The *Continental Whippet Alliance* was formed to achieve the following objectives:

1. to unite Whippet fanciers with the common goal of promoting, protecting and preserving purebred Whippet racing
2. to encourage and promote quality in the breeding and racing of Whippets and to do all that is possible to bring their natural instincts to perfection
3. to urge members and breeders to accept the Whippet Standard of the Breed as approved by the American Kennel Club as the only standard of excellence for Whippets
4. to do all in its power to protect and advance the interests of the Whippet by encouraging sportsmanlike competition at race meets and conformation competitions and by providing a friendly and enjoyable environment
5. to provide a testing ground for Whippets to demonstrate they still have the instinct, desire and physical ability to do the athletic activity they were bred for, helping to maintain the Whippet as a healthy breed

## From the Editor

What can I say? I'm sure none of us expected 2020 to be so profoundly disrupted by a global pandemic!

This issue of *Line and Lure* contains meet reports and results for all meets held early in the year, before local clubs and the Board elected to cancel all events between March 21 and May 31. In early June, the Board determined that meets could resume, provided that state regulations allowed gatherings, but all June meets were unable to proceed as planned because of local restrictions. Because of the lack of content that resulted from so many meet cancellations, this issue combines the regular advertising themes from the first two issues: **Upcoming Stars** and the **Memorial Issue**.

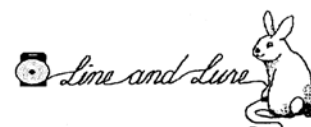

There would normally be three more issues for 2020: the **Versatility Issue**, the **National Issue**, and the **Annual Top Ten Issue**. However, the National has been cancelled, and the Board has voted to suspend tracking the Top Ten statistics for the rest of the year, so that leaves us with not much to publish for those final two issues.

After much consideration, I think the best thing to do will be to go ahead with the **Versatility Issue**, which showcases our CWA whippets' success in other endeavors, including conformation, coursing, tracking, obedience, agility, flyball, dock diving, therapy work, barn hunt, and any other dog sport to which they set their sights (pun intended)! Whippets truly can (and do!) do it all! While competition options are severely limited this year, I know there are people out there trying new things with their versatile dogs, and we'd love to hear about them!

Of course, off-theme advertising is always welcome at the same regular rate of \$15 for a full page. The next issue deadline will be **October 15**.

NEXT DEADLINE  
October 15, 2020

I will combine the final two issues of the year, but I haven't come up with a good idea for an alternate advertising theme to make up for the two we're missing out on this year. If you have any good suggestions for what we can do instead of the **National** and **Annual Top Ten** themes, please let me know!

# NOTICE

Due to the ongoing situation with the COVID-19 pandemic, the CWA Board elected to cancel ALL events scheduled between March 21, 2020 and May 31, 2020.

In early June, the Board determined that meets could again be held, provided that state regulations allowed gatherings.

Each club will provide a plan for helping to ensure that participants stay safe while attending events. These plans are published on the Events table on the [CWA Events page](#) in the "Additional Information" column.

The CWA National, originally planned for September 4-6, has been CANCELLED. We look forward to a wonderful 2021 event, hosted by North Star Racing.

The CWA Board has also voted to suspend posting Top Ten statistics for 2020. The majority of the Board felt that such statistics could not be fairly counted due to the fact that many clubs and regions have been unable to host meets, and may not be able to hold any events in 2020.

We hope that all of our participants and friends stay safe during this very worrying and stressful time.

*The events listed below are still planned as of the time of publication, but may be subject to cancellation in case of changing local regulations. Please confirm with each club before finalizing plans.*

## Dash Dog Racing

Dash Dog Racing is designed to provide a fun racing experience for whippets 8 months and older who are not ready or who are ineligible to race in CWA racing due to breed standard disqualifications, pedigree restrictions, or lack of an AKC registration number (such as rescue whippets). Dash Dog races will be run in between the regular CWA programs. The race secretary also has the right to refuse dogs that are known to be chronic foulers or interferers.

Dash Dog races will be run following the CWA rules (<http://continentalwhippetalliance.com/rules.pdf>) with the following exceptions: there will only be 3 programs with no more than 4 whippets per race, whippets observed to foul will be excused, not disqualified, and Dash Dog racers are not eligible to participate in the Conformation match. Please use the CWA entry form for entries, but note "Dash Dog entry" prominently on the form.

Prizes will be awarded to Dash Dog racers similar to CWA racers. However please note that Dash Dog racing is not sanctioned by CWA, and no titles are earned. We are offering it for the enjoyment of owners and their dogs.

Dash Dog races will be run in between the regular CWA programs. The race secretary also has the right to refuse dogs that are known to be chronic foulers or interferers.

Dash Dog races will be run following the CWA rules (<http://continentalwhippetalliance.com/rules.pdf>) with the following exceptions: there will only be 3 programs with no more than 4 whippets per race, whippets observed to foul will be excused, not disqualified, and Dash Dog racers are not eligible to participate in the Conformation match. Please use the CWA entry form for entries, but note "Dash Dog entry" prominently on the form.

Prizes will be awarded to Dash Dog racers similar to CWA racers. However please note that Dash Dog racing is not sanctioned by CWA, and no titles are earned. We are offering it for the enjoyment of owners and their dogs.

report and photos by Cynthia Owens

Saturday morning we had a wet track from rain previously in the week. With two of the contenders bringing most of the dogs it was a pretty tedious going.

With the conclusion of the last program, the clouds gave way to the rain that we had been watching for all day. We had our match underneath the awning as the rain poured down.

We woke up Sunday morning to huge puddles on the track. By the conclusion of the day we had nothing but mud pie dogs. Again we did the match underneath a big awning, but with clear skies.

We have to say a special thanks to all the people that came out to help who did not run dogs. If not for all them this event would not have been possible.

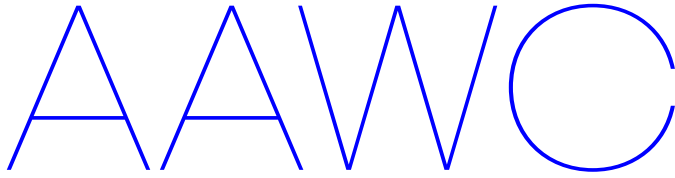

At this point we're not even wanting to think about April showers and how the next event will turn out.

report and, photos by Carl Morgan

Well it's a new year and the race season has started again. It was a beautiful day down in Louisiana: sunny and 60 degrees and perfect for racing.

Torino and Blondie split the wins in the high point races, but Torino scored the meet win and received 3 NARX points with Blondie pulling off 1 NARX point. The ARX points went to Lucille with 3, and Calli getting 1.

The match was judged by Connie Back and her placements were awarded to Smokey (who also received a DCP leg), Blondie, Torino, and Don Diego.

This was different, there was a three-way tie for the High Combined. But the tie breaker goes to the highest race finish, and that was Torino.

If you have never been to Louisiana, why don't you come and enjoy a little southern hospitality New Orleans style!!!!

# Looking for bunnies!

## Summer, almost 3 years old

South Central PA

### About Summer:

I love bunnies. I love to chase them anywhere. I chased them in IWRO at a LGRA meet and didn't mind the box at all. I chased them in ASFA, got points and won a ribbon. I also chased them in AKC lure coursing. I loved every one of those bunnies.

I also love water. I really love to bite the splashes and swim. I love to jump off the dock and get that bunny, too. That bunny floats!

I pretty much love to do whatever my human asks me to do, because I love to have fun with him. I'm a good girl. He tells me that all the time.

So would you please tell me where to find more bunnies? I am ready to run!

A beautiful brisk weekend in Williamsburg and Dendron, VA is better than a brisk weekend in Northern New Jersey.

As always, the day started with a ferry ride across to Dendron. We began the meet with 30 adults and one-puppy. It was tight racing as always, but the meet was won by our sweet little Rosie (Lucky Penny's Riveting Rosie at NorthStar) owned by Brian and Fran McHugh, who earned 5 NARX points. In second place we had Salute (LaQuest's TNT Smokin Hot in a Uniform), owned by Lori Stebritz, earning 3 NARX points, and in third place Nala (R&B's Love and Sass), owned by Anthony and Holly Solano, who earned 1 NARX point.

On the ARX side we had Lucille (R&B's Lucille at Debmar), owned by Deborah Bahm, who earned 5 ARX points to complete her ARX! Following Lucille in the points

was Ruger (Cali's Boondocks), owned by Monica Gallier, earning 3 ARX points and completing his ARX! In 3rd place we had a tie between Fama (Cogshall Va Va Voom Lanruvi), owned by Jennifer Smith, Carol Smith and Gail Strack, and our FTE Mr. Smith (Wild Iris's Gunslinger), owned by Kristy Thomas and Mindy Mymudes, who each earned .5 ARX points.

Our match was judged by MAWRA member Annie Andrews, who placed Arya (Surrey Hill Mariner You'll Roux the Day), owned by Lawrence and Angela Collins and Donna Bennett in first, Smokey (R & B's Smokey Robinson), owned by Carl and Donna Morgan, in second, Mulligan (Mariner Surrey Hill Do Over), owned by Anna, Susan and Kristen Fredericks and Karen Lee, in third, and Boomerang (Domino Shambala Boomerang), owned by Susan Ford and Ivan Cordrey, in fourth. High combined for the day was Smokey!

Saturday match placements: #1 Arya, #2 Smokey, #3 Mulligan, #4 Boomerang

Sunday match judge Meejin Pike and #1 Bean, #2 Mr. Smith, #3 Arya, #4 Salute

Sunday was a bit warmer — but not much — and once again we had 30 adults and one puppy. The top two in the meet were the same as Saturday: Rosie followed by Salute, earning 5 and 3 NARX points respectively. In third place we had Smokey earning 1 NARX point.

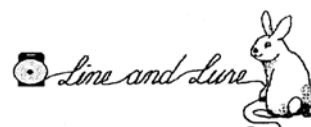

On the ARX side we had Boomerang earning 5 ARX points and completing his ARX! Earning the second set of points (3) was Tabi (Shamasan Chip Off The Old Sock At Highfield), owned by Mark Mortin and Deb Hursh, and again a tie for the bottom set between Siren (Alchemy Wind Me Up and Watch Me Go), owned by Linda Solano, and Mr. Smith (Wild Iris's Gunslinger), owned by Kristy Thomas and Mindy Mymudes, resulted in each getting .5 ARX points. This brings Siren up to 14.66 ARX points — so close!

Sunday's match was judged by Meejin Pike, who picked

her winners as follows: Bean (Cherche' Arborlea Hold Your Horses), owned by Mallory and Chuck Ballard, Mr Smith, Arya and Salute. High combined on Sunday was Salute!

We would like to thank our visitors from afar who came to our meet: Kristy Thomas and her mom Sally, Jennifer and Carol Smith, Susan Ford and Ivan Cordrey, Mallory and Chuck Ballard and Carl Morgan (although Carl is really a regular but does drive some distance to be with us).

We would like to thank Lori Stebritz for allowing us to use her land, Shelton Carter who sets our course and operates our lure, Anthony Solano for operating the box and all our members and friends who came out and line judged, walked and caught dogs and keep the meet moving along.

report and photos by Phyllis Brown

SMART had a wonderful weekend, filled with fun, good food, fellowship, and, of course, fantastic whippet racing and conformation matches. The weather was perfect for man and beast alike in beautiful Beal Park. The mood was upbeat and cooperative. It was a fun weekend.

On Saturday, young Bear, aka Devereux Gentle Soul, owned and loved by Marina Caro, earned that top spot of meet winner on Saturday in a very competitive field. Bear is exciting to behold. He has a big future in CWA racing ahead. He earned 3 ARX points and 3 NARX points to boot! Torino, aka Debmar Gangland Boss, ARX, NARX2, proudly owned by Deborah and Maurice Bahm, ran a close second, earning 1 NARX point. In 2019, Torino had a serious illness that nearly took his life, so it was really good to see him running well again.

We had 16 adult starters and our top 8 were: Bear, Torino, Calli, Iris, Cherish, Batgirl, Sheldon and Camelot.

On Saturday, our match judge was Diana Wehry, who awarded her placements to: Horton, aka GCH Equiss Horton Hears a Who, owned and bred by Cathy Williams; Honor aka CH Sporting Fields On My Honor, owned by Kristen and Larry Addington; Primrose (beautiful puppy and new to the sport); and Batgirl, aka Brownstone Lady

Detective From Equiss.

On Sunday, Bear did it again, winning the meet and earning 3 ARX points and 3 NARX points, and became a new ARX champion! Big congratulations to Bear and Marina. Torino fought hard for second in the meet, earning another NARX point. Cali, aka Van Orschot's A River Runs Through Debmar, came in third place and earned 1 ARX point. She is a fast girl.

We had 14 adult starters and the top 7 were: Bear, Torino, Cali, Iris, Ember, Batgirl and Cherish.

Both meets were smaller than our average, but the competition was excellent.

We had two new puppies running that are up and comers: Primrose aka Smithfield Park Primrose, owned by

Saturday match judge Diana Wehry and #1 Horton, #2 Honor, #3 Primrose, #4 Batgirl

Sunday match judge and Jessica Irwin and #1 Horton, #2 Rachel, #3 Kinky, #4 Batgirl

Gabriella Smith, and Rachel, owned by John and Kristen Kelly. We look forward to seeing them run as adults.

On Sunday our judge was Jessica Irwin, and her placements were as follows: Horton (once again); Rachel (another beautiful puppy who is also new to the sport); Kinky, aka Aperture Kinky Boots FC, owned and bred by Julie Poole; and Batgirl, owned and bred by Phyllis Brown.

Our High Combined Winner for both days was Batgirl. We look forward to more from this girl in the future.

We all were not expecting that this would be the last meet in a long time, so looking back it is particularly special. We ate pot luck chilli, helped each other and had no injuries or mechanical issues. That is a good weekend for our Tennessee crew.

We owe thanks to a lot of people for running a smooth meet. Thank you Bob Brown for running that lure all weekend, Baron Williams for being a video judge for every race, Larry Poole for coming in and running our boxes, Brandon Brown for loading and walking dogs, Cathy Williams for her help with score keeping. Really there are too many to thank, but it is nice to see people work and play together in harmony. Thanks to everyone.

Saturday and Sunday meet winner: Bear

Saturday and Sunday high combined: Batgirl

Noelle was my heart dog from the first day she made me a whip-pet mom in 2006. She was placed with me as a pet, but earned her Field Championship and got her TRP and PR in CWA, miraculously retiring as a C dog. She left for the Bridge 2 months shy of her 15th birthday, and she took another part of my heart with her.

report and photos by Deana McNamer

We only see February 29th ONCE every four years and this year we were lucky enough to have a CWA meet on this day! This is TRAC's fourth set of meets and the third one at the "Park at Briar Chapel." Everyone continues to love this location despite the shorter track (175 yards). Saturday started out cold, and despite being a beautiful sunny day, the wind kept the temperatures down.

As a new club we are excited every time we bring in a new face and/or whippet into the club! We proofed several dogs on Friday and Saturday, and both Torque and Dash started as FTEs on Saturday. We started with 23 adults and one puppy (Tawanda). The Meet winner was Salute! NARX points went to Salute (4) and Smokey (2), and ARX points went to Bean (4) and Tie-Dye (2).

We want to thank Donna Richards of TNTs Kennels for being our match judge on Saturday. Her first placement and match winner was Bean, with Dash second, Ruger third, and Smokey fourth. The High Combined award went to Smokey.

Saturday and Sunday meet winner: Salute

Congrats to owners Lori, Carl, Mallory and Kristen and Karen on picking up NARX/ARX points, and to Mallory, Cam, Monica and Carl on their match placements.

report and photos by Deana McNamer

We can forget to congratulate our turtle for the day, Ginger (and we hear this might have been her retirement meet so we were honored to host this for her).

Once again, Sunday started out cold but we warmed up nicely with the sun and it turned out to be a beautiful day. We started out with 30 adults — including another three FTEs, Jess, Aubrey, and Izzy — and one puppy (Nelson).

Sunday's meet winner was again Salute. NARX points went to Salute (5), Smokey (3) and Lucille (1). Aubrey and Torque tied to split the top two sets of ARX points for 4 each, and Cressa took the bottom ARX point. Both Aubrey and Torque were FTEs this weekend, and we are excited to see them excel.

Our own Kellie Livingston was the match Judge on Sunday. She picked Dash as her match winner, with Nelson, Tie Dye, and Izzy rounding out the rest of the placements. Sunday's high combined winner was Tie Dye.

Congrats to all the owners, especially Lori, Carl, Mary, Susan and Deborah on picking up NARX/ARX points, and Cam, Sarah, Kristen and Karen and Alicia on their match placements.

Congrats to Dahlia on being the Sunday turtle!

Finally I want to thank everyone that helped make these meets happen. Thanks to our secretary Mary Pick, Kellie for operating the lure, Mark Mortin for helping with the boxes, Adele Monroe for being head foul judge, Kristen for being head line judge, and everyone else who helped line judge, walk or catch dogs! We need the whole team to make these meets fun and doable!

Thanks to all and hope to see you at our next meet on October 10/11, 2020, same location in Pittsboro, NC.

As a Veteran, Remy retained his Grade A speed, intensity,  
and the perfect racing form that he had in his youth.

He was the perfect dog to proof our Woodford  
and has left us a legacy of wonderful CWA-eligible youngsters.

He is sorely missed.

# CanCH Serendipity Skylark

FCH, TRPX, DPC, PR-2, SR, OTR

**Lark** was all sweetness and light, all of her long life. She was sunshine to the core of her being.

**9/5/2005 - 2/8/2020**

I guess it was fitting that on her last day, as I left the vet without her for the first time, the sun had broken free after weeks of unrelenting rain to shine her way home.

Now she really is one with the sunshine and I will forever remember her in its light and warmth.

I have always thought when I lost her that it would be like the song: "ain't no sunshine when she's gone." But now I think I had it wrong.

It's always sunshine when she's gone.

Bred, owned, loved, and missed by
