The *Continental Whippet Alliance* was formed to achieve the following objectives:

1. to unite Whippet fanciers with the common goal of promoting, protecting and preserving purebred Whippet racing
2. to encourage and promote quality in the breeding and racing of Whippets and to do all that is possible to bring their natural instincts to perfection
3. to urge members and breeders to accept the Whippet Standard of the Breed as approved by the American Kennel Club as the only standard of excellence for Whippets
4. to do all in its power to protect and advance the interests of the Whippet by encouraging sportsmanlike competition at race meets and conformation competitions and by providing a friendly and enjoyable environment
5. to provide a testing ground for Whippets to demonstrate they still have the instinct, desire and physical ability to do the athletic activity they were bred for, helping to maintain the Whippet as a healthy breed

# From the Editor

My goal to get this issue done before the end of August has obviously slipped a few weeks, but at least it is done before the National! Phew!

I am very pleased that for the first time in a very long time, this issue has a meet report for every meet included. Thank you race secretaries for taking the time to write up your reports. I know it is an extra burden when you already work so hard. I know I am not just speaking for myself, but for the entire readership, when I say how much your efforts are appreciated.

Speaking of the National, racing entries and pre-entries for the annual match just closed and it is going to be one for the record books! With 92 beautiful and athletic whippets entered in the Annual Match (with more sure to enter day-of), the match will rival if not exceed many of the regional specialties. The National meet will boast 25 A racers, 21 B, 31 C and 15 D, for a total of 92 adults, plus 7 puppies and 13 legends. This entry blows the doors off the previous record for the CWA National, also held by MAWRA. I am very glad that I made my plans early to attend this year, and win or lose, I will be so proud to see my whippets running in such esteemed company in the biggest CWA entry in history. Safe travels to everyone making the trip. I will see you there!

Unfortunately, Saturday's National match judge Patience Renzulli was involved in a cycling accident and will regrettably be unable to judge the match. A replacement judge will be announced shortly. Patience, we know you will be with us in spirit — we'll miss you and send all our best wishes for a speedy recovery.

And again, speaking of the National, our next issue will be the annual *National Issue* with its ad theme featuring National brags, and all the reports and results from the National, match critiques, and more.

Of course, regular advertising is always welcome at the regular rate of \$15 for a full page. The deadline for the next issue will be **October 15th**.

Ember finished in the Top 4 last year in CWA conformation with limited showing in the South-Eastern Region. She is now tied for #3 in CWA's prestigious High Combined standings and ARX pointed.

This year she competed at her first AWC National Specialty prior to turning two years young, winning the Triathlon Conformation out of 44 Whippets and placing in the Triathlon, following in her mother Fifi and both grandmother's, Bebe and Prissy's footsteps and adding to our beautiful collection of Bolduc Martingale trophies!

report by Jean Balint, photos by Guin Borstel

In spite of it being rather warm we still managed to have a good competitive meet and fun match. Coming out on top with a strong performance, was Kim Otero's hot runner, Lovey. She is presently the one to beat and proved it over the two days of racing.

Also running well and taking the second placement was Bindi. Best Opposite Sex and third place went to Lucky. Our Canadian entry Gibson ran well and finished fourth. Beth Levine was very happy that her handsome boy Austin got the fifth spot and the top ARX points. Congratulations to Kim and Rick Ragan because Skylar got sixth place, the next set of points and finished her ARX. Yay, for Skylar. Her sister Shayla got the last point and took seventh place. Rounding out the top ten finishers were Athena, Finch and Nami.

The match was judged by our Washington friend, Beth Levine. Her choices were Peaches, Carson, Eddie and Boss. It was a jackpot for Charlotte Fielder who owned three of the top four winners. Congratulations to Charlotte and also to Erynn on Carson being the our high score combined winner.

At the end of the warm busy day a delicious pot luck was enjoyed by all. Thank you to everyone for bringing

such great food.

On Sunday, once again our meet was won by Lovey. She is really running great and well deserved to be the star of the weekend. Another star of the weekend and finishing second, was Bindi. She too is running extremely strong. Once again we got a fine showing from our Canadian entry, Gibson. He got High Score BOS and third place. Skylar was fourth. An upcoming youngster, Emoji, was fifth and got the top set of ARX points. Also picking up points was our pretty girl from Washington, Athena. Litter sister to Emoji, Flyck, got the last point and seventh place. The final top ten finishers were, Shayla, Isa and Bitsy.

The Sunday match was judged by Audrey Hsia. Her winners were Lovey, Skylar, Dallas and Carson. It really was a grand slam for Kim Otero because not only did Lovey win both meets and was also Sunday's High Combined. Congratulations to Kim.

Once again we had another wonderful pot luck luncheon that was greatly enjoyed by all.

My sincere thanks to our hard working club members for doing another outstanding job hosting the weekend's race meets. Jen, Rick, Kim, Mary Jean, Ed, Sarah, Bonnie, Charlotte, Debby, Guin, Andrea, Erynn, and others who I might have omitted.

I must also thank our Canadian Friends, Nancy and Peter for helping out wherever it was needed. We truly love you. By the way our friends Barb and Howard were greatly missed. We all send our get best wishes to Howard and wish him a speedy recovery.

I would like to thank Beth Levine and Trina Woody for supporting our meet and making the long trip from Washington. It was great to have see you and we hope that you will come back again soon.

Lastly I would like to extend a big thank you to the wonderful people who helped me after my girls pulled me over and I broke my arm. I will never forget your kindness.

I look forward to seeing you all at our next meet in September.

This weekend was our rescheduled meet from April that we had to cancel due to snow. However, due to so many conflicts with other dog activities on that weekend, the prior weekend and the following weekend, plus a monsoon on Saturday, we only ended up running on Sunday. The weather was cool and cloudy, perfect running weather.

We started out Saturday with 11 dogs, all local, and had 7 finishers. Deuce won the meet undefeated by a nose, earning 3 NARX points. Gustavo came in second earning 1 NARX point and 3 ARX points. Unfortunately, we were unable to give out the bottom ARX point due

to the small numbers. Our turtle was Max.

Riley made his debut as a puppy and had a wonderful time.

Our match judge was Pauli Beckmann, an Aussie enthusiast and former horse show judge. Pauli put up Deuce, Gustavo, Leni and Maud. Deuce got the DPC leg and finished his DPC. He was also high-combined.

The small number of entrants did not affect the quality of our lunch! We enjoyed turkey tacos, Sandy's famous deviled eggs, plus many favorite sides and desserts.

Sunday match judge Pauli Beckmann and #1 Deuce, #2 Gustavo, #3 Leni, #4 Maud

On Saturday, we started the day with 20 adults. Five of them were first time entered. Racing was very close with no one racer going undefeated. By the end of program four Torino took top honors with 4 NARX points, with Vito and first-timer Kaylee tied and each receiving 1 NARX point. Kaylee earned 4 ARX points and Clyde earned 2 ARX points.

Saturday match judge Karen Mlynar and #1 Torino, #2 Smokey, #3 Revel, #4 Nala

But Torino was not finished, as he took top honors in the show ring to earn a DCP leg. The judge for the day was Karen Mlynar, and the rest of her line up was Smokey in second, Revel in third and Nala in fourth. Torino took the high combined by winning both meet and match.

Sunday we today we started with 18 adults. The rac-

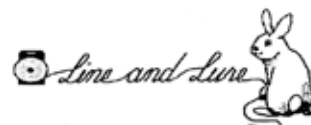

ing was just as close as Saturday and when the smoke cleared there was a tie at the top with Pogue and Torino each receiving 2 NARX points. Kaylee finished third in meet, earning 3 ARX points. Clyde took the bottom ARX point with his sixth place finish in the meet.

As we finished the meet the skies opened up with a downpour. So we headed under the pavilion for the match. Our judge for the day was Stewart Hamilton, an Ibizan hound owner/breeder. He placed Torino first, Jasmine second, Smokey third and Kaylee fourth. Once again, Torino took home the DPC leg and high combined.

THANK YOU for all for the support and traveling so far to allow RnRWA to have this meet.

Hot. How hot can hot be? We had triple digit heat indexes! Being northerners we are not used to this type of heat let alone for the first few days of June! Saturday had almost no breeze or air movement and Sunday we were blessed with a slight breeze which did help out. However hot is hot!!!

We had 30 adult starters and one puppy on Saturday with Myster E (meet winner), Kaylee, and Deuce receiving NARX points and Kaylee, Kali, and Jasmine receiving ARX points.

Our judge was Barbara Burns. She came out to spectate and judge the nice entry. She placed Chip, Digger, Jillian, and Bentley. Our high combined was Digger. We appreciate that Ms Burns took time from her busy schedule and endured the heat for us.

On Sunday we had 24 starters. Myster E was again the meet winner. Myster E, Kaylee, and Kali received NARX points and Kaylee and Kali received ARX points. Kaylee

finished her ARX title.

Our scheduled judge was unable to judge due to the heat. We were very happy when Annie Andrews stepped in and judged for us. She selected George, Marky, Bolty, and Digger. Our high combined was Bolty. Thank you for stepping in Annie and doing such an awesome job judging!

We had Randy Krug make an unexpected appearance.

Randy had whippets and was a former Badgerland director. It was nice that he stopped in to visit.

We would like to thank Jennifer Petermann for grilling brats and hamburgers both days during the heat and making our get together delicious and memorable.

Hopefully our October meet will not be as hot as this June meet!

report and photos by Barb Hearley

If you look back at our race meet reports for the past five years, you will see that we have had wonderful weather for each and every one of our meets. Well, that lucky streak broke this last fall and early this year when we had to cancel meets due to snow, and then it continued into this meet. Saturday was a hot humid day with heat indexes in the upper nineties. Sunday a huge storm blew in with gale force winds and over two inches of rain in three hours, dropping the temperatures into the sixties. We elected to go with three heats that day!

Other than the weather, the meet itself went off without hitch. For the fourth year in a row, it was a CWA/LGRA collaboration, so there were also Afghans, Rhodesians, Deer Hounds, Basenjis and other sighthounds enjoying the event. And the LGRA folks are definitely as passion-

ate about racing as we are!

We started out Saturday with 10 dogs. The meet win came down to the last race, which Deuce won by a nose, earning 3 NARX points and gaining his SRA2 title. Remy was second earning 1 NARX points. We only had one non-ARX dog finish the meet and were unable to give out ARX points. Our turtle was Katie.

On Saturday, all the other sighthounds from LGRA join us in our fun match. Our judge for the whole kit and caboodle was Sara Weitzenkamp. For whippets, she chose Marky, Bolt, Katie and Remy. Katie got the DPC leg. Marky then joined the other winners from the other breeds for Best in Match, but the big prize went to the afghan hound. Bolt was high combined.

Sunday match judge Candace Huzel and #1 Marky, #2 Chip, #3 Gustavo, #4 Bolt

We had sloppy joes sandwiches plus boatloads of sides and desserts. These meets are worth attending for the food only!

Sunday we had 14 dogs. The meet win again came down to the last race which Remy won, winning the meet and earning the top set of 3 NARX points, gaining her SRA title. Deuce came in second in the meet for 1 NARX point. The top set of 3 ARX points went to Gustavo. We were unable to give out the second set. Our turtle was Amber who didn't seem to mind because she had a blast

and got a prize to boot.

Candace Huzel judged conformation Sunday. We had to have it in the garage due to the deluge of rain. She put up Marky, Chip, Gustavo, and Bolt. The coveted high combined award went to Marky.

Special thanks to the NSR crew for all the help, especially with the bad weather. We can't do it without you!
