The *Continental Whippet Alliance* was formed to achieve the following objectives:

1. to unite Whippet fanciers with the common goal of promoting, protecting and preserving purebred Whippet racing
2. to encourage and promote quality in the breeding and racing of Whippets and to do all that is possible to bring their natural instincts to perfection
3. to urge members and breeders to accept the Whippet Standard of the Breed as approved by the American Kennel Club as the only standard of excellence for Whippets
4. to do all in its power to protect and advance the interests of the Whippet by encouraging sportsmanlike competition at race meets and conformation competitions and by providing a friendly and enjoyable environment
5. to provide a testing ground for Whippets to demonstrate they still have the instinct, desire and physical ability to do the athletic activity they were bred for, helping to maintain the Whippet as a healthy breed

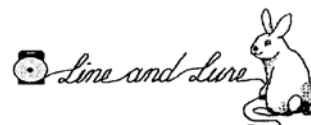

From the Editor

Publishing this issue meant making some hard decisions. The bulk of the issue has been ready to go for well over a month but I have had to delay publishing to wait for updated Top Ten standings, titles, results from the last few meets in October, and also match critiques from the National. Unfortunately, our statistician has been very ill and unable to send me most of the material I've been waiting for. Rather than delay publication any longer, I made the hard decision to go ahead and publish without them. I will include the October meets in the next issue, as well as the year-end Top Ten standings and complete list of titles earned in 2021.

In order to allow plenty of time for our statistician to get healthy and caught up on all the results, titles, and stats, I'm setting an extended **January 31** deadline for the next issue, which will be our *Annual Top Ten* issue. That's right, the issue with all the **FREE ADS!** Yes, you heard me right, **FREE ADS** for all the whippets lucky enough to land a spot in the racing, high combined, and conformation Top Tens, and **FREE PHOTOS** of all the honorable mention dogs (#11-20) in each set of standings! And if your dog was both fast and beautiful enough to finish in multiple sets of standings, then they are entitled to a free ad and/or photo for each accomplishment, or you can combine into one ad if that is easier! You're only limited by your creativity and your ability to meet the deadline, so if you suspect you've got a contender, get that deadline on your calendars now and start planning your ads. Ads do not need to be camera ready - submit your photos and copy and I'll be happy to design your ads to your specifications. The only requirement for the ads is that they must reference somewhere the appropriate Top Ten and placement, e.g. High Combined #1. The Honorable Mention photos can be any photo — stacked, running or candid — of your choice.

Since the standings have not been updated since early September and there are still meets on the calendar before we close out the year, I'll be contacting the lucky owners in person once the year-end standings are finalized. I hope that everyone whose dogs ultimately earn top honors in 2021 will participate in this important historic issue. Please don't make me beg. I would like to be able to get this issue out as soon as possible after the **January 31** deadline, but I can only do it with your help and cooperation in meeting the deadline.

dark horse: someone who was previously unknown, but suddenly emerges into prominence

Her time is now!

Raven finished her AKC field championship in October with her fourth major. In her specials debut, she won her second 5 point Best in Field for her first LCX points. In her very short lure coursing career (just six trials total) she is running undefeated (except by forfeit). She made her racing debut at the 2021 WRA National in September, where she earned a Division II placement. She is pictured below in the #2 jacket, in the lead out of the boxes in one of her races. Despite her inexperience, she ably demonstrated her focus and enthusiasm, excellent box break, and clean racing habits. She looks forward to her CWA debut in 2022!

With COVID concerns and not being able to have our Dairyland weekend at Arthur's Acres, Tom and Lyn Moran welcomed our group with open arms to their beautiful property with a perfect track, all fenced in for our shenanigans.

And after 15 years in the making, Ule James delivered our new boxes to the field on a beautiful Friday afternoon. That was the last piece to the puzzle for pulling off a most fabulous weekend!

Saturday conformation judge Carol Halliday with #1 Blaze, #2 Talim, #3 Bolty, #4 Shimmy

It's true- we had some power source issues to the lure machine on Saturday. But once we got that straightened out, we couldn't have asked for a better weekend. Beautiful weather, good friends, old and new, good food, and great fun!

Saturday we started with 25 adults, 1 puppy, and 1 dash dog for fun. We had 5 FTEs! Talim won the meet undefeated, earning 4 NARX points. Julian came in second earning 2 NARX and 4 ARX points. Alex was close behind in third place earning the last 2 ARX points of the day. Jett, our beautiful local puppy, finished her day undefeated.

Our conformation judge was Carol Halliday of Sheffield

whippets. She loved Blaze, Talim, Bolty and Shimmy.

Marty was the crowd favorite both days getting a little practice time in for the upcoming national.

Sunday conformation judge Julie Konwent with #1 Shimmy, #2 Fenrir, #3 Talim, #4 Sting

Photo by Lyn Moran

Talim rounded out her day earning the coveted High Combined honor.

Sunday was a much smoother day. There were no power issues and our nerves were all settled. We started with 22 adults, 1 puppy, and 1 dash dog for fun.

Talim and Fenrir ended the meet both with 25 points each. They split the available NARX points 3 and 3. Fenrir also earned the top set of 4 ARX points. Alex was on their tails in third place, earning another 2 ARX points toward his title. Jett was the undefeated puppy again.

Our conformation judge for Sunday was Julie Konwent

of Elain-Ward whippets. She loved Shimmy, Fenrir, Talim, and Sting.

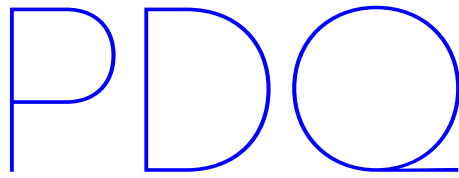

Talim pulled through once again and earned High Combined honors.

We are so grateful for our Whippets of WI crew, including honorary members Brett and Lisa Ashburn who helped make our weekend of running and christening the new track as smooth and special as possible.

Who's looking forward to next year???

report by Barb Hearley, photos by Kristy Thomas

So far, this weekend had the best weather for a meet in Minnesota this year. Also, we had the best food this weekend too with ham and potato soup, chicken wild rice soup, and Italian beef sandwiches with lots of great sides and desserts!

We started out Saturday with 16 dogs and no puppies: 1 FTE Willow, three D dogs, five C dogs, four B dogs, and two A dogs. It was extremely tight racing all day and we had to go to the camera in slow motion a lot! Julian and Alex fought all day for that meet win and the top set of points, and it came down to the last race. And Valleri won! But Julian did inch out in front of Alex getting the meet win plus the top set of ARX and NARX points with Alex getting the second set. Our turtle was Summer. FTE Willow had a blast and got points in three of her races, winning the last one.

Our judge Saturday was Sandy DePottey and she chose Sindee, Meatloaf, Valleri and Sting. MeatLoaf got the

DPC leg finishing his DPCX, and Valleri got high-combined.

Saturday match judge Sandy DePottey with #1 Sindee, #2 Meatloaf, #3 Valleri, #4 Sting

Sunday match judge Kristy Thomas with #1 Sindee, #2 Stella, #3 Axl, #4 Angel

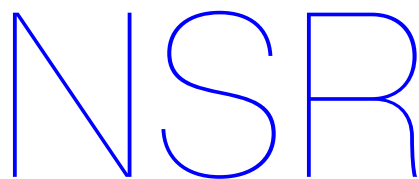

Sunday we had 13 adults: two D dogs, four C dogs, two B dogs, and four A dogs, plus FTE Sid who had just qualified Saturday. It was a repeat of extremely tight racing, and a lot of camera consultations. And again it came down to that last race for the meet win with Alex inching out MeatLoaf by a nose and getting the win and the 3 ARX/NARX points. MeatLoaf got the bottom NARX point, and Sting trounced Valleri in the last race, moving ahead to

get that last ARX point. Our turtle was Stella. FTE Sid did fantastic and finished sixth in the meet.

Kristy Thomas judged conformation Sunday and put up Sindee, Stella, Axl and Angel. The DPC leg went to Stella. The High Combined award went to Axl.

Special thanks to the NSR crew for all the help. Can't do it without you!

report by Jean Balint

Once again we were blessed with perfect weather conditions for our last CWA race meets of the year. Considering the bad start we had for Saturday's meet, it turned out to be very successful. Our bad luck started when they went to get the trailer from the parking site and found it to be blocked in by another vehicle. Several of our participants managed to pull it out by pushing it through a very narrow opening. My sincere thanks to everyone who helped.

We had some good competitive races with Kobe finishing as our top dog. He ran really well and deserved his meet win. Also running well were litter mates Renner and AiliA. They finished second and third and took the top two sets of points. Nami who hasn't run for two years surprised us all and finished fourth in the meet. She was also high score veteran. Skyler, who is truly the Energizer Bunny, gave her usual fine showing and got the fifth spot. Dazzle who seems to run better at every meet, got sixth place and also the last ARX point. Emoji, Shayla, Curry, and PiP all ran well and rounded out our

top ten. I would like to mention that three of our top ten were over six years old.

Saturday's match was judged by Erin Cody. Her picks were Izzy, Trella, Cosimo, and Keeper. Pretty little Trella was our High Combined winner. She is small, cute, beautiful and fast. Congratulations to her owner Laura.

After all the awards were presented, everyone left happy after a good day of Whippet racing.

If we thought we had a bad start to Saturday's meet, Sunday's was a hundred times worse. OUR BOXES BROKE. This is a nightmare for any race secretary and the club struggled as to what we should do. After much discussion and a call to Lisa for permission to do it, we decided to hand slip our dogs. In spite of a few bad releases, things turned out OK, and we were able to have our meet.

Again, running really strong, our top dog was Kobe. In

spite of being challenged by FTE Link, he still came out as our meet winner. First time entered Link finished in second place and looks to have much potential to be a future racing star. His career started by picking up the top ARX points. I would like to mention that Link is the litter brother of this year's CWA national meet winner. Our third place finisher was Dazzle and she was rewarded with the second set of ARX points. Trella again ran well and took the fourth spot. AiliA, Curry, Bitsy, RenneR, Shayla and Pip all ran strong and finished out our top ten.

Sunday's match was judged by Cheryl Grubaugh who did a fine job. Her placements went to Odi, Izzy, Curry, and Cosimo. Our High Combined winner was another beautiful and fast Whippet, Curry. Congratulations to her proud breeder and owner Kathy Kelly.

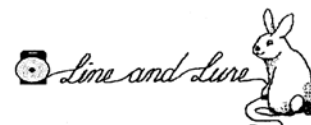

This weekend's meets were very challenging to NCWFA's race team: two days of stress and hard work. I would like to express my sincere thanks to Bonnie, Kim, Rick, Jen, Guin, Che, Teresa, Dennis, Erynn, Andrea, Val, Charlotte,

Marrianne, Robert, Barbara, Heather and Lynne.

I would also like to express my thanks to non-members who stepped up to the plate and gave us help. They were Judy, Jennifer, Diane, Cheryl, Laura, Kayla, Tina and Daniel. My gratitude and appreciation to you all for your incredible patience, kindness and help. You did a great job and again I say THANK YOU SO MUCH. I also have to thank Teresa Hamilton for the two beautiful Whippet pins that she donated as prizes for High Combined and to Bonnie Moore for her trophy donation. It was greatly appreciated.

I would like to mention that we all greatly missed our Canadian friends who have supported us for so many years. Because of Covid regulations they are unable to leave the country. Nancy, Peter, Barb and Howard just know that we love you and hope and pray that we will see you next year.

I wish you all a very happy holiday season.

report by Barb Hearley, photos by Jeff Kunze, Lyn Moran, Jan Siehndel, Gail Weiberdink

This National was two years in the making and the first thing Fran and I want to do is to give a huge shout out and thank you to our North Star National Committee without whom this National would not have happened: Sandy DePottey, Jennifer Hart-Abraham, Robin La Fortune, Jan Wahl and Kim Weigel.

Thank you to all of our donors who made it possible to provide lovely ribbons and all of our beautiful trophies to all the winners! And Jennifer and Kim who created some of the awards!

We also want to thank all of our helpers on the day, including Carmen Brush, Robin Exsted, Brian McHugh, Pat Reynolds, Kevin Saunders, Steve Shimer our show chair, Krista Siehndel who did the board both days, Liz Heizler, and Gail Weiberdink. And huge thanks to Lisa Ochoa who designed the logo and for all her behind the scenes work on the website and all of the paperwork.

Thank you to our judges Kay Nierengarten, Lisa Ochoa and Jan Wahl. What a difficult job that was!

And thank you to our photographers Laurie Erickson and Jeff Kunze and all the other folks memorializing the

sunshine, and lots of sun and 70s on Sunday.

Next, we need to talk about the food, which was absolutely amazing! Friday night after the show Pat Reynolds cooked up some burgers, brats and sweet corn. Sandy made some awesome deep-fried pickles! Sandy, Kim and Lisa put out some fantastic salads, sides, and desserts.

Saturday breakfast was Sandy's biscuits and gravy accompanied by Kim's caramel rolls. Saturday lunch was ham and turkey sandwiches along with Sandy's cauliflower broccoli salad, noodle salad, delectable deviled eggs, chips and dips, and Kim's oriental coleslaw and rice krispy bars plus too many others to name. Saturday night's BBQ banquet was excellent with brisket, roasted

meet!

Thank you also to all the folks who attended, some of whom came from as far as away as California, Georgia, and Tennessee. Everyone helped with boxing, holding and catching. And visiting! Lots of visiting!

And a big thank you to Mother Nature! After we delayed the show for an hour on Friday due to a brief windy rain storm that took down our canopy, the weather continued to improve all weekend. A little chilly and windy but decent for the rest of Friday, perfect racing weather on Saturday with temperatures in the 60s and occasional

an was Angel, best adult was Adele, and Best Opposite Adult was Blaze M. Best in match was the puppy Cash!

Last but not least is the racing! For the National on Saturday we had 2 puppies and 51 adults: one FTE Irma, five D dogs, nineteen C dogs, thirteen B dogs, and thirteen A dogs.

The race by race results are posted after this but needless to say to was some very tight racing and the winner and all the points came down to the last race!

Kraken won the meet, earning 6 NARX and 6 ARX points and finishing his ARX title. Talim was second, earning 4 NARX points. Babblez was third for 2 NARX and 4 ARX points. Julian got the fourth set of 2 ARX points, and

chicken, and St Louis spare ribs.

Sunday we started out with Sandy's delicious mini burritos and Barb's cinnamon sour cream coffee cake. Lunch was leftovers from lunch the day before and were still just as good the second time around.

Sandy told me that people don't complain if you feed them well, and she was right, we didn't get a single complaint all weekend, and that was mostly due to her!

We had 57 entries for the Fun Match and it was definitely fun! Kay Nierengarten was our judge and did a wonderful job. We had 9 puppies, 38 adults and 10 veterans. Best puppy was Cash, Best Opposite puppy was Billie, Best Veteran was Sam, Best Opposite Veter-

Our judge Saturday was Lisa Ochoa and she chose Sindee, Talim, Poppy and Rowan. The DPC leg went to Talim and she was also high combined. We started a new tradition this year by offering awards of merit for which Lisa was quite grateful. She awarded them to Raz, Torque and Shimmy.

GCH NORTHWIND'S SINSATIONAL AT IN VOGUE, PR

(GCH Northwind's Rainy Day People X CH Northwind's Some Kind of Wonderful)

photo by Jeff Kunze

Sindee is a multiple Group winner in the ring and recently won the Maturity at the American Whippet Club National Specialty.

She just started racing this year in July and she LOVES it! She recently completed her PR title. We are excited to do more racing next year!

We were very grateful of the appreciation shown to her winning the match at the CWA National and the following day.
