CWA and *Line and Lure* take no responsibility for statements or claims made in advertisements that appear in this publication.

The *Continental Whippet Alliance* was formed to achieve the following objectives:

1. to unite Whippet fanciers with the common goal of promoting, protecting and preserving purebred Whippet racing
2. to encourage and promote quality in the breeding and racing of Whippets and to do all that is possible to bring their natural instincts to perfection
3. to urge members and breeders to accept the Whippet Standard of the Breed as approved by the American Kennel Club as the only standard of excellence for Whippets
4. to do all in its power to protect and advance the interests of the Whippet by encouraging sportsmanlike competition at race meets and conformation competitions and by providing a friendly and enjoyable environment
5. to provide a testing ground for Whippets to demonstrate they still have the instinct, desire and physical ability to do the athletic activity they were bred for, helping to maintain the Whippet as a healthy breed

From the Editor

Super fast turnaround on this issue, which was completed in record time, only two weeks past the deadline. This is an especially remarkable achievement given the fact that my club co-hosted the WRA/NOTRA Nationals during that time span and the first of those two weeks was completely consumed by preparation and execution of that event. Phew, am I ever glad that is a thing of the past.

To be honest, the real reason this issue was completed so quickly is that, at only 45 pages, it is one of the leanest issues of *Line and Lure* in many years. There were not many meets scheduled over the summer months to start with, and with several cancellations, we ended up with only two meet reports. Thankfully we made up a lot of pages with beautiful ad submissions. Thanks to everyone for showing off your versatile whippets!

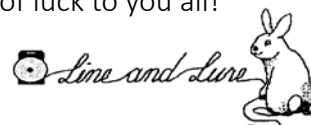

The early entry deadline for the upcoming CWA National has already passed but at the time of publication there are still a few days left to get your racing entries in before the final deadline. See the National premium list in this issue or on the CWA website for all the details about CWA's premier event.

And speaking of the National, our next issue will be the annual *National Issue* with its ad theme featuring National brags, and all the reports and results from the National, match critiques, and more. I offer **FREE ADS** for the National meet, match and high combined winners, and also Best in Match, Best Puppy, Best Adult and Best Veteran at Friday's annual match. I'll be in touch with the lucky owners after the big event to make arrangements for their ads.

Of course, regular advertising is always welcome at the regular rate of \$15 for a full page. The deadline for the next issue will be **October 31st**.

I'm wishing everyone who is attending safe travels and safe racing. I am sad to be missing this one but I will be there with you all in spirit. Best of luck to you all!

President's Report

by Lisa Ochoa

This has been another difficult year for the world, as the COVID pandemic continues to touch the lives of nearly everyone and also continues to affect the ways in which we are allowed to get together. The Canadian border remains closed, so that our Canadian club Racing For Fun has not been able to host a single meet in almost two years. This is obviously a devastating development for them, and for those in the US who love to go and visit, and I hope that we can soon get the corner turned so that this terrible pandemic starts to ease and we can all go back to racing together regardless of where we are.

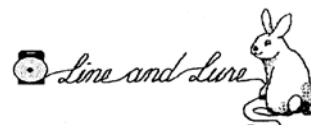

On a happier note, the 2021 national is still on the schedule, and entries will be closing for that very soon. We are looking forward to another wonderful and well-run event, and hope to see many faces both old and new in attendance.

In CWA Board news, the sire correction case I referred to in the last report is still ongoing but we hope to bring it to a close very soon. This is also the time of year when rule changes are proposed. This year's proposals will include ideas designed to prevent this sort of situation from ever happening again, and among those

proposals will be a DNA profile requirement for all CWA registered dogs starting in 2022. With Board approval, I issued an executive order in June which required a specific subset of dogs to provide CWA profiles at the time registration applications were filed, and a proposal to make this requirement permanent will also be filed.

Finally, the CWA purchased a bulk of DNA test kits earlier this year and clubs have been hosting DNA profile clinics so that our participants can get their dogs profiled conveniently and at a discount, with the agreement that the results will be provided to the CWA upon receipt. These clinics have proven to be popular and I hope we can find a way to make them an ongoing feature for future events. We have also reserved a number of kits for our Canadian friends, to help make profiling both easy and affordable for everyone.

Thinking good thoughts for all our friends far and wide as well as close to home, and hoping that all of our clubs can resume their activities and all our dogs and friends can get together very soon. Let's go racing!

Fender has always been an enthusiastic and talented partner, giving his best efforts to everything we have tried.

He is a multiple CWA meet winner, has had excellent coursing results as well, including placements at both the 2019 AWC national specialty and the 2019 ASFA II, and has also been a fantastic partner in obedience and rally. He finished his CD in three straight trials with multiple placements, and scored well enough to earn an invitation to the AKC Obedience Classic. I am absolutely blessed to have such a wonderful dog to live and play with.

His next ventures include tracking and hopefully fatherhood. We'll see how he feels about all that!

Minnesota again did not make it easy for us with highs in the 90s both days. Luckily, we had a nice breeze. We had a taco bar for lunch with all the fixings and some great sides and desserts. It's so wonderful to be able to share food and sit around and visit with everyone again!

We started out Saturday with 22 dogs and 1 puppy: one FTE, one D dog, four C dogs, eight B dogs, and eight A dogs. All the races were super competitive with dogs coming in different placements each program, and all the points came down to the very last program!

Lola won the meet for 4 NARX points with

Saturday match judge Mary Frances Miller and #1 Sindee, #2 Fenrir, #3 Stella, #4 Rowan

Fenrir second earning 2 NARX and 4 ARX points. Fama and Alex split the bottom set of ARX points, each earning one. Puppy Jett did excellent in her first official race meet.

Our judge Saturday was Mary Frances Miller and she chose Sindee, Fenrir, Stella and Rowan for her placements. Fenrir got the DPC leg and high combined.

Sunday we had 21 dogs: one D dog, five C dogs, none B dogs, and six A dogs. There was a fight for first place with Eve winning one high point, Lola winning one high point, and Sweet N Low winning two for the meet and earning the top set of 4 NARX points. Lola came in second, earning 2 NARX points. FTE Jagger finished third in the meet, earning 4 ARX points, and Valleri was sixth for the bottom set of 2 ARX points. Our turtle was Katie. Puppy

This is the year of bad weather for CWA meets in Minnesota. I hope it gets it all out of its system by the time the National comes around. We took numerous breaks Saturday whenever the precipitation changed from dripping to pouring. We've been in a drought here so the ground just soaked it up and we didn't end up with too many mud puddles. Sunday was the better weather day with a bit of drizzle turning to overcast.

We had a sloppy joes for lunch and some great sides and desserts! It's so wonderful to be able to share food and sit around and visit with everyone again!

We started out Saturday with 21 dog and one puppy: four D dogs, seven C dogs, four B dogs, and six A dogs. Talim won the meet undefeated for 4 NARX points and

4 ARX points, finishing her ARX. Kraken came in second, earning 2 NARX and 2 ARX points. Our turtle was Zip-py. Puppy Tempy did excellent in her second race meet weekend.

Our judge Saturday was Mary Magee and she chose Ringo, Stella, Lola and FTE Blaze for her placements.
