The Continental Whippet Alliance was formed to achieve the following objectives:

- to unite Whippet fanciers with the common goal of promoting, protecting and preserving purebred Whippet racing
- to encourage and promote quality in the breeding and racing of Whippets and to do all that is possible to bring their natural instincts to perfection
- to urge members and breeders to accept the Whippet Standard of the Breed as approved by the American Kennel Club as the only standard of excellence for Whippets
- 4. to do all in its power to protect and advance the interests of the Whippet by encouraging sportsmanlike competition at race meets and conformation competitions and by providing a friendly and enjoyable environment
- 5. to provide a testing ground for Whippets to demonstrate they still have the instinct, desire and physical ability to do the athletic activity they were bred for, helping to maintain the Whippet as a healthy breed

From the Editor

Finally, at long last, this issue closes out the 2020 volume of *Line and Lure*. Good riddance! This was the most challenging issue I can remember. I suffered from the worst case of creative block I've ever experienced, and that held up the issue for several months. Every time I would sit down at the computer to work on ads, I found myself staring, utterly useless, at blank pages in InDesign. It's not like I didn't already have most of the issue (70+ pages!) laid out and ready to go, but those last dozen ads, including my own, just had me flummoxed. The weeks ticked away and it finally got to the point where I couldn't even bear the thought of working on it. So much pressure!

I am very grateful to Lisa Ochoa for stepping forward to help with ads. Knowing I had someone to share the load helped me break out of my slump. Thanks Lisa, I couldn't have gotten this one done without you.

Despite its challenges, the **Pandemic FREE FOR ALL** ad theme ended up a huge success. So. Many. Ads. Wow, almost half the issue is ads! Thanks to all of you who submitted so many fun and engaging ads. I hope everyone enjoys them.

2021 is here and the CWA racing season is already underway. It is encouraging to see COVID cases on the decline and vaccinations on the rise. These are promising signs for a much better year for dog sports than last year. I know so many of us have promising youngsters that are just itching to hit the ground running. It will be so good to finally be able to safely attend events again and see so many friends, human and canine, so sorely missed during the lockdowns.

Our next issue will include meet reports for all meets from January through March 2021, and will be our *Upcom*-

NEXT DEADLINE March 31, 2021

ing Stars issue, with its special ad theme featuring the youngsters who will surely be prominent in the Annual Top Ten issues for the next few years. So many youngsters whose careers have been delayed by the pandemic will be making their long-awaited debuts. We can't wait to see them! The deadline for ads and other submissions will be **March 31**.

From the President

Welcome to 2021! Let's all hope that this year is a big improvement over its predecessor.

First, I want to inform you about the three rule changes voted in for 2021:

1. NEW TITLES - High Combined/High Combined Excellent

CHAPTER XVI: Titles (Revise Section B, add Sections K and L)

B. Definitions

The CWA shall award nine titles to deserving Whippets: Title of Racing Proficiency (TRP); Performance Racer (PR); Award of Racing Excellence (ARX); National Award of Racing Excellence (NARX); Superior Racing Award (SRA); Dual Purpose Champion (DPC); and Dual Purpose Champion Excellent (DPCX); High Combined (HC); and High Combined Excellent (HCX)

K. High Combined (HC)

This award is designed to recognize Whippets that have consistently achieved High Combined awards based on their combined conformation and performance placements. A Whippet receiving five High Combined awards will earn the award of High Combined (HC).

L. High Combined (HCX)

The award of High Combined Excellent (HCX) will be granted to Whippets who have received ten High Combined awards and will graduate to the next level after each additional five High Combined awards.

2. ADDITION OF MARTINGALE COLLARS TO THE LIST OF ACCEPTABLE RACING COLLARS

CHAPTER XIV: Race Track and Equipment (Section E)

E. Collars

This section pertains only to dogs while on the race track as described in this Chapter. The only collars allowed are flat material (leather or nylon) with a plastic buckle snap or a well-fitted martingale. No tags or other accessories are allowed other than a "D" ring as a part of the collar.

3. CHANGE IN RULE PROPOSAL SUBMISSION/VOTING DATES

CHAPTER I: Purpose and Organization

Section B(8)

The Rules Committee shall be comprised of the Board of Directors. Drafts of proposed rule changes must be submitted to the Secretary by October 1. No proposals submitted after October 1 can be voted upon. The Secretary shall post all drafts for discussion by the Board not later than October 5. Discussion shall close October 31 and final versions of all proposals must be submitted by November 15. The Secretary will distribute ballots to each Committee member as soon as possible thereafter, either electronically or via land mail. The deadline for Board members to vote on the proposals is January 1. Amendments to rules and regulations are passed if two-thirds of the submitted ballots are in favor.

These changes have been added to the rule book.

From the President

by Lisa Ochoa

There have been some related changes made to the Grading Guide as well. A column has been added to track HC awards. This column is blank at the moment because the Statistician has not yet finished compiling the final list of current HC winners. Once that list is completed, the column will be populated and title certificates will be issued, and the web pages for the new titles will also be added. In addition to making this change, some columns were moved on the page to make it more convenient for race secretaries to set up their meet materials.

I also want to point out that the HC/HCX titles are retroactive. If you think your dog belongs on the list please feel free to send me an email (<u>LMOWHIPPET@hotmail.com</u>) to provide the registered name of the dog and, ideally, the dates on which the High Combined awards were earned.

Secondly, as you all know, the CWA clubs were forced to cancel quite a few meets last year due to the COVID pandemic. During that time, the Board met and monitored the situations very closely across the country and in Canada, and made decisions that were calculated to keep our clubs and our participants as safe as possible. One such decision is the requirement that each club publicly provide their COVID requirements at the time their meets are announced. These requirements are posted on the Events page, along with the informational fliers for each meet. If you are planning to attend a meet, please be sure to look at the plans so you will know what rules you are expected to follow. These rules are in place until further notice. Hopefully things will return to normal by this fall, and we can help this goal along by staying safe in the meantime.

Next, I have just completed the annual purge of the Grading Guide, updating titles and moving inactive dogs to the Archives. I want to remind you all that I only automatically update CWA titles. I do not receive any information about titles from any other venue unless I hear from the owners of the dogs. Therefore, it is really

important that you let me know about any other titles you want listed in the Guide, and especially important that you let me know about AKC/CKC conformation titles your dog earns because those titles impact how DPC/DPCX titles are earned. Send me an email at LMOWHIP-PET@hotmail.com to let me know of any such changes that should be made to your dog's entry.

While I am on the subject of the Archives, I want to extend my condolences to those families whose deeply loved dogs passed away in 2020. I know all too well how painful these losses are and I am thinking of you with sympathy.

Next on my list is the now-defunct CWA Racing list. As you all know, Yahoo shut down their entire email group system in December, and the CWA Racing list went with it. We will soon have a new list, hosted on groups.io. All subscribers to *Line and Lure* will be invited to the new list, and you should have that invitation very shortly.

Finally, PLEASE NOTE that I do not transact CWA business via texts or social media, and that if you stop me at a race meet to tell me in person about an issue or question you have then the chances are excellent that I will not remember the conversation an hour after you have told me. PLEASE send an email if you want me to take action. Once again, my email address is LMOWHIPPET@hotmail.com. I try very hard to respond to every request I get and to handle questions and issues as promptly as possible.

2020 was an extremely challenging year for all of us, on a variety of levels. I hope we can do better this year, and appreciate our time together even more than we have in the past.

Stay safe and be well.

Winston is our first ARX whippet and we are so happy with his excellent disposition and accomplishments in the ring and field. His first entry as a Special resulted in Specialty Select Dog under Dr. Lisa Costello. Enjoying retirement as a veteran, true to a Whippet's nature, he is a typical couch potato, but always ready to play.

With the limited number of race meets last year, Tawanda still earned two coveted High Combined awards.

She also had three match wins, defeating a total of 45 dogs, and a second place defeating 17 dogs.

She flew to her AKC FC title with two BIFs, and is ready to concentrate on other fun stuff in 2021.

Many thanks to Nancy Jorczak for allowing Tawanda to come live at Cherché.

lue moon, full moon, tropical storm Zeta, Halloween! Yes, it was a MAWRA meet weekend! Yes, the usual weather woes that are inflicted upon MAWRA were with us again this meet.

Having a meet during COVID is a challenge and everyone knew the rules: you must wear face masks, social distance and no shared food (something that is hard for our group, as we love to share and eat).

Friday started with very high winds causing one of our tents to fly and barely miss one of our member's RV. But we are a hearty bunch and managed to make it through (ok I did not but all others did).

We started the day with 51 dogs including seven FTEs! What a great turn out for a meet so late in the year. We had a tie for meet winner as both Cheers (Mystic Run Hip Hip Hurray of Lanruvi & Cogshall, owned by Annie Andrews, Jennifer Smith and Mary Huff), and Salute (LaQuest TNT Smokin Hot in a Uniform, owned by Lori Stebritz), both earned 25 meet points, but by winning the last race (the tie-breaker), Cheers won the meet.

Coming in third was FTE Wannabe (Deerpath Wannabe Flying Ebony) owned by Nancy Jorczak, who was awarded 2 NARX points and 6 ARX points. Bandit (Lucky Penny's Speedo Bandito at North Star, owned by Carl Morgan) finished in fourth place, earning 1 NARX point. The rest of the ARX points were awarded as follows: in fifth place, earning 4 ARX points, was Mr. Smith (Wild Iris's Gunslinger, owned by Mindy Mymudes and Kristy

report by Liz Aiello, photos by Marc Stumbo & Patrick McNeill

Friday match judge Erin McNeill with #1 Tawanda, #2 Apple, #3 Jasmine, #4 Summer

Thomas); in seventh place, earning 2 ARX points, was Aubrey (Cali's Northern Lights, owned by Ernest and Mary Pick and Deana McNamer); and in 10th place, earning 1 ARX point, was Bean (Cherche Arborlea Hold Your Horses, owned by Mallory and Chuck Ballard).

Friday's match was judged by Erin McNeill, whose placements went to: Tawanda (Deerpath Funny Cide at Cherche, owned by Chris Durance Watkins), Apple (Mystic Run's Mink Luster, owned by Annie Andrews), Jasmine (R&B's Jasmine Sullivan, owned by Carl and Donna Morgan), and Summer (Sandsprite Somerset at Clarwick, owned by Clarence Gelwicks). This made Jasmine our

High Combined. Jasmine has been on a roll and she keeps going.

Saturday started with much better weather and 44 dogs, including one FTE. Our meet winner, running undefeated and earning 6 NARX points, was Cheers. Cheers was followed by Salute, who earned 4 NARX points and Mr. Smith, who earned 2 NARX points and 6 ARX points to complete his ARX title. Congratulations to Team Mr. Smith! Wannabe finished fifth and was awarded 4 ARX points, and Aubrey, in eigth place, received 2 ARX points.

Saturday's match was judged by Claiborne Jackson

report by Liz Aiello, photos by Marc Stumbo & Patrick McNeill

Saturday match judge Claiborne Jackson with #1 Liza, #2 Tawanda, #3 Bean, #4 Lynesse

whose final lineup was: Liza (Abbey's English Affair, owned by Jill Hopfenbeck and Shirley Cooney), Tawanda, Bean, and Lynesse (Panache We Light the Way at Diablesse, owned by Pat Spinazzola). This gave Tawanda High Combined.

As always, MAWRA thanks its members for being willing to attend a Friday/Saturday meet and pitch in like they always do. Thanks to Lori Stebritz for allowing us to use her property. Thanks to Shelton Carter for lure operating and Cathy Dodgen for box operating.

We spent most of 2020 in rehab with Gator after a very serious iliopsoas injury. After ten months of perseverance and hard work, he is well on the road to recovery. We did manage to have some fun though, he achieved his AKC Trick Dog Novice title and sired a really lovely litter for Surrey Hill/Mariner. We can't wait to watch these exciting youngsters grow up.

In the meantime, everyone please stay SAFE and we'll hope we can get together in person soon!

COVID presented obstacles for everyone's dogs in 2020. We were fortunate to have clubs in the region that took things seriously and held safe events for their exhibitors, enabling our dogs to have some fun in a tough, trying year.

Summer finished out the year picking up some points as an FTE at the November MAWRA race meet in Dendron, VA, two second placements and 30 points towards her ASFA FCh. title and her AKC SC title.

Many thanks to MAWRA, Hanover Lure Coursing Clubs and IWAGS for keeping us safe at your events by following COVID recommendations and rules. It was greatly appreciated.

We look forward to seeing everyone again in 2021

/e had an absolutely beautiful, almost unseasonably November weekend. The sun was shining both days and the track was in perfect condition. We were a bit of a local thing and had families come out to cheer on the dogs and spectate. That truly made it even more fun.

Saturday's meet winner was Bear, who edged it out by half a point. Very tight racing! Bear earned 4 ARX and 4 NARX points. Sweet n Low for earned 2 ARX and 2 NARX points in this very competitive meet.

Janis Flaherty was our match judge on Saturday, and her final line up was Horton, Kinky, Camelot, and Armstrong. Armstrong was high combined.

On Sunday, Blondi was our meet winner and earned another 4 NARX points for her effort. She was running hot. Bear had a respectable second place finish, earning 4 ARX and 2 NARX POINTS. Alita took the number three spot, earning 2 ARX points. On many occasions two videos were needed to certify fair calls in very close races. That is how competitive the running was.

Penny Bolt judged Sunday's match and selected Kinky as her match winner, followed by Horton, Iris and Sweet n Low. Kinky earned 2 DPC legs this weekend. Iris was high combined

The meets have been a bright spot in a terrible year. The wonderful fun of seeing friends and running dogs is good for the soul.

No racing, showing or anything for us around here in 2020! What do you do when you are on COVID-related lock-down & have a sixmonth old puppy who is bored out of their mind, and gets car sick to boot? You start taking weekly trips to local points of interest with said puppy, in order to tire her out & log enough car time to mitigate the puking. With our in-house photographer also off work, & having most of the usually packed with tourists points of interest being ghost towns due to the pandemic, where no one would notice or bar entry to a dog, enabled us to snap photos at some spots not usually accessible to visitors with pets. The icing on the cake is owning arguably the most photogenic whippet ever in the form of Ava. We had a lovely few weeks over the Summer, touring our fair City & gathering some unforgettable images of a beautiful whippet in the Cool Gray City of Love, San Francisco. - *Guin Borstel, Milescross*.

GCH Beauroi Proud As Punch

(AustCH Beauroi Pax A Punch ex AustCH Beauroi This Diamond Sparkles)

George came to us from Australia at 11 months old.

He was defeated only one time (a major Reserve) en route to his championship, with his wins including BOW at Westminster and WD at the 2016 AWC National.

He only lacks a couple of points for his ASFA Field Championship.

He was one of the top Whippet sires of bench champions in 2019 and has ARX-pointed get.

He is game for anything and does it all with gusto.

It's been a successful year for Beck, despite COVID.

Beck finished his AKC CH at the Celtic Cluster in March, one of the last shows to be held prior to the lockdown we all experienced in the spring.

In June he earned his Senior Coursing title at Hanover, PA.

In September he earned his United Rally Obedience Level 1 title in Mechanicsburg, PA.

In October Beck competed in two CWA Race Meets in NC as an FTE earning 24 PR & 3 ARX points.

In November he earned his Rally Novice title in Salisbury MD.

In December Beck competed in two CWA Race Meets in VA earning 18 PR & 1 ARX point.

Thank you to ALL who helped with boxing & catching Beck. I deeply appreciate your help.

ust like the rest of 2020, our weather has also been strange. We manage to luck out and have great weather both days of our meet, with lows in the lower 40s, highs in the upper 60s, and lots of sunshine.

This meet tends to be small due to it being on the same weekend as the Royal Canin dog show in Florida. Saturday we had 22 dogs running.

The old guy, Torino managed to win the meet, and 4 NARX points, over some really tough competition. He was just showing the young ones that he still has it to give.

Second in meet, earning 4 ARX and 2 NARX points, was the beautiful Splenda! Third in the meet was Buttons, earning 2 ARX points. Congrats to Maurice and Debra Balm for dominating the top race spots in the meet.

Saturday we had seven match entries judged by Kari Whitaker of Disa Whippets. She gave Tawanda first in the match, followed by the lovely Iris. Third place was Stella, who came down with her mom, Liz, all the way from Minnesota. Last and certainly not least, fourth in the meet was Splenda, and this placement secured the HIGH COMBINED award. Congrats to breeder and owner Kim Otero and the Bahms! Tawanda got the DPC leg and our turtle winner was Leon. Congrats to all the winners.

We had a lot of pups and youngsters at our practice at the end of the day. I can't wait to see them run next year.

Sunday was another beautiful day, and we started with 23 dogs on the board. The young ones were not going to let the old ones show them up today.

The meet was won by new up and comer, Sansa, who was not entered Saturday. Congrats to Larry and Kristin Addington and breeder Shannon Lyons for this meet win.

Saturday match judge Kari Whitaker with #1 Tawanda, #2 Iris, #3 Stella , #4 Splenda

Second in the meet was Splenda. Oh, so close both days! This gave Splenda 2 ARX points and 4 NARX points and finished her ARX title. Congratulations to her breeder and owners, Kim Otero and Deborah and Maurice Bahm. Third in the meet was Iris, earning 2 ARX points.

Sunday's match judge was Carl Morgan and he gave Tawanda the match win over seven entries. Second went to Splenda, third to Stella from Minnesota, and fourth to the beautiful black Iris. Congrats to all the winners. This win gave Tawanda her fourth DPC leg. Our turtle winner of the day was Benjamin. HIGH COMBINED went to Splenda once again, for a clean sweep on the weekend!

Sunday match judge Carl Morgan with #1 Tawanda, #2 Splenda, #3 Stella, #4 Iris

As always we all have a great time and get things done in a timely manner. Huge thanks to my husband, Dave and to Bill Collingwood for always being there to help out.

Carl Morgan took our boxes back with him to Ohio. He plans on replacing the front plexi-glass that is scratched up, putting in bars instead, and fixing the door mechanism. A HUGE THANK YOU to Carl for offering to do this. He will bring them back for our February meet over Valentines weekend.
