The *Continental Whippet Alliance* was formed to achieve the following objectives:

1. to unite Whippet fanciers with the common goal of promoting, protecting and preserving purebred Whippet racing
2. to encourage and promote quality in the breeding and racing of Whippets and to do all that is possible to bring their natural instincts to perfection
3. to urge members and breeders to accept the Whippet Standard of the Breed as approved by the American Kennel Club as the only standard of excellence for Whippets
4. to do all in its power to protect and advance the interests of the Whippet by encouraging sportsmanlike competition at race meets and conformation competitions and by providing a friendly and enjoyable environment
5. to provide a testing ground for Whippets to demonstrate they still have the instinct, desire and physical ability to do the athletic activity they were bred for, helping to maintain the Whippet as a healthy breed

From the Editor

At very very very very (VERY!) long last, finally there is a new issue of *Line and Lure*. I admit, 2019 completely got away from me. I got so far behind, it became almost insurmountable to dig myself out of the hole I found myself in. I don't want to lay out a littany of excuses, though I certainly have plenty. Unapologetically, *Line and Lure* is a lot of work, but the main problem is that it a lot of the **wrong kind** of work. Instead of working on page layout, I spend as much time, if not more, on repeated cycles of sifting through emails, logging submissions, sending reminders, and chasing down missing material for each issue. This isn't news to anybody because I've talked about it before, but it is a huge drain on my time, and, especially, my motivation. I won't lie, 2019 was my year of burnout and I came very close to resigning as editor. I don't want to resign. I really do love doing this magazine, but I hate begging for material. I can't do that part anymore. There has to be a better way.

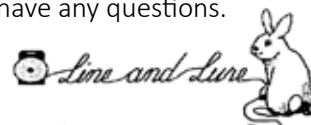

Thankfully there is... I am using a new project management tool that will give you an easy way to submit material and help get it out of email so that it is logically collected and organized in one place, where I can monitor at a glance what I have and what I don't have. Best of all, it will automatically send reminders for me so I don't have to (because I really hate that part). I am still working out the details, so stay tuned for more information about how this will work soon.

In the meantime, to get caught up, this issue is a combined issue (#2 and #3), covering meets from the first half of 2019. This issue's special theme is the Memorial Issue. The next issue will be another combined issue (#4 and #5), covering meets from the second half of 2019, with a double feature focusing on the National and on the Annual Top Ten (yes, the feature with all the free ads!). I will send out more information soon via email on how to submit your free ads so stay tuned.

There will be a very short deadline on the final 2019 issue so that I can get back on track. I have a number of write-

ups for the July through December meets (thank you proactive race secretaries, you are appreciated more than you know!) but I'm still missing quite a few. For the ones I'm missing, I will publish the results and any match photos I can easily find on Facebook, but I am not going to be sending out any requests for the write-ups. Race secretaries, if you can send me any missing meet reports by March 1, I will gladly include them in the issue. Please email me at serendipitywhippets@gmail.com if you have any questions.

A NOTE FROM THE REGISTRAR...

If submitting CWA Registration documents using camera shots, they often are not printing properly at this end. I have to copy each photo and paste into a Word document and hope they print the entire image. They always print correctly if each photo/document is sent as a PDF document embedded in your email.

REMINDER – Don't forget to include a copy of the AKC/CKC registration with your materials.

Racing For Fun
April 6/7, 2019
Abbotsford, BC

report by Lorna Leinbach, photos by Nancy Szabo

Despite a forecast for heavy rain and wind all weekend, the weather gods cooperated and kept the nasty weather away. The wind was gusty, but other than one incident where a particularly strong gust tried to blow our potluck table away, our weekend was a wonderful success.

Our meets were small but we were delighted to have a new batch of youngsters all trained and ready to compete. Our Saturday entry included an astounding six FTEs!

Always happy to have Van Oorschots join us in Canada, and Bindi is such a solid competitor, so was disappointing to see her scratched on Saturday due to a bruise, but our dogs always come first. Bindi insisted she was fine and was ready to run but she did not convince her owners!

Saturday's undefeated meet winner was the speedy Gibson earning 3 NARX points. FTE Maverick squeaked

into second place to earn his first 3 ARX points, and he and half sister Sage split the remaining NARX point. Despite being a scratch, Bindi's performance earned her 4th place, with Austin right behind her to bring home 1 ARX point. The balance of the top ten was filled by Heidi, FTE Indy, FTE Dundee, Finch and Phoenix.

Our match judge was Emily Szabo and her lovely final lineup was Finch, Heidi, Austin and Athena, with Athena earning a DPC leg much to the delight of her owners Trina and Jamin Woody. High Combined was awarded to the lovely Austin and his happy owner/breeder Beth Levine.

Wonderful prizes and delicious potluck made the day perfect. Best in Potluck was an amazing bacon jam (yes... bacon jam!) made by Kendra Tripp.

Sunday's meet was also small but mighty with a great group of whippet people helping wherever and when-

Saturday match judge Emily Szabo and #1 Finch, #2 Heidi, #3 Austin, #4 Athena

report by Lorna Leinbach, photos by Nancy Szabo

Sunday match judge Sheryl Bartel and #1 Heidi, #2 Austin, #3 Maverick, #4 Athena

ever needed. It is truly the people who make our meets so enjoyable and successful.

Once again, Gibson ran home with clear wins in all 4 high points, earning another 3 NARX points. Maverick managed to hang onto second place in the meet (3 ARX, 1 NARX) with Austin a close third to earn the bottom ARX point. Sage squeaked into best opposite by only ½ point over Athena. The balance of top ten was Heidi, Dundee, Doc, Tease and Andre.

Sheryl Bartel judged our match and selected Heidi, Austin, Maverick and Athena as her winners. This put Maverick into the high combined spot, with Athena earning

another DPC leg.

Big black storm clouds were starting to show up, but the weather held off until we could visit, have our awards presentation, and of course enjoy our potluck. The potato and ham soup made by Nancy Szabo was amazing and took home the coveted best in potluck award on Sunday.

Many thanks to everyone who supported and helped with our first meet of the year.

MAWRA

Mid-Atlantic Whippet Racing Assn
May 11/12, 2019
Pennsville, NJ

report and photos by Liz Aiello

When MAWRA has a race meet it seems weather is always a challenge. The weekend of the May meet started out fairly well with a nice overcast sky. There were lots of bugs but we had enough spray to deal with that. Little did I realize that the sun was out there somewhere and the sunburn I suffered was not fun.

Anyway, on to the meet. We thought this would be a small meet weekend, but it turned out to be 31 dogs and one puppy on Saturday, and 20 dogs and one puppy on Sunday. There was lots of excitement as we had a few dogs ready to earn titles.

In the end, our meet winner on Saturday and Sunday was the speedy Rosie (Lucky Penny's Riveting Rosie at NorthStar), owned by Brian and Fran McHugh. Saturday's win (worth 5 NARX points) finished her NARX title. Following Rosie in the meet was Kali (R&B Kali Uchis),

owned by Judy Lowther, who earned 3 NARX points and Salute (LaQuest's TNT Smokin Hot in a Uniform), owned by Lori Stebritz, who earned the bottom 1 NARX point.

In the running for ARX points we had Nala (R&B's Love and Sass), owned by Anthony and Holly Solano, who earned 5 ARX points bringing her total to 14.66 on Saturday. She was followed by a three-way tie for the rest of the points between Smokey (Shamasan Marial's Smoking Gun), owned by Phoebe Booth and Doug and Mary Beth Arthur, Siren (Alchemy Wind Me Up and Watch Me Go), owned by Linda Solano, and Weston (GCh DC Surrey Hill's Couldn't Be Butter at Mariner), owned by Peggy Hodge, Kristen Fredericks and Karen Lee. All three earned 1.333 ARX points! Our turtle was Silver (Laurel Chase Hot Time Tonight), owned by MaryLou Roselli.

In our match on Saturday, judged by Karen Roberson, the placements were awarded to TieDye, Smokey, Lancer

Sunday match judge Linda Solano and #1 Smokey, #2 Lancer, #3 Lynesse, #4 Weston

and Rasher.

High Combined on Saturday went to Smokey!

Sunday brought totally different weather. It poured and poured. The weather was not fit for man nor whippet, but we tried. The meet was called after three programs; dogs were getting cuts and scrapes from sliding in at the end, and the owners felt it much better to call it than risk injury.

The wonderful Rosie won the meet again, and received 4 NARX points, followed by Salute, who earned 2 NARX points. For the ARX points, Nala received the fraction of the point she needed and then some (4 points total)

to finish her ARX. There was a tie again for the bottom set so they were again divided by Siren and Weston. Our turtle on Sunday was Zuko (Peppertree's Cowabunga) owned by Anna and Kristen Fredericks.

The Sunday match was small as many people were just too wet and wanted to get on the road. Our placements were similar to Saturday, with judge Linda Solano awarding Smokey the top honor followed by Lancer in second, Lynesse in third, and Weston in fourth. High combined again on Sunday was the wonderful Smokey.

MAWRA would like to thank all those that came out (especially in the weather on Sunday) to help put on a successful meet weekend.

Racing For Fun
May 11, 2019
Abbotsford, BC

report by Lorna Leinbach, photo by Nancy Szabo

It was another small but extremely competitive meet for Racing For Fun, and the weather was perfect for everyone, people and hounds!

Flits ran beautifully taking all four high points for the meet win and earning another 3 ARX and 3 NARX points. Gibson (1 NARX) and Phoenix consistently took second and third placements to Flits with Heidi pulling into 4th place and taking 1 ARX point home with her.

FTE Luna had a great day learning how to handle traffic in the races and then, first time ever on a show lead, placing second in the match.

High Score Puppy went to Cora, who is as cute as can be and loves to run!

Barb Barclay, Fireworks Whippets, judged our match and her final placements were Fox, Luna, Gibson and Finch. It was a lovely lineup with Gibson taking home the coveted high combined award.

Our potluck, as usual, was not only delicious and bountiful, but the conversation and laughter with good friends was the perfect finish for an excellent day. An awesome Asian Coleslaw prepared by Greg and Saskia Nollen was the easy winner for best in potluck!

Many thanks to everyone who came out to join us, with and without dogs, and jumping in to help wherever needed. We couldn't do it without you!

Match judge Barb Barclay and #1 Fox, #2 Luna, #3 Gibson, #4 Finch

report by Barb Hearley, photos by Gail Weiberdink and Jeff Kunze

It was a beautiful spring weekend in June in Minnesota with highs in the low 70's and nice bright sunshine! The grass was lush and green like a carpet. I had at least 5 dogs tell me this was their favorite place to race!

We had 15 regular entries on Saturday, one puppy entry, and three dash dog entries. Lola won the meet undefeated and got the top set of 3 NARX points. Second in the meet with 1 NARX was Zen. Third was Rowan who got the top set of 3 ARX points. We were unable to give out the bottom set of ARX points due to the 50% rule. Our turtle for the day was Katie. Meat Loaf the puppy greatly enjoyed his very first race meet. Our dash dog winner was Stoke.

Sandy DePottey judged Saturday and placed, in order, Rowan, Leni, Bolty and Gustavo. Rowan was high-com-

bined for the day.

For lunch we all enjoyed tacos, Sandy's fantastic enchilada casserole, Kim's tasty salad, Gail's famous Peanut Coleslaw, 7-layer bars, chips, cookies, etc.

Sunday we had 16 entries, one puppy entry and two dash dog entries.

The big event was the string breaking in the second high point program and all the people running down the track almost as fast as the whippets! Luckily, everyone was OK and the dogs were happy to run an extra race

on such a mild day.

Lola won the meet and the top set of 3 NARX. Second in the meet with 1 NARX was Deuce. Rowan received the top set of 3 ARX points and we were again unable to give out the bottom set due to the 50% rule. Our turtle for the day was Chip. Meat Loaf enjoyed his second day of

racing as much as his first. Our dash dog winner was Cari.

Michael Armstrong bravely took on his first judging assignment on Sunday and placed, in order, Riley, Zen, Leni and Lola. Lola was high-combined for the day.

Lunch was more Mexican extravaganza!

Thank you to all our friends for coming out and sharing the wonderful weather with us. We hope to see you again at our July meet where we hope to be lucky again with the weather!

report and photos by Carl Morgan

This year we moved to a new facility in Medina, Ohio. It is a nice fully fenced field with plenty of room for a 200 yard track. We had a small local entry again this year, so thank you Deborah and Maurice Balm for traveling all the way up from Louisiana to help with the entry.

We had some tight racing except for Rosie who ran undefeated for the day. That left Torino, Vito and Jasmine to fight it out for the other set of NARX points, with Torino edging out Jasmine for second place in the meet. The ARX battle was also very tight with FTE Bacchus edging out Seeker by a half a point for the top set of ARX points.

The match was small as we had more dogs than handlers. Our judge was Kaleena Lowther, and her placements went to Torino, who earned a DCP leg, Jasmine, Seeker, and Rosie. The high combined went to Torino.

Sunday day started out a little wet as we received a

little bit of rain after the meet on Saturday and though the night.

Sunday's racing was just as tight as the day before. Rosie and Torino dominated the NARX points again. Torino managed to beat Rosie but she prevailed for the top set of NARX points. The ARX points were spread around to different dogs on Sunday, with Bonnie earning the top set and Lucille settling for the bottom set.

Sunday's match was judged by Mary Alderman. Mary came out a little early to watch the racing, which she enjoyed very much. Mary's match winner was Smokey, who earned a DCP leg. Jasmine was second, Torino was third, and Seeker was fourth. The high combined award went to Torino.

Wisconsin weather is always difficult to judge. Spring showers extended into June this year, causing a lot of flooding and mud mess for us up here. So when we were two weeks out from our scheduled weekend, and the track was difficult to mow, we had to pray for absolutely not one more drop of rain to fall. We seemed to luck out enough for the track to be cut and to be able to hold our fun-filled weekend of meets.

Saturday started overcast and chilly, turning into a pretty warm day in the sun, but by the time the conformation match started, we were cooled off again. 24 adults and one pup started the meet. We were thankful for our friends traveling so far and wide coming to spend the weekend with us. Annie Andrews made the trek from

Niles, Seeker, and Bolty. Niles received the DPC leg: one down, four to go! The highly contested high combined honor went to Seeker.

Sunday started cool and turned into a pretty nice day. 24 adults and two pups started, including one FTE, Suni. Lola won the meet undefeated, with Smokey coming in right behind. ARX points went to Seeker (4) and Rowan (2). Raz debuted running as a pup and ran his little heart out. Both Meatloaf and Raz are coming along nicely. The turtle award again went to Zippy.

Sunday's conformation match was judged by Cheryl Szulczewski, whippet owner extraordinaire. Rowan placed first, followed by Suni, Pie, and Apple. Rowan received

Virginia, Carl Morgan came from Ohio, Kathy Feldman came from Indiana. We even had a few first timers at Arthurs' Acres from Minnesota and Michigan, including our conformation judge, Lisa Fontaine, who was eager to learn more about CWA.

Beautiful Kaylee won the meet, hotly pursued by Lola, who has been cleaning up at recent meets. ARX points went to Riley (4) and Seeker (2). The pup, Meatloaf, completed all 3 programs and enjoyed having the bunny to himself. The turtle award went to Zippy for hanging in there.

Saturday's conformation match was judged by Lisa Fontaine (Rothschild Whippets). She placed Apple first, then

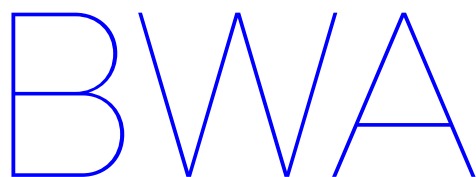

the DPC leg for his nice win. Sunday's high combined honor went to Pie.

Jen Petermann graciously stepped up to grill brats and burgers for our Brat Fest weekend. We know food in Wisconsin, particularly brats, beer and cheese, all which were in attendance this weekend for sure!

We'd like to thank everyone who came out to make the weekend successful. We always say it takes a village, and that's what makes these events so worthwhile.

Racing For Fun
June 22/23, 2019
Abbotsford, BC

report by Lorna Leinbach, photos by Nancy Szabo

You couldn't have asked for a more perfect weekend for racing in British Columbia! There was no rain in sight, no scorching heat, and a nice, soft, green track!

We were very happy that Kim Otero joined us with the speedy Blondi for Saturday's meet before heading back down to Oregon for a NOTRA meet. Blondi had a wonderful day, winning all four high points to handily take home top honours and 3 ARX/NARX points.

Phoenix ran hard all day, but had to settle for second place, which was just fine with his owner Julian Grove Bolmeer, judging by the big grin on his face! Dundee and Austin both ran like superstars, sharing the bottom ARX point. Finch followed in fifth place and ChaCha, returning to the track after mama duties, finished in sixth place, with Porcia right with her in seventh. The top ten

was rounded off with Gypsy Rose, Luna and Roxanne.

We had two puppies running today: littermates Coji and Cora ran together with Coji winning all three puppy races to take home the high score puppy rosette.

Saturday's match was judged by Kim Otero with the win going to Austin, with Finch second, Phoenix third and Stevie fourth. High Combined was awarded to Phoenix.

Our potluck did not disappoint! The best in potluck award was presented to Kendra Tripp with her scrumptious shrimp.

The weather continued to cooperate for Sunday's meet, for another perfect day. Sunday was Phoenix's day to win the meet and earn 3 NARX. Phoenix's sister, Heidi, ran consistently for second place in the meet to finish her

ARX (hurray!), with Dundee third to take the remaining ARX point. Amy finished in fourth place, followed by Finch and Porcia. Sunday's final top ten placements went to Olive, Doc, Andre, and Gypsy Rose.

Blair Shinski was our match judge on Sunday, and he chose Heidi, Phoenix, Stevie and Finch for his placements. Once again, a happy Julian collected the high combined rosette with Phoenix.

Sunday's best in potluck was awarded to Saskia Nollen who brought her torch out to finish off her crème brûlée and my, oh my, it was delicious! Awards and a good visit with everyone made a perfect finish to a perfect race weekend!

Thank you everyone for supporting Racing For Fun. We could not do it without you!

VINCE BALINT

Photographs & Memories

Jan 3, 1937 - May 20, 2019

Vince Balint will be missed.

Vince had the most infectious smile and wonderful interesting stories. Our family felt like part of his family as he welcomed us into their home and became part of our lives.

Vince and Jean Balint were an inspiring couple, caring and in love with each other through all their years together. Vince had so much knowledge that he would patiently share.

Our lives are far richer having known Vince, and his memories and loving soul will live on in our hearts.

We loved getting his big Bear Hugs and seeing his smiling face when we came for a visit. Our girls Jennifer and Emily always remember what a wonderful man Vince was.

He had a very large and kind heart, we felt like part of the Family even though we were the Canadians.

We miss you Vince and we will always love you!

Our Thoughts and Prayers are with Jean and her family at this difficult time. Vince and Jean and their Whippet family travelled and supported me with my dogs, and especially Toro through the years of campaigning and racing in the 1970s. Vince would help keep us all sane though some very challenging times. They came to our house and stayed with us and we had such great times. Remember our dogs were rivals, but never

anything but praise and positive welcoming friendship and caring. He will be greatly missed by Jean and his family, but the Whippet World has lost a true Champion.

With Love,
Deanna Marten Morales and Danny Morales

My first of many visits to Vince & Jean Balint was September 1978 or 79. June Harrison and I drove down with dogs to take part in the first oval race (a demonstration not a meet) put together by Dave Rosenstock, held in Fairfield. Greatest memory was drinking much California white wine at Balints' kitchen table.

Many visits followed with Vince and Jean looking after us as only they could. Pool parties, private and public pools. One 4th of July visit I hurt my foot (turned out to have a broken bone). Vince insisted I stay home on their very comfortable couch, with DMSO on foot, but later they all packed me off to the Cochran's after party where I was again made comfortable with foot up and lots of margarites. Trips to wine country, San Francisco and much more. Some of the best years of my whippet racing life, with Vince and Jean Balint. Last but not least the best race dog I ever had, Nip, bred by Jean and Vince Balint.

Our deepest sympathies to Jean Balint on the loss of her husband, Vince. Although we have only met them in person a few times, we have been long distance friends for close to a decade. Their WyndSOR breeding is the foundation for our whole line and we greatly admire both of them and treasure the contribution they have made to whippets and through their whippets, to us.

The photo above is our Lola as a puppy, who is Rafa's (Nonstopp Nadal of WyndSOR's) granddaughter. To the right is our litter from Deuce (Rafa's grandson) and Angel (Tyra of WyndSOR's granddaughter) – photo by Laurie Erickson.

I first met Jean and Vince in August 1991, when I went to California to get my very first race puppy (who turned out to be Banjo who, as we all know, was The MAN, the dog who dragged me kicking and screaming down the path to where I am right now).

My first impression of Vince, made shortly after our arrival at their house, was “That man knows how to order Mexican!” when he made a phone call and we were promptly delivered some of THE Most Fabulous Mex Food ever made. My second impression was that he was a firm believer in Unvarnished Truths. I never got to eat takeout Mexican with Vince again, but our conversations over the years confirmed my second impression beyond any doubt.

Vince was fairly quiet during our first visit, but he knew how to cut to the chase. As we sat in that puppy room (me with a triumphant Banjo on my lap), Jean started telling us about her plans for whichever of the bitches she ended up keeping. She got to the part where she would breed her keeper and Vince immediately interrupted her: “MY GOD WOMAN. When these puppies are ten years old you will be *mumblemumble* years old yourself! That is too old to be raising any more puppies!” This remark brought about an entertaining discussion between

the two of them about their relative ages and fitness levels, the puppies romping on the floor beneath their feet, and finally the decision that any breeding plans could be decided later. The whole thing was done without rancor or heat, and showed exactly what a warm and loving partnership Vince and Jean had.

Early on, I saw Vince on a fairly regular basis because he and Jean were still making yearly pilgrimages to the Other Side of the world in their motor home. Our conversations were entertaining

and pithy, frequently conducted in a sentence or two as I walked by him sitting in the foul judge's chair. I would make a smartass remark, he would counter it, we would laugh and then I was moving up the track. Eventually, Jean and Vince sold their RV and after that their visits were less frequent, but still eagerly anticipated. Their last such trip was to the 2011 CWA national, held in Milwaukee. I will never forget the fun we had that weekend, nor the enjoyment of picking up the threads of conversations begun years before.

After that, my conversations with Vince were limited to the telephone.

I would call to talk to Jean, he would answer, and I would ask him if his beautiful wife was available. When she was not, he would tell me where she was and what she was doing, how she was feeling, and usually favored me with a remark or two about the dogs and about life in general. I would respond in kind, and then go my way with the smile that conversations with Vince always inspired.

Godspeed, Vince. You were one in a million - kind, honest, intelligent, and fun to talk to. I miss our little chats.

50 years ago I met Vince and Jean Balint and for 50 years they have been a part of my life. Vince loved his family, his dogs, his friends and his zest for life was contagious! You could not be around Vince and not feel good. The massive bear hugs, his wonderful sense of humour and 'that laugh' were just a few of things that make me smile when I think of Vince. Whenever the Balints came to Canada, a trip to a golf course was in order. On one particular trip I was able to coordinate a golf date with my brother in law and his golfing buddies, all avid golfers but totally non-doggy, which of course would never be a problem for the ever-personable Vince. The next day I called my brother in law to thank him and he responded with how much they had all enjoyed the day, how Vince had fit in as if they had all known each other forever, and most of all "he is an excellent golfer!!!!" A wonderful kind man, an amazing athlete, a brilliant mind – just a few words to describe Vince.

You will be missed, Vince.

Until we meet again ... (and I will bring some Canadian Beer!)

There are many fond memories of my start in whippets when I first met Jean and Vince Balint. I acquired my first whippet from them, and greatly enjoyed traveling to Northern California to race and visit (and party) with everyone, with my then-boyfriend (now husband) Michael Palmer.

My first whippet Willoughby of Wyndsor, ORC, LCM. Born in 1984, bred by and co-owned with the Balints. —————→

It is with great sadness that I share this on the passing of Vince Balint. I truly hope that Jean will be able to find comfort in her many friendships with the loss of her best friend and beloved husband of so many years.

My pups Gilligan and Teacups (Gidget), who go back to Willoughby and are behind our current top CWA racers Lovey, Bindi, Flits, and Blondi. —————→

Rest in peace Vince

VINCE BALINT: A MEMOIR IN THREE (SHORT) PARTS

PART ONE - In the Summer of 1972 I responded to a knock at our back door to see a large, tired-looking chap asking whether I was Bill Turpin. After confirming this he then informed me that he was Vince Balint, that the man standing in our driveway was David Rosenstock and could they stay the night in preparation for the upcoming weekend's racing. Thus began my life-long friendship with Vince Balint.

PART TWO (OR BOBBY GOES A-BOUNCING) - For quite a few years after that the Balint family in various combinations stayed with us while attending local race meets. On one such occasion Bobby Balint asked my daughter Barbara if he could take one of our horses for a ride in our field. Barbara selected her Kanata Pony Epic, then outfitted Bobby with one of those English riding helmets which sat atop Bobby's head like a cherry on a sundae. And now it was time, time for Bobby's ride - and what a ride it was! The higher Bobby bounced, the louder Vince laughed as he leaned on the railing of our front deck. This was the only time I saw Vince laugh until he couldn't speak. There was one occasion on one of the Balints' visits that proved to be anything but humorous...

PART THREE (OR CHRIS ALMOST MOVES TO ALDERGROVE) - During their visits to our home the Balint boys became good friends with my oldest daughters Penny, Diane and Barbara. Following his junior (Grade 11) year Chris told the girls that he was not looking forward to his senior high school year because he felt that there was too much potential for violence in his school. The girls suggested that Chris live with us and attend Aldergrove Secondary for his Grade 12 year. While Vince and Jean put the kibosh on the idea, it illustrates the kind of close friendships that the Balints made throughout the North American whippet racing community.

RIP, my friend.

Bill Turpin
