this year's National Match, both in numbers and in quality. I am so honored to have been asked to judge and grateful for the opportunity. The best part of judging such an entry is that one learns a lot about one's own values, as a breeder. It's a wonderful chance to gain insight and I would recommend the judging experience to anyone who has been asked. Just do it! You will be amazed at how much you will learn.

Thank you to RFF for the best vacation in 25 years. Thoughtful judge's gifts, wonderful memories of a Canadian vacation, every item legal in to pack in my carry-on baggage for the trip home.

Thank you to Lisa Ochoa for working so hard on the catalog and creating armbands and judge's sheets for the match. Most appreciated!

And to the entire Szabo family... bless you for feeding us after the match, before, during and after the race meet. And for providing extraordinary Vanna White-style modeling services during the auction. I'm sure that the antics incited prices to go ever higher. Bless you for coping with the wearables, which finally arrived and are just wonderful.

At just a few weeks shy of her 12th birthday, Lark thrilled me by winning Best Veteran at the 2017 CWA Annual Match.

Lark was CWA's #2 Conformation Whippet in 2007, #1 in 2008. She is the dam of three DPCX offspring in her only litter, and her son, FC Serendipity On A Lark, FCH, ARX, DPCX, TRP, PR-4, OTR, was Best Puppy at the 2010 Annual Match. Earning Best Veteran honors this year is a fitting cap indeed on a successful CWA career.

In her prime, I loved every minute of campaigning this fun-loving and charismatic show dog, and what a joy it was to be back in the ring with her as a veteran. The years have certainly not diminished her enthusiasm for the game! She literally dragged me through the ring gate for another chance to strut her stuff. She still has her signature "high five" move, though now at age 12 she doesn't quite get as much air as she did in her youth. No dog ever loved the show ring more than Lark!

Thank you judge Donna Miner for the great honor, a day that I will never forget, and a beautiful rosette that I will certainly cherish forever.

FRIDAY — THE ANNUAL MATCH

The day of the match was pretty much perfect! A combination of sun and cloud kept us comfortable, and the amazing entry of 71 specialty quality whippets, along with the perfect ring and trophy table, were very impressive.

Words do not express how lovely the venue was for our match, Friday night social, Saturday awards banquet, and Sunday evening visiting. Linda and Steve obviously spent many hours getting their beautiful home ready for this event and were the ultimate and most gracious hosts. Even the resident whippets welcomed us invading their little bit of paradise!

Our ring was nestled beside two ponds, trees supplied shade, and parking was adjacent, allowing us to leave our hounds comfortably in our cars, while we visited, showed our dogs, visited the hospitality table, and purchased raffle tickets for the "I must have that!!" items.

Photo by Lorraine Andrusiak

Our entry was astounding! 71 whippets with the youngest just days over 3 months old and the oldest a spry 16 ¼ years old! And, oh... so many lovely whippets! Show Champions in both countries, Grand Champions, Race Champions, bloodlines from all over the world were all together for us to enjoy.

Our match judge, Donna Miner (Domino Whippets), made the trip from Connecticut to honour us as our

judge, and it seems to me that everyone brought all their whippets to present to her. Ring Steward Ellen Kerfers had us all organized and ready, with the usual laughing and carousing at ringside. Handlers/owners all jumped in to help each other in the ring, and it was quite amusing for anyone who didn't know which dog belonged to whom as leashes were passed back and forth!

Match results and Donna's comments are elsewhere in this newsletter, so I will not go into all the details of the winners, except to say that everyone had a wonderful

time, and the final line-up was really lovely!

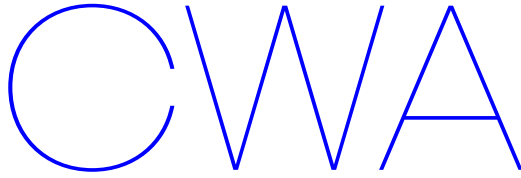

Can. Ch. Sailaway Pagani Huayra was presented with the Best in Match Rosette along with a bounty of prizes, Best Veteran went to Beth Levine's lovely girl, Can. Ch. Serendipity Skylark FCH TRPX DPC PR-2 SR OTR and Best Puppy was awarded to promising young Brystal Mood Indigo, owned and bred by Darcy Shurin.

If we thought the whippets wonderful, then it's probably because the owners were just as wonderful; it was absolutely the best group of whippet enthusiasts to be found in one location! Throughout the entire weekend the atmosphere of sportsmanship, cooperation and obvious love and enjoyment of our sport was evident.

In addition to our regular Racing For Fun family from BC and Washington, we were joined by many who travelled long hours to get to BC. Some were new to RFF and BC, and some have joined us before. So many hugs with old friends and such fun to meet new people and see the dogs that most of us only get to read about and view in pictures. As I was writing this I started to list all our friends who joined us and soon realized that the list was going to take up an entire page! Please, everyone, look at the results and check out the owners' names to see how many came to race this weekend.

And, Thank You to everyone for making the trip – it was a pleasure and a joy to see your beautiful dogs, and visit and race with you!

To end a most wonderful day, everyone sat back and enjoyed a perfect evening with friends over pizza and beverages in preparation for the CWA National the next day.

SATURDAY — THE NATIONAL

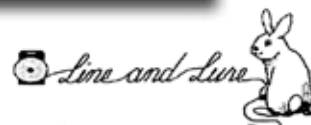

After such a wonderful and busy day showing our dogs and visiting at the match on Friday, you would think there would many bleary eyed folks on Saturday morning, but that sure didn't seem to be the case at all! Even with the early start, the energy and enthusiasm was contagious as everyone, especially the dogs, were ready to show us what they have on the track!

The field was in perfect condition, watered regularly from its own well system, soft, green and very kind to our dogs. Most of us did not have to tape stop pads, and other than a few grass stains on our white dogs, most everyone came through both days of racing without any "scuff marks!" The air was clear and Sumas Mountain gave a beautiful backdrop for pictures, which was more than appreciated after smoke from wildfires in BC and Washington had been in the air during the previous weeks.

50 adult starters and one puppy were checked in and the board was drawn with an astounding number of 17 grade A whippets, 14 grade B, 15 grade C and 4 grade D. With such a quality field of speedy whippets, it was very obvious that making the top 10 was going to be quite an accomplishment, and the points would be awarded to exceptional whippets (with exceptionally happy owners!). In our field of 50 adult starters there were 16 dogs with conformation titles: 13 show champions and three more DPC/DPCX with several others pointed. Five of the Show Champions placed in the Top

20 proving they are truly dual-purpose whippets — kudos to the owners and breeders of these whippets!

All eyes were on the three high point races in the first program to see who was "hot" and who would be meeting for the second program high point! Lovey, Jedi and Strega all won their high points with Red, Jake and Gibson taking second placements and these were the dogs to fill the high point in the second program. The semi feature in the second program was also a "must see" race, and there was no question that the box break and traffic would be a significant factor in sorting out these dogs.

Lovey was running beautifully and pulled off the high point win in programs two and three. Many of us were thinking it was going to be a clean sweep for her, but apparently Bindi had a different idea

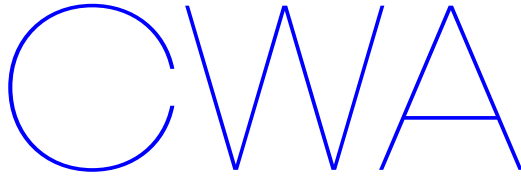

and came speeding down the track in the fourth program to win the final high point of the day! Tough, tough competition in all the races and great fun for everyone to be part of such a quality event.

High Score in Meet went to Kim Otero's deserving Lovey (6 NARX points); Bindi was second in meet earning 6 ARX and 3 NARX points; Strega Best Opposite for 3 NARX points and Gibson took fourth place for 1 NARX point. The balance of the ARX points were award to Archer (4 points), MudBug (2 points) and Jake (1 point) much to the delight of their owners and friends!

One thing I noticed about this meet was how incredibly well behaved all our whippets were at the boxes! There were no shenanigans, no crazy "rip your shirt off" antics and everyone was on their best behavior!

National Top Ten: #1 Lovey, #2 Bindi, #3 Strega (missing), #4 Gibson, #5 Jedi, #6 Archer, #7 Mudbug, #8 Red, #9 Jake, #10 Skylar

Apparently we are doing something right, and it sure makes life easier for handlers, box operators and catchers! Well done, everyone!

Show leads were brought out, the ring was set up and Deborah Bahm put on her judge's hat to go over our whippets. 22 whippets were entered in the match and 11 of these whippets were grade A racers! The quality was wonderful. At the end of the day, Deborah gave the nod to the incomparable Carolina for first place, with Phoenix in second place with Austin and Suzie taking third and fourth. Then the fun began as owners quickly checked race results and contemplated who was going to be the lucky recipient of coveted High Combined Award. When the calculations were done Phoenix took home the High Combined award for the 2017 CWA Nationals, much to the delight of his owner Julian Grove Bolmeer and handler Ariana Jones. As a Group Placing, Best Puppy in Show Canadian Champion, he was worthy of the win for sure.

Many thanks to our wonderful friends who came out to help all day even though they were not running any dogs. We couldn't have done it without you!

NATIONAL MATCH CRITIQUE - DEBORAH BAHM

It was such a honor to judge the beautiful, very fit Whippets at our CWA National.

There were many winners that I did not have a ribbon for. Thank you owners and handlers for presenting them to me.

My first place winner was a nice small package of a show champion race bitch. She offered lovely movement and a beautiful expression.

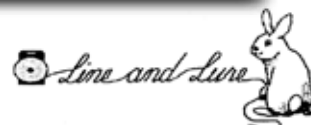

The second place was a beautiful dog with lovely outline and nice flowing movement.

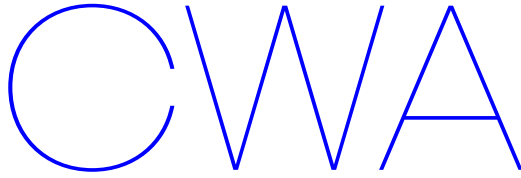

My third place dog was a stallion of a dog with all parts fitting together nicely and when moving floated across the ring

Fourth place was beautiful brindle that had lovely expression and crisp ears placed perfectly on her head. She also fit together nicely with lovely movement to complete a total package.

SATURDAY — THE AWARDS BANQUET

With her usual efficiency, our RFF Race Secretary, Jennifer Szabo and her amazing Race Committee ensured we were finished the National meet and fun match early enough to have time to clean up, feed our hounds and give them all a good walk before the party began at the home of Linda and Steve Buchholz.

Our BBQ chefs (Randy Greenwood, Steve Buchholz and Howard Wirsch) had their chef hats and aprons on

and were ready with spatulas in hand (ok... perhaps it was really a tall cool drink and not a spatula in hand). Nancy Szabo was doing her usual magic with the appetizer table while we visited, checked out the auction items and admired the awards and rosettes.

Kim Otero made the rosettes for the entire weekend and all I can say is "WOW!" They were amazing and each rosette was unique and lovely, right from the national match on Friday to the RFF meet on Sunday. I have to say that we were all wistfully sighing and hop-

ing we would be the lucky recipients of even one of these masterpieces.

The awards were also wonderful and thoughtfully selected, and there were so many to present to the winners in so many categories! The trophy committee did an amazing job, and thanks to everyone who contributed so generously to the trophy fund. There were many "oohs and aahs" from all of us as we munched on appetizers and admired the wonderful awards. The awards presentation was so much fun with many

cheers, clapping and appreciation to all the winners, right from High Score in Meet to the Most Appreciated, as all were deserving.

Dinner was scrumptious! It featured BBQ BC salmon, chicken or vegetarian choices, along with salads and desserts, and there was plenty for everyone for seconds... oh, my, it sounds like I know that first hand, doesn't it!

After the awards were presented, we got ready for the auction with so many fabulous items! Peter Szabo, our auctioneer, along with his assistant Emily Szabo, did a superb job of keeping the bidding wars lively! I wish I could mention all the items and the fun we had. I'm

still chuckling over Kim Otero and the "giant" whippet she "had to have" – keep in mind that Kim was in a Volvo wagon with four dogs and not a lot of room for anything else, but she made it work! And, Deborah Bahm REALLY had to have the raccoon lure that Donna Miner donated... and she got it! I've heard the Chilly Dogs winter coat fits Gibson perfectly... and Nancy's bids were coming from the kitchen, as she was still hard at work while we played. So many fabulous items... the cement whippet stepping stones, the hand made Christmas/pendant ornaments... and so much more!

As the sun set, we all packed up our chairs and headed for home (to bed!) to prepare for Sunday's race meet. I must say the entire day was just about perfect!

SUNDAY — RACING FOR FUN

Our wonderful weekend continued! Sunday morning brought 36 Adults and one puppy out to race which was the perfect sized meet as we were all moving a little bit slower by the third day. (Or perhaps it was just me who was moving a tad slower? Big grin!) Much appreciation to the hospitality team for providing goodies and coffee both days, but particularly today!

We were all curious to see which dogs would shine today after three busy days of competition. Was there someone out there who used the National meet as a warm-up and was ready to wow us today? Time would tell!

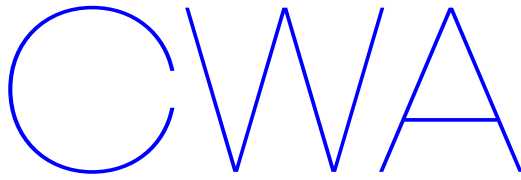

I must mention our puppy, Suzie, who raced both days. She is such a nice pup, and more than ready for adult competition.

Lovey and Bindi both won their high points in the first program and headed into the second program together, but apparently Gibson had pondered his race strategy overnight and had different plans! Gibson came through in the second program to win the high point in fine style. Clearly the racing today was going to be great fun between these three dogs!

Sunday match judge Kellee Livingston and #1 Austin, #2, Heidi, #3 Suzie, #4 Sage

The third program saw the lovely Nami take the semi with speedster Lovey crossing the line just ahead of Gibson and Bindi in the high point. We all anticipated a great race in the final high point of the day, and it was! In the final race of the weekend, Lovey and Bindi thrilled their owners and breeder by taking first and second, Gibson a strong third, and Jake, Nami and Archer right behind. A great race to finish the weekend for sure!

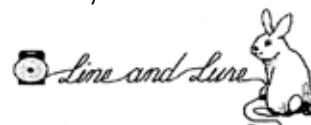

When the results were posted, Lovey was our meet winner – 2 days in a row for Lovey! Well done! In second and third place, both with 22 points, were Bindi and Gibson, and this finished Bindi's ARX! Congratulations! Gibson, with his strong performance took Best Opposite in the meet. Jake in fourth, picking up 3 ARX points with his sister Nami right behind him in fifth. Archer and Heidi split the last ARX point (hey...that half point may come in handy one day so I'm happy with it!) and the top ten was rounded out with MudBug, Red and Phoenix.

17 Whippets and their owners got ready for the match, with judge Kellee Livingston having the task of selecting only four of these beautiful and talented dogs to

place. Beth Levine's Austin put on his show hat and got the nod for the match win, with second place to Heidi, the pretty puppy, Suzie, in third place and Sage in fourth. Grinning owners and handlers got ready for lunch, visiting and awards.

Lunch was scrumptious! Leftover BBQ salmon, BBQ smokies, salads and lots of desserts! Racing for Fun is well known as Racing for Food and the "eats" this weekend were superb from start to finish! Thank you to all the great chefs who keep us well fed!

Sunday sadly came to a close. Many hugs and long good-byes were in order as we all said farewell and wished each other safe travels. The entire National weekend was a wonderful event. Thank you to the hard working and dedicated organizers, lure operator, box operator, race secretary, field crew, trophy committee, food committee, fabulous catalogue, the worker bees on the finish line and foul judging, the volunteers who came to help without racing any dogs and to everyone for helping each other out with our dogs. Special hugs and appreciation to everyone who travelled long hours to join us. Because of all of you, the 2017 CWA National Weekend was a wonderful event. Thank you all!
